

QUARTERLY ISSUES AND PROGRAMING LIST - KXAS-TV

2022 Q1 / January - March

Issue	Program	Date	Time	Duration	Episode/Segment Description
Alcohol and Drug Abuse	NBC 5 News	1/7/2022	6pm	2:09	Some DFW businesses put the "cheers" in Dry January. Many people who rang in the New Year with a little champagne or a cocktail are putting the glass down this month. 'Dry January' started as a challenge in the U.K. a decade ago, now more businesses are jumping on the bandwagon.
Alcohol and Drug Abuse	NBC 5 News	1/19/2022	4:30 AM	:17	Voters in McKinney will get to weigh in on legalizing packaged liquor sales. The city's Chamber of Commerce submitted more than 23,000 signatures in support of the change yesterday. It will now be on the November ballot. Right now, people in McKinney have to drive to other cities to buy packaged liquor.
Alcohol and Drug Abuse	NBC 5 News	1/26/2022	5pm	1:28	The DEA says 21 people were charged in Dallas Tuesday in a large-scale operation targeting violent drug gangs in the Hamilton Park neighborhood.
Alcohol and Drug Abuse	NBC 5 News	2/9/2022	11am	2:24	In Oklahoma, the legal pot business is booming and regulators are racing to catch up.
Alcohol and Drug Abuse	NBC 5 News	3/3/2022	10pm	7:15	An NBC 5 investigation reveals drug cartels and human traffickers are using fraudulent Texas paper tags as a tool to evade law enforcement along the U.S./Mexico border. Those tags are then used, agents said, to disguise the ownership of smuggling vehicles making it harder for investigators trying to stop the flow of drugs and undocumented immigrants along the border. Federal agents told NBC 5 Investigates cartel operatives have been able to exploit security weaknesses at the Texas Department of Motor Vehicles and obtain real Texas temporary tags registered to false names and addresses.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Children	NBC 5 News	2/10/2022	6am	3:21	North Texas business owner, Roland Parrish, rose from humble beginnings to become a champion in closing the education gap for minority students.
Children	NBC 5 News	2/15/2022	6pm	1:05	A new library in the Stop Six neighborhood of Fort Worth is celebrating Black History Month by connecting residents with free books.
Children	NBC 5 News	3/2/2022	4pm	:37	Some Dallas ISD teachers at Felix G. Botello Elementary got a special delivery of school supplies from Dallas Cowboys Cornerback Reggie Robinson. He talked to the kids about the importance of school and studying to get where they want to go in life. The donations came from the Kids in Need Foundation and Jewelers Mutual Insurance Group.
Children	NBC 5 News	3/4/2022	4pm	:34	NBC 5 and Telemundo 39's Reading With You/Leyendo Contigo childhood literacy campaign participated in the Read Across America Week. NBC 5 Anchor, Laura Harris, read to the children at Uplift White Rock Hills in Dallas. The day of volunteering was organized by the United Way of Dallas to promote literacy and the joy of reading across North Texas classrooms. Studies show that children who are not reading on grade level by 3rd grade are four times more likely not to graduate from high school.
Children	NBC 5 News	3/16/2022	10pm	2:40	A Dallas doctor, who treats transgender children, is taking her employer to court. She says she wants to know why UT Southwestern decided to close the only transgender youth clinic in the southwest. Report on what the doctor says the motivation might be.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Consumer	NBC 5 News	1/6/2022	11AM	:21	South Dallas will be home to a future HEB Store. The company purchased a former Albertsons on Wheatland Rd. between Duncanville and Desoto. A construction date has not been set for the new store. It comes after some City Council Members have been critical about the lack of supermarkets in South Dallas.
Consumer	NBC 5 News	1/27/2022	4pm	1:12	Cyber attacks on the U.S. could be a potential consequence of escalating tensions with Russia and the Ukraine, something that was discussed by a panel featuring Texas speakers. The panel discussed how companies and government entities can better prevent such hacks. Panel members are hoping the \$42 million received from the Cybersecurity bill can go toward updating outdated systems.
Consumer	NBC 5 News	1/27/2022	10pm	4:05	The fight against fraudulent paper tags - sold illegally - and then often used to commit other crimes continues. At an emergency meeting in Austin, the Board that oversees the Texas DMV took some tough new steps to combat problems NBC 5 investigative reporters exposed. Some law enforcement personnel say they need more help.
Consumer	NBC 5 News	1/29/2022	6am	2:08	Dallas' new ordinance restricting the operating hours of sexually oriented businesses won't be enforced - at least for the next few weeks. A Federal Judge says she wants to hear more about police data used to justify a City Council vote this week - closing the clubs at 2am.

Consumer	NBC 5 News	2/3/2022	10pm	6:45	NBC 5 Investigates has obtained new State records that raise questions about what's really been done to prepare the gas system for the winter and whether gas supply issues could still threaten to put the power grid at risk.
Consumer	NBC 5 News	2/10/2022	4pm	1:34	Things are more expensive these days - from gas to groceries and everything else. According to the Bureau of Labor Statistics, the annual inflation rate of 7.8 % is higher than the national average. Report took a look at what shoppers are experiencing and how long this trend could last.
Consumer	NBC 5 News	2/11/2022	6am	2:55	The Better Business Bureau reports that "romance" scams around Valentine's Day are on the rise. The report looks at what viewers need to look out for online.
Consumer	NBC 5 News	2/21/2022	5pm	:42	Dallas based AT&T will become the first wireless carrier to phase out its 3G service tomorrow. The idea is to make room for the 5G and other advanced network services, but there is concern about the millions of devices that still rely on the older network. Everything from home security to fire alarm panels to car collision systems that communicate with 24-hour monitoring centers could be impacted if they are not upgraded in time. Other companies like Verizon, T-Mobile and Sprint have agreed to wait on shutting down 3G because many industries have complained that they need more time to upgrade.
Consumer	NBC 5 News	2/27/2022	9pm	:28	Kroger's newest warehouse is taking a futuristic approach. The automated warehouse is located in Southern Dallas. It will be able to fill 18,000 orders a day. It uses a hub and spoke system which allows Kroger to make deliveries to larger areas including Oklahoma City. Kroger needs 400 people to run the operation with robots helping pack the groceries. The company is hiring drivers and warehouse workers now. Kroger says each driver can make up to 22 deliveries in an 8-10 hour day.
Consumer	NBC 5 News	3/1/2022	6am	:45	The attack on Ukraine is hitting especially close to home for a Frisco man. Roman Talis owns a Vodka company in Ukraine. His two factories are now closed and his 300 workers are trying to survive. Talis says his company, RUTO, which is sold around the world, including Texas, is getting calls from American businesses that want to buy it in place of Russian Vodka. He says he may have maybe a two month supply, and with production halted, he's not sure what will happen after that.
Consumer	NBC 5 News	3/2/2022	4pm	:52	Americans are watching more of their money disappear each time they fill up their cars. Gas prices are at a seven year high. President Biden says he plans to bring prices down by releasing 30 million barrels of oil from reserves. Report looks at how the war in Ukraine could possibly double your cost to get gas or heat to your home.
Consumer	NBC 5 News	3/2/2022	10pm	2:50	You may have heard debt collectors are now allowed to use social media to contact you but debt collectors have some boundaries. The Consumer Financial Protection Bureau issued the new rules that went into effect last November updating The Fair Debt Collection Practices Act that first went into effect in 1977. Report shows what consumers need to know and how to complain if you experience harassment.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Crime and Law Enforcement	NBC 5 News	1/1/2022	10pm	5:17	Texas is in the top 5 states hit hardest by crime in 2022. Lawmakers passed a new law to reduce thefts. Catalytic converter thefts are up. Report on the new law, how it will or will not help and what can be done to protect yourself.
Crime and Law Enforcement	NBC 5 News	1/7/2022	6am	2:10	An exclusive interview with Dallas Police Chief Eddie Garcia. As he begins his second year on the job, the city has seen a drop in crime and now Chief Garcia has other plans to keep the progress going.
Crime and Law Enforcement	NBC 5 News	1/27/2022	4pm	:38	A North Texas Police Department is helping officers make better decisions through "Brain Training." Rockwall Police Officers and other staff are going through a month of training with UT Dallas Center for Brain Health. The Brain Institute offers this kind of training to police officers and first responders.
Crime and Law Enforcement	NBC 5 News	1/31/2022	4pm	:37	Two women who say they were forced into prostitution helped law enforcement with a human trafficking operation in Dallas. DPD Vice Unit says the information led them to three locations. One of the locations was an apartment complex where five women were found.
Crime and Law Enforcement	NBC 5 News	2/9/2022	11am	:18	Dallas today agreed to purchase 80 license plate reading cameras like we have seen at a California location. The flock video cameras can identify wanted vehicles and record pictures of criminal activity. Dallas Police have not yet decided where the cameras will be used but say they will be clearly identified as crime deterrent.

Crime and Law Enforcement	NBC 5 News	2/21/2022	5pm	:25	Dallas Police are deploying "bait cars" around uptown in an effort to prevent auto thefts. You may notice these new electronic signs popping up in West Village. While they've made some auto related arrests, they still have a lot of work to do. DPD says property crime is not just in Dallas, it's a nationwide issue, and that they are using every resource, including adding extra uniformed patrols, to protect the community.
Crime and Law Enforcement	NBC 5 News	3/1/2022	6am	:45	A report will go before Dallas City Council today detailing what happened when millions of Dallas Police files were permanently deleted during the summer of 2021. The report was commissioned in an effort to make sure it never happens again.
Crime and Law Enforcement	NBC 5 News	3/16/2022	10pm	5:44	Text message alerts are being fraudulently sent to bank customers. The NBC 5 Responds report showed examples of these messages and warned customers on what to look out for and how to protect themselves against this fraud.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Cultural	NBC 5 News	2/9/2022	4pm	:25	Some students in Oak Cliff are celebrating Black History Month with a WWE Hall of Famer. Booker T visited with 4th and 5th graders at the For Oak Cliff Center for Education celebrating Black historical figures, athletes and celebrities. The center will be honored as a community champion during the week leading up to WrestleMania at AT&T Stadium on April.
Cultural	NBC 5 News	2/27/2022	9am	:32	Bright Ideas are on display showing the contributions of Black inventors over the last century. "Black Pioneers in STEAM" is at the African American Museum of Dallas. It showcases 162 inventions over the past 100 years from the butter churn to the stoplight to Michael Jackson's gravity defying shoes.
Cultural	NBC 5 News	3/4/2022	4pm	2:10	A local artist is trying to brighten up the community of River Oaks, which is on the edge of Fort Worth. A mural is being created on the side of a restaurant in an effort to give the town a little more diversity. NBC 5 discusses the artist's vision and why she chose River Oaks.
Cultural	NBC 5 News	3/4/2022	4pm	:38	A new exhibit celebrates women in STEM. The Smithsonian is celebrating Women's History Month with a new exhibit called #IfThenSheCan featuring 120 life-size 3D printed neon orange statues of women in STEM.
Cultural	NBC 5 News	3/4/2022	4pm	:38	New Exhibit Celebrates Women in STEM The Smithsonian is celebrating Women's History Month with a new exhibit called #IfThenSheCan featuring 120 life-size 3D printed neon orange statues of women in STEM.
Cultural	NBC 5 News	3/21/2022	11am	6:15	5 Talk Street: Women's Herstory – Michelle Green Ford During the Month of March, NBC 5 is celebrating Women's History Month with the segment "Herstory: The Next Chapter." The special guest is local Fort Worthian Michelle Green Ford, the President and CEO of the Fort Worth Metropolitan Black Chamber of Commerce. She is the first woman to hold that position.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Economic Development	NBC 5 News	1/19/2022	10pm	:51	There's hope for the troubled Panther Island Project in Fort Worth. The federal government has earmarked more than 400 million dollars to get the plan back on track. It's been slowed for years by a lack of funding. The project will create a new channel for the Trinity River downtown to help control flooding and kick-start development. Business owners in the area are relieved to see things finally moving forward.
Economic Development	NBC 5 News	2/23/2022	6am	2:09	Report on the advantages of being an ally by supporting Black-Owned businesses. Being an ally can mean many things including advocating for, and listening to, members of a minority community whose voices have historically been ignored or overlooked.
Economic Development	NBC 5 News	3/1/2022	6am	:15	NBC 5, Telemundo 39 and Comcast NBCUniversal Foundation will award \$315,000 dollars to non-profits helping their communities through the Project Innovation grant.
Economic Development	NBC 5 News	3/1/2022	6am	:20	LinkedIn wants to explain any career gaps in your resume to a potential employer. It's rolled out a new tool today to highlight what you have learned from these experiences. LinkedIn is also offering free online courses through March to help people transition back to work after taking a break.
Economic Development	NBC 5 News	3/1/2022	11am	:16	Today is the last day to register for the Dallas Job Fair highlighting businesses with overnight positions. The Night Work Expo is happening from 6pm - 9pm next Monday at Gilleys on Botham Jean Blvd. About 40 businesses will be there throughout the event. You can register at workexpo.com .

Economic Development	NBC 5 News	3/2/2022	10pm	:20	You've probably noticed how high prices are at the gas pump. The national average jumped 4 cents in one day to \$3.65 a gallon. Russia is the world's second largest oil exporter but its exports are under Defacto Ban. Jet fuel prices are also going up.
Economic Development	Lone Star Politics	3/13/2022	8:30am	11:22	A local economist weighs in on just how deep we'll have to dig in our pockets to pay for gas and other items spiking to record-level costs.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Education	NBC 5 News	1/2/2022	10pm	:33	Lancaster ISD announced it will return to virtual learning when classes resume after the holidays. The decision was announced by email and social media and stated, "Dallas County's Covid-19 risk level is listed as RED. Local hospitals have a limited number of beds and several individuals within our community have unfortunately tested positive for Covid-19." Other local districts, including Dallas ISD are still planning in-person learning following the winter break.
Education	NBC 5 News	1/3/2022	4pm	1:38	Local schools are asking parents to get their kids tested for Covid-19 before they come back to school, if they are not sick.
Education	NBC 5 News	1/17/2022	5pm	1:49	Parents debate precautionary measures to stop Covid-19 in schools.
Education	NBC 5 News	3/4/2022	4pm	1:48	Dallas ISD Superintendent Michael Hinojosa put on a star studded show for educators and politicians today. His state of the District Address looked at the accomplishments DISD has made as it battles poor performance during the pandemic and what's ahead.
Education	NBC 5 News	3/8/2022	6pm	2:35	The leaders of some of the largest school districts in North Texas are headed out the door. Schools everywhere are looking for the best principals and administrators to help lead school children out of the biggest academic slump many schools have ever seen. Report tells us how the community is stepping in to help.
Education	NBC 5 News	3/17/2022	4pm	:21	An education at the University of Texas at Arlington will soon be more affordable for thousands of students. Under the new "Blaze Forward" program, the university will cover 100% of tuition and mandatory fees for undergraduate students who meet all of the requirements, including family gross income of up to \$85,000.
Education	NBC 5 News	3/25/2022	4pm	2:09	Fort Worth's Southwest High School is preparing students for a career in journalism in the Fort Worth ISD's Gold Seal Program.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Environment	NBC 5 News	1/1/2022 - 3/31/2022	All Newscasts	Varies	Daily weather forecast in every newscast with detailed information on the current and future weather as well as environmental changes and climate changes.
Environment	NBC 5 News	1/25/2022	10pm	:46	NASA's most powerful telescope arrived at its destination, one million miles from earth Monday. The \$10 billion James Webb Space Telescope launched Dec. 25 from French Guiana. Now that it is in place, it will orbit around the sun in line with Earth. The seven-ton spacecraft is designed to help scientists see further back in time than ever before, find other planets and share a more detailed picture of the universe.
Environment	NBC 5 News	1/29/2022	6am	2:16	Some baby owls saved from a water tower in Celina last month are flying free. Report follows the owls from rescue to release.
Environment	NBC 5 News	3/3/2022	10pm	1:59	Bald eagles resettle at White Rock following the destruction of their previous nest. A pair of bald eagles who experienced quite the scare two weeks ago appear to have resettled near their old home.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Family	NBC 5 News	1/28/2022	10pm	2:16	A group of Dallas teens from Café Momentum will head LA to feed media, community members and of course, football players. Since opening its doors in 2015, Café Momentum's has become well-known in Dallas' food scene... not just for its farm-fresh fare but for the young men and women who serve it and what it does to help them become well-adjusted and successful after being on probation.
Family	NBC 5 News	2/25/2022	11am	:35	Later today, we expect to learn if the family friendly annual Cowtown race weekend will be pushed backed or go on as scheduled. Organizers are monitoring today's temperatures and the wet chilly weather coming tomorrow along with the chance of a few snowflakes in the mix.
Family	NBC 5 News	2/25/2022	11am	:25	There's more food news for families going to Six Flags. This one comes from the CEO of Six Flags. Selim Bassoul told investors in his first 100 days on the job that he tried over 100 burgers, 200 slices of pizza and 100 orders of chicken tenders. All are foods the Arlington-based company will revamp for guests and their families. The Dallas Morning News tells us higher ticket prices are coming, too.

Family	NBC 5 News	2/27/2022	9am	2:01	It's been more than five years since a disease besides Covid-19 made headlines around the world. The Zika virus outbreak threatened families in South America and eventually here in the U.S. with local transmissions reported in Texas and Florida. The report tells us more about what happened to the families impacted by the disease.
Family	NBC 5 News	3/2/2022	10pm	:29	A Travis County judge granted a temporary restraining order to block the state from investigating the parents of a transgender teen – that's after Governor Abbott ordered the Department of Family and Protective Services to investigate parents who help their children get gender affirming care. The order only applies to the family who brought the case to court. The judge will consider expanding the order statewide next week. President Biden has also asked federal agencies to consider moves to block the governor's order.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Government	NBC 5 News	1/5/2022	4pm	1:57	The Senate is expected to vote on a voting rights bill although it appears there is no path for the legislation to pass.
Government	NBC 5 News	1/12/2022	11am	3:12	The Biden Administration has promised to send out 100 million at-home Covid-19 tests through the postal service. Beginning Saturday, by federal rules, insurance companies will have to pay for up to eight (8) tests per month.
Government	NBC 5 News	1/24/2022	6pm	2:25	County Elections teams are scrambling to deal with hundreds of mail-in ballots being kicked out with 7-days left to register for the March Primary. Ballots have been rejected because of changes to Texas Law. New forms are leading the confusion by those filling out the applications.
Government	NBC 5 News	1/20/2022	6am	2:03	Big bucks are officially coming to Fort Worth to help finish a project that's long been in the works. The federal government just approved 400 million dollars for the Panther Island Project.
Government	NBC 5 News	2/15/2022	4pm	1:45	Dallas wants to be at the front of the line for massive federal money approved in Washington to fix the nation's roads, bridges and utilities. City Council members today receive a list of smaller projects that could qualify.
Government	NBC 5 News	2/21/2022	5pm	2:05	Our political reporter, Julie Fine, talked with two North Texas Congressmen about the situation in Ukraine.
Government	NBC 5 News	2/24/2022	10pm	2:37	Thousands trying to flee Ukraine's capital either got stuck in gridlock or were unable to fill their cars with the gas needed to get out. Some families are crossing into Poland on foot. Others are sheltering wherever they can -- bracing for the next missile strike. Here in North Texas, NBC 5 spoke to people who have loved ones in Ukraine who spent the day talking to their loved ones as they tried to decide what to do - hide, flee or stay and fight.
Government	NBC 5 News	3/1/2022	6am	:50	President Biden will address the Ukraine in his first State of the Union Address. It will look a lot different tonight as masks are now optional and Covid-19 restrictions have been eased across the country. Biden is expected to address the challenges here at home including inflation and fighting Covid-19. He is also expected to talk about what his administration calls "wins" in infrastructure and jobs.
Government	Lone Star Politics	3/20/2022	8:30 AM	19:43	After the U.S. Supreme Court allowed a lawsuit challenging Texas' abortion law to move forward, State House Democratic Caucus Chair Rep. Chris Turner (D-Arlington) joins Lone Star Politics. Then, Republican political consultant Vinny Michelle previews the 2022 primaries and general election in Texas
Issue	Program	Date	Time	Duration	Episode/Segment Description
Health and Medical	NBC 5 News	1/8/2022	10pm	2:35	Health experts say they're seeing more and more people admitted for other ailments than positive cases for Covid-19. Doctors say this suggests that even more people may be asymptomatic and unknowingly spreading the virus, but they also say it's more proof that the Omicron variant is less likely to cause severe illness compared to earlier variants - especially in people who are fully vaccinated and boosted.
Health and Medical	NBC 5 News	1/10/2022	10pm	:45	A rise in cases of the Omicron variant are putting a strain on DFW healthcare workers and staffing.
Health and Medical	NBC 5 News	1/24/2022	10pm	:49	The Texas Health and Human Services Commission is hoping hiring bonuses of up to \$5000 will attract workers. There are 3000 jobs open right now.
Health and Medical	NBC 5 News	2/9/2022	4pm	1:54	For over a decade, there's been an easy and highly effective way to prevent HIV. Two medications, often referred to as PREP, have saved thousands of lives but are also very expensive. The good news is that this is changing. As consumer reports explains, these drugs are now available at no cost, which could mean they'll help prevent more HIV-infections, especially in at-risk populations.

Health and Medical	NBC 5 News	2/10/2022	4pm	1:49	Every year, thousands of people have a heart valve replacement and now many of those patients will need to have that valve replaced during their lifetime. There's a new procedure to repair the repair.
Health and Medical	NBC 5 News	2/21/2022	5pm`	:19	On the Covid-19 front, as daily cases wind down, Dallas County has officially moved from threat level red back down to orange. Dallas County Judge Clay Jenkins says it means more freedom for those who are up to date on vaccinations. Judge Jenkins says we've gone from having five to six thousand cases a day on average to about 450.
Health and Medical	NBC 5 News	2/27/2022	10pm	:32	Masks will be optional for those attending Tuesday's State of the Union address. The change follows the CDC's announcement that face masks are no longer recommended indoors whether you are vaccinated or not unless you are in an area where cases and hospitalizations are high. Starting tomorrow Dallas ISD will no longer require masks on district property, but they are still recommended. Dallas County Judge Clay Jenkins announced that face coverings are no longer required inside buildings with the exception of jails, long term care facilities and health care settings.
Health and Medical	NBC 5 News	2/28/2022	10pm	2:0`	Atrial fibrillation, or A-FIB, is a condition where the heart races or quivers, resulting in an irregular heartbeat. As many as six million Americans have it and the CDC suggests that number will double by 2030. Now, a new device lets doctors monitor patients in real time, even when that patient is at home.
Health and Medical	NBC 5 News	3/1/2022	6am	:20	TCU is expanding its footprint in Fort Worth with the announcement of a new campus for its School of Medicine. Construction starts this year on a four-story, medical education building in the city's near southside. The "TCU School of Medicine" will sit in in the medical district and should be ready for students in 2024.
Health and Medical	NBC 5 News	3/1/2022	4pm	2:25	Seeing a doctor virtually has been a thing during the pandemic and it's probably here to stay. A new recent survey shows that most people want to keep using telehealth for non-urgent visits.
Health and Medical	NBC 5 News	3/3/2022	10PM	:37	The number of people being treated for Covid-19 in the hospital continues to drop here in North Texas. Leaders with Parkland's Center for Clinical Innovation tweeted numbers to show the progress. According to the latest report from UT Southwestern, total hospitalizations in Dallas County peaked in late January with over 1400. Researchers predict hospitalizations to fall below 150 by late this month. New Covid-19 infections are also predicted to plunge as we head into spring and summer.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Housing	NBC 5 News	1/18/2022	6M	3:00	Allen is trying to revitalize its historic downtown. With so many people moving to Collin County, so much of the city of Allen has been built in the last few decades. According to Murry McKenzie, Vice Chair for the newly formed Downtown Steering Committee, Allen's population growth grew for four straight decades by over 100%. In the last decade, by 93%. However, downtown has existed for more than 150 years. President Theodore Roosevelt rolled through the streets of downtown Allen when he visited in 1905. The first-ever train robbery in all of Texas happened in downtown Allen, too.
Housing	NBC 5 News	2/9/2022	10pm	2;19	Home prices in DFW continue to climb. According to a new report from realtor.com, the median home price in DFW is now \$400,000, up 14% from this time last year.
Housing	NBC 5 News	3/11/2022	4:30 AM	4:03	Industry leaders say the hot housing market is pushing more people to rent and there are more renters who don't necessarily want to live in apartments. Many want to live in the suburbs. NBC 5 looked into new housing options that are actually growing fast in Texas to meet their needs.
Housing	NBC 5 News	3/16/2022	11am	2:49	One of the nation's largest builders, Meritage Homes, has plans to build more than 400 homes in Forney's Briarwood Hills community. Mitchell Parton, residential real estate reporter at the Dallas Morning News, joins NBC 5 to talk about what's in store in the local housing market.
Housing	NBC 5 News	3/16/2022	10pm	1:06	Researchers say people moving to Texas is not the main source of surging home prices.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Poverty	NBC 5 News	1/2/2022	10pm	:47	The Salvation Army of North Texas is providing a warm place for people to spend the night out of the cold. More than 300 people escaped the arctic cold weather and took advantage of cots spaced six feet apart, warm coats and a hot meal. Warming shelters were located in Plano, Denton, Lewisville, McKinney and Garland.
Poverty	NBC 5 News	2/6/2022	10pm	:50	Homeless shelters and organizations sprang into action ahead of the winter storm helping north Texans in need of a place to stay warm. Dallas faith-based shelter, Our Calling, helped over a thousand people and even their pets stay safe these past several days. Some used the Our Calling app to report their location so staff and volunteers could help them get to the shelter. Another place that served the community was the Salvation Army's Plano Corps.

Poverty	NBC 5 News	2/6/22	10pm	:20	Lines and lines of cars were at the Tarrant Area Food Bank Distribution Center for today's emergency food giveaway. Those in need of food boxes following the winter storm were able to get their trunks filled with non-perishable items and fruits.
Poverty	NBC 5 News	2/28/2022	10pm	:36	Dallas plans a 90-day trial of portable restrooms for homeless people at 7 sites around the city. One site is the back of the Dallas Central Library because homeless people often congregate out front. Another site is Field Street at Woodall Rodgers Freeway, which is near the Perot Museum. City Council members hearing about the plan today worried that portable restrooms will just attract more homeless people to gather in those locations.
Poverty	NBC 5 News	3/17/2022	4pm	1:24	There's a big push in Dallas to improve homeless services and get more people off the street. A big example is happening at the Austin Street shelter that started as just an overnight stay but is expanding to do much more.

Race Relations	NBC 5 News	1/16/2022	10pm	2:18	The Rabbi of the Beth Israel Congregation that was held under siege and four people were taken hostage on 1/15/2022, speaks out for the first time saying his is grateful to be alive and thanks everyone for the support his congregation has been given.
Race Relations	Lone Star Politics	1/16/2022	8:30am	6:49	The push to get sweeping voting rights legislation through Congress is stalled. The president of the Texas NAACP joins the conversation.
Race Relations	NBC 5 News	2/7/22	6pm	2:36	The death of Amir Locke renews questions over no-knock warrants. Amir Locke, the 22-year-old shot and killed by Minneapolis police as they executed a no-knock warrant, had dreams of moving to Dallas. His mother, Karen Wells, said Amir planned to move to the area this month to be closer to her and to pursue his dreams in the music industry. He wanted to be a hip-hop artist like his father. Over the weekend people filled the streets of Minneapolis renewing the calls for justice and police accountability. Minneapolis police shot and killed Locke last Wednesday after entering an apartment on a no-knock warrant that police now say Locke was not listed on. Body cam video captured the deadly encounter. In seconds, officers entered the apartment where Locke appears to be under a blanket.
Race Relations	NBC 5 News	2/20/2022	10pm	2:15	City officials are speaking out tonight after people in a Colleyville neighborhood woke up to antisemitic and other racist material tossed onto their lawns. This comes just one month after members at a Colleyville Synagogue were held hostage.

Religion	NBC 5 News	1/21/2022	10pm	:55	Tongan families in North Texas are praying and waiting to hear from relatives after a volcano eruption triggered a tsunami that devastated parts of the Pacific Island nation of Tonga.
Religion	NBC 5 News	2/19/2022	5am	2:58	Dr. Terry Flowers, the Perot Family Headmaster at St Philips School in South Dallas, has dedicated his life to transforming a small Episcopal school into not just a thriving educational destination, but a facility to enrich the community .
Religion	NBC 5 News	2/20/2022	10pm	1:22	At North Davis Church of Christ in Arlington, a group of congregants, missionaries and community members gathered Saturday to pray for Ukraine amid a growing threat of a Russian invasion. A couple from the church helped lead Saturday's prayer service, lifting up the children of the orphanage they oversee in Ukraine along with others they met during their time living there as missionaries. The couple returned to the United States just six months ago.

Religion	NBC 5 News	3/26/2022	6am	:44	Yesterday, the Catholic Diocese of Dallas joined the Pope's call to pray for peace in Ukraine. Francisco Moran has been at a Ukrainian Seminary for the past 7 years. He returned just two weeks ago to visit his parish in Corsicana. He led yesterday's prayer at the Cathedral Shrine of the Virgin of Guadalupe in Dallas. He says he's in contact with refugees. Moran says he's been working in a city just a few hours south of Kyiv. He says he wants to go back as soon as possible to help victims of the war.

Safety	NBC 5 News	1/28/2022	6am	:14	Pharmacies in North Texas will be handing out free N-95 masks this week. The Biden Administration donated 400 million free masks nationwide. The roll out is slow right now. Some pharmacies will post signs outside stores with their availability.
Safety	NBC 5 News	2/1/2022	10pm	:47	There's a warning for North Texans who are preparing for the cold snap. Be careful with your backup generators. The state health department says you should never operate one in your home or garage because of the threat of carbon monoxide poisoning. That caused more than a dozen deaths during last year's winter storm. North Texans are also encouraged to be sure to have working carbon monoxide detectors.
Safety	NBC 5 News	2/16/2022	5pm	:55	There's a new bi-partisan push to keep kids safe on social media. Two senators just introduced a bill. It requires social media platforms to provide minors with options to protect their information, disable addictive product features and opt out of recommendations from algorithms. It also gives parents new controls to help support their children and identify harmful behaviors.
Safety	NBC 5 News	2/1/2022	10pm	:24	Right now, there are several efforts to make sure everyone has a safe place to stay over the next few days. In Dallas, the Fair Park Automobile Building is opening up as a shelter. Organizers say there will be Covid testing. Anyone who comes back positive will be taken to another location. The Salvation Army is also planning to ramp up services and open warming shelters in Garland, Lewisville, McKinney, Plano and Arlington.
Safety	NBC 5 News	2/25/2022	11am	:16	The CDC is expected to relax the indoor mask guidance today. Most states have already lifted or announced plans to lift their indoor masking mandates because the Omicron wave of Covid-19 has started to significantly subside. It's the first change to the agency's indoor mask guidance since July.
Safety	NBC 5 News	3/2/2022	4pm	4:16	FBI data shows some violent crime is on the rise including assaults and car thefts. Report addresses how Dallas is addressing it and presents a guide for safety.
Safety	NBC 5 News	3/11/2022	6am	2:15	With Covid-19 numbers going down and restrictions changing daily, NBC 5 breaks down what you need to know before you head out on vacation.
Safety	NBC 5 News	3/26/2022	6am	:57	NBC 5 shares a warning about a credit card skimmer found inside a busy convenience store near Medical City McKinney. NBC 5 has shared warnings in the past of skimmers found on gas pumps.

Transportation	NBC 5 News	1/8/2022	6am	1:42	Travel troubles continue for many airlines as thousands of flights are once again delayed or canceled nationwide. Airlines are dealing with sick employees calling out and severe winter weather in parts of the country. Aviation reporter Kyle Arnold from our partners at the Dallas Morning News says as we head into this weekend, things could get worse with more people traveling and not enough employees to staff planes.
Transportation	NBC 5 News	1/17/2022	6am	:26	It's a new week, but a similar story. Covid-19 and severe weather has canceled more than 1200 flights today. That's somewhat better than Sunday when airlines canceled 2,800 flights because of a powerful winter storm on the east coast. And of course, Covid-19 is partly to blame for cancellations as airline employees continue to test positive for the virus. So far this morning, Fort Worth based American Airlines has canceled more than 200 flights.
Transportation	NBC 5 News	1/18/2022	10pm	2:44	U.S. Airways won a temporary victory when AT&T and Verizon agreed to delay the rollout of their 5G technology near airports. It is the latest twist in the fight. Mobile phone companies say the next generation technology is safe but the airlines call it a significant safety concern.
Transportation	NBC 5 News	2/25/2022	11am	:15	DART suspended rail service again today as it inspects routes and railways following two days of winter weather. Riders can expect delays through the afternoon. DART staff hopes to resume normal services Saturday morning. The Trinity Railway Express is back to regular hours.
Transportation	NBC 5 News	3/1/2022	6am	:36	DFW plans to reopen an economy lot after two years of being closed. Our partners at the Dallas Morning News says this signals the airport expects busy summer travel. Previously the lot and another were closed in 2020 to save money at the start of the pandemic.
Transportation	NBC 5 News	3/16/2022	10pm	1:11	Don't expect to see cheap flights anytime soon. NBC 5 has the tough news for people planning a summer vacation.
