

QUARTERLY ISSUES AND PROGRAMING LIST - KXAS-TV

2023 Q1 / Jan - March

Issue	Program	Date	Time	Duration	Episode/Segment Description
Children	NBC 5 News	1/2/2023	4:00 p.m.	2:59	Federal officials are stepping up to monitor and potentially fight the spread of polio. Polio is making headlines again. One case of paralytic polio in an unvaccinated man in New York was identified. Recommendations are being made to parents to make sure their children are up-to-date on their scheduled vaccines since the vaccine is given in four separate doses between the ages of two months and six years.
Children	NBC 5 News	1/10/2023	10:00 p.m.	2:03	Tonight, Fort Worth City Council voted to extend the teen curfew ordinance for another thirty days. The council says it wants more public input before extending it further.
Children	NBC 5 News	2/17/2023	11:00 a.m.	2:14	The Collin County sheriff is calling for help in the war to get fentanyl off the streets and eventually out of our schools.
Children	NBC 5 News	3/31/2023	4:00 p.m.	2:35	A nationwide effort to help inspire a love of reading made a stop in Tarrant County. Teachers say it's gone further than they ever imagined. At Jack Binion Elementary, children are reading books by Matthew Swanson and Robbie Behr, the couple who created the books. Swanson and Behr drove to the school in Richland Hills from California in their brightly painted school bus, to meet and eat with these students about the books. Librarian Chatty Chapman got to paint Texas on the side of the bus, the kids spent time with the family's pet dumbles, who's also a character in one of the books. On all sides of this, hearts were full. Sure, kids run to the school bus at the end of the day, but this time, it was to say thanks for sharing your love of reading.
Children	NBC 5 News	3/29/2023	4:00 p.m.	1:45	North Texas students are getting national exposure for their academic success and creative spirit. NBC 5 gives an update on some of the educational accolades students are receiving across DFW.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Consumer	NBC 5 News	1/9/2023	4:00 p.m.	1:51	There's a new complication for Dallas trash pick up delays. A weekend fire destroyed several much-needed garbage trucks which just adds to the garbage collection challenge in Dallas. City officials tell NBC 5 that equipment problems have been part of the issue residents have reported regarding Dallas trash collection. The city says it's been tough getting repair parts and enough people to do that work.
Consumer	NBC 5 News	1/11/2023	10:00 p.m.	:19	We have an update on a proposal to ban new gas stoves. After a backlash from some Texas lawmakers and others, the Consumer Product Safety Commission is scrapping the idea. The agency still says research shows emissions from the stoves can be harmful to your health. Natural gas stoves are used in about 40 percent of American homes.

Consumer	NBC 5 News	1/17/2023	11:00 a.m.	1:48	Finding the source of contamination in food isn't easy but there's a new plan aimed at reducing illnesses and deaths. Every year an estimated 48 million Americans get sick from bacteria and viruses in their food. Now the Food and Drug Administration is trying to reduce the number of illnesses with its food traceability rule-which covers foods through their entire supply chain. That means assigning a code to potentially riskier foods-those prone to contamination - such as soft cheeses, eggs, leafy greens, nut butters, and tomatoes - so they can be tracked more efficiently.
Consumer	NBC 5 News	1/30/2023	5:00 p.m.	2:01	During icy weather, it is time to understand your auto insurance coverage. Texas law requires drivers to carry - at minimum - liability coverage - to pay for damage to someone else's property if you caused a wreck. Liability alone won't pay to fix your car. And... you may run into coverage limits... especially if ice causes you to slide into multiple cars. We have links to lots of resources to help you understand your auto insurance, the claims process, your rights and where you complain if there's an issue. Go to NBCDFW.com/responds.
Consumer	NBC 5 News	2/15/2023	6:00 p.m.	2:20	Fiber optic cable for high-speed internet is being installed all over North Texas but dozens of residents in one Denton County neighborhood are suing AT&T claiming negligence and even harassment after they say some of the work caused extensive damage.
Consumer	NBC 5 News	2/17/2023	11:00 a.m.	:34	This time two years ago, much of Texas was in the dark, and DFW was dealing with minus two-degree weather. The winter storm forced changes in the Texas power grid and the calls for strengthening the power supply continue. In Austin yesterday, state senators reviewed a plan approved by the public utility commission. The plan essentially gives power generators credit for producing more power when supply is low. Supporters call it an insurance policy but critics say the changes do not address the failures of 2021. Consumer watchdogs say the market re-design will lead to higher costs for customers
Issue	Program	Date	Time	Duration	Episode/Segment Description
Crime and Law Enforcement	NBC 5 News	1/11/2023	10:00 p.m.	2:21	Today is National Human Trafficking Awareness Day and lawmakers and law enforcement are shining a light on the need for more resources. According to data from the National Human Trafficking Hotline, Texas is second in the nation for human trafficking cases.
Crime and Law Enforcement	NBC 5 News	2/16/2023	10:00 p.m.	1:38	This week throughout the City of Dallas, several events are taking place with the goal of bridging the gap between police and the community. At the Thurgood Marshall Rec Center in Oak Cliff, people came to the table for important and difficult conversations. It was called a Night of Community Healing, put on by Dallas' Office of Community Police Oversight along with Councilman Casey Thomas, the Dallas Black Police Association, and other organizations.
Crime and Law Enforcement	NBC 5 News	2/15/2023	6:00 p.m.	2:05	There's word of a third person arrested in the overdose deaths of teenagers in Carrollton. This time, investigators say a former R. Turner High School student was the main supplier of the fentanyl and responsible for the deaths of three teenagers and linked to the overdoses of 10-students.
Crime and Law Enforcement	NBC 5 News	2/15/2023	6:00 p.m.	:28	The cyber-attack that shutdown the Dallas County Appraisal District's website for 72 days came with a pricey fix. Our partners at the DMN report the district paid hackers 170-thousand dollars to regain access to the system. The hackers originally demanded 1-million dollars. The county's Chief Appraiser said the money came from a reserve fund in case of calamity that had never been tapped into before. The FBI told D-CAD the hackers were likely based in from eastern Europe or Russia.

Crime and Law Enforcement	NBC 5 News	3/29/2023	6:00 p.m.	2:39	Police officers from across Texas packed a hearing room in Austin demonstrating their support for a bill that would eliminate temporary paper license plates.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Cultural	NBC 5 News	1/13/2023	6am	:41	The All-Western Parade is the official start of the Fort Worth Stock Show and Rodeo and it returns tomorrow for the first time since 2020. It was canceled in 2021 because of covid; and then last year because of high winds. No motorized vehicles -- just 2000 horses, wagons and marching bands along the route through downtown Fort Worth from the Courthouse to the Convention Center and this year, the famed "Hawaii Pa'u Riders" are among the entries. They'll borrow horses from a local stable but everything else connects back to Hawaiian tradition. Parade goers will see a lot of beautiful colors and fresh flowers brought from Hawaii. Each of the princesses have made their own leis that will adorn the horses and their body leis, and they will be wearing the hats they wear in Hawaii adorned with flowers in their hair as well.
Cultural	NBC 5 News	2/16/2023	10:00 p.m.	:26	The City of McKinney is celebrating Black History Month, and tonight, the crowd heard stories of grit and perseverance from Cowboys legend Emmitt Smith. The Hall of Famer encouraged high school athletes and shared stories from his record setting career in a fireside chat. NBC 5's Brittney Johnson moderated where he talked about his faith and battling through injuries. He wants to see the cowboys return to the winning culture of the Jimmy Johnson days. .
Cultural	NBC 5 News	3/1/2023	6:00 a.m.	:42	We're kicking off March this morning by celebrating Women's History Month. NBC 5 Today is honoring Texas women that have broken the glass ceiling, pushed for equity and advanced women's issues. Activist Edna Gladney was an early campaigner for the rights of children and unwed mothers. Gladney moved to Fort Worth when she was 18 and spent the rest of her life here using her connections to change the lives of children in need. Her efforts also included lobbying the State legislature to drop the word "illegitimate" from birth certificates. In 1950, after acquiring the West Texas Maternity Hospital, the society renamed it the Edna Gladney Home. The Gladney Home still operates today. In her accomplished career, Edna found homes for over 10-thousand kids.
Cultural	5 Talk Street	3/12/2023	11:00 a.m.	6:00	NBC 5 and Telemundo 39 honor women during Women's History Month with Herstory. Jennifer Limas, President and CEO of Girls Inc. Tarrant County, is one of 8 women honored for her passion and commitment to our community and for changing the lives of young girls by helping them to become strong, smart and bold.
Cultural	NBC 5 News	3/26/2023	10:00 p.m.	2:43	The Dallas Stars were back home on Saturday on a night they continued to do their part in celebrating different cultures by hosting Indian Cultural Night.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Economic Development	NBC 5 News	2/1/2023	6:00 a.m.	:14	The Federal Reserve is expected to raise interest rates by a quarter point today. That decision will come around one this afternoon. It would be the eighth interest rate hike since last march but it's the smallest increase since those hikes started.
Economic Development	NBC 5 News	2/14/2023	6:00 a.m.	:31	In your consumer headlines this morning, we're taking a look at the state of the economy. The markets are coming off a winning day.

Economic Development	NBC 5 News	3/1/2023	6:00 a.m.	:20	This morning, across North Texas, hundreds of thousands of families are waking up wondering about where their meals for the month will come from. Pandemic-era boosts to snap benefits ended at midnight leaving families scrambling and food banks bracing for a spike in need.
Economic Development	NBC 5 News	3/7/2023	6:00 p.m.	2:15	We begin with the big development plan in Frisco that's getting a lot of attention all over North Texas. Universal is hoping to build a new attraction, but there's been push back from some in area. The theme park and resort would be built by the parent company of NBC 5 and located off the Dallas North Tollway and Panther Creek Parkway. It's been the subject of several public meetings. Tonight, a vote on whether to move forward is expected. NBC 5 is live in Frisco where a big City Council meeting is underway.
Economic Development	NBC 5 News	3/10/2023	4:00 p.m.	3:44	To sell or not sell? That is the question. With the ups and downs of the housing market, some sellers are opting to take their properties off the market and rent them out instead. NBC has advice on how to know which option makes sense for you.
Issue	Program	Date	Time	Duration	
Education	NBC 5 News	1/24/2023	4pm	:29	A bill being presented in Austin would give teachers major pay raises. Lawmakers are working with a nearly \$33 million dollar budget surplus. So the move that would move Texas into the top 10 states for teacher pay makes sense to Round Rock Democrat James Talarico. His bill would raise teacher salaries amid an ongoing teacher shortage.
Education	NBC 5 News	1/28/2023	6:00 a.m.	:24	The Education Department says it has approved more than 16-million people for student loan forgiveness. The update comes almost exactly one month before the Supreme Court is set to hear arguments for and against the President's plan to erase up to \$20,000 in debt for individual borrowers. Right now, more than 1.4 million Texans have been approved but the debt remains until the Supreme Court makes a decision.
Education	Lone Star Politics	2/5/2023	10:40 a.m.	20:00	This morning we're talking education, an important issue for the legislature this session. Bills that would allow parents to get state money to send their kids to schools outside of the state's public education system are not new, but support appears stronger this time around. Governor Abbott's comments from his inauguration speech were shared.
Education	NBC 5 News	2/9/2023	4:00 p.m.	1:35	A memo sent earlier this week from Governor Greg Abbott's office has people talking. The letter was sent to state agencies and universities. It says diversity, equity and inclusion, also known as DEI should not be considered when hiring a person -- saying it's illegal.
Education	NBC 5 News	2/11/2023	6:00 p.m.	:18	Learning about technology and different jobs in that field are what brought students out to the 24th Annual BNSF Technology Awareness Day in Fort Worth. About 350 high school students got to experience different aspects of STEM. Vince Sims had the pleasure as serving as the emcee. NBC 5 and Telemundo 39 are proud media sponsors of the event.
Education	NBC 5 News	2/15/2023	6:00 p.m.	2:20	The leaders of some of the best school districts in Texas say they don't like the tests their districts are facing. Frisco, Plano and Wylie are just some of the districts asking the state to come up with a better way of grading schools on how they're performing.

Education	NBC 5 News	3/1/2023	11:00 a.m.	4:03	President Biden's plan to erase student loan debt for millions of Americans is in the hands of the Xupreme Court -- after a lawsuit by Republican-led states.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Government	NBC 5 News	1/3/2023	11:00 a.m.	3:12	The new year brings a new Speaker of the U.S. House of Representatives with Republicans taking control of the House. This vote could make the 1st time in 100 years that a party leader does not win on the first round of votes.
Government	NBC 5 News	1/7/2023	10:00 p.m.	1:47	Tomorrow President Joe Biden will visit the border for the first time during his administration. He is expected to spend about three hours in El Paso to see firsthand the impact of the surge of immigrants that have illegally crossed the border looking for asylum.
Government	NBC 5 News	1/10/2023	10:00 p.m.	:30	Lawmakers are looking at new restrictions including penalizing companies that help their Texas employees seek abortions elsewhere, limiting access to abortion-inducing drugs by mail and dispensing emergency contraception. Texas bans abortions - with no exceptions for rape or incest. The only exception is if the mother's life is in danger.
Government	NBC 5 News	2/14/2023	6:00 a.m.	1:45	The City of Plano is trying out something new- a residential composting program. This pilot program runs through June and gives residents a way to recycle food scraps for composting without having to do the work themselves. The program gives residents an environmentally way to dispose of their food scraps and avoid some of the negative environmental outcomes that come with placing your food scraps in the trash or disposal in the landfill. 40% of the food in the US ends up in a landfill, when food sits in a landfill it starts to rot producing methane, a greenhouse gas. Emissions are also increased by getting your food waste to the landfill.
Government	NBC 5 News	3/31/2023	5:00 p.m.	2:20	Like the rest of the country, Texas is experiencing a shortage of police officers. It's gotten so bad, state troopers are even helping Austin Police Department with city patrols this week while the force focuses on staffing a massive music event. Departments report that it's harder to recruit and retain as people retire, switch careers, or move between higher-paying jobs but lawmakers in Austin are making moves on new legislation to help. Police chiefs from the biggest cities in DFW came together on Friday at Dallas Police headquarters to announce progress on their fight for the same cause.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Health and Medical	NBC 5 News	1/23/2023	10:00 p.m.	:26	The FDA wants to simplify the Covid vaccination strategy. A new proposal would allow most people to skip the initial series of shots -- before getting the booster. That means most unvaccinated people could just get the latest booster shot if they choose. The new vaccination schedule would align more closely with the annual flu shot. The plan also calls for the Covid vaccine to be updated every year based on what strains of the virus are in circulation.
Health and Medical	NBC 5 News	2/15/2023	10:00 p.m.	:20	Narcan, a nasal spray that quickly reverses opioid overdoses, could soon be available without a prescription. Today, FDA advisors unanimously approved it for over-the-counter use. The agency is expected to make a final decision by March 29th. If it's approved, people could buy Narcan in supermarkets, convenience stores or even vending machines.

Health and Medical	NBC 5 News	2/14/2023	10:00 p.m.	:25	Cancer research in Texas is getting a big funding boost. The committee overseeing the state's cancer institute, known as C-PRIT, has approved 90 million dollars in new grants for research and prevention of the disease. Nearly 12 million dollars is being sent for projects at Baylor College of Medicine and the University of Texas at Dallas -- Including a study to examine disparities in treatment for Ltno children with leukemia.
Health and Medical	NBC 5 News	3/1/2023	6:00 a.m.	:23	Fort Worth will soon be part of the solution to ease the nursing shortage crisis in Texas. The UNT Board of Regents approved the creation of a College of Nursing at their Health Science Center in Fort Worth. They hope to address the statewide nursing shortage that we reported on yesterday. The Health Science Center is currently searching for a new Dean and hopes to recruit more students and develop more courses.
Health and Medical	NBC 5 News	3/8/2023	4:00 p.m.	1:18	98-thousand Americans will be diagnosed with melanoma this year, and 7,000 will die from it. New treatments, like immunotherapy and targeted therapies increase a patients chances of survival. Now, in a brand-new study, researchers say the order doctors deliver these cutting-edge treatments makes a difference.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Safety	NBC 5 News	2/1/2023	6:00 a.m.	2:23	Since this weather event started, we have been reminding you about cold weather safety -- safe ways to keep you and your family warm and how to dress if you have to get out. But for people experiencing homelessness, it's not as easy. Austin Street Center in Dallas is one of the many North Texas organizations providing a safe shelter to meet their basic needs.
Safety	NBC 5 News	2/2/2023	6:00 p.m.	:19	Warming centers remain open as we brace for another night of freezing temperatures. The Salvation Army says all eight of its North Texas area shelters have been at or near capacity since the start of the winter storm. The centers are open to anyone needing a secure place from the cold. You can find a list of shelters on our website, NBCDFW.com.
Safety	NBC 5 News	2/9/2023	4:00 p.m.	1:36	Some families that struggle to make ends meet shiver in their homes in winter weather without safe, proper heat. The Dallas County Weatherization Assistance Program provides solutions for cold weather problems. The program is free and for low-income families. They offer protection for summer heat, too. NBC 5 went along on deliveries today.
Safety	NBC 5 News	2/11/2023	10:00 p.m.	:19	The Texas Department of Public Safety wants you to celebrate the super bowl safely. DPS Troopers are increasing patrols this weekend as part of the nationwide crash awareness and reduction effort known as care. Troopers will be looking for drivers who have been drinking, as well as those who are speeding and people not wearing their seatbelts.
Safety	NBC 5 News	3/6/2023	6:00 p.m.	:58	If you've driven around Arlington lately, you might've seen these city signs – saying, "It's ok to say no." It's part of a new city campaign to curb panhandling - with four new strategies. City leaders say they've received concerns from residents about safety - when panhandlers step off sidewalks and onto the roadway. The signs include information on ways to donate to nonprofits who help people in need. The city says it's also monitoring traffic cameras to identify areas where panhandling is a problem and improve intersection safety to stop people from stepping into traffic.
Issue	Program	Date	Time	Duration	Episode/Segment Description

Transportation	NBC 5 News	1/18/2023	6pm	1:52	It's already tough to park in many parts of Dallas but it could get even tougher and more expensive. A plan in the works would raise meter parking rates and could reduce the number of spaces. The Dallas parking rules could make loading zones into flex zones shared with trucks by day and ride share vehicles at night. Maybe the most noticeable change for drivers is a lot more change to park on the street, \$1 minimum on parking meters, and up to \$6 minimum in busy places.
Transportation	NBC 5 News	1/23/2023	10:00 p.m.	1:59	TX DOT hopes a new road will ease traffic along Highway 380 but the bypass is dividing people in Collin County before the plans are even final. TX DOT recently announced the "Blue Alternative – C Route" as the frontrunner. More than 20 homeowners and 35 businesses would be forced to move. People fear the 8-lane project would do more harm than good.
Transportation	NBC 5 News	2/9/2023	6:00 p.m.	:27	A remarkable sight in South Texas this afternoon. Space-X conducted the most important test yet of its huge new rocket. The company fired all 33 of the booster's engines. 31 of them worked as planned, but Space-X founder Elon Musk said that's still enough power to reach orbit. The question now is, when will Space-X try an actual launch? There's talk it could happen as soon as next month. Eventually, Space-X hopes to send the rocket, with people onboard, to the Moon and Mars.
Transportation	NBC 5 News	3/10/2023	4:00 p.m.	3:59	Worries about air safety increase after near misses on runways just as the crush of travel begins.
Transportation	NBC 5 News	3/31/2023	4:00 p.m.	1:41	Cars, trucks and SUVs have become more fuel efficient over the past decade, but at what cost? Are consumers footing the bill for greener rides? A new analysis by consumer reports reveals some surprising results.
