

QUARTERLY ISSUES AND PROGRAMING LIST - KXAS-TV					
2021 Q1 / January - March					
Issue	Program	Date	Time	Duration	Episode/Segment Description
Alcohol and Drug Abuse	NBC 5 News	1/13/2021	6:00 p.m.	0:17	Report on Dallas Officer, Terry Charles, being arrested and charged with DWI and unlawfully carrying a weapon. Cedar Hill police say he was asleep behind the wheel of a running car in a parking lot on Uptown Boulevard.
Alcohol and Drug Abuse	NBC 5 News	1/16/2021	6:00 a.m.	0:24	Report of a wine lover's dream job. The individual will live rent free for a year, with a 10,000 dollar a month salary and taste wine. They will also shadow a renowned wine maker. The job is being offered through Murphy-Goode Winery. Individuals who are interested must turn in a video application and submissions are being accepted on their website now.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Children	NBC 5 News	1/1/2021	11:00 a.m.	0:37	Report on kindergartners at Shands Elementary School in Mesquite possibly receiving bikes for their PE classes thanks to an organization called "All Kids Bike." The organization's goal is to teach every child in America how to ride a bike. "All Kids Bike" equips schools with everything they need to teach children how to ride a bike. If funded, Shands Elementary would be the 5th school in Texas to launch the program.
Children	NBC 5 News	1/4/2021	4:00 p.m.	2:06	Report on children having trouble sleeping in the midst of the pandemic. Between remote learning and pandemic-related stress, its possible children are experiencing sleep difficulties along with adults. NBC 5 reports ideas that could help children sleep better during these uncertain times.
Children	NBC 5 News	1/17/2021	10:00 p.m.	0:27	Report on dozens of children having brand new shoes thanks to the foundation, Dayna's Footprints. Two Arlington brothers started the organization in the memory of their sister. Thanks to the fundraiser, the brothers were able to raise more than 20,000 dollars to purchase shoes for children in four North Texas communities.
Children	NBC 5 News	1/22/2021	6:00 a.m.	1:00	Report of 10-year-old Camille Richards being inspired to help children, especially during the cold months. With the help of her parents, Camille started a coat drive to warm bodies and hearts. To this day, she has collected more than 100 coats for children in need. She is delivering the coats to Vogel Alcove, a nonprofit in North Texas that supports children who are homeless.
Children	NBC 5 News	1/25/2021	11:00 a.m.	0:30	Two young best friends in North Texas took on a huge project to help abused and neglected babies in Dallas County. Ellie Ambrose and Anna Tobin are eight years old and in the second grade. During Winter break, they organized a donation drive to help babies. They partnered with the non-profit "Community Partners of Dallas," to collect diapers, baby wipes, shampoo and other items.
Children	NBC 5 News	1/26/2021	6:00 a.m.	0:27	Report on the update of 10 year-old Camilie Richards' coat drive for children. The final count of donations was 162 coats, 50 hats, 45 gloves, 24 scarves, 100 packs of wipes and 20 packs of underwear. Camilie and her family wanted to thank all who helped her donate to Dallas' Vogle Alcove, a non-profit that helps children who are homeless.
Children	NBC 5 News	1/26/2021	5:00 p.m.	0:21	Cook Children's Medical Center confirmed to NBC 5 that the child who died in Tarrant County, was an infant. Statewide, only five other deaths have been confirmed in children under the age of one. Two other children have succumbed to Covid-19 complications in North Texas.
Children	NBC 5 News	2/1/2021	6:00 a.m.	1:00	Report on mom entrepreneurs across North Texas teaming up to do something good in the hopes of getting books to as many children as possible. They're holding a children's book drive in support of the National Education Associations Read Across America Day. They will try to use this month to collect as many books as possible to give to underserved elementary school children, homeless shelters in North Texas and the Children's Center at Parkland Hospital.
Children	NBC 5 News	3/2/2021	6:00 p.m.	0:42	Dallas ISD is number one in large school districts for getting nutritious foods to students in need. A program called "Children at Risk" ranked in North Texas schools.
Children	NBC 5 News	3/9/2021	6:00 a.m.	0:24	Report on 25% of daycares being forced to close temporarily during the pandemic. Childcare advocates are calling on lawmakers to help expand access to reliable, affordable and quality childcare. Daycare operators ae now bearing the impact of both the virus and last month's winter storm.
Children	NBC 5 News	3/9/2021	6:00 a.m.	0:24	Report on 25% of daycares being forced to close temporarily during the pandemic. Childcare advocates are calling on lawmakers to help expand access to reliable, affordable and quality childcare. Daycare operators ae now bearing the impact of both the virus and last month's winter storm.

Children	NBC 5 News	3/10/2021	6:00 a.m.	0:41	The past year has been hard on Americans of all ages due to the pandemic. Pediatricians have seen the mental health impact firsthand, saying cases of anxiety and depression are on the rise. Now, mental health toys are getting more popular with tactile tools to help kids cope. The "Big Feelings Pineapple" is one of the tools that introduces social emotional learning. There's also the mindful maze set that teaches self-management skills to children as well.
Children	NBC 5 News	3/11/2021	11:00 a.m.	0:30	Report on the number of new infections of Covid-19 in children continues to drop. According to the American Academy of Pediatrics and the Children's Hospital Association, more than 63,000 new pediatric Covid-19 cases were reported last week. This marks the 7th consecutive week with a decline in new cases. Health leaders say children represented more than 13% of all cases.
Children	NBC 5 News	3/12/2021	6:00 a.m.	0:18	Report on lawmakers touring a detention facility for migrant children in Carrizo Springs, before meeting with border patrol officials. Senator John Cornyn and U.S. Representative Henry Cuellar will visit the border today as the number of illegal crossings climbs.
Children	NBC 5 News	3/12/2021	5:00 p.m.	0:27	Dallas Mavericks owner, Mark Cuban, is making sure students have hot meals during Spring Break. The Mark Cuban Heroes Basketball Center in Oak Cliff is offering drive-thru events, giving out both lunch and dinner. The event is free, but registration is required.
Children	NBC 5 News	3/13/2021	10:00 p.m.	0:25	Report on help from FEMA with a record number of children showing up at the U.S. Mexico border. Homeland Security says since April, the number of encounters at the border has been rising. The goal is to avoid unaccompanied children from being treated as detainees of customs and border protection, by moving them quickly into the care of the Department of Health and Human Services.
Children	NBC 5 News	3/14/2021	6:00 a.m.	4:29	Report on the Dallas Foundation, the first community foundation in Texas, giving back to children. The foundation recently granted the largest single amount to date, 750,000 dollars to Child Poverty Action LAB, or C-PAL, in effort to reduce childhood poverty in Dallas by 50% within a single generation. The Dallas Foundation's President and CEO, Matthew Randazzo, joined NBC 5 to share more information about the partnership.
Children	NBC 5 News	3/15/2021	4:00 p.m.	2:05	Report on the U.S. Government planning on using the Convention Center in Downtown Dallas to house up to 3,000 immigrant teenagers. The immigrant teenagers could arrive as early as this week.
Children	NBC 5 News	3/15/2021	4:00 p.m.	0:25	Report on the pandemic's impact on the mental health of children and teens. The University of Michigan surveyed nearly a thousand parents of teens. 46% of those parents said their child has shown signs of a new or worsening mental health condition since the start of the pandemic. Parents of girls were more likely to report signs of depression or anxiety, compared to the reports from parents of boys.
Children	NBC 5 News	3/15/2021	4:00 p.m.	0:25	Report on the teen vaccine trial for the Covid-19 vaccine. Right now, Moderna is testing its vaccine on teenagers across the United States.
Children	NBC 5 News	3/16/2021	6:00 a.m.	2:16	Report on immigrant children crossing the border alone. There is a new surge at the border.
Children	NBC 5 News	3/16/2021	4:00 p.m.	0:20	Report on Moderna testing its Covid-19 vaccine in young children. The company's first pediatric participants have been dosed in the study named "Kidcove." The trial will test the safety and efficacy of the two-dose vaccine in children 6 months to 11-years old. Moderna says they plan to enroll 67,000 children in the U.S. and Canada.
Children	NBC 5 News	3/17/2021	5:00 a.m.	0:43	Report on children across North Texas receiving new books thanks to 7 Primrose Schools across the area. More than 2,000 books were donated to a local non-profit through "OG's Bountiful Book Drive," which is a reading program at the school designed to encourage parents to read with their children and send books to the school for the classes to share. All of the books were donated to "Book Drive for Kids," a DFW non-profit hosting free book fairs in under resourced elementary schools.
Children	NBC 5 News	3/18/2021	6:00 a.m.	0:24	Report on the importance of babies and children avoiding pesticides in foods. Experts state it's critical for babies and children to avoid these certain foods because pesticides can damage their developing brain. A "Dirty Dozen" list of fruits and vegetables that contain the highest levels of pesticides was created.
Children	NBC 5 News	3/18/2021	4:00 p.m.	0:30	Report on doctors discovering what's believed to be the first case of a baby being born with Covid-19 antibodies after the mother was vaccinated. Doctors published a study that uncovered the pregnant women who recovered a single dose of the Moderna vaccine in January and 3 weeks later giving birth. Doctors tested the baby's cord blood and it had Covid-19 antibodies.
Children	NBC 5 News	3/18/2021	6:00 p.m.	0:22	Report on Dallas ISD stating the pandemic is the blame for the district not meeting their academic goals. At the start of the school year, DISD aimed for 55% of Kindergarteners to score at or above grade level. In preparation of the pandemic impact, trustees dropped the goal to 40% in November. Results from a mid-February assessment found only 28% of Kindergarteners scored at or above their grade level.

Children	NBC 5 News	3/19/2021	11:00 a.m.	0:24	Report on local aid for migrant children. Lulac is working with Catholic charities to recruit and virtually train potential foster parents who would be willing to house a migrant child anywhere from a couple of weeks to a couple of years. Volunteers in North Texas communities are also stepping forward to help and are collecting supplies like toiletries and clothes.
Children	NBC 5 News	3/19/2021	4:00 p.m.	0:28	Report on new guidelines for youth athletes that are returning to sports after recovering from Covid-19. The American Academy of Pediatrics says depending on their symptoms, children or teens who had a moderate illness, should undergo cardiac screenings. Kids who were asymptomatic should get clearance from a doctor and those who had a serious illness should wait 3 to 6 months.
Children	NBC 5 News	3/23/2021	11:00 a.m.	0:17	Report on the push to vaccinate in Texas and multiple trials are underway to test the Covid-19 vaccine in children. One of those trials are happening in North Texas. A company in Plano is signing children up, between the ages 6 months to 11-years old. The website provided does not say which vaccine is being tested.
Children	NBC 5 News	3/24/2021	4:00 p.m.	0:26	Report on a North Texas 13-year-old who has a knack for entrepreneurship. Olivia Hogan founded "Olivia's Originals Bakery" during the pandemic. She bakes everything by herself, delivers her baked goods by bike within 24 hours to customers and manages her own inventory. Olivia even does her own bookkeeping. She hopes to inspire other children to get ahead on their own financial futures.
Children	NBC 5 News	3/26/2021	6:00 a.m.	0:27	The Dallas Mavericks are participating in "Reading With You" through a virtual event for children and their families. Dwight Powell and Tyrell Terry will host a read and chat on the team's Instagram live. It is part of their reading challenge where kids can win prizes for reading. NBC 5 is passionate about the community helping children get excited about reading.
Children	5 Talk Street	3/31/2021	1:00 p.m.	7:00 p.m.	A segment that focuses on a community event titled, "The Cowtown Marathon." The marathon will be held virtually this year due to the pandemic. "The Cowtown C.A.L.F program will distribute shoes to children through the help of North Texas school districts to keep the children of North Texas active.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Consumer	NBC 5 News	1/1/2021	4:00 p.m.	0:41	Report on apps and devices that will help individuals who are gearing up to work off the "Quarantine 15" in the new year. One of the high-end devices is called "The Mirror." It has thousands of live and on-demand classes. Short daily sessions help users take small steps toward their weight goals. Another high-end device is the Peloton Bike. If individuals don't want to spend money, there are free apps to stream workouts including Nike Run Club, Glo and Tone it Up.
Consumer	5 Talk Street	1/1/2021	11:00 a.m.	7:00	An NBC 5 Talk Street segment that focuses on a new app called, "Socialwyze." The app can be downloaded for free. The mobile application is aimed at ending homelessness. Cody Merrill, the founder and CEO of Socialwyze and a current entrepreneur-in-residence at EarthX, speaks with NBC 5 about the app.
Consumer	NBC 5 News	1/3/2021	6:00 a.m.	1:54	Report on consumers receiving the shock when they find out their insurance company dropped their pharmacy from its network. Consumers are also finding out that their insurance doesn't cover the drug their doctor prescribed. NBC 5 shares some advice to consumers on how they can navigate through the changes.
Consumer	NBC 5 News	1/4/2021	11:00 a.m.	0:20	T-Mobile has reported a security breach that may have exposed some customer's call records. The company says the information did not include customer names, physical or email addresses, credit card or social security numbers or passwords. T-Mobile says they have notified roughly 200,000 people who may have been affected.
Consumer	NBC 5 News	1/4/2021	5:00 p.m.	0:18	Report on a new option for individuals out of work due to the pandemic to find a job with a purpose. "Passion Placement" is a new job search portal. It's described as a career matchmaking platform, offering recruiting, job posting and consulting.
Consumer	NBC 5 News	1/5/2021	6:00 a.m.	0:20	Venmo is launching a check cashing feature that allows consumers to deposit money without using their bank's app. As with similar tools, the individual just has to take a photo of the check.
Consumer	NBC 5 News	1/12/2021	5:00 a.m.	0:18	Report on North Texas receiving a new area code. Customers requesting a new phone number may be assigned a number beginning with "9-4-5." The Public Utility Commission of Texas approved the additional area code. Current phone numbers will not change.
Consumer	NBC 5 News	1/12/2021	6:00 a.m.	0:20	Report on Hyundai adding nearly half a million SUV's to a previous recall about an electrical short that could start a fire. Hyundai is warning owners to park outside until repairs are made. Owners will be notified next month to take their SUV's to a dealership.
Consumer	NBC 5 News	1/12/2021	11:00 a.m.	0:22	NBC 5, Telemundo 39 and the Comcast NBCUniversal Foundation kicked off the 2021 Project Innovation Grant Challenge. 315,000 dollars will be awarded to 8 North Texas organizations that are using innovation to address community issues. Grant applications are currently open until February 12th.

Consumer	NBC 5 News	1/12/2021	4:00 p.m.	0:15	Report on online sales going up to more than 30% over the 2020 holiday season. Consumers are staying away from malls and turning to the internet because of the pandemic. According to Adobe Analytics, online sales totaled a record 188.2 billion dollars last year.
Consumer	NBC 5 News	1/14/2021	11:00 a.m.	0:25	Report of U.S. Safety Regulators pressuring Tesla to recall 158,000 vehicles. They state the "Model S" and "Model X" touchscreen displays could fail and cut off access to the backup camera, climate controls and Tesla's autopilot system, which could lead to a crash.
Consumer	NBC 5 News	1/14/2021	4:00 p.m.	0:27	Report on Alcohol-to-Go in Texas. It was created to help struggling businesses during the lockdown. Texas State Representative Charlie Geren filed legislation last week, allowing Alcohol-to-Go a permanent decision.
Consumer	NBC 5 News	1/22/2021	4:00 p.m.	3:15	The Denton Black Film Festival announced they are going virtual this year because of Covid-19. The theme for the festival this year is "We Tell Our Stories." This is very important during a time when our country is calling for racial justice.
Consumer	NBC 5 News	1/25/2021	11:00 a.m.	1:57	Report on consumers filing for their 2020 taxes. Due to the pandemic, it may be trickier for people this year because of questions about unemployment, working from home and stimulus payments. Americans are wondering how these factors will impact any refund they may be owed.
Consumer	NBC 5 News	1/26/2021	6:00 a.m.	0:31	Report on a brother and sister noticing none of the puzzles they worked on looked like them, so they set out to change that by creating their own family business last summer, called "Puzzles of Color." Puzzles of Color has a plan to branch out and show diversity across the board.
Consumer	NBC 5 News	1/26/2021	5:00 a.m.	0:43	Report on record-low airfare deals due to Covid-19. Airfares are the lowest they've been in 25 years. Planes are still only about half-full on average. Aviation reporter, Kyle Arnold, says safety concerns and shifting rules are driving the rock-bottom prices and it is not clear how long that will last.
Consumer	NBC 5 News	1/26/2021	6:00 a.m.	0:15	Report in consumer news in regards to President Biden moving forward with placing Abolitionist, Harriet Tubman, on the 20 dollar bill. The Obama Administration announced in 2016 it would be placing Harriet Tubman on the bill, replacing Andrew Jackson. The Trump administration said in 2019 that the new bill would be delayed for years because of technical issues. Harriet Tubman would be the first black person to be placed on U.S. currency.
Consumer	NBC 5 News	1/26/2021	11:00 a.m.	0:18	A report on the deadline for the Project Innovation Grant Challenge. The Grant Challenge will end on February 12th. NBC 5, Telemundo 39 and the Comcast NBCUniversal Foundation will award 315,000 dollars to local, eligible North Texas organizations. The grant application can be accessed at NBCDFW.com/projectinnovation .
Consumer	NBC 5 News	1/26/2021	4:00 p.m.	0:26	Report advising commuters to be aware of the unexpected charges they may receive on their next Tex-Tag bill. This is because Tex-Dot made a change. This could mean months of old charged from trips as far back as October appearing on commuters' bill. Tex-Dot says they will try to limit the number of withdrawals they make a day. If commuters are billed by mail, they will likely see a single statement with all of their charges.
Consumer	NBC 5 News	1/29/2021	5:00 a.m.	1:25	Arlington water utilities will resume water shut offs for late payments. Along with getting water services disconnected, consumers who have a past due balance and have not made payment arrangements with the city, will begin to see late fees.
Consumer	NBC 5 News	1/29/2021	6:00 a.m.	0:18	The 7th Annual Denton Black Film Festival is now underway. This year's festival is being held virtually and includes more than 136 films, workshops, art exhibits and musical performances. The theme is "We Tell Our Stories."
Consumer	NBC 5 News	1/29/2021	4:00 p.m.	0:30	Report on an important warning for people in Arlington. Starting Monday, the city will shut off water to those who have a past-due balance on their account and have not made arrangements with the city to pay it off. Consumers could also see late fees. The city has partnered with several charities to help those who need help with this bill.
Consumer	NBC 5 News	1/29/2021	4:00 p.m.	0:20	In Fort Worth they're testing the accuracy of water meters. Some consumers have complained about higher water bills, so the city's water utility is investigating. They've hired an outside company to test the accuracy of old and new meters. The city is in the middle of replacing old meters that are at least 15 years old.
Consumer	NBC 5 News	1/29/2021	10:00 p.m.	3:56	Report on more people turning to financial tech companies to manage their money from their cell phones. This is an entirely digital way to bank. With this new technique, a North Texas mom says a stranger was able to get into her account in a matter of a few hours. The stranger was able to steal around 14,000 dollars for nearly a month. She tried to get her money back. The NBC 5 Responds Team shows consumers how they can take the right steps to protect their money.

Consumer	NBC 5 News	1/29/2021	10:00 p.m.	0:25	The JPS Foundation in Fort Worth is in need of phone chargers and cords for patients. The organization explained that many patients are rushed to the emergency room without little notice. Many of the patients have their phone but nothing else. The JPS Foundation says it is in need of all kinds of chargers so patients can stay in touch with their loved ones. If people would like to help and donate, they can call the organization.
Consumer	NBC 5 News	1/31/2021	6:00 a.m.	0:22	Report on the City of Colleyville giving away free money. The city is placing 35-dollar gift cards, called "Cupid's Cash" in mailboxes across the city. The Assistant City Manager says about 10,000 households will get a free gift card to use at a local business. The city says they will also give free gift cards to teachers, healthcare workers and first responders in surrounding cities.
Consumer	NBC 5 News	2/1/2021	6:00 a.m.	0:28	Report on consumers counting on a tax refund this year, could be a little disappointed this filing season. A new W-4 form went into effect in 2020 and it may have millions of American receiving smaller refunds. It may even cause people to owe money to the government this year.
Consumer	NBC 5 News	2/1/2021	10:00 p.m.	0:30	Report on the future of package deliveries being tested in North Texas. Hillwood and Bell Textron Inc. sent NBC 5 a video of what they say is the first point-to-point unmanned aircraft system package delivery in the region. The companies say they are moving the needle closer to making this type of delivery a reality for North Texans.
Consumer	NBC 5 News	2/2/2021	6:00 p.m.	0:16	The state is extending "Emergency Snap Benefits" through February, due to the pandemic. The extension provides a 15% increase in food assistance and should hit customers' accounts by February 28th. Snap recipients will also continue to receive a 15% increase in total benefits until June.
Consumer	NBC 5 News	2/2/2021	10:00 p.m.	0:23	Report on the investment app, Robinhood, rolling back some of its trading limitations.
Consumer	NBC 5 News	2/2/2021	10:00 p.m.	0:22	Report on Tesla recalling nearly 135,000 "Model S" and "Model X" vehicles over a touchscreen issue. It comes after weeks of pressure from regulators who said the problem compromised some of the vehicle's safety features.
Consumer	NBC 5 News	2/2/2021	10:00 p.m.	0:28	Despite the pandemic, more people have been looking into buying new homes. Not as many are looking to sell and that's sent prices through the roof. A new report from Core Logic shows by December, price gains will reach levels that have not been seen since 2014.
Consumer	NBC 5 News	2/10/2021	6:00 p.m.	0:17	Applicants only have two more days to apply for NBC 5, Telemundo 39 and the Comcast NBCUniversal Foundation's Project Innovation. They are awarded 315,000 dollars to non-profits who are trying to help their communities.
Consumer	NBC 5 News	3/1/2021	5:00 p.m.	0:23	Report on the coronavirus vaccine set to trigger the fastest retail sales growth in over two decades according to the National Retail Federation.
Consumer	NBC 5 News	3/1/2021	5:00 p.m.	0:19	Consumers can receive a lot of things at a deep discount this month. March is typically when retailers try to get rid of the previous year's inventory.
Consumer	NBC 5 News	3/5/2021	6:00 p.m.	1:00	The Texas Public Utility Commission met to talk about the winter power crisis and how it could affect consumer's pocketbooks.
Consumer	NBC 5 News	3/8/2021	11:00 a.m.	0:31	As many Texans continue to clean up after the winter storm, there are growing issues of contractor scams. The Better Business Bureau says all the contractors following the storms aren't necessarily trying to scam people, but they want consumers to be on alert.
Consumer	NBC 5 News	3/9/2021	5:00 p.m.	0:36	One year into the pandemic, and millions of Americans are still struggling financially. A new survey from CNBC and "Acorns" find one in five people have tapped or wiped out their emergency savings. Almost 40% of Black women have had to take these measures, the highest of any racial group.
Consumer	NBC 5 News	3/10/2021	10:00 p.m.	0:34	Report on airline vouchers that consumers may hold due to a canceled trip during the pandemic. The expiration dates may be coming up, so NBC 5 walks consumers on what they should do to obtain the credit before it expires.
Consumer	NBC 5 News	3/11/2021	11:00 a.m.	1:32	Nearly a month removed from the winter storm, but consumers are still dealing with insurance headaches. Some North Texans are bracing for thousands of dollars in out-of-pocket expenses, even though they have insurance. NBC 5 explains what homeowners can do right now.
Consumer	NBC 5 News	3/12/2021	4:00 p.m.	2:45	Report on "Black Restaurant Week" beginning in North Texas with a goal of celebrating and supporting Black-owned restaurants. It's been around for years, but after a year of Covid-19, customer support is needed more than ever.
Consumer	NBC 5 News	3/16/2021	10:00 p.m.	3:44	Report on North Texans showing NBC 5 their huge electric bills after last month's winter storm. Several people who receive their power through the Navarro County Electric Cooperative, based in Corsicana, showed NBC 5 their bills ranging from 400 hundred dollars to nearly 1,000 dollars. NBC 5's Responds reporter, Diana Zoga, sorted through what happened.

Consumer	NBC 5 News	3/18/2021	11:00 a.m.	0:20	Report on North Texans showing NBC 5 their huge electric bills after last month's winter storm. Several people who receive their power through the Navarro County Electric Cooperative, based in Corsicana, showed NBC 5 their bills ranging from 400 hundred dollars to nearly 1,000 dollars. NBC 5's Responds reporter, Diana Zoga, sorted through what happened.
Consumer	NBC 5 News	3/18/2021	4:00 p.m.	0:25	Report on the company Amazon getting into the health care industry. The tech giant says it will offer a telemedicine program to employers nationwide. The app is called "Amazon Care." The app connects users virtually with doctors and nurses who can provide services and treatment. Amazon will expand the service to private employers across the country by the summer.
Consumer	NBC 5 News	3/22/2021	5:00 p.m.	2:53	The IRS extended this year's tax season for Texans. People have until June 15th to file their 2020 federal income tax return. For everyone else, the IRS extended the filing date by one month. Some people are telling NBC 5 Responds that they're still waiting on the IRS to process 2019 returns.
Consumer	NBC 5 News	3/24/2021	6:00 a.m.	0:24	The Arlington Public Library's Spring Book Sale is back. They are selling books, puzzles, DVDs and more for discounted prices. The sale starts today for members and opens to the public the following day.
Consumer	NBC 5 News	3/25/2021	4:00 p.m.	1:59	Report on a North Texas wife doing her part in the fight against Covid-19 by starting a cash campaign to encourage people to get the vaccine. She's doing it in honor of her husband, a beloved Frisco teacher, who recently died from Covid-19.
Consumer	NBC 5 News	3/29/2021	5:00 a.m.	0:13	Report on help to clear car seat confusion with the help of "Toyota for Families." Toyota for Families is a new digital toolkit that features customized detailed car seat installation instructions based on vehicle type. It can be found in the Toyota Owners App, or on their website.
Issue	Program	Date	Time	Duration	Episode/Segment Description

Education	NBC 5 News	1/22/2021	4:00 p.m.	0:27	Tarrant County College is offering a two-year Associates degree in Aviation. People who already have another degree, can earn a certificate. The unique program allows students to spend more time learning inside an airplane than inside a classroom. The program is a big-time commitment.
Education	NBC 5 News	1/25/2021	6:00 p.m.	2:20	Report on the pandemic changing the environment of the classroom, especially for science teachers. Science teachers are having a tough time conducting hands on experiments in a Covid-19 sensitive way. NBC 5's Education reporter, Wayne Carter, shows viewers how a Cedar Hill teacher is tackling the challenges. Parents are also pitching in to make sure the teacher has support.
Education	NBC 5 News	1/24/2021	4:00 p.m.	2:49	Report on the push for more diversity in children's literature. The large resurgence has been seen in the last year. In an age where many young students are spending a lot more time isolated, the books they read could have a larger socio-emotional impact than ever before.
Education	NBC 5 News	1/26/2021	5:00 a.m.	1:30	Irving ISD is starting a new program that requires teams of employees to participate in student home visits. Irving ISD is calling the program the "Home Visit Blitz." The goal of the program is to set foot in the homes of 150 families a week. The district is finding that some of the students and their families are struggling. Some families are struggling with spotty internet, which gets in the way of remote learning. Some families don't have electricity. Others don't have enough food on the table, so the Irving ISD teams are bringing food with them. The teams are even finding that some students don't have adult supervision.
Education	NBC 5 News	1/29/2021	6:00 a.m.	0:51	Dallas ISD has approved two alternate calendars. Both options would impact the next two school years. The first option is called a Intersession calendar and could affect about 1 in 3 schools. This calendar option gives students who've fallen behind, five extra weeks or instruction per year. The other option is called a Calendar Re-design and affects only a handful of the worst performing elementary and middle schools. This option would give all students an extra five weeks. There has been a lot of push back from parents and teachers about the proposals during the meeting.
Education	NBC 5 News	1/29/2021	6:00 a.m.	2:06	The Grand Prairie Library wants to help provide classes for families and teach them how to stretch their dollars. Grocery shopping can take a huge portion of families' budgets and the Grand Prairie Library wants to help navigate families through this.

Education	NBC 5 News	1/29/2021	6:00 a.m.	0:20	Report of the Fort Worth ISD trying something interesting to help students who are struggling during the pandemic. Under a new policy, the district will allow kids with failing grades to re-do certain assignments and re-take tests. Students with an average of 70 or below will have until the end of the year to take advantage of the "do-over."
Education	NBC 5 News	1/29/2021	6:00 a.m.	0:15	Report on North Texas students taking the STAAR Test this year. Students will get grades, but those grades will not count against them or the school district. School leaders say they need the test so they can see where students need the most help.
Education	NBC 5 News	1/29/2021	4:00 p.m.	4:19	Report on Dallas College trying to continue their longstanding commitment to obtain a diverse and inclusive environment for employees and students.
Education	NBC 5 News	1/29/2021	4:00 p.m.	2:22	After nine months, students in Dallas ISD are finally being able to fire up free high-speed internet at home, thanks to a cell tower network owned by the school district.
Education	NBC 5 News	1/29/2021	10:00 p.m.	3:56	Report on the pandemic revealing the bare inequality in schools when it comes to remote learning. Some districts have iPads and Chromebooks for every student, but other schools barely have computers. Many students have had no high-speed internet at home. This is a report on the technology gap and the digital divide.
Education	NBC 5 News	1/31/2021	10:00 p.m.	0:17	Report on Dallas ISD launching an effort to re-engage students derailed by the pandemic. The month-long effort is called, "Operation Comeback" and will include phone calls, texts and home visits. Families will receive information about how to get meals, hotspots, uniforms and how to track attendance and grades.
Education	NBC 5 News	2/1/2021	6:00 a.m.	1:00	Report on mom entrepreneurs across North Texas teaming up to do something good in the hopes of getting books to as many children as possible. They're holding a children's book drive in support of the National Education Associations Read Across America Day. They will try to use this month to collect as many books as possible to give to underserved elementary school children, homeless shelters in North Texas and the Children's Center at Parkland Hospital.
Education	NBC 5 News	2/1/2021	4:00 p.m.	2:31	Report on the Coronavirus pandemic leaving many American families facing financial hardships and colleges are concerned about their fall enrollment, which is expected to drop because many students are taking a year off.
Education	NBC 5 News	2/1/2021	6:00 p.m.	1:58	NBC 5's Education reporter, Wayne Carter, shows a unique and new Pre-K program in Garland. This is North Texas' first Vietnamese Pre-K program.
Education	NBC 5 News	2/1/2021	10:00 p.m.	0:39	Report on parents confronting the Carroll ISD school board about racism in the district. An NBC News feature on the district highlighted issues its been dealing with for years. Parents spoke for more than an hour at the board meeting. The catalyst for the controversy came from a 2018 viral video showing students shouting the n-word. The school board created a diversity council and over the summer, unveiled a plan aimed to help combat racism. The plan was met with support and strong opposition. Parents on both sides sounded off at the board meeting held tonight.
Education	NBC 5 News	2/1/2021	10:00 p.m.	1:52	Dallas ISD is trying to help students stay on track during the pandemic. The district says 50% of its students are behind in math and 30% are behind in reading. One reason is with virtual classes. Some students aren't showing up to class or logging on.
Education	NBC 5 News	2/2/2021	4:00 p.m.	1:47	Report on the DA's office in Tarrant County taking a new role as teachers. DA's have started working in Fort Worth ISD to help teach students about the Criminal Justice proves. NBC 5's Education Reporter, Wayne Carter, says it's become popular with students.
Education	NBC 5 News	2/2/2021	6:00 p.m.	0:23	Parents and guardians looking to help their kids get into college can now get help from Irving ISD. The district is offering a program called "Path to College and Careers." The eight-part virtual series will help parents prepare kids for graduation.
Education	NBC 5 News	2/10/2021	10:00 p.m.	0:19	NBC 5 provides a list of school closings. Some districts are either closing or delaying start times. Some schools, such as Dallas ISD and Desoto ISD are going all virtual.
Education	NBC 5 News	3/1/2021	4:00 p.m.	1:19	Report on a holiday to celebrate reading. During this holiday free virtual books are on the way. NBC 5's Laura Harris tells viewers where they can receive English and Spanish versions of the virtual books.
Education	NBC 5 News	3/2/2021	4:00 p.m.	1:22	As soon as Governor Abbott made the announcement about rolling back Covid-19 safety guidelines, schools started fielding calls from parents, who were wanting to know if their child still had to wear a mask to school.
Education	NBC 5 News	3/2/2021	6:00 p.m.	0:42	Dallas ISD is number one in large school districts for getting nutritious foods to students in need. A program called "Children at Risk" ranked in North Texas schools. Grand Prairie, Irving, Arlington, Fort Worth and Crowley ISD also made the list.
Education	NBC 5 News	3/4/2021	11:00 a.m.	0:45	Texas school systems have full authority to set their own mask policies. This ruling came from the Texas Education Agency.

Education	NBC 5 News	3/6/2021	6:00 p.m.	0:17	Potter's House in Fort Worth hosted volunteers with Fort Worth ISD who piggy backed on a food give away with a pop up book mobile. Along with food, each vehicle received educational material. This material included district Pre-K and Kindergarten registration information, books and PPE.
Education	NBC 5 News	3/9/2021	4:00 p.m.	1:50	Report on STEM studies for girls.
Education	NBC 5 News	3/12/2021	4:00 p.m.	0:41	Report on a group of concerned parents and citizens in Southlake are demanding change when it comes to diversity and inclusion in their school. State Senator Royce West's Law office issued a demand letter to the Carroll ISD Superintendent and the Board President, demanding that a cultural competence action plan be adopted and implemented immediately.
Education	NBC 5 News	3/14/2021	6:00 a.m.	0:23	Report on activist planning to meet with Plano school leaders, following a high-profile bullying case. The Next Generation Action Network Says they will meet with Plano's Superintendent. They're calling for changes after a Plano mom came forward stating her son had been the subject of horrific bullying at Haggard Middle School. Plano ISD is currently investigating, as well as the Plano Police Department.
Education	NBC 5 News	3/18/2021	6:00 p.m.	0:22	Report on Dallas ISD stating the pandemic is the blame for the district not meeting their academic goals. At the start of the school year, DISD aimed for 55% of Kindergarteners to score at or above grade level. In preparation of the pandemic impact, trustees dropped the goal to 40% in November. Results from a mid-February assessment found only 28% of Kindergarteners scored at or above their grade level.
Education	NBC 5 News	3/22/2021	10:00 p.m.	1:49	Plano ISD will now offer high school Seniors courses in African American and Mexican American studies. The courses were approved months ago, but the announcement comes just weeks after allegations surfaced of a 13-year-old black student at Haggard Middle School being bullied and abused by white classmates.
Education	NBC 5 News	3/22/2021	10:00 p.m.	0:20	Introduction of a bill that requires a diversity officer in all Texas school districts. Each officer would develop policies to support cultures, talents, ability and languages of all varieties. Round Rock Representative James Talarico, who used to be a teacher, introduced this bill as an idea for ending hate in schools.
Education	NBC 5 News	3/23/2021	5:00 a.m.	0:38	Report on an entire year of tuition, 60,000 dollars per student, was provided to a class of medical school students in Fort Worth. This was provided by a couple's anonymous donation. Four years of tuition at TCU-UNT Health Science Center School of Medicine costs more than a quarter-million dollars, but these future doctors got a major surprise their Dean made by announcement on Zoom.
Education	NBC 5 News	3/26/2021	6:00 a.m.	0:27	The Dallas Mavericks are participating in "Reading With You" through a virtual event. Dwight Powell and Tyrell Terry will host a read and chat on the team's Instagram live. It is part of their reading challenge where kids can win prizes for reading. NBC 5 is passionate about the community helping children get excited about reading.
Education	NBC 5 News	3/26/2021	6:00 p.m.	2:11	Report on a Dallas teacher from Dunbar Elementary, using a military model to help turn discipline problems around and build a foundation for learning.
Education	NBC 5 News	3/28/2021	5:30 a.m.	3:45	Report on one of the hardest parts of the pandemic for schools was trying to figure out how to get families connected via technology. Now, more than a year later, many schools are still behind and have a long way to go. NBC 5's Education Reporter Wayne Carter looks at the battle for schools to day connected during the pandemic.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Environment	NBC 5 News	1/1/2021	6:00 a.m.	1:25	Report on heavy rain impacting the roads in Dallas resulting in crashes. The rain typically doesn't get that high, but due to so much downfall, the measuring gauges showed increased levels.
Environment	NBC 5 News	1/1/2021	11:00 a.m.	0:30	Report on inches of snow blanketing towns in Texas. The National Weather Center says some areas have gotten as much as 11 inches and they're still accumulating. This is creating treacherous conditions on the roads.
Environment	NBC 5 News	1/2/2021	6:00 p.m.	0:16	Report on snow causing a traffic nightmare. Hundreds of drivers rang in the new year while trapped in the snow on the interstate. Many of these individuals had young children. Texas Department of Transportation crews were eventually able to free stranded big rigs, which then cleared the way for everyone else.
Environment	NBC 5 News	1/2/2021	10:00 p.m.	0:24	Report on Dallas being on the list of FEMA's top riskiest places to live when it comes to natural disasters. FEMA looked at 18 types of natural disasters including earthquakes, hurricanes, tornadoes and hail, Dallas was number one in that category.
Environment	NBC 5 News	1/4/2021	6:00 a.m.	0:29	Report on several air quality monitors in Dallas neighborhoods. This is a part of the "Breathe Easy Dallas" campaign that started in 2017. The campaign is a collaboration with the city of Dallas and several other agencies. Once the one-year study is completed, researchers hope the study will help to better understand the role that local air quality plays in relation to Pediatric Asthma. The 9 neighborhood locations were selected with the help of "Safe-Routes- to School Program."

Environment	NBC 5 News	1/26/2021	4:00 p.m.	1:52	Report on the gardens at Big Tex Urban Farms. The gardeners harvest fresh produce inside their greenhouse. Plants grow about twice as fast with the hydroponics. This is especially important now, due to the increased number of people experiencing food insecurity due to Covid-19. Despite Covid-19, in 2020, Big Tex Urban Farms loaded enough trucks with produce to deliver and donate 26,000 pounds of food to 9 organizations in South Dallas.
Environment	NBC 5 News	1/26/2021	4:00 p.m.	1:42	Report on a string of winter storms cutting a path across much of the country. The storms include snow and ice from the West through the Northeast. A system that hit the south spawned a deadly tornado. The rough weather caused a lot of damage.
Environment	NBC 5 News	2/1/2021	11:00 a.m.	1:21	Report on a winter storm that is expecting nearly 2 feet of snow to blast through. This will put about 1/3 of Americans under winter storm watches or warnings.
Environment	NBC 5 News	2/2/2021	11:00 a.m.	1:14	Report of the massive Northeastern snowstorm wreaking havoc across a huge swath on the country for days. Dumping more than two feet of snow in some places. Travel is treacherous across the region and now the storm has become a killer.
Environment	NBC 5 News	2/17/2021	6:00 p.m.	2:14	Report on the next phase of the disaster from the winter storms are unfolding in homes and other buildings. The massive damage from pipes that froze and broke has led to flooding all over North Texas. The problem will only get worse as more cracked pipes thaw in the coming days following the winter storms.
Environment	NBC 5 News	3/4/2021	6:00 a.m.	0:20	City crews working on large potholes. Road collapses in North Texas have occurred following the winter storms.
Environment	NBC 5 News	3/8/2021	6:00 a.m.	0:14	Last month's winter storm left about 155-billion dollars in damage across multiple states. Texas accounts for the majority of that with 130 billion dollars in damage. This is the costliest weather disaster in the state's history, topping 2017's Hurricane Harvey.
Environment	NBC 5 News	3/12/2021	10:00 p.m.	1:37	Report on President Biden making tackling climate change another top priority. Biden's first days in office, he canceled the Keystone XL Pipeline and rejoined the Paris Climate Agreement.
Environment	NBC 5 News	3/12/2021	10:00 p.m.	0:26	Report on simple ways to help the environment and "Go Green." Eco-friendly advocates state that individuals should focus on three things; reduces, reuse and recycle.
Environment	NBC 5 News	3/12/2021	10:00 p.m.	1:37	Report on a 121-home development being created in Frisco. It is the first residential project in the United States for India-based "Total Environment Homes."
Environment	NBC 5 News	3/14/2021	5:00 p.m.	0:27	Report on the widespread damage across the panhandle where several tornadoes ripped apart homes, snapped power and cellphone lines, damaged oil rigs and flipped over 18-wheelers. The area was under tornado watches and warning for much of the day and no serious injuries were reported.
Environment	NBC 5 News	3/14/2021	5:00 p.m.	1:57	Report on the one-month mark of the historic winter storm that resulted in widespread damage caused by power outages and busted pipes. Along with homes, Dallas Park and recreational facilities were also impacted. The estimated price tag to cover repairs runs into the millions.
Environment	NBC 5 News	3/16/2021	10:00 p.m.	2:30	Report on a new study that connects climate change to allergy seasons lasting longer and being more intense. Some people feel like their allergies are getting worse and lasting longer.
Environment	NBC 5 News	3/24/2021	11:00 a.m.	0:26	Report on another round of severe storms. There's a threat for large hail and damaging winds.
Environment	NBC 5 News	3/25/2021	11:00 a.m.	1:29	Report on hail damage and homeowners filing hail damage claims. Texas was once again the top state in the country for the number of hail claims filed.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Family	NBC 5 News	1/1/2021	4:00 p.m.	2:19	Report on the community garden in an East Dallas neighborhood feeding families. Dolphin Heights Community Garden has been providing food for families for 15 years. The garden has been championed by a woman, known as the Mayor of Dolphin Heights, Anna Hill. The garden is aimed to help decrease the number of individuals who go hungry. The garden has helped feed volunteers, the neighborhood and now due to the pandemic, the garden keeps the nearby food pantry stocked with fresh produce.
Family	NBC 5 News	1/9/2021	6:00 p.m.	0:29	Report on an organization making sure people know Covid-19 deaths are more than just a number, they are someone's loved one. The yellow heart memorial is honoring people who have died from Covid-19. It's at the Museum of Archives in Irving. It's done through the organization "Marked by Covid." Their mission is to spread awareness, ask for legislative change and remembrance for people's family members who have died due to Covid-19.
Family	NBC 5 News	1/22/2021	6:00 a.m.	0:36	Report of a 100-day pause on some deportations. This will bring relief for some North Texas families. One immigration attorney says the move is a better allocation of the Department of Homeland Security resources, allowing them to temporarily push aside lower priority cases. Like client Eric Garza, who is facing removal from the country and separation from his fiancé and 3 children after a traffic stop.

Family	NBC 5 News	1/25/2021	11:00 a.m.	0:30	Two young best friends in North Texas took on a huge project to help abused and neglected babies in Dallas County. Ellie Ambrose and Anna Tobin are eight years old and in the second grade. During Winter break, they organized a donation drive to help babies. They partnered with the non-profit "Community Partners of Dallas," to collect diapers, baby wipes, shampoo and other items.
Family	NBC 5 News	1/26/2021	5:00 a.m.	1:30	Irving ISD is starting a new program that requires teams of employees to participate in student home visits. Irving ISD is calling the program the "Home Visit Blitz." The goal of the program is to set foot in the homes of 150 families a week. The district is finding that some of the students and their families are struggling. Some families are struggling with spotty internet, which gets in the way of remote learning. Some families don't have electricity. Others don't have enough food on the table, so the Irving ISD teams are bringing food with them. The teams are even finding that some students don't have adult supervision.
Family	NBC 5 News	1/26/2021	6:00 a.m.	0:29	The loss of jobs, healthcare uncertainty and the threat of contracting Covid-19 in the hospital, has led many couples to actively try not to conceive. Prior, many individuals predicted the Covid stay-at-home order would lead to a new nationwide baby boom, but in actuality, it has led to a baby bust. With vaccines being distributed and a recovering economy, things can change in a hurry.
Family	NBC 5 News	1/29/2021	6:00 a.m.	0:22	Tarrant Area Food Bank will be hosting another Mega Mobile Food Market for families in need. The Tarrant Area Food Bank will be handing out boxes of food at the Herman Clark Stadium in Fort Worth. The Tarrant Area Food Bank is in search of volunteers.
Family	NBC 5 News	1/29/2021	6:00 a.m.	2:06	The Grand Prairie Library wants to help provide classes for families and teach them how to stretch their dollars. Grocery shopping can take a huge portion of families' budgets and the Grand Prairie Library wants to help navigate families through this.
Family	NBC 5 News	1/29/2021	11:00 a.m.	0:34	Report on a former Dallas ISD parent reaching her goal of collecting 2,500 pairs of shoes to donate to "Funds to Orgs." The nonprofit then donated 3,000 dollars to the school for college scholarships. Funds to Orgs takes the donated shoes to underdeveloped countries like Haiti. This allows people to set up their own businesses to sell the shoes and make a living.
Family	NBC 5 News	1/31/2021	10:00 p.m.	0:17	Report on Dallas ISD launching an effort to re-engage students derailed by the pandemic. The month-long effort is called, "Operation Comeback" and will include phone calls, texts and home visits. Families will receive information about how to get meals, hotspots, uniforms and how to track attendance and grades.
Family	NBC 5 News	2/1/2021	6:00 a.m.	1:00	Report on mom entrepreneurs across North Texas teaming up to do something good in the hopes of getting books to as many children as possible. They're holding a children's book drive in support of the National Education Associations Read Across America Day. They will try to use this month to collect as many books as possible to give to underserved elementary school children, homeless shelters in North Texas and the Children's Center at Parkland Hospital.
Family	NBC 5 News	2/1/2021	4:00 p.m.	2:31	Report on the Coronavirus pandemic leaving many American families facing financial hardships and colleges are concerned about their fall enrollment, which is expected to drop because many students are taking a year off.
Family	NBC 5 News	2/28/2021	5:00 p.m.	1:42	Love in the midst of a pandemic and other devastating historical events.
Family	NBC 5 News	3/1/2021	10:00 p.m.	0:30	The Biden Administration is turning its attention to fixing the nation's immigration system for families. Homeland Security Secretary, Alejandro Mayorkas, said they'll start from scratch.
Family	NBC 5 News	3/5/2021	4:00 p.m.	0:21	Volunteers spent the afternoon working with the Chris Howell Foundation to put together food boxes, water and PPE care packages. The foundation has been hosting distribution events for North Texas families in need.
Family	NBC 5 News	3/5/2021	4:00 p.m.	2:36	Report of mothers and sons in Frisco becoming the newest warriors in fighting hunger. They packed boxes of foods to make sure students who will be out of school on Spring Break next week, have plenty to eat.
Family	NBC 5 News	3/11/2021	5:00 a.m.	0:16	Catholic Charities is organizing the event in conjunction with North Texas Food Bank. They are setting up for a food drive at Love Field. It is designed to help 1,000 families. People can pre-register for the event on the Catholic Charities Dallas website.
Family	NBC 5 News	3/12/2021	5:00 p.m.	2:10	NBC 5 looks back at the faces of Covid-19 in North Texas and the families still grieving the loss of loved ones. The official start of the Coronavirus pandemic was just over a year ago.
Family	NBC 5 News	3/12/2021	6:00 p.m.	0:15	Report on the Tarrant Area Food Bank continuing their mission of helping families put food on the table. The organization hosted another "Mega Mobile Market" in multiple locations. The Tarrant Area Food Bank returned back to the Herman Clark Stadium also. Hundreds of people showed up to receive food.
Family	NBC 5 News	3/14/2021	6:00 a.m.	1:55	Report on families looking forward to reuniting with family after the separation and disconnect due to the pandemic. NBC 5 reports the story of a North Texas grandparent.

Family	NBC 5 News	3/15/2021	6:00 a.m.	0:35	Businesses can now be open at 100% capacity, but nursing homes and long-term care facilities still face visitation restrictions that are affecting families from seeing their loved ones. Texas advocacy groups are pushing lawmakers to make changes. Mary Nichols formed the group "Texas Caregiver for Compromise" out of frustration last year. She along with others, are constantly advocating on the behalf of their own loved ones and other families.
Family	NBC 5 News	3/20/2021	10:00 p.m.	0:30	Report from the border where new video shows migrant families expelled from the United States and being sent back to Mexico. In other places, some migrants are being allowed in. In the Rio Grande Valley, some families with young children are being allowed to stay in the U.S. while they seek asylum. Customs and Border Protection are releasing some of families to local charities.
Family	NBC 5 News	3/21/2021	6:00 a.m.	0:36	A North Texas woman is using her social justice initiative called "Break Bread, Break Borders" to create change through art, food and education. Jinya Huang created the Dallas-based food company when her mother, a chef and community leader, passed away a few years ago. She says the organization has transformed the lives of nearly two dozen refugee women, many whom are from Asian countries.
Family	NBC 5 News	3/21/2021	10:00 p.m.	2:03	Report on the pandemic's impact on families. Challenges faced during the pandemic can seem twice the burden on a single parent. Today, is National Single Parent Day, so NBC 5 wanted to take a look at some of the help that's available for single parents.
Family	NBC 5 News	3/25/2021	5:00 a.m.	0:20	The Tarrant Area Food Bank will host an "Empty Bowls Mega Mobile Market" at the Dickies Arena. The event will run from 10 a.m. to 2:00 p.m. and feed up to 3,000 North Texas families with boxes of food. For those who donated food there will be an appreciation gift handcrafted by local artists.
Family	NBC 5 News	3/25/2021	10:00 p.m.	2:42	Report on the pandemic hitting people who are less fortunate especially hard. NBC 5 covers a story of a family of 7 that ended up living in poverty in two sheds. They had no water, heat or electricity. A nonprofit group stepped up to get them help and a new life.
Family	NBC 5 News	3/29/2021	5:00 a.m.	0:13	Report on help to clear car seat confusion with the help of "Toyota for Families." Toyota for Families is a new digital toolkit that features customized detailed car seat installation instructions based on vehicle type. It can be found in the Toyota Owners App, or on their website.
Family	5 Talk Street	3/31/2021	1:00 p.m.	7:00	A segment that focuses on the importance of adoptions. The President and CEO of the Gladney Center for Adoptions, Mark Melson, spoke with Vince Sims about the nonprofit organization and how they were affected by the pandemic. Melson explained their dedication and drive that allowed them to continue to thrive and serve their community.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Government	NBC 5 News	1/1/2021	6:00 a.m.	1:00	Report on the update for the 600-dollar stimulus check. A key republican leader says there's no realistic path to pass it.
Government	NBC 5 News	1/1/2021	4:00 p.m.	0:15	As the nation closed the books on 2020, nearly 800,000 more people filed for unemployment benefits. 600-dollar Covid relief checks are coming, but they will not rise to 2,000 dollars. Senate majority leadership killed the effort, despite support from President Trump.
Government	NBC 5 News	1/1/2021	5:00 p.m.	1:43	Report on a move by Congress for the first time since President Trump took office. In an 81-13 vote, Congress chose to override President Trump's veto of the military spending bill. Also, there is a fight to increase the Covid-19 relief checks.
Government	NBC 5 News	1/2/2021	10:00 p.m.	2:14	Report on Senate Majority leader, Mitch McConnell, encouraging republicans not to rally with Texas Senator Ted Cruz. He's leading a group planning to challenge the presidential election results.
Government	NBC 5 News	1/2/2021	10:00 p.m.	0:16	Report on the new Congress being sworn into office. The 117th Congress will include two freshmen republicans representing North Texas.
Government	NBC 5 News	1/4/2021	6:00 a.m.	0:19	The City of Fort Worth is inviting residents to learn more about Redistricting. Fort Worth is allowing residents the chance to learn about the process, then 3 public meetings will follow.
Government	NBC 5 News	1/5/2021	11:00 a.m.	1:15	Report on Mayor Betsy Price being the longest serving mayor in Fort Worth's history. She has served for 10 years. Price will remain on the job for the remaining five months of her term. She said the pandemic is not what influenced her decision, but instead it was time.
Government	NBC 5 News	1/5/2021	10:00 p.m.	2:19	Report on people lining up to replace Mayor Betsy Price of Fort Worth, barely 12 hours after she announced that she won't run for re-election. Mayor Betsy Price is the longest-serving mayor in Fort Worth history. NBC 5 takes a look at the candidates who may try to lead the city after Price's exit.

Government	NBC 5 News	1/5/2021	10:00 p.m.	0:33	Report on a coalition of Republicans led by Texas Senator Ted Cruz, trying to object to Biden's electoral college win, but it is not enough to overturn the results. This information was announced the eve of Congress' meeting to certify President-Elect Joe Biden's victory in the electoral college.
Government	NBC 5 News	1/12/2021	6:00 a.m.	0:15	Report on Texas state lawmakers meeting in Austin for the start of the new legislative session. It is the first session since the start of the pandemic. The session comes with heightened security concerns after last week's capitol siege in Washington, D.C.
Government	NBC 5 News	1/12/2021	6:00 a.m.	0:37	900,000 people live in the city of Fort Worth and that total number could go higher with the 2020 census. The growing population will increase city council seats from nine to eleven and means district lines have to be redrawn. City residents have a chance to take part and ensure lines are drawn in a way that's fair for all neighborhoods.
Government	NBC 5 News	1/12/2021	11:00 a.m.	1:45	Report on the beginning of the 2021 Texas Legislative sessions in Austin, Texas. For the first time since the pandemic started, Texas lawmakers will meet face to face.
Government	NBC 5 News	1/12/2021	11:00 a.m.	0:24	Report on the House of Representatives voting on the measure to call for President Trump to be removed from office. The resolution calls on Vice President Mike Pence to invoke the 25th amendment. Even if it passes, the Vice President is not expected to comply. In that case, the House might meet to consider an article of impeachment against President Trump later.
Government	NBC 5 News	1/14/2021	4:00 p.m.	2:24	NBC 5, Vince Sims speaks with Pastor Kyev Tatum about being appointed to the Tarrant County Advisory Board. This is a time that cries for social justice and police reform and Pastor Kyev says he is honored to have a seat at the table to affect change. The discussion takes place during NBC 5's: Conversation A Call for Change.
Government	NBC 5 News	1/14/2021	5:00 p.m.	0:20	Report on Legislation aiming to prevent discrimination based on a person's hair texture or style. The bill was introduced in Austin. The bill would amend students dress or grooming policies to protective styles, including braids, locks, twists or any other style typically associated with race. Last year, two Texas teens were suspended for wearing their hair in dreadlocks.
Government	NBC 5 News	1/17/2021	5:00 p.m.	0:15	Report on Senator Ted Cruz protest across Texas. The calls are growing louder for the resignation of Texas Senator Ted Cruz. Protestors say his effort to block the electoral vote confirmation based on unproven claims of voter fraud helped to fuel the violence at the Capitol in Washington, D.C.
Government	NBC 5 News	1/22/2021	6:00 a.m.	0:30	A closer look at President Biden's proposal to give struggling Americans a financial break. This proposal consists of a nearly 2-trillion-dollar rescue package that calls for 1,400-dollar direct payments to most Americans. The President also wants to increase and extend federal unemployment benefits. He also wants to raise the minimum wage to 15 dollars an hour. The CDC has already agreed to extend the eviction moratorium through March.
Government	NBC 5 News	1/22/2021	10:00 p.m.	2:47	Report of President Biden wanting to speed up issuing stimulus checks to small business owners of color. Many of these business owners were not part of the last round of relief. The President is vowing to streamline the process. NBC 5's Scott Gordon spoke with a Black business owner in Fort Worth about what they are hoping to receive.
Government	NBC 5 News	1/25/2021	6:00 a.m.	0:11	Report on new warnings from health leaders about contagious variant strains of Covid-19 which is leading to President Joe Biden to impose a new travel ban. The travel ban will apply to non- U.S. residents from certain countries.
Government	NBC 5 News	1/25/2021	11:00 a.m.	0:25	The Texas legislature will meet in Austin to begin hearing testimonies about redistricting. It is among the priorities of the 87th session and there is already talk that it could result in a special session this summer. The U.S. Constitution requires the redrawing of congressional districts every ten years.
Government	NBC 5 News	1/26/2021	6:00 a.m.	0:15	Report in consumer news in regards to President Biden moving forward with placing Abolitionist, Harriet Tubman, on the 20 dollar bill. The Obama Administration announced in 2016 it would be placing Harriet Tubman on the bill, replacing Andrew Jackson. The Trump administration said in 2019 that the new bill would be delayed for years because of technical issues. Harriet Tubman would be the first black person to be placed on U.S. currency.
Government	NBC 5 News	1/26/2021	4:00 p.m.	0:10	Fort Worth could elect a new mayor as soon as May. The city council will meet to discuss a May 1st election date. City Council positions will also be available on the ballot.
Government	NBC 5 News	1/26/2021	4:00 p.m.	0:55	Senators have been sworn in for the second impeachment trial of former President Donald Trump. The swearing in of all 100 senators follows the delivery by the House of a single article of impeachment against President Trump. It charges the former President with incitement of insurrection following the mob attack on the capitol earlier this month.

Government	NBC 5 News	1/26/2021	4:00 p.m.	0:14	Report on America's first female treasury secretary. Janet Yellen was sworn in by Vice President Kamala Harris. This was followed by the Senate voting to confirm Yellen on Monday. Yellen was the former Federal Reserve Chair. She was confirmed with an 84-15 vote.
Government	NBC 5 News	1/26/2021	5:00 p.m.	1:57	Report on President Biden addressing the issue of racial equity and signing more executive orders aimed at leveling the playing field for all Americans.
Government	NBC 5 News	1/26/2021	6:00 p.m.	0:35	Report of Governor Greg Abbot claiming the State is working on a plan to get virus vaccines into neighborhoods hit the hardest by Covid-19. Last week, the State told Dallas leaders it would pull vaccines if they used distribution zones in zip codes where the virus has been bad.
Government	NBC 5 News	1/26/2021	6:00 p.m.	0:17	Report on a federal judge blocking President Biden's deportation ban. The 10-day freeze applied to almost anyone who entered the U.S. without authorization before November. Texas Attorney General Ken Paxton argued the freeze violated federal law and an agreement the state signed with the Department of Homeland Security.
Government	NBC 5 News	1/29/2021	5:00 a.m.	0:24	President Biden issued more executive orders, this time the focus was on Healthcare. The first action was to reopen insurance enrollment through federal marketplaces so Americans could have access to the Affordable Care Act and Medicaid. The second order was aimed at protecting and expanding access to comprehensive reproductive healthcare.
Government	NBC 5 News	1/29/2021	6:00 p.m.	0:15	Texas voters could soon decide whether to get rid of Daylight-Saving time, once and for all. Two San Antonio lawmakers have filed to let voters weigh in on whether or not the state should skip springing forward and falling back in time. Similar bills have failed in the past.
Government	Lone Star Politics	1/31/2021	8:30 a.m.	8:56	NBC 5's Political Reporter, Julie Fine, speaks with Texas Senator Cornyn about Congress beginning the year with an impeachment trial and the Covid-19 crisis. Julie Fine also speaks with Senator Cornyn about a new Administration.
Government	NBC 5 News	3/1/2021	6:00 p.m.	2:21	Report on Texas Attorney General, Ken Paxton, suing Griddy over the large power bills it passed on to customers during the winter storm two weeks ago.
Government	NBC 5 News	3/3/2021	5:00 a.m.	0:21	Oncor will present a winter weather update to Dallas City Council members. The discussion will include a look at the communication failures that added to the persistent outages following last month's winter storms. Council members are expected to ask questions about why customers were affected and others were not, and if that process was equitable.
Government	NBC 5 News	3/4/2021	11:00 a.m.	0:16	Fort Worth Mayor Betsy Price commented of Governor Greg Abbott's decision to roll back the Covid-19 safety recommendations. Mayor Price told NBC 5 she wanted the rollback to be after Spring Break, but now they need to make the best of it.
Government	NBC 5 News	3/5/2021	5:00 p.m.	0:15	The House passed a police reform act, named for George Floyd. The bill would ban chokehold and eliminate qualified immunity for law enforcement. The bill still has to go to the Senate, where it will need at least 10 Republican votes to pass.
Government	NBC 5 News	3/7/2021	6:00 a.m.	0:30	Republican Texan Senators Cruz and Cornyn voted against President Biden's Covid Relief Bill and called it wasteful.
Government	Lone Star Politics	3/7/2021	8:30 a.m.	0:27	Report on the end of the statewide Covid-19 mandates. The Governor announced the executive order change effective this Wednesday, just a few days shy of a year to when he declared a state disaster and later a statewide mandate that closed schools and some businesses. The governor now says vaccinations, not statewide Covid-19 mandates will be what contains the pandemic.
Government	NBC 5 News	3/8/2021	4:00 p.m.	2:08	The Texas House Speaker unveiled a plan for new laws designed to prevent another electric crisis, like the one that left millions suffering in the cold. NBC 5's Senior Investigative Reporter, Scott Friedman, interviewed the House Speaker and provided details on how the new laws could impact families across the state.
Government	NBC 5 News	3/10/2021	5:00 a.m.	0:27	Report on Governor Abbott ending the statewide Covid-19 mandates. Texas businesses can now operate at 100% and they now set the rules their employees and customers must follow. That's not an easy task for business owners trying to keep everyone safe and happy.
Government	NBC 5 News	3/10/2021	5:00 p.m.	1:58	The House has passed the nearly 2 trillion-dollar Covid Relief Bill. It's a legislative victory for President Biden and a lifeline for those suffering from the economic effects of the pandemic.
Government	NBC 5 News	3/11/2021	6:00 a.m.	1:33	Dallas Mayor Eric Johnson continues to press for answers about why a DPD officer accused of ordering two killings was allowed to stay on the job, while considered a person of interest. NBC 5 spoke to the Mayor about his recent decision to investigate what happened.

Government	NBC 5 News	3/12/2021	6:00 a.m.	0:18	Report on lawmakers touring a detention facility for migrant children in Carrizo Springs, before meeting with border patrol officials. Senator John Cornyn and U.S. Representative Henry Cuellar will visit the border today as the number of illegal crossings climbs.
Government	NBC 5 News	3/12/2021	11:00 a.m.	0:19	Report on President Biden signing the American Rescue Plan into law. NBC 5 provides the viewers with a few major points in the plan.
Government	NBC 5 News	3/12/2021	5:00 p.m.	1:01	Report on a third Coronavirus Stimulus Check in progress to be sent to individuals, after Congress passed a massive 1.9 trillion-dollar relief bill. It includes 1,400 dollar checks and a 300 dollar a week unemployment benefit.
Government	Lone Star Politics	3/14/2021	8:30 a.m.	0:25	Thousands of bills are expected to be filed during the legislative session. Going into the session, top priorities included the state budget and redrawing district maps. However, since the start of the sessions, a lot happened. The winter storm power outage crisis and hearings followed. Dallas Morning News Austin Bureau Chief, Bob Garrett, joined to discuss the circumstance.
Government	NBC 5 News	3/15/2021	10:00 p.m.	0:17	Report on new developments in the financial fallout from the winter storm. The Texas Senate passed a bill that will force Ergot, the state's utility regulator, to reverse billions of dollars in charges for wholesale electricity during the storm.
Government	NBC 5 News	3/16/2021	4:00 p.m.	0:20	This week, President Biden and his team are talking to the Nation about the American Rescue Plan that was recently passed by Congress. NBC 5 spoke with Commerce Secretary, Gina Raimondo, about grants and PPP money for small business.
Government	NBC 5 News	3/16/2021	5:00 p.m.	0:22	The City of Fort Worth is set to adopt a resolution, accepting the final report of the redistricting task force. Back in 2016, Fort Worth voters approved an amendment to increase the number of city council members from 9 to 11. The goal of the task force is to ensure that the council reflects the diverse communities it represents.
Government	NBC 5 News	3/18/2021	5:00 p.m.	0:26	Report on the House voting on two Democratic sponsored immigration bills. One of the bills could create a pathway to citizenship for young undocumented dreamers and people with temporary protected status. The other bill would allow undocumented farm workers to apply for legal status and receive a green card. If passed, the bills would move to the Senate, where Republican leader Mitch McConnell says the bills send the wrong message during a migrant surge along the U.S. Mexico border.
Government	NBC 5 News	3/25/2021	5:00 a.m.	0:21	The area around Buckner and John West Boulevard in East Dallas is a food desert, because grocery stores are miles away. The Dallas City Council agreed to a 1.3 million-dollar incentive to support a 7-million dollar renovation of the shopping center in that area. An El Rio Grande Food Store is part of the plan as well. Officials say there's strong neighborhood support.
Government	NBC 5 News	3/25/2021	5:00 a.m.	0:21	Report on the Dallas City Council unanimously passing a racial equity resolution. It calls for applying racial equity to everything the city does from neighborhood spending to housing. It could mean more than equal to make up for past unequal treatment.
Government	NBC 5 News	3/25/2021	6:00 p.m.	0:16	Dallas Mayor Eric Johnson proclaimed March 26th as "Stop Asian Hate Day" in wake of the mass shooting in Atlanta. Six of the eight victims were women of Asian descent. Mayor Johnson says Dallas is a welcoming city and it's important to send a message that the community will not stand for hate.
Government	NBC 5 News	3/29/2021	11:00 a.m.	1:11	After mass shootings in Atlanta and Boulder, Colorado, the issue of guns is front and center in Washington D.C. Democrats are pushing for broader background checks.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Health and Medical	NBC 5 News	1/1/2021	6:00 a.m.	0:49	Report on the Covid-19 vaccine rollout in Texas. The demand to receive the vaccine is high, now that the state has opened the Covid-19 vaccine to more people. Health care providers state there is not enough supply at the moment. Also, there are counties that are further along the vaccine process than others, which is creating confusion.
Health and Medical	NBC 5 News	1/1/2021	11:00 a.m.	2:12	Currently, there are more than 5-million Americans living with Alzheimer's. Despite ongoing research, there has been no newly approved drugs for Alzheimer's since 2003. Now, there is a new drug that is showing mixed results in trials, but still giving Alzheimer's patients hope.
Health and Medical	NBC 5 News	1/1/2021	4:00 p.m.	1:39	Report on a health connection in regards to people working from home. During the pandemic, at its peak, 62% of Americans were taking on the modern workplace. While individuals may feel cozy working from home, it's possible that the new workspace could be creating chronic back problems in the months and years to come.
Health and Medical	NBC 5 News	1/1/2021	4:00 p.m.	0:33	Report on the U.S. surpassing 20 million Covid-19 cases. More than 1.5 million cases have been reported in Texas. Hospitalizations across the state and in the DFW region, are at their highest.

Health and Medical	NBC 5 News	1/1/2021	4:00 p.m.	1:32	So far, in Texas there has not been reports of anyone having a severe allergic reaction after getting the Covid-19 vaccine. More than 200,000 Texans have been vaccinated so far. A North Texas healthcare worker says doctors are right. There could be some side effects with the vaccine.
Health and Medical	NBC 5 News	1/1/2021	5:00 p.m.	2:05	Report on individuals who have diabetes being at higher risk of contracting Covid-19. People with diabetes who get Covid-19 are at greater risk of being hospitalized and even dying. NBC 5 Kristi Nelson takes a closer look at the importance of individuals managing diabetes.
Health and Medical	NBC 5 News	1/4/2021	4:00 p.m.	1:15	Thousands of North Texas frontline workers have received their second dose of the Covid-19 vaccine this week. Many are expected to feel a side effect from their second shot. In trials, more people felt general flu-like side effects or discomfort after their second dose, compared to their first shot. Doctors say it has to do with the immune system already primed to attack the protein in the vaccine booster.
Health and Medical	NBC 5 News	1/5/2021	6:00 a.m.	0:39	Health and hospital leaders are concerned that North Texas will soon enter a critical period for their hospital systems, with an expected surge of new cases and new patients from holiday and New Year's gatherings. Researchers at UT Southwestern say both Dallas and Tarrant Counties continue to show an upward trend in cases.
Health and Medical	NBC 5 News	1/5/2021	4:00 p.m.	1:36	Report on Collin County residents who currently qualify to receive the Covid-19 vaccine. Residents can sign up on the waiting list. Collin County launched a website for people to sign up. In the meantime, some long-term care facilities are receiving shipments of the vaccine for older residents.
Health and Medical	NBC 5 News	1/5/2021	4:00 p.m.	1:44	In Tarrant County, the demand for the Covid-19 vaccine has so far outpaced the ability to give it out. This has caused long lines and frustration. Issues began when the state of Texas unexpectedly opened the vaccine up to people over the age of 65 with an underlying condition.
Health and Medical	NBC 5 News	1/5/2021	4:00 p.m.	0:39	In Dallas County, leaders say that despite other counties vaccinating those 65 and older or high risk, Dallas County is still trying to vaccinate first responders before they can move to the next group.
Health and Medical	NBC 5 News	1/5/2021	10:00 p.m.	0:20	Report on the FDA's warning about a Covid-19 test that can give false results. The Curative Test requires individuals to cough and then swabbing the inside of their mouth. The test is used at several testing sites in North Texas, in Houston and also on Capitol Hill. Curative says they are confident in their data and are working with the FDA on the matter.
Health and Medical	NBC 5 News	1/9/2021	10:00 p.m.	0:38	Report on the opening of two Covid-19 Therapeutic Infusion Centers in North Texas. Their mission is to help ease the strain on local hospitals.
Health and Medical	NBC 5 News	1/12/2021	11:00 a.m.	1:56	Report on patient's treatment hesitancy. It has been nearly a year since the pandemic started and health care leaders are concerned about patients putting off visits to the doctor for both new concerns and chronic conditions.
Health and Medical	NBC 5 News	1/12/2021	4:00 p.m.	0:30	Report of large tents being set in several local hospitals to handle the influx in patients. For example, Presbyterian Plano, is using eight tents to treat people who come to the emergency room who may not need immediate care and would end waiting hours for a bed.
Health and Medical	NBC 5 News	1/12/2021	4:00 p.m.	0:20	Report on hundreds of first responders in Ellis County receiving their first Covid-19 vaccine with the help of Methodist Health System. All Ellis County first responders can receive the vaccine, but they have to visit Dallas Methodist to get their shot.
Health and Medical	NBC 5 News	1/12/2021	4:00 p.m.	1:45	Report on a new strain of the Coronavirus as it continues to spread around the world.
Health and Medical	NBC 5 News	1/14/2021	11:00 a.m.	0:20	Report on National Blood Donor Month. Blood banks say people's donations are needed more than ever. Between the holidays and winter weather, winter is typically a tough season. The pandemic is also making it even worse.
Health and Medical	NBC 5 News	1/14/2021	5:00 p.m.	2:25	Report on the search for a Covid-19 vaccine being especially hard for some cancer patients. These patients are considered high risk but at the same time have to weigh whether the vaccine may do more harm than good.
Health and Medical	NBC 5 News	1/17/2021	10:00 p.m.	0:22	Report of the state of Texas receiving more vaccination hubs to help get the Covid-19 shot out to the public. There's concern over who can receive the shot and who cannot. The vaccine hub at Dallas Fair Park is in an underserved community, but only 97 people living near Fair Park received a shot out of 3,000 given in the first few days.
Health and Medical	NBC 5 News	1/22/2021	6:00 a.m.	0:30	Report on schools around North Texas turning to technology to help them keep their campuses Covid free. As districts deal with sick kids within the buildings, schools have been concerned about how much of the virus was in nurses' offices and isolation rooms. Cedar Hill ISD schools have received a new air scrubber and say the units will help break down viruses in the air.
Health and Medical	NBC 5 News	1/22/2021	6:00 a.m.	0:33	Report on Covid-19 continuing to hit the Latino community hard, especially the younger workers.

Health and Medical	NBC 5 News	1/25/2021	5:00 p.m.	0:24	Report on a NBC 5 health connection that uncovers new research that's examining whether breast milk could help fight odd and treat severe cases of Covid-19. The study is still in its early stages. Doctors say there is evidence breast milk contains antibodies that help protect against lower respiratory issues. The new research is also part of the reason why new moms who've contracted Covid-19 are encouraged to keep breastfeeding their baby.
Health and Medical	NBC 5 News	1/24/2021	10:00 p.m.	0:20	Report on Cook Children's offering the Pfizer Covid-19 vaccine to patients 16 years or older. Patients must have at least one chronic medical condition that puts them at higher risk for complications and have been seen at the hospital within the past 3 years. An appointment is mandatory.
Health and Medical	NBC 5 News	1/24/2021	10:00 p.m.	1:49	Report on vaccine shortages and the nationwide crisis for the struggle of the Covid-19 vaccine.
Health and Medical	NBC 5 News	1/26/2021	11:00 a.m.	0:19	Report on Covid-19 testing kiosks opening across North Texas. People can make appointments online. There are kiosks already opened in Grand Prairie and other kiosks will open next month outside of malls in Allen, Garland, Grapevine and Hurst. Each site can test up to 150 people a day and give results within 24 hours.
Health and Medical	NBC 5 News	1/26/2021	4:00 p.m.	2:05	Report on the first confirmed known case of the new strain of Covid-19 entering the U.S. This is the same variant that is spreading in Brazil. As more variants are identified, health experts are looking into how they respond to current Covid-19 treatments and vaccines. Health experts are concerned these mutations could accelerate the pandemic.
Health and Medical	NBC 5 News	1/26/2021	5:00 p.m.	1:56	Report on Caretakers and family members of people in home healthcare or hospice being concerned about the lack of access to a Covid-19 vaccine. Experts in home healthcare say getting people who are homebound vaccinated, is a serious issue that needs to be addressed.
Health and Medical	NBC 5 News	1/29/2021	11:00 a.m.	0:25	Report on a 3rd Covid-19 vaccine. Johnson and Johnson released new data. Their data shows a single dose of their vaccine works. The company says it's 85% effective overall at preventing serious disease.
Health and Medical	NBC 5 News	1/29/2021	11:00 a.m.	2:21	Report on new questions about the different Covid-19 variants and what they mean for the vaccines that have already been approved. NBC 5's health reporter, Bianca Castro, took those questions to a Dallas Epidemiologist for answers.
Health and Medical	NBC 5 News	1/29/2021	5:00 p.m.	0:22	Report on a new study that shows Black Americans are still more likely to get the Covid-19 shot as the vaccine rollout expands. Researchers from Kaiser found in most states, vaccination rates among whites are often double than Black residents, or even higher. The findings have many lawmakers calling for action, because Black Americans are more likely to contract the Coronavirus and die from it.
Health and Medical	NBC 5 News	1/29/2021	10:00 p.m.	1:50	Report on Texas Motor Speedway transforming into the largest Covid-19 vaccination site in North Texas. Denton County is planning to vaccinate tens of thousands of people next week alone.
Health and Medical	NBC 5 News	1/29/2021	10:00 p.m.	2:33	Report on the Covid-19 demographics. A hope for large vaccination sites like Texas Motor Speedway, is to help get the vaccine to more people in communities of color. This has been a huge problem and the pandemic has revealed inequality in many aspects of life in North Texas.
Health and Medical	NBC 5 News	2/1/2021	10:00 p.m.	0:20	Report on new information on pregnant women and the Covid-19 vaccine. Dr. Anthony Fauci says there have been about 10,000 pregnant women who've been vaccinated and so far, there have been no red flags. The CDC still recommends the decision be made by the mother in the consultation with their doctor on whether to be vaccinated.
Health and Medical	NBC 5 News	2/2/2021	4:00 p.m.	1:31	Report on the continued push to immunize people in underserved communities. In Fort Worth, a mobile Covid-19 vaccine clinic has been set up to help minorities.
Health and Medical	5 Talk Street	2/13/2021	5:00 p.m.	7:00	A segment that focuses on American Heart Month, a time the nation turns its attention to keeping families and communities free from heart disease, the number one killer of Americans. NBC 5's Vince Sims speaks with Interventional Cardiologist with Health Dallas, Dr. James Park, about advice on how to stay heart healthy.
Health and Medical	NBC 5 News	3/3/2021	5:00 p.m.	1:40	Report on new projections from researchers at Parkland's Center for Clinical Innovation, who show just how close Dallas County is to reaching herd immunity.
Health and Medical	NBC 5 News	3/5/2021	5:00 p.m.	1:55	Report on a health connection that states more than 22-million cancer screenings were missed during 2020 and experts blame the pandemic.
Health and Medical	NBC 5 News	3/6/2021	10:00 p.m.	0:25	Texas is expected to receive more than one million first doses this week.
Health and Medical	NBC 5 News	3/8/2021	6:00 a.m.	0:23	The CDC is expected to release new guidelines for people who are fully vaccinated against Covid-19. This is according to Dr. Fauci, who says the guidelines will focus on what's considered safe and how vaccinated people should interact with unvaccinated people.
Health and Medical	NBC 5 News	3/9/2021	10:00 p.m.	0:20	More Texans are getting the Covid-19 vaccine. Denton County Public Health says it's going to start giving the shots to educators on Friday at the Texas Motor Speedway.

Health and Medical	NBC 5 News	3/10/2021	5:00 a.m.	0:13	Texas lawmakers will introduce a bill that would allow home and hospice agencies to administer FDA vaccines and that would include the Covid-19 shot. If two thirds of lawmakers approve the bill, it could go into effect immediately.
Health and Medical	NBC 5 News	3/11/2021	6:00 a.m.	0:29	Report on the marking of one year since Covid-19 shutdowns brought the country to a halt. Over the past year, the Coronavirus has taken the lives of more than 500,000 Americans. The U.S. led the world in cases with more than 30 million and counting. Texas unfortunately has been pretty high on the list for the number of cases. Since the pandemic began, Texas has recorded nearly 3-million cases and more than 45,000 Covid-19 related deaths. Dallas and Tarrant County have the second and third most cases in the state.
Health and Medical	NBC 5 News	3/11/2021	6:30 a.m.	0:19	CVS Health is adding more sites in North Texas where the Covid-19 shot will be available. Anyone who is eligible for a vaccine, including teachers, school staff and daycare workers, can make an appointment. Locations in Collin, Dallas, Denton, Johnson and Tarrant Counties are on the list.
Health and Medical	NBC 5 News	3/12/2021	5:00 p.m.	2:23	Report on people feeling anxious about returning to normal activities in a post Covid-world. The fear could be what's called "Re-entry Anxiety." NBC 5's Health Reporter, Bianca Castro, talked with an expert on how to cope.
Health and Medical	NBC 5 News	3/13/2021	6:00 a.m.	0:26	Report on more countries having to suspended AstraZeneca vaccinations. This comes after reports of blood clots forming in some vaccinated people. The World Health Organization is looking into the reports and says right now there's no reason not to use the vaccine.
Health and Medical	NBC 5 News	3/13/2021	6:00 p.m.	1:39	Report on a North Texas woman working to tackle Covid-19 vaccine hesitancy in the African American community. She teamed up with local churches to reach people.
Health and Medical	NBC 5 News	3/13/2021	6:00 p.m.	0:47	Report on Texas entering a new phase that allows people 50 years and older to be eligible for vaccination. The change comes as the state prepares to receive more than 800,000 first doses of Covid-19 vaccines. This is the 3rd largest allocation Texas has received, but a drop from last week.
Health and Medical	NBC 5 News	3/15/2021	5:00 p.m.	2:18	At the pandemic's start many people stumbled into new ways of eating, cooking more at home and maybe even snacking more throughout the day. NBC 5's Bianca Castro reveals more about how the pandemic has changed how people eat and offers some advice on how people can get their health back on track.
Health and Medical	NBC 5 News	3/16/2021	4:00 p.m.	0:20	Report on Covid-19 vaccine passports to identify who is protected against the virus. The World Health Organization is chiming in and stating this may be the best idea. One reason is that vaccines are still not available in all parts of the world. Many countries have issued some type of vaccine passport as they look to reopen their economies.
Health and Medical	NBC 5 News	3/18/2021	4:00 p.m.	0:20	The CDC is considering whether to change its recommendation on social distancing in schools to 3 feet instead of 6. The CDC Director told lawmakers an update could be coming soon.
Health and Medical	NBC 5 News	3/18/2021	4:00 p.m.	0:25	Individuals receiving Covid-19 twice is rare, but older adults may be more prone to re-infections based on new research.
Health and Medical	NBC 5 News	3/19/2021	6:00 p.m.	2:08	Texas Health Resources has awarded 5-million dollars-worth of grant money to local organizations. The goal is to address issues including behavioral health, food insecurity and job training. The longest standing problems have only become more critical due to the pandemic. NBC 5's Lili Zheng explains how some of the money will be used in Tarrant County.
Health and Medical	NBC 5 News	3/22/2021	5:30 a.m.	0:23	Report on new research from Yale University that shows obese Covid-19 patients are significantly more likely to require ICU care. The study included data from over 3,000 adults who were hospitalized for the Coronavirus. It showed patients with obesity were 26% more likely to end in the ICU, than those with a normal range BMI. However, obese patients did not have a higher risk of dying from Covid-19.
Health and Medical	NBC 5 News	3/22/2021	11:00 a.m.	0:25	Report on another Covid-19 vaccine possibly arriving. AstraZeneca found their vaccine-candidate to be 79% effective in the U.S. trials. This comes shortly after several countries temporarily suspended the use of the shot, following reports of blood clots in a small number of vaccinated people. AstraZeneca said an "independent data safety monitoring board" identified no safety concerns related to the shot. The next step is to ask the FDA for emergency approval.
Health and Medical	NBC 5 News	3/22/2021	5:00 p.m.	1:54	Report on doctors discovering more lingering side effects of Covid-19, including the condition related to what many recovering patients are complaining about, the loss of taste and smell.
Health and Medical	NBC 5 News	3/23/2021	6:00 p.m.	2:16	Report on the state's health department announcing all Texans will be eligible for the Covid-19 vaccine starting Monday. To date, the state has administered close to 10-million doses. NBC 5 was told people 80 years and older will continue to take priority.

Health and Medical	NBC 5 News	3/23/2021	6:00 p.m.	0:33	Report on a North Texas research group looking to enroll the first participants in clinical trials for pregnant women and the Covid-19 vaccine. Ventavia Research Group will study the effects of the vaccine on pregnant women and how protective antibodies may be passed onto the baby.
Health and Medical	NBC 5 News	3/24/2021	6:00 p.m.	2:35	Report on "vaccine hunters" who are spending their days tracking down appointments to help others. Some people say it's hard to find a place to get a shot.
Health and Medical	NBC 5 News	3/24/2021	6:00 p.m.	0:20	Report on Dallas County asking people to volunteer at the Fair Park vaccination site. Judge Clay Jenkins stated if people give 15 hours of their time, then they will be eligible to receive a vaccine. It takes 250 volunteers each day to keep the Fair Park site running.
Health and Medical	NBC 5 News	3/25/2021	5:00 p.m.	0:20	According to a report presented in the Dallas County Commissioners Court, the number of Latinos getting vaccinated has increased lately. That demographic now represents 47% of shots administered at Fair Park.
Health and Medical	NBC 5 News	3/26/2021	4:00 p.m.	0:30	Report on health experts looking into the correlation between Covid-19 and Tinnitus. People who have Tinnitus experience constant ringing in their ears. About 15% of people who recover from Covid-19 experience Tinnitus. Experts believe it's either an inflammatory response or a reaction to stress.
Health and Medical	NBC 5 News	3/26/2021	5:00 p.m.	1:56	Report on employers opting to let their employees work from home permanently. Doctors say the home office can lead to unexpected aches and pains. NBC 5's Health Reporter, Bianca Castro provides more information on the topic.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Housing	NBC 5 News	1/12/2021	6:00 a.m.	0:36	Report on Fort Worth council members receive an update on a 9-million-dollar project to protect some of the city's most vulnerable during the coronavirus pandemic. The money from the Federal Cares Act paid for a former extended stay hotel that's now been converted into permanent supportive housing for the homeless. "Casa de Esperanza" now has 115 residents.
Housing	NBC 5 News	1/12/2021	6:00 p.m.	2:37	Report on a NTSB house explosion. The National Transportation Safety Board says insufficient leak detection, insufficient maintenance and the failure to evacuate homes sooner contributed to the death of a young girl.
Housing	NBC 5 News	1/14/2021	5:00 a.m.	0:17	Report on the Dallas City Council approving an effort to help those struggling from financial hardships brought on by the pandemic. The city will work with a group to help cover legal services to Dallas tenants at risk of eviction or homelessness. The agreement will last through the end of the year.
Housing	NBC 5 News	1/14/2021	4:00 p.m.	1:30	Report on the battle in several Dallas neighborhoods close to Downtown. It puts homeowners against investors. Long-time residents say the constant call to sell their property is becoming a nuisance.
Housing	NBC 5 News	1/24/2021	10:00 p.m.	0:31	Report of a Dallas Councilman planning to request a racial equity audit on the city's comprehensive housing policy, along with Dallas office of homeless solutions. The request will come after a briefing with Dallas Housing and Homeless Solutions Committee. Members will hear a report on race and homelessness. The report found that African Americans make up less than 19% of the city's population, but they are quote "overrepresented" in poverty and homelessness.
Housing	NBC 5 News	2/2/2021	10:00 p.m.	0:28	Despite the pandemic, more people have been looking into buying new homes. Not as many are looking to sell and that's sent prices through the roof. A new report from Core Logic shows by December, price gains will reach levels that have not been seen since 2014.
Housing	NBC 5 News	2/17/2021	6:00 p.m.	2:14	Report on the next phase of the disaster from the winter storms are unfolding in homes and other buildings. The massive damage from pipes that froze and broke has led to flooding all over North Texas. The problem will only get worse as more cracked pipes thaw in the coming days following the winter storms.
Housing	NBC 5 News	2/23/2021	6:00 p.m.	3:10	Report on legal matters being taken for repairing homes or tenants dealing with damage to their apartments due to the winter storms. NBC 5 Responds Reporter, Diana Zoga, provided more information on homeowners and tenants rights in a disaster.
Housing	NBC 5 News	3/2/2021	5:00 a.m.	0:30	Individuals have been taking care of the immediate pipe problems stemming from the winter storms and now calling a mold expert to check on the safety of their homes may be the next step people need to take.
Housing	NBC 5 News	3/2/2021	11:00 a.m.	0:24	Report on people in North Texas without water in their apartments and houses.
Housing	NBC 5 News	3/2/2021	6:00 p.m.	0:26	Report on Dallas area home prices not going up as fast as the rest of the country.
Housing	NBC 5 News	3/4/2021	6:00 p.m.	2:02	Report on families and North Texas renters living in their still damp and damaged apartments after the winter storms. NBC 5's Maria Guerrero shares the story of a Fort Worth family of five, who say they have no choice.
Housing	NBC 5 News	3/6/2021	6:00 a.m.	1:48	Report on the effects of the winter storm on tenants. NBC 5 heard from a lot of tenants who are still dealing with damage at their apartments. NBC 5 asked a legal expert about what tenants can do next.

Housing	NBC 5 News	3/9/2021	6:00 p.m.	0:50	Report on homeless members in the Dallas community setting up tents and signs in protests of the way they say they've been treated. Homeless advocates say they were promised sanitary places to live. Instead, they say the city is sweeping up homeless encampments, leaving people without shelter and nowhere to go. Advocates also say pandemic restrictions make it hard to find shelter.
Housing	NBC 5 News	3/10/2021	5:00 a.m.	2:13	Report on the pandemic affecting the real estate market. The buying and selling of homes all but stopped, even in North Texas. As a turnaround, the market has come back to life. NBC 5 explains why this turnaround has occurred and what it means for anyone who is looking to buy.
Housing	NBC 5 News	3/11/2021	11:00 a.m.	1:32	Nearly a month removed from the winter storm, but consumers are still dealing with insurance headaches. Some North Texans are bracing for thousands of dollars in out-of-pocket expenses, even though they have insurance. NBC 5 explains what homeowners can do right now.
Housing	NBC 5 News	3/12/2021	10:00 p.m.	1:37	Report on a 121-home development being created in Frisco. It is the first residential project in the United States for India-based "Total Environment Homes."
Housing	NBC 5 News	3/17/2021	4:00 p.m.	0:20	Report on severe winter weather causing a steep drop in home construction last month. Data from the Commerce Department shows new home and apartment construction fell more than 10% in February. Still, economists are optimistic the new home sector will bounce back because of low mortgage rates and rising demand.
Housing	NBC 5 News	3/22/2021	11:00 a.m.	0:51	Report on the City of Dallas making moves to ensure its housing policies are in line with the federal government. Specifically, its anti-discrimination policies, which are meant to protect people based on sexual orientation and gender identity.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Poverty	NBC 5 News	1/1/2021	4:00 p.m.	2:19	Report on the community garden in an East Dallas neighborhood feeding families. Dolphin Heights Community Garden has been providing food for families for 15 years. The garden has been championed by a woman, known as the Mayor of Dolphin Heights, Anna Hill. The garden is aimed to help decrease the number of individuals who go hungry. The garden has helped feed volunteers, the neighborhood and now due to the pandemic, the garden keeps the nearby food pantry stocked with fresh produce.
Poverty	5 Talk Street	1/10/2021	11:00 a.m.	7:00	An NBC 5 Talk Street segment that focuses on a new app called, "Socialwyze." The app can be downloaded for free. The mobile application is aimed at ending homelessness. Cody Merrill, the founder and CEO of Socialwyze and a current entrepreneur-in-residence at EarthX, speaks with NBC 5 about the app.
Poverty	NBC 5 News	1/5/2021	6:00 a.m.	0:39	Report on Oprah Winfrey sparking donations for Minnie's Pantry in Plano. Minnie's Pantry helps feed thousands of North Texans every week. Through Twitter, Oprah announced she was donating more and encouraged others to do the same. Since the tweet, donations have come in at a time Minnie's Pantry needed it most.
Poverty	NBC 5 News	1/5/2021	6:00 a.m.	0:24	The North Texas Food Bank is ready to help those in need. The group continues their drive-thru mobile pantries all week in various locations. All food is distributed on a first come, first serve basis.
Poverty	NBC 5 News	1/9/2021	5:30 a.m.	0:19	The faith-based nonprofit group, "Our Calling," is getting ready for the wintry weather. They're making sure the homeless have a place to stay warm. "Our Calling" is not a shelter. They do not usually have people sleep at their facility overnight, but when the weather is bad, they stay open to help those who need it.
Poverty	NBC 5 News	1/12/2021	6:00 a.m.	0:36	Report on Fort Worth council members receive an update on a 9-million-dollar project to protect some of the city's most vulnerable during the coronavirus pandemic. The money from the Federal Cares Act paid for a former extended stay hotel that's now been converted into permanent supportive housing for the homeless. "Casa de Esperanza" now has 115 residents.
Poverty	NBC 5 News	1/12/2021	4:00 p.m.	0:25	The Tarrant Area Food Bank kicked off its first of seven Mega Mobile Markets this week. The mobile market is open to anyone in the Tarrant Area community in need of food assistance. With the help of the National Guard's recent return, the food bank was able to increase its number of mega mobile markets.
Poverty	NBC 5 News	1/22/2021	6:00 a.m.	2:15	A classroom in the Aledo-ISD is playing a big part in "Fighting Hunger" among older residents in the community. The weekly food deliveries to the community are helping students build connections and confidence.
Poverty	NBC 5 News	1/22/2021	6:00 a.m.	1:00	Report of 10-year-old Camille Richards being inspired to help children, especially during the cold months. With the help of her parents, Camille started a coat drive to warm bodies and hearts. To this day, she has collected more than 100 coats for children in need. She is delivering the coats to Vogel Alcove, a nonprofit in North Texas that supports children who are homeless.

Poverty	NBC 5 News	1/26/2021	4:00 p.m.	1:52	Report on the gardens at Big Tex Urban Farms. The gardeners harvest fresh produce inside their greenhouse. Plants grow about twice as fast with the hydroponics. This is especially important now, due to the increased number of people experiencing food insecurity due to Covid-19. Despite Covid-19, in 2020, Big Tex Urban Farms loaded enough trucks with produce to deliver and donate 26,000 pounds of food to 9 organizations in South Dallas.
Poverty	NBC 5 News	1/26/2021	6:00 p.m.	1:00	Report on a group of Black leaders in Southern Dallas called the "Dallas Black Male Agenda Stakeholders Group." The group consists of pastors and community activists. They are demanding the city do more to tackle systemic poverty and homelessness. The group addressed a recent report that found more than 65% of the homeless population in Dallas is Black. That's despite the fact that only about 20% of the city's population is Black. The group wants the city to form a task force to take action to address the root causes.
Poverty	NBC 5 News	2/1/2021	5:00 p.m.	1:56	DISD teacher, Ivan Loza, wanted to teach by example and donated his stimulus check to help someone in need. After watching more people need help this past year to meet basic needs, like food, Ivan took his stimulus check money to Downtown Dallas. This is where he met Mac, who is homeless. Ivan documented their day together and provided Mac with a hot meal, shopping and a hotel.
Poverty	NBC 5 News	3/2/2021	6:00 p.m.	0:42	Dallas ISD is number one in large school districts for getting nutritious foods to students in need. A program called "Children at Risk" ranked in North Texas schools. Grand Prairie, Irving, Arlington, Fort Worth and Crowley ISD also made the list.
Poverty	NBC 5 News	3/6/2021	6:00 p.m.	1:48	Report on much needed help for North Texans impacted by the recent winter storm arrived in Dallas. NBC 5, Telemundo 39, The Chris Howell Foundation and Dallas County Commissioner Elba Garcia, came together to provide a food giveaway to anyone in need. The people waiting in the endless line survived the historic winter storms, but they were still struggling to find food and water before this particular food giveaway.
Poverty	NBC 5 News	3/9/2021	6:00 p.m.	0:50	Report on homeless members in the Dallas community setting up tents and signs in protests of the way they say they've been treated. Homeless advocates say they were promised sanitary places to live. Instead, they say the city is sweeping up homeless encampments, leaving people without shelter and nowhere to go. Advocates also say pandemic restrictions make it hard to find shelter.
Poverty	NBC 5 News	3/14/2021	6:00 a.m.	4:29	Report on the Dallas Foundation, the first community foundation in Texas, giving back to children. The foundation recently granted the largest single amount to date, 750,000 dollars to Child Poverty Action LAB, or C-PAL, in effort to reduce childhood poverty in Dallas by 50% within a single generation. The Dallas Foundation's President and CEO, Matthew Randazzo, joined NBC 5 to share more information about the partnership.
Poverty	NBC 5 News	3/25/2021	5:00 a.m.	0:20	The Tarrant Area Food Bank will host an "Empty Bowls Mega Mobile Market" at the Dickies Arena. The event will run from 10 a.m. to 2:00 p.m. and feed up to 3,000 North Texas families with boxes of food. For those who donated food there will be an appreciation gift handcrafted by local artists.
Poverty	NBC 5 News	3/25/2021	10:00 p.m.	2:42	Report on the pandemic hitting people who are less fortunate especially hard. NBC 5 covers a story of a family of 7 that ended up living in poverty in two sheds. They had no water, heat or electricity. A nonprofit group stepped up to get them help and a new life.
Poverty	NBC 5 News	3/29/2021	11:00 a.m.	0:49	Report on some officers in the Arlington Police Department doing good for their community and the homeless. The East Foot Patrol Unit sticks to the Eastside of Arlington. Each month they complete a service project on their beat. One of those recent missions of the month was an outreach to the homeless population in the area. They hosted a "We Care a Brunch," where people came to Meadowbrook Park for a hot meal and were also provided with clothes, shoes, sleeping bags, free haircuts and connections to housing resources.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Race Relations	5 Talk Street	1/10/2021	11:00 a.m.	7:00	NBC 5 Talk Street segment that focuses on diversity, equity and inclusion 101 in the City of Fort Worth. Chief Equity Officer and Director of Diversity and Inclusion of the City of Fort Worth, Christina Brooks, speaks with NBC 5 about the efforts Fort Worth is taking to incorporate "DEI."
Race Relations	5 Talk Street	1/10/2021	11:00 a.m.	7:00	NBC 5 Talk Street segment that explores the Western Heritage Museum. Jim Austin, the Co-founder and President of the National Multicultural Western Heritage Museum and Hall of Fame, speaks with NBC 5 about the importance the Cowboys of Color played in the history of diversity, equity and inclusion. The segment also covers the five-day celebration the museum has planned for the community to enjoy during this year's Dr. Martin Luther King, Jr. holiday.
Race Relations	NBC 5 News	1/14/2021	5:00 a.m.	0:25	Report on the Perot Museum of Nature and Science in Dallas creating an image on their outdoor staircase that celebrates African American leaders in science.

Race Relations	NBC 5 News	1/14/2021	5:00 p.m.	0:20	Report on Legislation aiming to prevent discrimination based on a person's hair texture or style. The bill was introduced in Austin. The bill would amend students dress or grooming policies to protective styles, including braids, locks, twists or any other style typically associated with race. Last year, two Texas teens were suspended for wearing their hair in dreadlocks.
Race Relations	NBC 5 News	1/17/2021	10:00 p.m.	0:31	Report of a day of service and fun as Fort Worth families gathered to celebrate the life and legacy of Dr. Martin Luther King, Jr. People were asked to bring donations of blankets and food for local charities as a way of honoring the service of Dr. Martin Luther King, Jr.
Race Relations	NBC 5 News	1/17/2021	10:00 p.m.	1:53	A local faith-leader speaks about what it will take to see real change when it comes to racial equality. Senior Pastor Frederick Haynes from Friendship-West Baptist Church shares this important message with his church members as well.
Race Relations	NBC 5 News	1/22/2021	6:00 a.m.	0:33	Report on Covid-19 continuing to hit the Latino community hard, especially the younger workers.
Race Relations	NBC 5 News	1/22/2021	4:00 p.m.	3:15	The Denton Black Film Festival announced they are going virtual this year because of Covid-19. The theme for the festival this year is "We Tell Our Stories." This is very important during a time when our country is calling for racial justice.
Race Relations	NBC 5 News	1/22/2021	10:00 p.m.	2:47	Report of President Biden wanting to speed up issuing stimulus checks to small business owners of color. Many of these business owners were not part of the last round of relief. The President is vowing to streamline the process. NBC 5's Scott Gordon spoke with a Black business owner in Fort Worth about what they are hoping to receive.
Race Relations	NBC 5 News	1/24/2021	10:00 p.m.	0:31	Report of a Dallas Councilman planning to request a racial equity audit on the city's comprehensive housing policy, along with Dallas office of homeless solutions. The request will come after a briefing with Dallas Housing and Homeless Solutions Committee. Members will hear a report on race and homelessness. The report found that African Americans make up less than 19% of the city's population, but they are quote "overrepresented" in poverty and homelessness.
Race Relations	NBC 5 News	1/26/2021	6:00 a.m.	0:31	Report on a brother and sister noticing none of the puzzles they worked on looked like them, so they set out to change that by creating their own family business last summer, called "Puzzles of Color." Puzzles of Color has a plan to branch out and show diversity across the board.
Race Relations	NBC 5 News	1/26/2021	4:00 p.m.	0:21	Report on an organization titled, "United My Justice," responding to Fort Worth's decision to name Deputy Police Chief Neil Noakes as the new top cop. The organization focuses on justice reform. United My Justice organizers say they want Noakes to communicate with the black community and make sure his officers are held accountable. Noakes has vowed to rebuild trust and respect.
Race Relations	NBC 5 News	1/26/2021	5:00 p.m.	1:57	Report on President Biden addressing the issue of racial equity and signing more executive orders aimed at leveling the playing field for all Americans.
Race Relations	NBC 5 News	1/26/2021	6:00 p.m.	1:00	Report on a group of Black leaders in Southern Dallas called the "Dallas Black Male Agenda Stakeholders Group." The group consists of pastors and community activists. They are demanding the city do more to tackle systemic poverty and homelessness. The group addressed a recent report that found more than 65% of the homeless population in Dallas is Black. That's despite the fact that only about 20% of the city's population is Black. The group wants the city to form a task force to take action to address the root causes.
Race Relations	NBC 5 News	1/29/2021	5:00 p.m.	0:22	Report on a new study that shows Black Americans are still more likely to get the Covid-19 shot as the vaccine rollout expands. Researchers from Kaiser found in most states, vaccination rates among whites are often double than Black residents, or even higher. The findings have many lawmakers calling for action, because Black Americans are more likely to contract the Coronavirus and die from it.
Race Relations	NBC 5 News	1/29/2021	10:00 p.m.	2:33	Report on the Covid-19 demographics. A hope for large vaccination sites like Texas Motor Speedway, is to help get the vaccine to more people in communities of color. This has been a huge problem and the pandemic has revealed inequality in many aspects of life in North Texas.
Race Relations	NBC 5 News	2/1/2021	6:00 a.m.	0:27	Report on the celebration of Black History Month. This report covers the history of the origin of Black History Month.
Race Relations	NBC 5 News	2/1/2021	6:00 a.m.	1:10	February is Black History Month, and this year NBC 5 will be hearing directly from icons of the Civil Rights Movement, such as Carlotta Walls Lanier. She played a crucial role in school desegregation. She and 8 other students would become known as the Little Rock Nine.

Race Relations	NBC 5 News	2/1/2021	6:00 a.m.	2:46	Report on NBC 5 celebrating Black History Month with current history makers in North Texas. Black newspapers, often referred to as the Black Press, have been around for centuries. One of the longest running black-owned publications in North Texas is the Dallas Weekly. The paper is still going strong in its mission to lift the Black community, while educating all communities, one issue at a time,
Race Relations	NBC 5 News	2/1/2021	4:00 p.m.	3:45	Report on an NBC 5's Conversation of Change with Artist Rick Lowe, who is a part of a nationwide PBS Public Art initiative reflecting what it means to be an American. Lowe is doing this project in Tulsa, Oklahoma with a nod to Historic Black Wall Street, which was the site of the most devastating race riot massacre.
Race Relations	NBC 5 News	2/1/2021	5:00 p.m.	0:24	The U.S. Army pays tribute to the African American men and women who served in the ranks. The U.S. Army field band virtually performed "Lift Every Voice and Sing," often referred to as the "Black National Anthem."
Race Relations	NBC 5 News	2/1/2021	6:00 p.m.	0:30	Report on a new development in a case out of Keller. Officer Blake Shimanek resigned from the city's police department. The move comes after the city agreed to pay 200,000 dollars to Marco Puente. Puente was peppered sprayed and jailed last August after he recorded a police officer who pulled over his son, Dillon Puente. Dillion was accused of making a "wide right turn." The lawsuit claimed the sergeant targeted Dillon because he was Hispanic and wrongfully believed to have drugs in his car.
Race Relations	NBC 5 News	2/1/2021	10:00 p.m.	0:39	Report on parents confronting the Carroll ISD school board about racism in the district. An NBC News feature on the district highlighted issues it's been dealing with for years. Parents spoke for more than an hour at the board meeting. The catalyst for the controversy came from a 2018 viral video showing students shouting the n-word. The school board created a diversity council and over the summer, unveiled a plan aimed to help combat racism. The plan was met with support and strong opposition. Parents on both sides sounded off at the board meeting held tonight.
Race Relations	NBC 5 News	2/2/2021	6:00 a.m.	0:52	NBC 5 is celebrating Black History Month with the achievements of several icons of the Civil Rights Movement, such as broadcast pioneer Trudy Haynes. Haynes broke racial barriers and glass ceilings. Haynes became the country's first black TV weather reporter in 1963 at WXYZ in Detroit, Michigan. From there she went on to become the first Black reporter from KYW-TV in Philadelphia. There she overcame workplace bias and embarked on a long career interviewing not able Americans, including Rev. Dr. Martin Luther King, Jr. at the height of the Civil Rights Movement.
Race Relations	NBC 5 News	2/2/2021	5:00 a.m.	0:38	Report on a North Texas icon's determination to raise the profile of the awareness and celebration of Juneteenth. 94-year-old Fort Worth community leader and activist, Opal Lee, has been named the National Co-lead of the Juneteenth legacy project. A massive 5,000 square foot art installation and storytelling space will be dedicated this year on Juneteenth in Galveston, where the observance originated. Lee has made it her life goal to have Juneteenth recognized nationally.

Safety	NBC 5 News	1/22/2021	6:00 a.m.	0:30	Report on schools around North Texas turning to technology to help them keep their campuses Covid free. As districts deal with sick kids within the buildings, schools have been concerned about how much of the virus was in nurses' offices and isolation rooms. Cedar Hill ISD schools have received a new air scrubber and say the units will help break down viruses in the air.
Safety	NBC 5 News	1/22/2021	4:00 p.m.	1:45	Report on Americans having mixed feelings about tech companies not doing enough to stop the spread of hate speech and misinformation online. This is according to a new survey.
Safety	NBC 5 News	1/25/2021	5:00 p.m.	0:22	As new Covid-19 variants emerge, Doctors are now saying people should consider double masking to help prevent a more disastrous surge.
Safety	NBC 5 News	1/26/2021	11:00 a.m.	0:19	Report on Covid-19 testing kiosks opening across North Texas. People can make appointments online. There are kiosks already opened in Grand Prairie and other kiosks will open next month outside of malls in Allen, Garland, Grapevine and Hurst. Each site can test up to 150 people a day and give results within 24 hours.
Safety	NBC 5 News	1/26/2021	4:00 p.m.	2:05	Report on the first confirmed known case of the new strain of Covid-19 entering the U.S. This is the same variant that is spreading in Brazil. As more variants are identified, health experts are looking into how they respond to current Covid-19 treatments and vaccines. Health experts are concerned these mutations could accelerate the pandemic.
Safety	NBC 5 News	1/29/2021	11:00 a.m.	1:15	The mobile Covid-19 vaccine clinic at Dallas Fair Park is up and running again. There is a new push from city and county leaders to encourage an "all hands-on deck" approach from the business community.
Safety	NBC 5 News	1/29/2021	6:00 p.m.	0:25	Report on more people turning to financial tech companies to manage their money from their cell phones. This is an entirely digital way to bank. With this new technique, a North Texas mom says a stranger was able to get into her account in a matter of a few hours. The stranger was able to steal around 14,000 dollars for nearly a month. She tried to get her money back. The NBC 5 Responds Team shows consumers how they can take the right steps to protect their money.
Safety	NBC 5 News	1/31/2021	5:00 p.m.	0:17	Report on the Department of Homeland Security declaring a National Emergency to stop the spread of the virus. It allows TSA to implement President Biden's executive order, requiring masks on all public transportation. This has been declared as an order as new highly contagious variants pop up in the United States.
Safety	NBC 5 News	2/2/2021	11:00 a.m.	1:14	Report of the massive Northeastern winter storms wreaking havoc across a huge swath on the country for days. Dumping more than two feet of snow in some places. Travel is treacherous across the region and now the storm has become a killer.
Safety	NBC 5 News	2/2/2021	5:00 p.m.	1:56	Report on Covid-19 cases coming to a decline across North Texas, but the outbreak is far from over. Public health officials say even with vaccines, now is not the time to let up for numbers to continue to drop. This means to still be cautious about holding large events.

Safety	NBC 5 News	2/2/2021	10:00 p.m.	0:30	Report on people posting pictures of their vaccination cards on social media to encourage others to get the Covid-19 shot. The Better Business Bureau says people should not do this because they are sharing their personal information, which can put them at risk of identity theft. The BBB also warns that sharing those photos can help scammers create phony versions of the cards. The agency shares if people want to share something on social media, they can take a photo of the vaccine sticker.
Safety	NBC 5 News	2/2/2021	10:00 p.m.	0:22	Report on Tesla recalling nearly 135,000 "Model S" and "Model X" vehicles over a touchscreen issue. It comes after weeks of pressure from regulators who said the problem compromised some of the vehicle's safety features.
Safety	NBC 5 News	3/2/2021	5:00 p.m.	0:16	The President and CEO of the DFW Hospital Council is among those who feel Governor Abbott's announcement to end state Covid-19 mandates is not a good idea just yet.
Safety	NBC 5 News	3/3/2021	4:00 p.m.	0:29	A new report from the Centers of Disease Control demonstrates how easily Covid variants can spread.
Safety	NBC 5 News	3/3/2021	10:00 p.m.	1:51	A reason people are concerned about rolling back restrictions for Covid-19 are in the numbers. There is progress being made, but some communities the numbers tell a deeply troubling story, such as minority communities.
Safety	NBC 5 News	3/5/2021	5:00 a.m.	6:00	Report on new revelations in NBC 5's ongoing investigation into what left millions of Texans powerless during the winter storms. NBC 5 explained how Texas has done little to check power plants to make sure they're ready for the cold. Now, NBC 5 Investigates has uncovered, in recent years, many plants that were checked, did not meet all of the state recommendations to guard against the weather.
Safety	NBC 5 News	3/9/2021	6:00 p.m.	0:22	Report on some people in North Texas still not having running water. Pipes across North Texas burst last month because people lost their heat in the frigid weather. The City of Dallas has opened more than a dozen bulk water pick-up locations. Everyone will be allowed to fill containers with up to 15 gallons of water. All residents are welcomed, and no ID will be required.
Safety	NBC 5 News	3/10/2021	5:00 a.m.	2:22	Report on a high-profile bullying case in Plano has become even more disturbing. A middle school student's family and school officials say they are being threatened. This case started with allegations that a young black child was reportedly tricked into drinking urine at a sleep-over. NBC 5 reporter, Maria Guerrero, spoke to the child's mother.
Safety	NBC 5 News	3/10/2021	5:00 a.m.	0:16	Report on what parents can do if they're child is being bullied. First, parents can report it to the teacher, school counselor, principle and superintendent. If the parent is not provided with an adequate answer, they can contact the state department of education and U.S. Department of Education, along with the Office for Civil Rights.
Safety	NBC 5 News	3/10/2021	11:00 a.m.	0:45	Governor Abbott's safety rollbacks takes away capacity limits and masks at many gyms. With this new rollback, many gyms are making adjustments, such as 24- Hour Fitness. They are creating "Club within a Club" zones where people who want to wear a mask can work out in a separate enclosed space.
Safety	NBC 5 News	3/10/2021	4:00 p.m.	1:41	Report on the lifting of statewide restrictions being lifted. Now businesses are free to welcome as many guests as they wish and set their own restriction of masks or social distancing,
Safety	NBC 5 News	3/11/2021	6:00 a.m.	0:15	Report on Dallas Fire Rescue giving out cases of water for those who are still in need of some due to the effects of the winter storm. The drive through event is happening at 8 recreational centers across the area.
Safety	NBC 5 News	3/12/2021	6:00 a.m.	3:22	Report on theme parks and other businesses constructing their mask mandate despite the Governor Abbott lifting the mask mandate and the capacity restrictions. It's up to each business to take their own approach to safety. As families plan their Spring Break, they must follow certain protocols of theme parks and other businesses.
Safety	NBC 5 News	3/15/2021	6:00a.m.	0:17	Report on in-person jail visits in Texas resuming. They are different this time around. Visitors will be required to take a 15-minute rapid Covid-19 test and stay in their car until the results come back.
Safety	NBC 5 News	3/15/2021	11:00 a.m.	0:13	NBC 5 is helping the individuals in the community and started a campaign titled, "Plan Your Vaccine." People can go to NBC.com and click on the link at the top right of the homepage. They can also use their local or state resources by calling 211 and choosing option 6 to get help with the registration process to receive their Covid-19 vaccine.
Safety	NBC 5 News	3/15/2021	11:00 a.m.	1:30	Report of a "mask-less spring break." The recently relaxed Covid-19 restrictions has families and college students heading to beaches along the Texas Coast.
Safety	NBC 5 News	3/15/2021	10:00 p.m.	0:25	The State Health Department reported at least 57 Texans died as a result of last month's winter storm, that knocked out power and left millions without heat for several days. Most of those victims died of hypothermia and some of those victims were from North Texas.

Safety	NBC 5 News	3/16/2021	11:00 a.m.	3:26	Report on the CDC still advising against travel, but as more Americans are being vaccinated and states are lifting restrictions, more people are making travel plans. There are still fewer planes flying, so flights may be fuller than expected.
Safety	NBC 5 News	3/17/2021	4:00 p.m.	0:25	Report on a new study that detects air dryers produce 10 times more bacteria on people's hands rather than using paper towels. It has been advised for people that use public restrooms to dry their hands off with paper towels and not use hand dryers to help decrease the levels of bacteria left on their hands.
Safety	NBC 5 News	3/18/2021	6:00 a.m.	0:24	Report on a list of "Dirty Dozen" fruits and vegetables that contain the highest levels of pesticides. Strawberries continue to lead the list. The rankings from the Environmental Working Group puts spinach and a trio of greens such as kale, collard and mustard greens on the list as well. Nectarines, apples and grapes are also on the Dirty Dozen list. Experts state avoiding pesticides is especially critical for babies and children because of the damage pesticides can cause to the developing brain.
Safety	NBC 5 News	3/23/2021	10:00 p.m.	0:32	Report on Texas fully reopening. Local health leaders are keeping a close eye on any changes in Covid-19 data. In Tarrant County, Public Health Director, Vinny Taneja, is reporting a slight uptick in the positivity rate. He states hospitalizations are plateauing. The county health department is also monitoring the virus reproduction rate. This rate measures how fast Covid-19 is spreading in the community. Taneja says that rate has increased slightly.
Safety	NBC 5 News	3/29/2021	11:00 a.m.	1:11	After mass shootings in Atlanta and Boulder, Colorado, the issue of guns is front and center in Washington D.C. Democrats are pushing for broader background checks.
Safety	NBC 5 News	3/30/2021	11:00 a.m.	2:26	Report on the Covid-19 pandemic changing the airport experience. Now, airlines are rolling out new technology that could make it safer to fly.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Transportation	NBC 5 News	1/1/2021	4:30 a.m.	1:33	Report on all flights in and out of North Texas being halted during the holiday week. The FAA confirmed that the delay was partly due to a necessary cleaning of the Fort Worth air traffic control center after an employee tested positive for Covid-19. The weather also played a role in the delay.
Transportation	NBC 5 News	1/1/2021	5:00 p.m.	0:24	The Texas Department of Transportation will lay out its improvement plan for U-S 380 in Collin County. Work would stretch from Coit Road west in the Prosper- Frisco area to FM 18-27, just east of McKinney. The proposal includes an eight-lane freeway with frontage roads on each side, aimed at easing congestion. A virtual meeting will be posted online from January 21st through February 5th, allowing residents time to make comments.
Transportation	NBC 5 News	1/2/2021	6:00 p.m.	0:16	Report on snow causing a traffic nightmare. Hundreds of drivers rang in the new year while trapped in the snow on the interstate. Many of these individuals had young children. Texas Department of Transportation crews were eventually able to free stranded big rigs, which then cleared the way for everyone else.
Transportation	NBC 5 News	1/4/2021	6:30 a.m.	0:47	Report on the warning from Dr. Fauci in regards to holiday travel. Over the weekend, airports across the country reported large numbers considering the pandemic. Nearly 1.2 million people were in airports on Saturday alone. Doctors say the Christmas surge could still be a week away.
Transportation	NBC 5 News	1/4/2021	11:00 a.m.	0:30	Collin County commissioners will vote on purchasing land along the US-380 bypass. The discussion comes as The Texas Department of Transportation works on a plan to ease highway congestion. The vote will happen during a meeting and the public is invited to join.
Transportation	NBC 5 News	1/4/2021	4:00 p.m.	0:24	Report on the pandemic putting a halt on the demand for gas. Less people are hitting the roads as they are working remotely and following the stay-at-home guidance. Covid-19 is still the driving force in the cost of gas. Experts say as people go back to usual behaviors; the price consumers pay will go up. NBC 5 will answer how fast the increase will occur and what states will be affected the most.
Transportation	NBC 5 News	1/5/2021	6:00 a.m.	0:15	Holiday travel was busier than expected and Southwest Airlines is striving to keep the ball rolling. The Dallas-based airlines just launched a fare sale with tickets starting at 29 dollars each way. The discounted flights are available through Thursday.
Transportation	NBC 5 News	1/9/2021	5:30 a.m.	0:28	Report on a plea for help from the American Airlines ground crews. They stated there's a Covid-19 outbreak at the hubs in DFW, Miami and Los Angeles. Their Union told NBC 5's partners at the Dallas Morning News that they've had 18 to 25 people a day out on Covid leave at DFW airport alone. The Union says they've written to American's CEO asking for help but haven't heard back. An American Airlines spokesman says the company has been following CDC and local guidelines to keep employees safe.
Transportation	NBC 5 News	1/12/2021	6:00 a.m.	0:20	Report on Hyundai adding nearly half a million SUV's to a previous recall about an electrical short that could start a fire. Hyundai is warning owners to park outside until repairs are made. Owners will be notified next month to take their SUV's to a dealership.
