

**QUARTERLY ISSUE/PROGRAM TOPIC REPORT  
 APRIL TO JUNE 2020  
 For Wisconsin Public Radio Stations Licensed to  
 University of Wisconsin Board of Regents  
 And  
 The State of Wisconsin Educational Communications Board**

Attached Reports Represent Q2 of 2020

ECB Radio Stations WLBL (AM/FM), WHAA (FM), WHAD (FM), WHBM (FM), WHDI (FM), WHHI (FM),  
 WHLA (FM), WHSF (FM) and WHWC (FM) are affiliates of the WPR Ideas Network  
 ECB Radio Stations WERN (FM), WHWA (FM), WHND (FM), WHRM (FM), WHSA (FM), WPNE (FM),  
 WSSU (FM), and WSSW (FM) are affiliates of the WPR News and Classical Network

During the period, this station, as part of the network that makes up Wisconsin Public Radio, has served the public interest by producing and broadcasting diverse content which addresses national, statewide and regional issues. The following is a list of some of the produced or acquired programming or news stories aired in response to areas of concern to listeners served by Wisconsin Public Radio.

**ISSUES OF COMMUNITY CONCERN:**

- AGRICULTURE
- ECONOMY
- EDUCATION
- ENVIRONMENT
- HEALTHCARE
- POLITICS

<b>Ideas Network</b> Quarterly Issues and Programs List April to June 2020		
<b>AGRICULTURE</b>	<b>PROGRAM</b>	<b>DATE</b>
Migrant farm workers, who often work and live together in close quarters and have limited access to resources, are vulnerable to the spread of coronavirus. Two advocates doing outreach share what risks migrant workers face and what is	The Morning Show	4/13/20 @ 8 am

<p>being done to protect them — and our food supply. (Duration: 43 min, 49 sec)</p>		
<p>Long before humans had figured out agriculture, fungus-farming ants were figuring out how to keep their crops alive by forming partnerships with a special group of bacteria. Hear from a researcher about the new findings about the evolution of these ants. (Duration: 8 min, 40 sec)</p>	<p>Central Time</p>	<p>4/13/20 @ 3:30 pm</p>
<p>The federal government is rolling out billions of dollars in aid payments to farmers as the effects of the coronavirus outbreak spread to the nation’s food supply system. Learn where the money will go and how much it’ll help Wisconsin’s ag industry. (Duration: 10 min, 19 sec)</p>	<p>Central Time</p>	<p>4/27/20 @ 4 pm</p>
<p>As the coronavirus pandemic closed businesses and hit the economy, some farmers were left with nowhere to send their products. Hear the experience of a Wisconsin dairy farmer who has had to dump thousands of pounds of milk a day for over a month. (Duration: 21 min, 4 sec)</p>	<p>The Morning Show</p>	<p>5/4/20 @ 8 am</p>
<p>Coronavirus pandemic restrictions have forced businesses, restaurants and hotels to close or drastically adjust operations. In response, farmers have lost markets while food banks have seen demand spike. A look at policies to address the situation. (Duration: 22 min, 32 sec)</p>	<p>The Morning Show</p>	<p>5/4/20 @ 8:30 am</p>
<p>Pres. Trump released details on \$19 billion of support for farmers that was part of the economic relief package known as the CARES Act. Hear about the challenges facing farmers during the pandemic and how much of an impact the aid is likely to have. (Duration: 10 min, 21 sec)</p>	<p>Central Time</p>	<p>5/21/20 @ 4 pm</p>

Gov. Evers announced the Wisconsin Farm Support Program, which will provide direct aid to farmers in the state feeling the financial strain from the pandemic. A discussion of how COVID has hurt farmers and how state and federal aid might help. (Duration: 22 min, 33 sec)	The Morning Show	5/27/20 @ 7:30 am
After a back surgery, a Wisconsin dairy farmer found himself with a lot of free time. To manage, he found himself browsing eBay and discovering collections of rare and old dairy memorabilia. (Duration: 8 min, 55 sec)	Central Time	5/28/20 @ 4 pm
Many of us enjoy the products of dairy farming — from a cold glass of milk to burgers on the grill. But what about the other products we don't think about, like the waste? Hear from two experts working to find ways to use some of these dairy industry waste products for good. (Duration: 39, min. 9 sec)	The Larry Meiller Show	6/1/20 @ 11 am
On June 1, Gov. Evers appointed the new leader of the state Dept. of Agriculture, Trade and Consumer Protection. He had served as interim secretary since Senate Republicans rejected Evers' previous pick. Hear about his appointment and the agency's response to the coronavirus. (Duration: 21 min, 4 sec)	The Morning Show	6/15/20 @ 7 am
<b>ECONOMY</b>	<b>PROGRAM</b>	<b>DATE</b>
The federal government is spending trillions of dollars in aid as part of a federal stimulus package to address the economic fallout from the coronavirus outbreak. U.S. Senator Tammy Baldwin shares her thoughts on the legislation and what comes next. (Duration: 12 min, 46 sec)	Central Time	4/1/20 @ 4 pm
April's bills are starting to stack up, so what protections are in place for renters and homeowners unable to	Central Time	4/2/20 @ 3:10 pm

work because of the coronavirus? (Duration: 17 min, 1 sec)		
As the pandemic continues and businesses remain closed, economies could take a significant hit. Now, more people are raising the alarm that rural economies could get hit the hardest. (Duration: 21 min, 2 sec)	Central Time	4/7/20 @ 4:30 pm
The state Department of Health Services is out with a plan to reopen Wisconsin's economy in three phases, dependent on how COVID-19 testing and tracing capacity progresses. Learn about the "Badger Bounce Back" and how it's being received. (Duration: 8 min, 34 sec)	Central Time	4/21/20 @ 3:45 pm
Wisconsin's state budget is likely to take a hit as taxpayers spend and earn less during the pandemic. Hear how the shift in revenue streams could affect state, municipal and school spending. (Duration: 22 min, 34 sec)	The Morning Show	5/7/20 @ 7:30 am
More than 33 million Americans have filed for unemployment benefits since March, when many states across the country began issuing stay-at-home orders to slow the progression of COVID-19. Hear about the impact the viral outbreak has had on the economy ahead of the latest jobless report from the federal government. (Duration: 11 min, 29 sec)	Central Time	5/7/20 @ 4:15 pm
The state's businesses face reopening this month while the threat of the novel coronavirus remains. Secretary and CEO of the Wisconsin Economic Development Corporation discusses new guidelines for businesses to reopen safely. (Duration: 9 min, 34 sec)	Central Time	5/11/20 @ 4 pm
For many employees and employers, things like working from home, four-day work weeks, six-hour work days seemed implausible or out of reach prior to the pandemic. But after the big shift in work style, will a more	Central Time	5/12/20 @ 3 pm

flexible work schedules be normalized when things resume in full? A professor shares what she sees as flaws in modern work culture and what shift, if any, we might see in the future. (Duration: 21 min, 41 sec)		
It's been more than a month since Wisconsin started reopening and the U.S. is now officially in a recession. The head of the U.S. Small Business Administration's Wisconsin District shares how small businesses are doing at this stage of the pandemic. (Duration: 9 min, 44 sec)	Central Time	6/17/20 @ 4 pm
Closures caused by the coronavirus outbreak put restaurant owners in a tough spot. But reopening is bringing about a cash crunch of its own. Hear about the costs restaurants are dealing with and what it means for how many places may end up closing for good. (Duration: 21 min, 32 sec)	Central Time	6/18/20 @ 3 pm
<b>EDUCATION</b>	<b>PROGRAM</b>	<b>DATE</b>
While discovering new books at the library isn't an option for families right now, chances are families have some materials and books around the house that can capture — or even recapture — the attention of children. Learn about using existing resources and books to stay engaged and keep reading. (Duration: 33 min, 38 sec)	The Larry Meiller Show	4/6/20 @ 11:45 am
Hear from architecture and engineering students from two UW campuses that will be competing in a national solar homes competition -- albeit virtually -- put on by the U.S. Department of Energy. (Duration: 9 min, 10 sec)	Central Time	4/8/20 @ 4:20 pm
With most schools nationwide closed due to the COVID-19 pandemic, a new survey shows that 41 percent of teens have not attended an online or virtual class. A look at the opportunities and challenges facing students, parents	Central Time	4/9/20 @ 6:30 pm

and teachers. (Duration: 20 min, 53 sec)		
For high school students dreaming about and planning for college, the coronavirus pandemic has created one more hurdle to leap. Hear about the new challenges students are facing. (Duration: 43 min, 45 sec)	The Morning Show	4/15/20 @ 6 am
Wisconsin's colleges are facing unforeseen challenges due to the coronavirus pandemic. Learn about UW System plans to preserve its future and changes in the enforcement of Title IX, the federal gender-equity law. (Duration: 21 min, 5 sec)	The Morning Show	5/12/20 @ 7 am
Deciding what to do after graduating from high school is difficult under normal circumstances and current conditions are making it even more complicated. We talk with a high school counselor about college admissions and advising in the time of coronavirus. (Duration: 33 min, 53 sec)	The Larry Meiller Show	5/12/20 @ 11:45 am
When the coronavirus pandemic hit the U.S. and forced schools at every level to shut down, instructors scrambled to offer virtual learning options for their courses. A discussion of that transition and how students can get the most out of online classes. (Duration: 43 min, 47 sec)	The Morning Show	5/20/20 @ 6 am
Colleges are weighing whether to reopen in the fall and there are some big challenges no matter which direction they choose. Hear about some of the scenarios different campuses are considering. (Duration: 8 min, 54 sec)	Central Time	5/20/20 @ 4 pm
A growing number of colleges and universities are backing away from ACT and SAT scores. A look at why they're de-emphasizing the tests' importance, how the practice is affecting prospective students and	Central Time	6/19/20 @ 4:15 pm

what the future holds for standardized tests. (Duration: 10 min, 47 sec)		
School districts across the nation implemented School Resource Officer programs to keep students and staff safe, however, these programs are now in question. Hear from a safety consultant how these programs should operate. (Duration: 22 min, 34 sec)	The Morning Show	6/23/20 @ 8:30 am
<b>ENVIRONMENT</b>	<b>PROGRAM</b>	<b>DATE</b>
As many people turn to gardening in this time of isolation, we talk to our home improvement expert about how your garden can help your house. Learn about controlling water by controlling slope, drainage and infiltration. (Duration: 1 hr, 13 min, 28 sec)	The Larry Meiller Show	4/9/20 @ 11 am
As climate change remains a top concern for many people, some are wondering what steps can be taken to mitigate the issue. Hear how geoengineering could be a potential solution and what some of the drawbacks could be with the process. (Duration: 10 min, 3 sec)	Central Time	4/10/20 @ 3:45 pm
Clean, available water is essential - not only to remain safe from disease - but to maintain good health. Learn what it means to be a water steward in your community and around the world. (Duration: 23 min, 28 sec)	The Larry Meiller Show	4/15/20 @ 11 am
Climate change negatively affects human health in the form of increased air pollution, more natural disasters and a higher risk of water-borne illness. There's also a link between climate change and the spread of infectious disease. Here how the actions taken against climate change also reduce the risk of future pandemics. (Duration: 22 min, 36 sec)	The Morning Show	4/22/20 @ 7:30 am

An atmospheric expert discusses a local effort to measure how changes in travel habits due to the coronavirus have impacted air quality in the Great Lakes area. (Duration: 9 min, 28 sec)	Central Time	5/5/20 @ 3:45 pm
Wisconsin's DNR has suspended all burning permits until further notice. Learn about this year's wildfire threat level and how that's impacted by the coronavirus pandemic. (Duration: 8 min, 33 sec)	Central Time	5/11/20 @ 3:45 pm
Three-fourths of Wisconsin's wildlife rely on wetlands. Hear how our wetlands are doing, the benefits they provide, what threatens them and how you can learn more about them. (Duration: 37 min, 42 sec)	The Larry Meiller Show	5/13/20 @ 11 am
A new documentary series looks at the way farmers in multiple locations are turning to managed grazing for their cows for a host of reasons, including capturing more carbon and retaining more water in the soil. (Duration: 12 min, 45 sec)	Central Time	6/5/20 @ 4:15 pm
The Michigan-based subsidiary of a Canadian Company, Badger Minerals, was scheduled to begin some exploratory drilling on June 1st near the Wolf River in Oneida County. A look at the long-term goals of the company, community reaction and where this work is set to happen. (Duration: 9 min, 9 sec)	Central Time	6/8/20 @ 3:45 pm
Estimating fish populations in Wisconsin's lakes is usually involves multiple anglers, tags and lots of time. However, environmental DNA is showing promise as an efficient way to gather data. Learn about the method and how it can help track Wisconsin's favorite fish. (Duration: 11 min, 13 sec)	Central Time	6/19/20 @ 3:45 pm
<b>HEALTHCARE</b>	<b>PROGRAM</b>	<b>DATE</b>

<p>Some health experts are saying the coronavirus pandemic is proof that America is not investing enough in public health. A look at the resources being allocated for preventive care, how the U.S. could be better prepared for public health emergencies and what we can learn from the COVID-19 outbreak. (Duration: 16 min, 28 sec)</p>	<p>Central Time</p>	<p>4/2/20 @ 4:30 pm</p>
<p>Gyms and fitness centers have closed to contain spread of the coronavirus. While health authorities urge residents to practice social distancing, learn how to avoid living a sedentary lifestyle. (Duration: 43 min, 51 sec)</p>	<p>The Morning Show</p>	<p>4/7/20 @ 6 am</p>
<p>The American public didn't use face masks widely from the start of the coronavirus outbreak in the U.S., but with a change in guidance from the U.S. Centers for Disease Control and Prevention that may be starting to change. (Duration: 9 min, 59 sec)</p>	<p>Central Time</p>	<p>4/15/20 @ 3:15 pm</p>
<p>A UW-Madison virologist shares firsthand knowledge of the science behind viruses -- how they start, how they change, how outbreaks come to an end -- drawing from his past work researching viruses such as SARS and Zika and his lab's current work researching COVID-19. (Duration: 10 min, 25 sec)</p>	<p>Central Time</p>	<p>4/30/20 @ 3:30 pm</p>
<p>A new survey shows that more than 75 percent of Americans say sun protection is important, but only 41 percent admit to regularly protecting themselves outdoors. A look at how we can play it safe under the sun, how to spot potential skin cancer and treatment options for skin cancer patients. (Duration: 10 min, 40 sec)</p>	<p>Central Time</p>	<p>5/1/20 @ 3:45 pm</p>
<p>Digestive problems like gas, bloating, constipation or diarrhea are some of the most common things people seek out care for with their doctors. We talk with a dietitian and nutritionist about how these problems often relate to diet and recommendations</p>	<p>The Larry Meiller Show</p>	<p>5/5/20 @ 11 am</p>

for working through your own digestive issues. (Duration: 39 min, 40 sec)		
Polio killed and paralyzed millions of children through the mid-twentieth century until a vaccine became widely available in 1954. We delve into the story of this disease, why it took so long to find a vaccine and consider what's changed in public health since then. (Duration: 22 min, 34 sec)	The Morning Show	5/8/20 @ 7:30 am
While the world has turned its attention to the COVID-19 outbreak, other medical issues are falling through the cracks -- namely the ongoing opioid crisis. Hear about the issue and how the pandemic has made it difficult for people facing addiction to get help. (Duration: 16 min, 58 sec)	Central Time	5/11/20 @ 3 pm
Coronavirus spreads when respiratory droplets are released when someone with the virus coughs, sneezes or talks. However, dentists are exercising precaution. Two dentists share how their clinics continue to provide dental care during the pandemic. (Duration: 43 min, 45 sec)	The Morning Show	6/16/20 @ 6 am
Eating a balanced diet that includes a variety of vitamins and minerals, as well as getting enough sleep and exercising often, are known ways to help our bodies fight infection and illness. Hear how to boost our immune system. (Duration: 43 min, 54 sec)	The Morning Show	6/22/20 @ 6 am
<b>POLITICS</b>	<b>PROGRAM</b>	<b>DATE</b>
Days before the April 7 election, the two candidates vying for a 10-year term on the state Supreme Court join us to discuss their campaigns. We talk with incumbent Justice Daniel Kelly and then Dane County Judge Jill Karofsky. (Duration: 43 min, 51 sec)	The Morning Show	4/2/20 @ 8 am

<p>The Democratic Party announced that it will postpone the 2020 Democratic National Convention until mid-August as the COVID-19 outbreak continues. (Duration: 4 min, 39 sec)</p>	<p>Central Time</p>	<p>4/2/20 @ 3 pm</p>
<p>A federal judge denied requests to postpone Wisconsin's April 7 election, despite concerns raised by the ongoing COVID-19 outbreak. (Duration: 10 min, 36 sec)</p>	<p>Central Time</p>	<p>4/3/20 @ 3:30 pm</p>
<p>Due to the ongoing pandemic, the 2020 presidential election is shaping up to be unlike anything the U.S. has ever seen. One of the country's leading experts on political communication shares insight from politicians and the media. Plus hear what people can expect this campaign season. (Duration: 43 min, 34 sec)</p>	<p>The Morning Show</p>	<p>4/8/20 @ 8 am</p>
<p>A Michigan congressperson is exploring running for President as a Libertarian and a former Minnesota Governor is vying to be the Green Party's candidate in November. A look at the role of third-party candidates historically and in 2020. (Duration: 15 min, 35 sec)</p>	<p>Central Time</p>	<p>5/4/20 @ 4:30 pm</p>
<p>The state Supreme Court heard arguments on a Republican lawsuit seeking to end Wisconsin's stay-at-home order. Learn about what was said and how the case may play out. (Duration: 11 min, 50 sec)</p>	<p>Central Time</p>	<p>5/5/20 @ 3:45 pm</p>
<p>With experts warning of a second wave of COVID-19 this fall, turnout for the presidential election could depend on who is able to vote by mail. A look at how other states handle mail-in ballots, how it impacts the outcome of elections and why it's become so hotly debated. (Duration: 21 min, 8 sec)</p>	<p>Central Time</p>	<p>5/11/20 @ 4:30 pm</p>
<p>A new super PAC reported millions of dollars in spending to the government earlier this month, but the money hasn't made it to any vendors. Hear about the puzzling case and what it</p>	<p>Central Time</p>	<p>5/12/20 @ 3:30 pm</p>

can tell us about our campaign finance system. (Duration: 12 min, 32 sec)		
The Wisconsin Elections Commission voted to finalize a plan to mail absentee ballot applications to nearly all registered voters in the state. A look at the details and where state leaders stand on the issue of voting by mail. (Duration: 8 min, 40 sec)	Central Time	6/18/20 @ 3:45 pm
Attorney General William Barr removed the U.S. Attorney for the Southern District of New York. A former federal prosecutor discusses the political pressure at play and what the firing could mean for the office's ongoing investigations into associates of Pres. Trump. (Duration: 19 min, 35 sec)	Central Time	6/23/20 @ 4 pm

<b>NPR/Classical Music Network</b> Quarterly Issues and Programs List April to June 2020		
<b>AGRICULTURE</b>	<b>PROGRAM</b>	<b>DATE</b>
After 10 percent of the state's dairy farms went out of business in 2019, Wisconsin lawmakers have been working to help farmers cope with financial stress. And while milk prices were rising earlier this year, the coronavirus pandemic has sent them tumbling once again. But some in the ag community wonder if the state's response is enough to help producers struggling with their mental health. (Duration: 3 min, 44 sec)	All Things Considered	4/9/20 @ 4 pm
Lost food sales to restaurants and schools under the state's Safer At Home order have hurt prices for many Wisconsin farmers. (Duration: 46 sec)	Morning Edition	4/22/20 @ 6 am
Milk production in Wisconsin held steady in 2019, despite fewer farms and cows in the state. What does it mean for 2020? (Duration: 44 sec)	Morning Edition	5/5/20 @ 6 am
A new report from the Federal Reserve finds the value of Wisconsin farmland has started to decline. (Duration: 47 sec)	Morning Edition	5/25/20 @ 5 am

A La Crosse chef has started a new project to preserve Black farming practices and food culture. (Duration: 44 sec)	Morning Edition	6/22/20 @ 5 am
<b>ECONOMY</b>	<b>PROGRAM</b>	<b>DATE</b>
Applications to the state FoodShare program, which provides families with money for groceries, have more than doubled since mid-March. And food banks are feeling the strain, too. (Duration: 46 sec)	Morning Edition	4/19/20 @ 6 am
Today is the first day Wisconsin small business owners can apply for the second round of the Paycheck Protection Program. Congress passed legislation to add money to the program after the first round of funding ran out in just 10 days. (Duration: 43 sec)	All Things Considered	4/27/20 @ 4 pm
The Wisconsin Department of Workforce Development says the state's Unemployment Insurance Trust Fund could run out of money by mid-October. (Duration: 45 sec)	All Things Considered	5/7/20 @ 4 pm
The latest national numbers on retail sales paint a tough picture for the industry. The U.S. Commerce Department reported a historic 16 percent drop in sales between March and April. So how are Wisconsin's small retailers doing, many of which are starting to reopen? (Duration: 3 min, 34 sec)	All Things Considered	5/28/20 @ 4 pm
Construction was one activity in Wisconsin that never stopped during the pandemic. But COVID-19 has slowed down home building and remodeling. (Duration: 45 sec)	Morning Edition	6/18/20 @ 5 am
<b>EDUCATION</b>	<b>PROGRAM</b>	<b>DATE</b>
Wisconsin continues to have high 4-year-old enrollment in preschool programs. But researchers are worried that kids' preparation for elementary school will take a hit from the pandemic. (Duration: 50 sec)	Morning Edition	4/21/20 @ 6 am
Now that schools are officially closed for the school year, districts are starting to make decisions about grading. Some are going pass/fail and others are leaving it up to families. (Duration: 44 sec)	Morning Edition	4/23/20 @ 6 am
The University of Wisconsin System projects budget losses of more than \$212 million through the summer semester due to the COVID-19 pandemic. (Duration: 46 sec)	Morning Edition	5/7/20 @ 5 am

6.4 percent of children in Wisconsin don't have access to the internet at home. That's presented problems for schools turning to Google Classroom, Class Dojo and other online learning platforms as school buildings are closed due to COVID-19. (Duration: 46 sec)	Morning Edition	5/14/20 @ 5 am
Protests against police brutality are on their third week in Wisconsin. But when they first started, schools across the state were still in session. Hear how some teachers in areas with the largest and longest-running protests talked to their students about the historic moment. (Duration: 3 min, 50 sec)	All Things Considered	6/16/20 @ 4 pm
<b>ENVIRONMENT</b>	<b>PROGRAM</b>	<b>DATE</b>
A Marinette manufacturer of firefighting foam will provide bottled water for three homeowners after their private wells were found to have elevated levels of chemicals known as PFAS. (Duration: 48 sec)	Morning Edition	4/14/20 @ 5 am
A review of data from the U.S. Environmental Protection Agency shows a trend of declining environmental enforcement, spending and staff in six Great Lakes states. Those are findings from a new report released by an environmental advocacy group. (Duration: 48 sec)	Morning Edition	4/21/20 @ 5 am
As many Wisconsinites work from home because of the coronavirus pandemic, some of us are noticing more wildlife in our city and suburban neighborhoods. (Duration: 3 min, 22 sec)	Morning Edition	5/21/20 @ 5 am
Madison-based Alliant Energy will spend \$900 million to add 675 megawatts of solar power generation. The announcement follows the utility's decision to shutter its Edgewater coal plant in Sheboygan. (Duration: 45 sec)	BBC Newshour	5/26/20 @ 3 pm
Wisconsin utilities are expected to cut carbon emissions by nearly 40 percent in the next six years. That's according to a draft report by the Public Service Commission. (Duration: 44 sec)	Morning Edition	6/22/20 @ 6 am
<b>HEALTHCARE</b>	<b>PROGRAM</b>	<b>DATE</b>
Hospitals in Milwaukee and Madison are working to collect plasma from people who have recovered from COVID-19 so it can be used as an experimental treatment for patients struggling to fight off the disease. (Duration: 46 sec)	Morning Edition	4/5/20 @ 6 am

Healthcare employees have been concerned about a shortage of face masks where they work. Employees elsewhere have also complained they can't get them. (Duration: 48 sec)	Morning Edition	4/29/20 @ 6 am
Gov. Evers has vowed to make Wisconsin a top state in per-capita testing for COVID-19. But the state lags behind in the testing of individuals housed in state prisons. (Duration: 38 sec)	Morning Edition	5/22/20 @ 6 am
A condition related to COVID-19 which targets kids is showing up in Wisconsin. (Duration: 45 sec)	BBC Newshour	5/29/20 @ 3 pm
The World Health Organization said Monday it wants those protesting against racial injustice during the pandemic to wear masks. Last week, a top U.S. health official urged protesters to get tested for COVID-19. (Duration: 43 sec)	All Things Considered	6/8/20 @ 4 pm
<b>POLITICS</b>	<b>PROGRAM</b>	<b>DATE</b>
A federal judge heard arguments yesterday in a case looking to delay Wisconsin's April 7 election as cases of the new coronavirus continue to grow in the state. (Duration: 49 sec)	Morning Edition	4/1/20 @ 5 am
A constitutional amendment aimed at giving crime victims more rights under state law won overwhelming support from voters during Monday's primary election. (Duration: 37 sec)	Morning Edition	4/13/20 @ 6 am
The state's Elections Commission could vote later today to send absentee ballot request forms to all of Wisconsin's registered voters. (Duration: 50 sec)	Morning Edition	5/20/20 @ 6 am
Opponents of Wisconsin's overturned "Safer at Home" order have turned their attention to the local health orders that sprung up to replace it. They filed a federal lawsuit this week that seeks to strike the local restrictions down. (Duration: 42 sec)	Morning Edition	5/21/20 @ 5 am
Vice Pres. Pence was in Pewaukee to give a speech encouraging voters to cast their ballots for Pres. Trump in November. Pence's visit comes ahead of Trump's visit to the state this Thursday. (Duration: 51 sec)	All Things Considered	6/23/20 @ 4 pm
