Education, Remediation of Poverty	Center for Disease Control	July 1 - TFN, 2020	<p>COVID-19, or Novel Coronavirus, is a new respiratory virus. The symptoms of COVID-19 are fever, cough, difficulty breathing, and severe respiratory illness. Symptoms may appear in as few as 2 or as many as 14 days. If any of these apply to you, call your medical provider. To prevent the spread of COVID-19, wash your hands with soap and water, avoid touching your face with unwashed hands, avoid contact with people who are sick, disinfect frequently touched surfaces, stay home when you are sick, and cough or sneeze into a tissue or sleeve. More information available at cdc.gov</p>
Education, Remediation of Poverty, Pandemic Information	Alzheimer's Foundation of America	July 1 - TFN	<p>If you're caring for someone with Alzheimer's disease, the Alzheimer's Foundation of America's Helpline is open seven days a week to answer questions about caregiving during the Coronavirus outbreak, ways to keep your loved one safe, what to do at home and more. The Alzheimer's Foundation of America's Helpline is 866-232-8484 or the website is www.alzfdn.org</p>
