ALCOHOL AND DRUG ABUSE

Program: 6 p.m.

Date: 10/01/2019

Description: The Austin City Limits music festival is days away; Austin Police are warning people about deadly drugs being sold across the city. A "lethal batch of narcotics" is going around. APD said one person died and two others received treatment at Dell Seton Medical Center at the University of Texas. Police said the drug is commonly referred to as "Molly" or "Ecstasy."

Length: 2:46

Program: 5 a.m.

Date: 10/02/2019

Description: Pharmaceutical giant Johnson and Johnson reached a 20-million dollar agreement to settle claims brought by two Ohio counties. The lawsuit accuses the drug maker of contributing to a U.S. opioid epidemic. The settlement allows Johnson and Johnson to avoid a federal trial.

Length: 00:20

Program: 10 p.m.

Date: 10/04/2019

Description: The FDA is urging people to stop using e-cig products containing THC. More than 1,000 cases of lung injuries have been reported nationwide. The CDC says most of those patients used THC products. The epidemic has claimed at least 21 lives.

Length: 00:17

Program: 11 a.m.

Date: 10/07/2019

Description: A new study highlights the importance of safeguarding over the counter drugs around young people. Nationwide children's hospital reports, many teens who attempt suicide use over the counter medications.

Length: 00:28

Program: 5 a.m.

Date: 10/17/2019

Description: The nation's opioid distributors and law makers are racing toward a settlement that would end thousands of lawsuits against the companies. The settlement would include 22-billion dollars in cash payments and another almost 30-billion in prescription medicines. Several states have sued the industry to recoup costs from the deadly opioid crisis-including Texas. State lawmakers would have to approve the deal. The companies are negotiating as the first federal suit against them is seating a jury in Ohio.

Length: 00:28

ALCOHOL AND DRUG ABUSE

Program: 4 a.m.

Date: 10/25/2019

Description: A story about how Fentanyl is driving drug overdose deaths in the U.S., but Meth is the bigger killer, a new government report shows.

Length: 00:25

Program: 10 p.m.

Date: 11/01/2019

Description: A story about how a Collin County man's death from a drug overdose exposed a North Texas drug trafficking ring. A former Plano police officer is one of ten people who were indicted by a federal grand jury.

Length: 00:28

Program: 10 p.m.

Date: 11/20/2019

Description: A story about a drug bust in Collin County. Thousands of THC cartridges and more than 900,000 pounds of marijuana were found during a traffic stop.

Length: 00:15

Program: 5 p.m.

Date: 11/28/2019

Description: A story about police stepping up their patrol of drunk driving over the Thanksgiving holiday to avoid crashes that kill innocent people.

Length: 1:33

Program: 4 a.m.

Date: 12/04/2019

Description: A story about the challenges Texas Lawmakers are having to stop kids from vaping. The Texas Health Department says 210 cases of severe lung disease have been reported. Vape shop owners want the state to help crack down on stores who sell to minors.

Length: 00:50

Program: 4 a.m.

Date: 12/05/2019

Description: A story about Southlake Police warning to parents after a traffic stop ended in a drug bust. Officers arrested the driver and seized a gun, marijuana and more than 200 ecstasy pills that look like candy. Police say parents should talk to their kids, awareness is key.

Length: 00:20

Program: 4 a.m.

Date: 12/17/2019

Description: A story about a Commissioner in Dallas considering a new way to check for illegal drug use by testing out waste water. The test would help identify neighborhoods where these drugs are being used and target more drug programs and education for those areas.

Length: 00:20

ALCOHOL AND DRUG ABUSE

Program:10 p.m.

Date: 12/20/2019

Description: A story about Denton Police arresting a suspect they caught with nearly 600,000-pounds of liquid methamphetamine.

Length: 0:23

Program:4 a.m.

Date: 12/27/2019

Description: A story about it now being illegal to sell tobacco products to anyone younger than 21. The FDA raised the minimum age nationwide. This applies to all tobacco products including e-cigarettes and vaping cartridges.

Length: 0:20

CONSUMER

Program: 6 a.m.

Date: 10/01/2019

Description: As of October 1st, any and all outstanding fines for overdue books or movies have been wiped clean in the Fort Worth library system. And moving forward there will be no more late fees ever again. The only penalties will be for items that have truly been lost or damaged. The Fort Worth Library wants people to use the library and they don't want the fear of fines to scare people off.

Length: 0:30

Program: 11 a.m.

Date: 10/01/2019

Description: Large pharmacy chains offer the lowest prices for generic drugs. According to a new study from Brigham and Women's hospital in Boston. Researchers compared cash prices for 10 generic and 6 brand-name drugs across a variety of pharmacies within the same zip code. They found independent pharmacies and small chains had the highest prices for generic drugs while big-box pharmacies had the lowest. Prices for brand-name medications were similar among all types of pharmacies.

Length: 0:27

Program: 4 a.m.

Date: 10/02/2019

Description: UPS is getting one step closer to delivering your packages by drone. The federal government just gave the company the green light to operate a nationwide fleet. UPS will use drone deliveries for hospitals, colleges, or business complexes. Home delivery by drone is still years away.

Length: 0:25

Program: 5 a.m.

Date: 10/02/2019

Description: Pharmaceutical giant Johnson and Johnson reached a 20-million dollar agreement to settle claims brought by two Ohio counties. The lawsuit accuses the drug maker of contributing to a U.S. opioid epidemic. The settlement allows Johnson and Johnson to avoid a federal trial.

Length: 00:20

Program: 4 a.m.

Date: 10/02/2019

Description: This week Forever 21 filed for bankruptcy and we now know as a result it will close up to 178 stores. The list includes stores in Plano, Frisco, Fort Worth and Euless. The closures represent about a third of its locations.

Length: 00:20

CONSUMER

Program: 5 a.m.

Description: Bed bath and beyond plans to close more stores next year. The company says it will shutdown 60 locations. 20 more than it had previously announced in April.

Length: 00:15

Program: 5 a.m.

Date: 10/03/2019

Description: Google is rolling out more tools for users to control their privacy settings. YouTube users will soon be able to delete their search history. Google maps will have an incognito mode. That means a user's movements won't be recorded when it's turned on. It will be available on android this month. Google did not give an exact date for IOS users

Length: 00:20

Program: 10 p.m.

Date: 10/04/2019

Description: The FDA is urging people to stop using e-cig products containing THC. More than 1,000 cases of lung injuries have been reported nationwide. The CDC says most of those patients used THC products. The epidemic has claimed at least 21 lives.

Length: 00:17

Program: 5 p.m.

Date: 10/06/2019

Description: Uber is considering testing self-driving cars in Dallas and you have an opportunity to ask questions. Next month, the ride share giant will start mapping streets downtown and decide whether to proceed. Uber is hosting a town hall about this 5 p-m Tuesday at its office on pacific avenue.

Length: 00:20

Program: 10 p.m.

Date: 10/10/2019

Description: A possible listeria contamination has triggered a nationwide recall of some chicken products. The ready-to-eat chicken was sold at more than a dozen chains, including Target, Aldi, Kroger and Trader Joe's. The items were produced between January 21st and September 24th.

Length: 00:20

Program: 5 a.m.

Date: 10/11/2019

Description: BMW is recalling nearly every single car it has made since 2018. There's a problem with the rearview camera. The display settings can be changed so the rear camera view is turned off when the car is in reverse. The national highway traffic safety administration says it violates federal safety standards.

Length: 00:25

CONSUMER

Program: 6 a.m.

Date: 10/13/2019

Description: New scrutiny of products sold on Amazon that receive the "Amazon's Choice" endorsement. Some shoppers are complaining the products are not as good as advertised. The complaints prompted two U.S. senators to write an open letter to CEO Jeff Bezos demanding the company explain how Amazon recommends products to shoppers.

Length: 2:30

Program: 5 a.m.

Date: 10/17/2019

Description: This November, Texans will get to decide if they want to pay state income tax. Texas is one of a handful of states in the nation without a personal income tax. Prop 4 bans the state from imposing a state income tax, it requires a two-thirds vote in both the Texas house and senate and voter approval.

Length: 00:40

Program: 5 a.m.

Date: 10/17/2019

Description: Doctors are concerned about a shortage of a drug, called vincristine, that treats most childhood cancers. In July, a company that made the generic version of the drug stopped production of it. Some hospitals say they have enough of the drug to last a couple of months. But if supplies aren't restocked, doctors say there's no substitute for this life-saving medicine. Pfizer, which is now the only company in the U.S. making the drug, says it is increasing production. It expects to make three to four times their typical amount in the coming weeks.

Length: 00:43

Program: 4 a.m.

Date: 10/23/2019

Description: A story about credit card skimmers found on gas pumps at the Valero gas station in Fort Worth. The skimmers were found by an inspector and removed by police. Shoppers are warned to keep a close eye on credit cards and bank statements for any suspicious activity.

Length: 00:20

Program: 5 a.m.

Date: 10/23/2019

Description: A story from money saving experts on how to cut costs on holiday travel. Experts suggest using apps to track flights and set alerts on price drops, as well, as signing up for newsletters and following airlines and hotels on social media.

Length: 00:40

CONSUMER

Program: 5 a.m.

Date: 10/25/2019

Description: A story about concerns for the world's most downloaded app "Tik Tok" used by kids and teens. Lawmakers are warning the Chinese-owned app may pose national security risks. They collect data, including user content, communications, location and sensitive personal information.

Length: 00:40

Program: 5 a.m.

Date: 10/26/2019

Description: A story about warning parents and caregivers of new data that shows at least a dozen infant deaths have been linked to in-bed sleepers.

Length: 1:40

Program: 10 p.m.

Date: 10/29/2019

Description: Apples shipped to Texas are being recalled for potential listeria. A Michigan company is recalling 2,300 cases of the fruit in six different varieties.

Description: A story about it now being illegal to sell tobacco products to anyone younger than 21. The FDA raised the minimum age nationwide. This applies to all tobacco products including e-cigarettes and vaping cartridges.

Length: 0:20

GOVERNMENT

Program: 4 a.m.

Date: 10/01/2019

Description: There is no money in the budget for “Early Voting” stations on college campuses in Tarrant County in 2020. Thousands of votes were cast at UT Arlington, TCU and Tarrant County College campuses last year. Both parties are confident the county will find the money to keep the sites open. Starting this November, Tarrant County is switching to vote centers, so voters can go to any of more than 300 precincts instead of just the one in their neighborhood.

Length: 0:48

Program: 6 a.m.

Date: 10/01/2019

Description: Congress is demanding President Trump’s lawyer turn over evidence detailing his ties to Ukraine. Democrats have subpoenaed documents from Rudy Giuliani, the president's attorney, about efforts to dig up dirt about opponent Joe Biden in Ukraine. Lawmakers on Capitol Hill say they are still trying to work out some way that the whistle blower who exposed the President's call can testify.

Length: 0:48

Program: 6 a.m.

Date: 10/01/2019

Description: Republican member of the Texas delegation, Representative Mac Thornberry, will not seek re-election. The top republican on the house armed services committee has represented parts of the panhandle for 25 years. Thornberry is the sixth Texas republican member of congress to decide not to run again in 2020.

Length: 0:20

Program: 6 a.m.

Date: 10/01/2019

Description: The federal government is pushing forward with new wall construction on the Texas border. The government awarded three contracts worth more than \$800 million for construction of about 65 miles of wall. Construction on the barrier will begin next spring along the Rio Grande in Starr, Hidalgo and Cameron counties.

Length: 0:17

Program: 4 a.m.

Date: 10/02/2019

Description: 1,000 troops will stay on the border into November. Governor Greg Abbott deployed them over the summer for what was called a short-term mission. But now, Homeland Security requested an extension. The Pentagon, which is covering the costs approved a deployment through November.

Length: 0:25
