Dear Elizabeth,

Because of the very recent sale of KPOB-TV, an audit would not be of much value so the station is exempt from the February 2019 audit and we will close out the file.

Subject: KPOB/WSIL random EEO audit

Dear Lewis,

I hope you're doing well.

Our client Quincy Media, Inc. has several stations on the recent random EEO audit list.

One of the stations on the audit list, KPOB-TV, Poplar Bluff, MO, was acquired as of January 15, 2019, just over a month ago. In fact, it was acquired in a transaction with same-market station WSIL-TV, Harrisburg, IL. FCC approval for the transaction was granted in BALCDT-20181031AAI.

Given the recent acquisition, Quincy has at this point no EEO public file reports for the KPOB/WSIL employment unit under its ownership and very little if any EEO recruitment or outreach activities.

Under the circumstances, is the KPOB/WSIL employment unit exempt from responding to the FCC's February 14, 2019, letter – either in whole or in part?

Thanks very much.

-Elizabeth
