KETR-FM POST-FILING ANNOUNCEMENT

On July 26, 2013, KETR-FM was issued a license renewal by the Federal Communications Commission to serve the public interest until August 1, 2021. The KETR-FM license expires on August 1, 2021. We have filed an application for license renewal with the FCC. A copy of this application is available for public inspection in the KETR-FM Online Public Inspection File at www.publicfiles.fcc.gov. It contains information concerning the performance of KETR-FM during the last license term, July 2013 through August 2021.

Individuals who wish to advise the FCC of facts relating to the KETR-FM renewal application and to whether KETR-FM has operated in the public interest should file comments and petitions with the FCC by July 1, 2021.

Further information concerning the FCC's broadcast license renewal process is available in the Public and Broadcasting Manual posted in the KETR-FM Online Public Inspection File at www.publicfiles.fcc.gov or may be obtained from the FCC, Washington, D.C. 20554.
