1st Initiative

Stillwater Radio attended the Job fair at the Stillwater Community center Thursday, October 20, 2022, with other area businesses. The event was held at the Stillwater Community Center with various businesses in our region. Our employment unit provided information about the broadcast industry for interested participants. Station personnel were on-hand throughout this event to answer questions of any job seekers to the broadcast industry.

2<sup>nd</sup> Initiative

Stillwater Radio participated in the “Discovery Day” Job Fair, December 7, 2022 at Meridian Technology Center (STW). Throughout this job fair, Stillwater Employees discussed Broadcasting in length and answered questions from interested parties.

Although Stillwater Radio continues with our supplemental outreach to area colleges to post internship openings for broadcast and journalism departments, we had no intern recruitment this EEO period. We will continue offering internships for the Spring/Summer 2023 and Fall/Winter 2023 Semesters.
