October, November, December
FCC Public File Quarter: 4

Duration: 20 minutes

Name of Program: AG Buzzing w/ Karen Lawrence
Program Guest: James Morgan (UGA Ag Extension)

Description:

Southwest Georgia is an agricultural region; agriculture is its main economic base. There are several small farmers in need of information to access new resources in order to remain viable and relevant. The AgBuzzing Radio program provides information to small farmers. The program discusses Federal, state, and local resources available for small farmers and provides them with the necessary information to access those resources.
