**“Broadcast Arts Department at Alliance High School”** – Kyle Schwarz talks about community efforts of the students, and the programs on Alliance Spectrum cable access channel 1022 showing next week. She highlighted the Raptor Report, a segment on live animals that is recorded at Beach Creek Gardens in the warmer months. This weeks show was shot in the high school studio “starring” Flower, a live skunk! The students really enjoyed the session as the skunk had beed “de-fumed.”

A complete listing of next weeks shows can be found in the Monday edition of the Alliance Review newspaper.

**“American Red Cross”** – Kim Kroh of the Red Cross, joining us via telephone today. She updated us on the Sound the Alarm program with free installation of smoke alarms into local homes as well as local fires in the Canton and Alliance areas where the Red Cross has assisted effected families. Kim also reported on volunteers responding to hurricane Ian storm damage with so many local volunteers still deployed in Florida, it has left only a few to help local families this holiday season. Anyone who could volunteer to help locally should log on to [RedCross.org](http://RedCross.org) or call the local office at 330-453-0146.

**“OCD – Obsessive Compulsive Disorder”** – An interview with Dr. John Sonnenberg, an OCD expert, and Ethan Smith who has been diagnosed with OCD proved quite interesting. We learnedt OCD is by medical definition and Ethan was able to educate us as to what it’s like to have OCD. Dr. Sonnenberg was informative on the research that’s ongoing for OCD and where we could find out more... [OCDtrials.com](http://OCDtrials.com).
