

QUARTERLY ISSUES AND PROGRAMING LIST - KXAS-TV

2021 Q3 / July - September

| Issue | Program | Date | Time | Duration | Episode/Segment Description |
|------------------------|---------------|-----------|------------|----------|--|
| Alcohol and Drug Abuse | NBC 5 News | 8/17/2021 | 4:00 p.m. | 0:20 | Report that some college students are drinking less alcohol during the pandemic while others say they consumed more alcohol due to remote learning. |
| Alcohol and Drug Abuse | NBC 5 News | 8/20/2021 | 6:00 a.m. | 0:30 | Report on American Airlines extending their ban on alcohol sales. The Fort Worth based airline will not sell alcohol to main cabin passengers until at least January. This comes just two days after federal leaders extended their mask mandate at airports and on airplanes. In May, it halted plans to restart alcohol sales after an outcry from flight attendants and due to the high number of unruly passengers. Dallas-based Southwest Airlines has also stopped selling alcohol aboard flights and has not set a return date. |
| Alcohol and Drug Abuse | NBC 5 News | 8/27/2021 | 10:00 p.m. | 3:26 | Report from NBC 5 Investigates in regards to thousands of drunk drivers' blood tests. The test are now in question after a recall of potentially defective blood tubes. Dozens of drivers who were tested with those recalled tubes were never notified of that until NBC 5's investigative team started asking questions. |
| Alcohol and Drug Abuse | NBC 5 News | 8/31/2021 | 5:00 p.m. | 0:30 | Report on more than 600 new laws going into effect in Texas. One of the new laws will let Texans buy beer and wine before noon on Sundays. The law expands sale hours from 10 a.m. to midnight. Alcohol sales are still prohibited on Sundays. |
| Alcohol and Drug Abuse | 5 Talk Street | 9/10/2021 | 5:00 p.m. | 7:00 | A 5 Talk Street segment focusing on the organization, "Daddy Lights Ministry." A majority of the clients served by the organization are abused women and people with chemical dependency. The organization provides a pathway for hope and for individuals to transition to a better environment. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Children | NBC 5 News | 7/1/2021 | 5:30 a.m. | 0:57 | Cook Children's in Fort Worth is reporting an alarming trend of children with gunshot wounds. They are receiving a record number and most of the cases are unintentional. As of May, Cook Children's has treated 35 patients for gunshot wounds. Doctors fear the number this year will climb with six months left of 2021. Cook Children's initiative known as "Aim for Safety" was designed to help reduce the number of gun-related injuries. The initiative reminds adults to always remember to secure their firearms and ammunition from children and make sure they are locked. |
| Children | NBC 5 News | 7/1/2021 | 10:00 p.m. | 1:09 | Report on a baby boom in Fort Worth. Doctors at Baylor Scott and White All Saints Medical spoke with NBC 5 about the baby boom. They keep breaking their own delivery records. The care team delivered more than 100 babies in 91 hours. |
| Children | NBC 5 News | 7/5/2021 | 4:00 p.m. | 2:19 | Report on a new treatment that is helping infants and children who are suffering from a form of pancreatitis, a painful inflammation of the pancreas. This form is hereditary and impacts infants and children with often no cure and leaving children to endure a lifetime of pain, but this new treatment is helping them live a happy, pain-free life. |
| Children | NBC 5 News | 7/5/2021 | 10:00 p.m. | 1:55 | Report on a Lubbock family wanting tougher laws to protect small children from button batteries, the tiny silver discs that power things like key fobs and watches, after their child died from swallowing one. |

| Children | NBC 5 News | 7/15/2021 | 4:00 p.m. | 1:05 | Report on suicides going up by 50% for ages 10 to 24, in the past two decades. A Texas research and advocacy nonprofit group called, "Children at Risk," says it's become the second leading cause of death for this age group. They state that children in different demographics such as the LGBTQ+ Community, along with Black and Native American youth, are seeing an increase in death by suicide. Some of the findings show economics, trauma and lack of resources are all factors. Researchers are gathering more data to pin-point ways to find solutions. |
|----------|------------|-----------|------------|----------|--|
| Children | NBC 5 News | 8/7/2021 | 6:00 p.m. | 0:52 | Report on Covid-19 cases among young children rising in some parts of Texas. It is pushing children's hospitals to the limit. Doctors say when Covid-19 is added to the mix of the typical respiratory illnesses and traumatic injuries that kids experience during the summer, children's hospitals across the state are at or near capacity. |
| Children | NBC 5 News | 8/11/2021 | 4:00 p.m. | 0:22 | Report on ultra processed food making up two-thirds of calories in kids and teen's diets. The number is up 61% as compared in 1999. Researchers found the biggest spike in calories came from ready to eat foods. Calories from sugary drinks has dropped by 51%. |
| Children | NBC 5 News | 8/11/2021 | 5:00 p.m. | 2:01 | Report on a concerning new study that shows some kids are becoming more nearsighted due to the pandemic and online learning. Tips are shared to let parents know what they can do to keep their child's eyes healthy. |
| Children | NBC 5 News | 8/24/2021 | 5:00 a.m. | 1:41 | Report on the latest fight against Covid-19 and the FDA granting full approval to the Pfizer's Covid-19 vaccine. This raises major questions regarding younger children being eligible for the vaccine. The number of infected children is rising quickly across the country and North Texas. |
| Children | NBC 5 News | 9/1/2021 | 6:00 a.m. | 0:48 | Report on Orion Jean, a 10-year-old from Mansfield, reaching his goal of collecting 500,000 books to donate to kids and schools across the country. He did much of the work himself, but 300,000 books were donated from online bookseller "Thrift Books", that helped push him towards his goal. Orion's focus was to help instill the love in reading in children across America. |
| Children | NBC 5 News | 9/1/2021 | 4:00 p.m. | 2:00 | Report on a rare but potentially serious condition that can show up in children who have been exposed to Covid-19. |
| Children | NBC 5 News | 9/17/2021 | 10:00 p.m. | 2:11 | Report on children Covid-19 cases skyrocketing and Cook Children's halting elective surgeries and diverting some patients to other hospitals. NBC 5's Allie Spillyards spoke with a doctor about the difficult choices they never imagined having to make. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Consumer | NBC 5 News | 7/1/2021 | 5:30 a.m. | 2:21 | Consumers struggling to pay for their internet service are receiving help from the federal government. The Emergency Broadband Benefit Program still has billions of dollars left. They launched their program in May with close to 3.2 billion dollars. The Emergency Broadband Benefit Program offers a discount of up to 50 dollars a month on internet service. To qualify, consumers' annual household income needs to be 135% of federal poverty guidelines or less. |
| Consumer | NBC 5 News | 7/1/2021 | 4:00 p.m. | 0:22 | Report on the price of tolls rising. The North Texas Tollway Authority officially raised rates and those with toll tags will pay an average of one penny more per mile. Those using Zip cash will pay at least 50% higher. The increase will help the tollway authority repay 9.5 billion dollars it borrowed to build and improve the roads. |

| Consumer | NBC 5 News | 7/4/2021 | 10:00 p.m. | 2:07 | Report on Fourth of July sales and Consumer Reports makes it easy for consumers to shop smarter. The products are on sale and have scored well in Consumer Report's rigorous, independent laboratory tests. Consumer Reports tracks the prices of many of its top tested products all year long, so it knows exactly when they go on deep discount. NBC 5 provides viewers with the top products to look out for in the month of July. |
|---------------------------|------------|-----------|------------|----------|---|
| Consumer | NBC 5 News | 7/15/2021 | 11:00 a.m. | 0:26 | Report on a recall alert regarding Johnson and Johnson. The company is pulling some of its products over possible cancer risk. The list includes Neutrogena and Aveeno spray sunscreens. Johnson and Johnson say they contained low levels of Benzene, a chemical that can cause cancer depending on the level and extent of exposure. They suggest if you have any of those sunscreens, to throw them away. The recall information was posted on NBCDFW.com. |
| Consumer | NBC 5 News | 7/15/2021 | 4:00 p.m. | 0:15 | Report on Back-to-School shopping and parents being expected to spend more money this year than in years past. New survey results from Deloitte finds spending will be at its highest level in years to an estimate of thirty two and a half billion dollars. That's six hundred and twelve dollars per student. |
| Consumer | NBC 5 News | 7/20/2021 | 6:00 a.m. | 0:22 | As the pandemic continues, Costco reports they are keeping their special hours for members who are 60 years and older, and vulnerable shoppers. Weeks after announcing it would end the senior hours on July 26th, the retailer is changing course and will reduce them from 5 days a week to a twice weekly event. |
| Consumer | NBC 5 News | 8/11/2021 | 4:00 p.m. | 2:18 | Report on recent attacks against Apple products. For a long time, many assumed Apple devices were untouchable when it came to cyber threats and malware because they were too tough to hack, but that has changed. NBC 5's Consumer Reports explains what consumers can do to keep their Apple devices safe. |
| Consumer | NBC 5 News | 8/15/2021 | 5:30 a.m. | 0:49 | Report on the new Covid surge affecting consumer confidence again. People are worried about the economy as things go in the wrong direction. Some economists say the rapid surge in Covid-19 cases could quickly stifle the economy and once again, keep people from spending. Dallas Financial Expert, Derrick Kinney, states this time period is a great time to save. |
| Consumer | NBC 5 News | 8/17/2021 | 6:00 a.m. | 0:23 | Report on gas prices increasing. They've jumped three cents over the past three weeks to an average of 3.25 dollars a gallon. That is a dollar higher than they were a year ago. Here in Texas, AAA says drivers are paying an average of 2.84 dollars a gallon. Analysts say prices should stop going up now that crude oil costs are going down. |
| Consumer | NBC 5 News | 8/27/2021 | 4:00 p.m. | 1:55 | The pandemic related computer chip shortage isn't expected to end anytime soon and it's still impacting production of new cars and trucks. Right now, the used car market is popular now more than ever. Consumer reports shows shoppers how to purchase smarter for a used car and avoid potential problems. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Crime and Law Enforcement | NBC 5 News | 7/1/2021 | 11:00 a.m. | 1:45 | Report on a new public safety summer operations plan being spearheaded by Downtown Dallas, Inc, which oversees the flow of the economy and life in Downtown Dallas. People may start to see more police in Downtown Dallas this summer. City leaders are dealing with public safety concerns as thousands of people head back to work and tourism picks back up. This new plan is to help keep things safe. |
| Crime and Law Enforcement | NBC 5 News | 7/1/2021 | 4:00 p.m. | 3:38 | NBC 5's Conversation of Change that focuses on Dallas Police Officer Megan Thomas' new role as the LGBTQ+ position and being a liaison/ officer with the responsibility to keep the line of communication open between police and the LGBTQ+ community. |

| | | | | | |
|---------------------------|------------|-----------|------------|------|---|
| Crime and Law Enforcement | NBC 5 News | 7/4/2021 | 5:30 a.m. | 0:32 | Report on Black and Latino Clergy Leaders pledging to work with Dallas Police to protect their communities this summer. They held a press conference with Police Chief Eddie Garcia and District 3 Council Member Casey Thomas II. They say enough is enough. Police Chief Garcia says they will have an increased presence this summer and say police will work with businesses and other groups to help reduce crime. |
| Crime and Law Enforcement | NBC 5 News | 7/7/2021 | 4:00 p.m. | 1:47 | Dallas pauses to remember one of the darkest days in the city. On July 7, a gunman targeted and gunned down five police officers during a peaceful protest Downtown. It was the biggest loss of police lives since 9/11. NBC 5's Maria Guerra, covered the heartfelt ceremony held in their honor today. |
| Crime and Law Enforcement | NBC 5 News | 7/15/2021 | 5:00 a.m. | 1:15 | Report on the Fort Worth Police's new approach to targeting violent crime, following a year that saw more murders than any recent memory. NBC 5's Ben Russell shared what the city's new police chief said about the new tactics. |
| Crime and Law Enforcement | NBC 5 News | 7/15/2021 | 10:00 p.m. | 0:49 | Report on the rising numbers of Domestic Violence cases during the pandemic. The rates are continuing to increase. NBC 5 spoke with Kathryn Jacob, the CEO of Safe Haven of Tarrant County. The organization says they are seeing more women in need of help. |
| Crime and Law Enforcement | NBC 5 News | 7/20/2021 | 4:00 p.m. | 0:30 | Report on Dallas Mayor Eric Johnson calling for hire of 275 police officers to make the city safer. Johnson says additional money needs to be included in the next budget, as well as salary increase for first responders. |
| Crime and Law Enforcement | NBC 5 News | 7/29/2021 | 6:00 p.m. | 2:03 | Report on Dallas police officers being trained to stop misconduct. They are responding to a video that surfaced of an officer beating a man in Deep Ellum. The video also shows two other officers stepping in to pull the first officer away from the man. |
| Crime and Law Enforcement | NBC 5 News | 8/7/2021 | 6:00 a.m. | 2:51 | Report on temporary paper license plates in North Texas being fake on some cars. The FBI found more than a half-million fraudulent temporary tags were obtained through a giant loophole in the system. Some of them are being used in crimes as far away as New York. |
| Crime and Law Enforcement | NBC 5 News | 8/11/2021 | 11:00 a.m. | 3:08 | Report on counterfeit certifications for Covid-19 vaccination proof. As college students are heading back to campus, 700 universities and colleges are now requiring proof of vaccination and some administrators are worried about a new black market. Some of the counterfeit certifications are going for as much as 200 dollars. |
| Crime and Law Enforcement | NBC 5 News | 8/11/2021 | 6:00 p.m. | 0:36 | Report on the Dallas Police Department losing data and working to find out how many cases will be affected. The District Attorney's Office says some of the missing data has been recovered, but the rest may be lost forever. The department says the data was deleted during a data migration process. |
| Crime and Law Enforcement | NBC 5 News | 8/15/2021 | 5:00 p.m. | 0:34 | Dallas Police are cracking down on street racing. Recently, the officers responded to 11 events across the city. A total of 81 people were arrested, 35 vehicles were towed, and more than 3 dozen people were cited for various crimes including being a spectator to street racing. |
| Crime and Law Enforcement | NBC 5 News | 8/31/2021 | 11:00 a.m. | 0:20 | In Denton County, hundreds of thousands of public health records, including Covid-19 vaccination details, have been exposed in a data breach. Officials say a malfunction in a third-party software system was linked to an app used at Denton County vaccine clinics. A written notification was sent out to those who were affected. It is unclear how many people received a written notification. |
| Crime and Law Enforcement | NBC 5 News | 8/31/2021 | 5:00 p.m. | 0:30 | In Texas, more than 600 new laws go into effect. One of the new laws will require police officers to keep body-worn cameras on during investigations. The law was inspired by the death of Botham Jean, the man shot and killed in his own apartment by a Dallas Police Officer. |

| Crime and Law Enforcement | NBC 5 News | 9/25/2021 | 6:00 p.m. | 0:47 | Report on Dallas Police hoping to smash the violence by joining forces with community members on the basketball court at Paul Quinn College. Several groups worked together to put on the event, including Dallas Cred, a group of community members that are (some) reformed offenders working to interrupt crime in Dallas communities plagued by violence. |
|---------------------------|---------------|-----------|------------|----------|---|
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Cultural | NBC 5 News | 7/17/2021 | 6:00 p.m. | 2:07 | Report on "Zimsculpt," cultural sculpting available at the Dallas Arboretum. Allows visitors to experience other cultures from around the world. |
| Cultural | NBC 5 News | 7/23/2021 | 6:00 a.m. | 1:55 | Report on Fort Worth's Opal Lee receiving statewide honor for her efforts that helped make Juneteenth a federal holiday. |
| Cultural | NBC 5 News | 7/23/2021 | 11:00 a.m. | 0:53 | Report on the Tokyo Olympics and the opening ceremony. |
| Cultural | NBC 5 News | 7/23/2021 | 4:00 p.m. | 3:30 | Report on the history and culture of the Negro Leagues. NBC 5's Pat Doney spoke with the executive producer and director of the documentary "The Other Boys of Summer," in NBC 5's Community Conversation. |
| Cultural | NBC 5 News | 8/1/2021 | 10:00 p.m. | 0:47 | Report on the cultural practice from Japan called Forest Bathing. A way to improve our well-being. Forest Bathing is a type of growing green care, or ecotherapy, but people do not have to be in a forest to try it. The cultural practice can be as simple as getting outside for a stroll and being mindful of the environment. |
| Cultural | NBC 5 News | 9/5/2021 | 6:00 a.m. | 0:25 | First responders took part in the annual 9-11 memorial stair climb. Each first responder touched a piece of steel salvaged from the World Trade Center before climbing the stairs. Fire fighters, police officers and EMS workers climbed 110 flights in full gear. Each honored their fellow first responders who were killed on September 11th. |
| Cultural | NBC 5 News | 9/11/2021 | 5:30 a.m. | 1:56 | Report on the anniversary of September 11th. 20 years ago where nearly 3,000 people died in terrorist attacks in New York, D.C. and Pennsylvania. Innocent victims who were going through their normal morning routine were struck with terror. On the anniversary of 9-11, the nation reflects on the day and NBC 5 shares special events that will honor the lives of those lost. |
| Cultural | 5 Talk Street | 9/11/2021 | 6:00 p.m. | 1:50 | A memorial in Grapevine honored the more than two dozen flight crew members aboard the four hijacked planes on 9-11. They also paid tribute to all the passengers and first responders. NBC 5's Yona Gavino was at the event as hundreds gathered to remember and reflect those lost that day. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Economic Development | NBC 5 News | 7/1/2021 | 6:00 p.m.. | 0:32 | Report on the fallout from the pandemic costing people their jobs in Dallas. Uber is downsizing their plan for a major hub in Deep Ellum. The initial plan was for Uber to hire as many as 3,000 people. The city and state gave Uber tax breaks to build its largest hub outside of its headquarters in San Francisco. Uber now says it will hire 500 workers and it will not take the tax breaks that were offered. The company says the decision came from the "dramatic impact" the Covid-19 pandemic had on its business. |
| Economic Development | NBC 5 News | 7/2/2021 | 5:30 a.m. | 1:11 | This summer new high school graduates have more opportunities than ever before to get extra money to pay for college expenses. Hiring shortages in industries where young adults typically have summer jobs, like restaurants, summer camps and lifeguarding, are leading to pay increases. In North Texas the average increase is 15 dollars and up. Some employers are also offering other incentives like scholarships and college tuition payments. NBC 5 spoke with Eva Dobbs, a college advisor with College Wise, who shared advice for new graduates who are trying to get a jump start on their careers. |

| Economic Development | NBC 5 News | 7/15/2021 | 5:00 | 3:05 | Report on competitive entry jobs. Some recent graduates can't catch a break and the Class of 2020 struggled through Covid-19 to launch their careers. The pandemic fallout could also be affecting the Class of 2021, despite an explosion in new jobs this summer. NBC 5's Alanna Quillen reported some details on a huge job fair happening in Irving. |
|----------------------|------------|-----------|------------|----------|--|
| Economic Development | NBC 5 News | 7/20/2021 | 6:00 a.m. | 0:20 | Report on North Texas falling in rank on the best places to live. Dallas-Fort Worth fell outside the top 25, ranking at number 37 for large metro areas in America. Last year, DFW was number 24. The list is based off affordability, job projects and quality of life. |
| Economic Development | NBC 5 News | 7/23/2021 | 5:30 a.m. | 0:20 | Report on Covid-19 stimulus checks hitting more bank accounts. The IRS says more than 2 million payments were sent out over the past six weeks. So far, 400 billion dollars has been paid out as part of the American Rescue Plan Act that President Biden signed back in March. The latest round of payments was for people who updated their information with the IRS. |
| Economic Development | NBC 5 News | 7/27/2021 | 4:00 p.m. | 3:33 | Report on a North Texas group called "One Man's Treasure," striving to help recently released incarcerated men successfully make the move back to society. The organization was able to expand their services throughout the region and help more men in need, thanks to the NBC Universal Project Innovation Grant. NBC 5's Larry Collin took a closer look at the organization in NBC 5's Conversation: Call for Change. |
| Economic Development | NBC 5 News | 8/3/2021 | 6:00 p.m. | 2:15 | Report on the hospitality industry having a hard time filling jobs. The State Fair of Texas is no exception. The fair is still trying to fill more than a thousand part-time positions. Organizers are also monitoring the Covid-19 numbers as thousands of people get ready to enter Fair Park soon. |
| Economic Development | NBC 5 News | 8/11/2021 | 10:00 p.m. | 0:40 | Fort Worth could be in for a huge economic boost. An electric company, backed by Amazon, is in talks of building a massive factory in the area. |
| Economic Development | NBC 5 News | 8/17/2021 | 4:00 p.m. | 2:12 | Report on individuals struggling to pay their bills, considering a payday loan. With recent reforms, many of the loans can still come with hefty fees and high interest rates. There are also alternatives and NBC 5's Consumer Reports explains where individuals should look to discover these loans. |
| Economic Development | NBC 5 News | 8/24/2021 | 10:00 p.m. | 3:24 | Report on some job seekers turning to Tik-Tok to stand out to companies and recruiters. Most recruiters still suggest having a one sheet resume, but some job seekers are trying to find creative ways to get hired. NBC 5's Responds Reporter, Kristi Nelson, explains what people should know before they jump into this new trend. |
| Economic Development | NBC 5 News | 8/27/2021 | 6:00 p.m. | 0:47 | After seeing economic recovery over the summer, restaurants are feeling the financial strain again due to the pandemic and new surge of Covid-19 cases. The head of the Texas Restaurant Association says staff shortages, supply problems and Covid-19 worries are all taking their toll, especially on workers. |
| Economic Development | NBC 5 News | 9/23/2021 | 6:00 a.m. | 0:20 | Report on Friendship Baptist Church in Dallas partnering with the community to support Black-owned businesses. The Congregation's 100-day campaign to remember the 100th year since the Tulsa Race Massacre is unfolding. The goal is to continue the legacy of Black Wall Street, by strengthening locally owned Black businesses. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |

| | | | | | |
|-----------|------------|-----------|------------|------|---|
| Education | NBC 5 News | 7/1/2021 | 4:00 p.m. | 1:39 | NBC 5's Laura Harris shows the viewers the "Read-Play-Talk Bus" that is rolling into Mesquite. The initiative was created in 2018 in the Mesquite community to help encourage parents and caregivers to read, play and talk with their kids every day. This initiative is more important now more than ever during the pandemic. |
| Education | NBC 5 News | 7/1/2021 | 5:00 p.m. | 0:35 | Report on North Texas NCAA athletes being able to make money with their name and face. The NCAA cleared a path allowing college athletes to get endorsements if certain rules are followed. NBC 5 spoke with a TCU athlete about what the move means. |
| Education | NBC 5 News | 7/1/2021 | 5:00 p.m. | 2:18 | Report on the University of North Texas' new bridge program. The program provides foster care individuals who have aged out of the system and may have graduated high school and had no place to go, a home and room and board on campus. The program helps bridge the gap between foster care and college. |
| Education | NBC 5 News | 7/11/2021 | 5:00 a.m. | 2:27 | Report on remote learning doing a number on many kids and their education. Districts across North Texas are working to get children back on track, especially during the summer months when learning loss happens often. NBC 5's Laura Harris and Reading With You took a trip to Duncanville ISD. |
| Education | NBC 5 News | 8/11/2021 | 10:00 p.m. | 0:57 | School districts are defying Governor Abbott's order regarding no masks. The leaders of the two largest school districts in North Texas, Dallas and Fort Worth, say masks are required in the classroom, but other districts have been holding off on making that call. |
| Education | NBC 5 News | 8/17/2021 | 4:00 p.m. | 2:37 | Report on virtual learning in many school districts and the need of internet connection for students at home. AT&T and Spectrum are providing students in almost every school district in North Texas, free in home wired internet. |
| Education | NBC 5 News | 8/24/2021 | 11:00 a.m. | 2:37 | Report on ransom attacks on school districts. Cyber security leaders are reporting a nearly 30% increase in hacks. |
| Education | NBC 5 News | 8/24/2021 | 4:00 p.m. | 1:36 | Report on a teacher shortage. Students in some North Texas schools are still without a teacher, as districts work around the clock to fill remaining vacancies. The job is tougher this year as there are less teachers to go around, across the entire country. NBC 5's Education Reporter Wayne Carter explains the teacher shortage. |
| Education | NBC 5 News | 8/24/2021 | 4:00 p.m. | 1:24 | Dallas ISD says thousands of students have not returned back to school so far, this year. NBC 5's Sophia Beausoleil explains how many students are missing and why. |
| Education | NBC 5 News | 9/17/2021 | 6:00 a.m. | 1:02 | A new nonprofit in North Texas has big dreams of revitalizing the communities of America. Its first project is in the Bonton neighborhood of South Dallas. Bonton is a century-old neighborhood working hard to move past poverty and crime. Many believe education can help. The new Community Engagement and Opportunity Council opened a literacy lab inside a neighborhood community center. The goal is to give children ages three through third grade a place to build reading skills and a foundation for success in school and life. |
| Education | NBC 5 News | 9/21/2021 | 4:00 p.m. | 1:17 | NBC 5 goes beyond the mask when it comes to schools and Education Reporter, Wayne Carter, does a week-long series looking at how schools are planning to regain the learning lost during the pandemic and mend the gaps in education. |

| Education | NBC 5 News | 9/23/2021 | 10:00 p.m. | 2:15 | The pandemic has created many challenges for schools, including a teacher shortage. Districts across North Texas and the country are scrambling to do whatever they can to recruit more educators. Teach for America hopes to help fill the gap. |
|-------------|------------|-----------|------------|----------|---|
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Environment | NBC 5 News | 7/1/2021 | 5:00 p.m. | 0:31 | Report on extreme high temperatures, damaging Christmas Tree Farms across the Northwest. Family farms say unprecedented heat waves are damaging trees and young seedlings. Growers say they may be able to recover if this is the only heatwave of the summer. but they are not optimistic. Many farmers say they've been growing trees for decades and have never seen anything like this before. |
| Environment | NBC 5 News | 7/7/2021 | 6:00 p.m. | 0:27 | Report on parts of Texas being hit with major flooding. A strong band of heavy rain caused a Flood Emergency in Rockport. The national weather service issued a Flash Flood Emergency for the area and there's widespread flooding in the Rio Valley. Texans waded through water while drivers navigated flooded roads. Governor Abbott announced that state resources are now on standby to help. |
| Environment | NBC 5 News | 7/11/2021 | 5:30 a.m. | 3:11 | Report on human-caused climate change and its effects on food. In Texas, there has been abnormal weather which has devastated crops this year, starting with the February freeze. This is not the only extreme event farmers are worried about. |
| Environment | NBC 5 News | 7/15/2021 | 11:00 a.m. | 2:28 | Report on drastic floods in Lancaster and car rescues from citizens in the community. |
| Environment | NBC 5 News | 7/23/2021 | 11:00 a.m. | 2:04 | Report on the hottest days of summer in North Texas. The Public Utility Commission and Ercot holding a press conference to update Texans on the changes they are making to improve the reliability of the grid from the contrast of the Winter Storm grid decline. |
| Environment | NBC 5 News | 7/25/2021 | 5:00 p.m. | 1:47 | Report on an extreme heat advisory with the first triple digit temperatures of the season. Medstar rolled out their extreme heat response protocol. When heat index is at or above 105 degrees, first responders try to help people who are located outside quicker, to protect the patients from exposure to extreme heat. |
| Environment | NBC 5 News | 7/29/2021 | 6:00 p.m. | 0:32 | Report on North Dallas citizens being unhappy about tree cutting in their neighborhood to make way for the new Dart Silver Line. Completion of the long-awaited rail link between Plano and DFW Airport has been pushed back to 2024, but works are still underway. Citizens stated they were told clearing would be minimal. Dart says it remains committed to saving as many trees as possible. |
| Environment | NBC 5 News | 8/1/2021 | 10:00 p.m. | 0:47 | Report on the cultural practice from Japan called Forest Bathing. A way to improve our well-being. Forest Bathing is a type of growing green care, or ecotherapy, but people do not have to be in a forest to try it. The cultural practice can be as simple as getting outside for a stroll and being mindful of the environment. |
| Environment | NBC 5 News | 8/11/2021 | 4:00 p.m. | 1:29 | Report on an extreme heat and severe weather for millions nationwide. More than 125 million people are under official alerts brought on by triple digit temperatures. |
| Environment | NBC 5 News | 9/23/2021 | 11:00 a.m. | 0:43 | Report on the February Winter storm and power disaster. The Federal Energy Regulatory Commission met in Washington D.C. to discuss their preliminary findings for the investigation. The panel found the major causes of the power outages were frozen equipment and fuel supply issues. A key point is the need for power and gas facilities to do more to protect equipment from the cold weather. The February winter storm left millions of Texans without power for days in freezing temperatures. At least 210 deaths have been blamed on the winter storm. NBC 5 has a new series called "Powerless" focusing on the winter storm. |

| | | | | | |
|--------|---------------|-----------|------------|------|---|
| Family | NBC 5 News | 7/2/2021 | 5:30 a.m. | 2:41 | Report on the number of food insecure families continuing to increase and one in five children in Dallas struggles with food insecurity. Food for Good, a local program, is helping families and children fight hunger. |
| Family | NBC 5 News | 7/4/2021 | 10:00 p.m. | 1:49 | Families dealing with the loss of loved ones due to Covid-19. A North Texas woman is asking her fellow Americans to stand in solidarity with those still dealing with the pain of the loss. She is working with city leaders throughout the United States to add permanent Yellow Heart Memorials to public spaces in honor of those lost. |
| Family | NBC 5 News | 7/5/2021 | 10:00 p.m. | 1:55 | The Reese's family started a non-profit organization to help teach parents about the dangers of button batteries. Also, to lobby lawmakers for better safety standards, including mandating screws for all products that use button batteries, after their child died from swallowing one. |
| Family | NBC 5 News | 7/17/2021 | 6:00 p.m. | 3:45 | Report on the Genesis Women's Shelter announcing their new location in the Southern part of Dallas. The goal is to better meet the needs of underserved survivors of Domestic Violence. NBC 5's Vince Sims speaks with the CEO of Genesis, Jan Langbein, in NBC 5's Conversation: A Call for Change. |
| Family | NBC 5 News | 8/3/2021 | 11:00 a.m. | 1:36 | Report on the Ronald McDonald House in Dallas, being a place for children who seek medical care and their families. It is their home away from home. The Ronald McDonald House in Dallas is a place where patients and their families eat, sleep and relax between medical visits. Covid-19 put a brake on their gala fundraiser, but the organization came up with another idea to help raise money and celebrate their 40th anniversary, a cookbook called "Come to the Table." |
| Family | NBC 5 News | 8/3/2021 | 4:00 p.m. | 4:04 | Report on a North Texas non-profit continuing their mission to guide young boys without father at home, towards a stable successful future. Thanks to NBC Universal's Project Innovation grant, the program, Hope Farm, has been able to sustain their life-changing services and help even more young boys in need. NBC 5's Evan Anderson took a closer look at Hope Farm in NBC 5's Conversation: Call for Change. |
| Family | NBC 5 News | 8/17/2021 | 4:00 p.m. | 1:01 | Report on the Taliban taking over Afghanistan, resulting in 30,000 Afghan people escaping the violence and taking refuge in the United States. Some have already arrived in Dallas and Fort Worth. Refugee Services of Texas says since August 1st, 18 families have relocated to DFW including several that have arrived in the last few days. The group says at least 324 Afghans will be settled through the organization's offices in Dallas, Fort Worth, Amarillo, Houston and Austin. The organizations states federal dollars will help pay for things like counseling, English classes and social security until families become self-sufficient. |
| Family | NBC 5 News | 8/20/2021 | 4:00 p.m. | 0:24 | NBC 5 and Telemundo 39 are asking people to help Clear the Shelters and participate in the campaign Monday through September 19th. Adoption fees at participating shelters will be waived September 13th through 19th. People can log onto NBCDFW.com for a list of partnering shelters. Nearly 45,000 animals have been adopted since the start of Clear the Shelters. |
| Family | NBC 5 News | 9/1/2021 | 4:00 p.m. | 0:54 | Report on the pulse of parents as children are returning back to school. A new survey from the National PTA and the CDC focuses on parents under pressure. The top concerns for parents, are children contracting Covid-19 in class and infecting a family member. Overall, parents are worried about stress, performance and safety this school year. |
| Family | 5 Talk Street | 9/10/2021 | 5:00 p.m. | 7:00 | A 5 Talk Street segment that focuses on the organization, "Daddy Lights Ministry." The founder and CEO, Latreka Jones, partners with Walmart to provide food, prescriptions, clothes, toiletries, and supplies for family and children suffering from domestic violence and trying to make a transition to a better environment. |

| Family | NBC 5 News | 9/17/2021 | 5:00 a.m. | 2:00 | Report on the Del Rio migrant surge as Haitian families camp under a Del Rio bridge. The families are trying to flee from poverty, political unrest and natural disasters. Governor Abbott announced the state would help close six border crossings, but without green light from the federal government, he had to backtrack on that order. |
|------------|--------------------|-----------|------------|---------|---|
| Family | NBC 5 News | 9/20/2021 | 11:00 a.m. | 1:00 | Report on an average of 5,400 animals across North Texas were adopted in Clear the Shelters 2021. |
| Family | NBC 5 News | 9/23/2021 | 6:00 a.m. | 2:37 | Report on North Texas Giving Day, North Texas' largest fundraising drive. The event is a chance to give back to nonprofits that help individuals and families. A record number of nonprofits are participating. Organizers say the community's support is needed now more than ever. |
| Issue | Program | Column1 | Column2 | Column3 | Column4 |
| Government | NBC 5 News | 7/1/2021 | 6:00 p.m. | 0:22 | The Texas Department of Public Safety can no longer sell people's personal information. The change was made during the last legislative session and signed into law. It was shown that DPS had been selling the information to private companies, bringing in 90 million dollars a year. Some business-like courts, law enforcement, banks and insurance companies will still have access to the information for business purposes. |
| Government | NBC 5 News | 7/27/2021 | 5:00 p.m. | 1:57 | Report on Texas Lawmakers holding a special session in Washington D.C. as they continue to lobby to get federal voting legislation passed. Republicans continue to talk about legislation they say can't be passed without Democrats in Austin. Most of the House Democrats left the state to avoid voting on an election bill they view as suppression. |
| Government | NBC 5 News | 7/27/2021 | 6:00 p.m. | 0:24 | Report on a city labor shortage. For locals in Dallas, they are experiencing delays in their trash/recycling pick-up. The city is working to ensure all garbage is collected on time, but recycling pick-up may be delayed about 24 hours. City Council is set to approve a new temporary labor contract on August 11th, with hopes of things returning to normal by early September. |
| Government | NBC 5 News | 8/7/2021 | 6:00 p.m. | 0:26 | The City of Dallas reveals their budget for the upcoming fiscal year. The City of Dallas received 355.4 million dollars from the American Rescue Plan. The funding will be invested into several things, including improvements to water and sanitation services. The funding will also go towards hiring more police officers and raising the pay for 911 operators and dispatchers. The biennial budget for the 2022 to 2023 budget was also released. |
| Government | Lone Star Politics | 8/15/2021 | 8:00 a.m. | 4:42 | The mask mandate battle across Texas is heating up again. Nearly 3 months after Governor Abbott banned government entities and officials from mandating face coverings, several counties are going against the order. This includes Dallas County, where Judge Clay Jenkins signed an executive order requiring masks to be worn in businesses, public schools and childcare centers. Both the Governor and Texas Attorney General Ken Paxton are challenging the order in court. |
| Government | NBC 5 News | 8/24/2021 | 6:00 p.m. | 0:33 | Democratic lawmakers from Texas are sounding the alarm on voting rights. In a virtual news conference, several democrats including Congressmen Colin Allred and Marc Veasey, urged Congress to pass the John Lewis Voting Rights Act. They state it would override efforts by Republicans in Austin who want to pass new voting restrictions. |
| Government | NBC 5 News | 8/27/2021 | 10:00 p.m. | 0:45 | Starting September 1st, more Texans will have legal access to medical marijuana. A new law will expand the state's Compassionate Use Program to include veterans who suffer from PTSD, cancer patients and people with chronic pain or debilitating conditions. |
| Government | NBC 5 News | 8/31/2021 | 4:00 p.m. | 1:29 | Report on new Texas law that eliminates permit requirements to carry a gun in Texas. Owners may buy and openly carry firearms without training. |

| Government | NBC 5 News | 9/1/2021 | 11:00 a.m. | 2:00 | Report on new laws going into effect in Texas and receiving national attention. The one law receiving the most attention is one of the country's strictest abortion laws. The Fetal Heartbeat Bill bans abortion once a heartbeat has been detected. That heartbeat often comes about 6 weeks into pregnancy, before many women even know they are pregnant. |
|--------------------|------------|-----------|------------|----------|--|
| Government | NBC 5 News | 9/5/2021 | 6:00 a.m. | 0:44 | In Fort Worth, Democratic activists rallied against the new abortion law and other laws that went into effect. During the socially distanced rally, speakers said they were fed up with the Republican-controlled state that has banned mask mandates, while passing the restrictive abortion bill and permitless carry. Organizers say the event was about registering voters and laying the groundwork for the 2022 midterms. |
| Government | NBC 5 News | 9/21/2021 | 10:00 p.m. | 1:55 | Fort Worth City leaders approved a 1.8-billion-dollar budget, that included 10 new firefighters. This is only a fraction of the 250 positions the fire chief says he needs. Some say the shortfall means higher response times when seconds count. |
| Government | NBC 5 News | 9/30/2021 | 6:00 a.m. | 2:05 | Report on the Senate voting on a temporary spending bill that would keep the government funded until December. If lawmakers avoid a government shutdown, the next crisis looming arrives October 18th. Lawmakers must increase the nation's debt limit by that date or the government will default on its debt for the first time in history. The House is also scheduled to vote on a trillion-dollar infrastructure bill. It is still unclear whether that vote will take place. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Health and Medical | NBC 5 News | 7/1/2021 | 11:00 a.m. | 2:15 | Report on local hospitals seeing alarming numbers of RSV cases skyrocketing. It's a respiratory virus that's especially dangerous for infants. The CDC confirms the trend issuing an advisory that RSV is spreading through southern states at a highly unusual time of year. It is catching a lot of parents off guard. |
| Health and Medical | NBC 5 News | 7/5/2021 | 4:00 p.m. | 2:19 | Report on a new treatment that is helping infants and children who are suffering from a form of Pancreatitis, a painful inflammation of the pancreas. This form is hereditary and impacts infants and children with often no cure and leaving children to endure a lifetime of pain, but this new treatment is helping them live a happy, pain-free life. |
| Health and Medical | NBC 5 News | 7/5/2021 | 4:00 p.m. | 0:53 | Report on the medical advancements that are giving patients with Parkinson's Disease a return to normal life. The latest deep brain stimulation is being used on North Texans. It allows doctors to be more precise as they place the device in a brain. This isn't the cure for Parkinson's, but it can help patients live a better life and wean them off some of their medications. |
| Health and Medical | NBC 5 News | 7/11/2021 | 6:00 a.m. | 1:59 | Report on many school districts going back to school on August 16th and the window to get fully vaccinated and build up immunity against Covid-19 is closing. To help families prepare for the new school year, a Dallas-based company partnered with the Dallas Children's Advocacy Center to offer free vaccines. |
| Health and Medical | NBC 5 News | 7/15/2021 | 6:00 p.m. | 1:06 | Report on UT Southwestern's new troubling Covid-19 model, that shows a major increase in virus cases expected over the next several weeks in North Texas. If the trend continues, researchers say fall hospitalization rates could outpace the surge that was seen during the summer 2020 surge. |
| Health and Medical | NBC 5 News | 7/23/2021 | 6:00 p.m. | 2:18 | Report on Dallas County stepping up the push for vaccinations by taking information door to door, as new Covid-19 cases surge. Health officials blame slowing vaccination rates and the more contagious Delta Variant for the increase in cases. |
| Health and Medical | NBC 5 News | 7/29/2021 | 5:00 p.m. | 0:24 | Report on Collin County residents receiving free Covid-19 vaccines at home. County health care services says mobile vaccination teams are focused on getting to homebound individuals and long-term facilities. There will also be travel to various organizations, clubs and businesses that ask their employees to get vaccinated. The mobile teams are available by appointment. |

| Health and Medical | NBC 5 News | 8/1/2021 | 5:00 p.m. | 0:49 | Report on a blood donation shortage. The Red Cross is putting out a call for donors. They're seeing a major shortage due to hospitals seeing more trauma cases and from people who delayed medical care due to the pandemic. The Red Cross states the summer months are when they see a drop in donors, but this year has been especially tough. In order to get appointments booked, the Red Cross is entering donors for a chance to win a VIP experience for two to the Bonnaroo Music and Arts Festival. |
|--------------------|---------------|-----------|------------|----------|--|
| Health and Medical | NBC 5 News | 8/20.21 | 5:00 p.m. | 1:58 | Report on a new program launched by Parkland Hospital in South Dallas. Their mission is to save the lives of new moms, no matter their ability to access healthcare. They discovered women who've just given birth are more likely to suffer major health problems, even death, that could have been prevented. |
| Health and Medical | NBC 5 News | 8/31/2021 | 4:00 p.m. | 0:52 | Report on more warnings about the Ivermectin, a drug some people are using to treat Covid-19. Several Texas epidemiologists and infectious disease doctors are speaking up on the risks associated with taking Ivermectin for Covid-19. The drug can be used by humans in small doses to treat parasites such as head lice, but it is most used by veterinarians to deworm large animals. The Texas Health Department reports an increase in calls to poison control from people who took the drug for Covid-19. |
| Health and Medical | NBC 5 News | 9/1/2021 | 6:00 p.m. | 2:54 | Full FDA authorization of the Pfizer vaccine may open the door to more private employers requiring a vaccine. NBC 5's Responds Team dug into the question "can bosses require vaccinations?" NBC 5 Responds Reporter Diana Zoga followed up on the question and what else has changed in the work environment. |
| Health and Medical | 5 Talk Street | 9/10/2021 | 5:00 p.m. | 7:00 | A 5 Talk Street segment focusing on breast cancer awareness and the annual event, "More than Pink Walk" that takes place in October during Breast Cancer Awareness Month. |
| Health and Medical | NBC 5 News | 9/30/2021 | 6:00 p.m. | 0:33 | Report on out of state abortions. With Texas' new abortion law, people are traveling hundreds of miles out of town to receive the procedure. Clinic administrators in other states are receiving bookings, for example, Hope Clinic in Shreveport, Louisiana says they are booked through most of October. Since the law went into effect on September 1st, banning most abortions, the number of overall Texas patients at Hope Medical Clinic in Shreveport went from 20% to 50%. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Housing | NBC 5 News | 4/2/2021 | 6:00 p.m. | 1:05 | Report on legal aid groups warning about a wave of evictions, in spite of the CDC extending their moratorium through June 30th. A Texas state Supreme Court Emergency Order adopting the federal order and adding state rules expired. The order advises landlords that they could face a penalty for moving forward within an eviction for nonpayment of rent. |
| Housing | NBC 5 News | 4/22/2021 | 10:00 p.m. | 1:51 | Report on the Annunciation House, a shelter run by volunteers that have been in El Paso for almost half a century, turned its focus from local teenagers at risk, to helping the migrant community for the past 3 years. |
| Housing | NBC 5 News | 7/1/2021 | 10:00 p.m. | 0:28 | Local real estate agents say the North Texas housing market is still red hot. Homes are selling within days, even hours of hitting the market. Agents say buyers can count on bidding wars driving prices higher than they've ever been. The NBC 5 Responds Team asked local experts, "how is the average home buyer supposed to compete?" Local experts share the strategies that can work and what may be in store for the future of North Texas real estate. |
| Housing | NBC 5 News | 7/15/2021 | 6:00 a.m. | 0:33 | A new report that states full-time minimum wage workers can't afford rent anywhere in the United States. The National Low Income Housing Coalition's Annual "Out of Reach" report finds those workers can't afford a two-bedroom apartment in any state in the country. In 93% of U.S. counties, the same workers can't afford a modest one bedroom. |

| Housing | NBC 5 News | 7/20/2021 | 6:00 p.m. | 2:22 | Report on groundbreaking construction in the Bottom District. It is a long-neglected Dallas neighborhood along the Trinity River, East of I-35, R.L. Thornton Freeway. NBC 5's Ken Kalthoff explains why new neighbors are pleased about the new homes there. |
|---------|------------|-----------|------------|----------|--|
| Housing | NBC 5 News | 7/27/2021 | 4:00 p.m. | 3:05 | Homeowners Insurance doesn't typically cover damage caused by floods. Most flood insurance is through FEMA's National Flood Insurance Program, which has more than 760,000 policies in Texas. The agency is preparing an update for the first time in 50 years. They're promising property owners will no longer pay more than their share, based on the value of their homes, but for many, that will mean an increase in premiums. |
| Housing | NBC 5 News | 7/27/2021 | 6:00 p.m. | 0:25 | Report on the City of Dallas leading the nation in new apartment completions this year. Local developers are set to finish more than 21,000 apartments this year. It will add about 2.6% more units to the area. Rentals have boomed in DFW in the last year as thousands of people relocate in the area. |
| Housing | NBC 5 News | 8/1/2021 | 10:00 p.m. | 0:27 | Report on a historic wave of evictions possibly coming to an end as the nationwide ban of evictions expires. According to the Center on Budget and Policy Priorities, 11-million people continue to be behind on their rent. In Texas, this is the reality for more than 1-million people, or about 15% of renters in the state. The state has allowed eviction proceedings to continue under the federal ban. Experts predict courts will see a surge in evictions filings. |
| Housing | NBC 5 News | 8/7/2021 | 6:00 a.m. | 0:17 | Report on the housing market and interested home buyers. A new report by the real estate brokerage company, Red Fin, shows home buying conditions are slightly improving as mortgage rates decline. The five-month streak of record setting home prices has ended as supply is inching up. |
| Housing | NBC 5 News | 8/24/2021 | 10:00 p.m. | 0:20 | Frisco is the top housing market in the country. According to a new ranking from Wallet HUB, the Collin County suburb is the best place in the United States to buy a home. Wallet-HUB looked at a variety of factors including price appreciation and job growth. McKinney, Denton and Allen also made the top ten. |
| Housing | NBC 5 News | 8/27/2021 | 4:00 p.m. | 0:23 | The Supreme Court has blocked the eviction moratorium put in place by the CDC during the pandemic, which means evictions can resume. It was set to expire in October. Landlords argued that the CDC had no authority to impose those kind of restrictions. Landlords claim they have been losing as much as 19-billion dollars a month. Congress imposed the first moratorium on evictions in March 2020. |
| Housing | NBC 5 News | 9/23/2021 | 6:00 p.m. | 1:55 | Report on a new development in South Dallas with the help of nonprofit Builders of Hope. The organization is helping break ground and build 300 affordable new homes on vacant lots in the area for the next 5 years. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Poverty | NBC 5 News | 7/2/2021 | 5:30 a.m. | 2:41 | Report on the number of food insecure families continuing to increase and one in five children in Dallas struggles with food insecurity. Food for Good, a local program, is helping families and children fight hunger. |
| Poverty | NBC 5 News | 7/3/2021 | 10:00 p.m. | 1:34 | Report on the Denton Basic Services Center's mission called the Summer Water Project. With the help of volunteers, they help the homeless receive access to water. Denton County Emergency Services donates water to keep the coolers full. They have 5 locations now, but would like to expand to at least 2 or more locations on Universities and even add an outdoor fridge pantry at a willing business. The goal is to simply be kind and help those in need. |

| Poverty | NBC 5 News | 7/15/2021 | 11:00 a.m. | 0:53 | The Tarrant Area Food Bank has a new one-stop-shop on wheels called the "Red Bus." RED stands for Resources and Education Delivered. There is also a small food pantry onboard, but the Red Bus's primary function is traveling to areas in the greatest need to help people sign up for SNAP and Medicare Benefits. Applying for Social Services can be daunting, and the Red Bus is motivated to help make this process easier. |
|----------------|------------|-----------|------------|----------|---|
| Poverty | NBC 5 News | 7/23/2021 | 4:00 p.m. | 2:15 | Report on Dallas ISD serving meals curbside in March 2020 as the pandemic shut down schools. The district served tens of millions of meals in new and different ways. The start of the new school year in August means the end to the program that help families fight hunger. |
| Poverty | NBC 5 News | 8/15/2021 | 10:00 p.m. | 2:01 | Report on Operation Care International, a Dallas based organization, that focuses on helping the homeless. The nonprofit group that helps so many, now finds itself in need of emergency help. |
| Poverty | NBC 5 News | 8/20/2021 | 6:00 a.m. | 2:10 | Report on a nonprofit restaurant in Fort Worth called, Taste Community Restaurant. It is a pay what you can restaurant and there aren't any prices on the menu. People are just able to come and enjoy a restaurant quality meal and pay what they're able to afford that day. |
| Poverty | NBC 5 News | 8/24/2021 | 5:00 p.m. | 0:25 | More than a billion dollars worth of food benefits is now available for Texas families in need. The U.S. Department of Agriculture approved a third round of pandemic funds. It covers June through August and provides one-time benefits of 375 dollars per eligible child. It's used the same way as SNAP benefits to pay for groceries. |
| Poverty | NBC 5 News | 9/11/2021 | 10:00 p.m. | 0:43 | Dallas City leaders are trying a new approach to help people who are homeless. A fair was held in hopes of connecting people to proper resources, including housing help, job training and mental health services. Organizers say the goal is to change the city's strategies on outreach. |
| Poverty | NBC 5 News | 9/17/2021 | 4:00 p.m. | 1:29 | Report on a nonprofit group called Haitian Pilgrims helping Haitian refugees who are willing to risk it all during their long journey through Mexico out of pure desperation to escape poverty, crime and war in Haiti. |
| Poverty | NBC 5 News | 9/25/2021 | 6:00 p.m. | 0:45 | Report on refugees from Afghanistan coming to the North Texas area are receiving a helping hand. A donation drive was held to gather items they will need. The nonprofit Afghan Unity DFW, hosted the donation drive in Richardson. Cars were able to drive in and drop off things such as furnishing and clothing. It's estimated one to two thousand Afghan refugees could come to North Texas in the coming months. |
| Issue | Program | Date | Time | Duration | Episode/Segment Description |
| Race Relations | NBC 5 News | 7/3/2021 | 6:00 a.m. | 2:43 | NBC 5 takes a closer look at drowning disparities within minority communities. Studies show African American and Hispanic children are at higher risk. NBC 5's Alanna Quillen looks at why and how local agencies are trying to bring vital swim lessons to minority children. |
| Race Relations | NBC 5 News | 7/4/2021 | 5:30 a.m. | 0:32 | Report on Black and Latino Clergy Leaders pledging to work with Dallas Police to protect their communities this summer. They held a press conference with Police Chief Eddie Garcia and District 3 Council Member Casey Thomas II. They say enough is enough. Police Chief Garcia says they will have an increased presence this summer and say police will work with businesses and other groups to help reduce crime. |
| Race Relations | NBC 5 News | 7/23/2021 | 6:00 a.m. | 1:55 | Report on Fort Worth's Opal Lee receiving statewide honor for her efforts that helped make Juneteenth a federal holiday. |

| | | | | | |
|----------------|------------|-----------|------------|----------|---|
| Race Relations | NBC 5 News | 7/23/2021 | 4:00 p.m. | 3:30 | Report on a new documentary brining to light the history of the Negro Leagues. NBC 5's Pat Doney spoke with the executive producer and director of the film, "The Other Boys of Summer," in NBC 5's Community Conversation. |
| Race Relations | NBC 5 News | 8/11/2021 | 6:00 p.m. | 2:40 | Report on students and parents demanding their school leaders speak out about attacks they say are steeped in race and have targeted one of their principals. NBC 5 Education Reporter Wayne Carter followed up with the controversy in Grapevine-Colleyville ISD. |
| Race Relations | NBC 5 News | 8/20/2021 | 4:00 p.m. | 2:01 | Report on a free digital summit hosted to empower women of color. It was the 3rd Annual Black Girl Magic Summit hosted by Boss Women Media in partnership with Capital One. | Transportation | NBC 5 News | 7/1/2021 | 11:00 a.m. | 2:17 | Report on the cruise industry returning back to service and picking up steam. Royal Caribbean has two ships at sea, including the first sailing from the United States. |
| Transportation | NBC 5 News | 7/1/2021 | 4:00 p.m. | 1:30 | Report on holiday travel as Independence Day approaches. This day typically marks a busy travel season, both on the road and at airports. NBC 5's Lili Zheng explained how the DFW Airport is faring as the industry emerges from the pandemic. |
| Transportation | NBC 5 News | 7/1/2021 | 5:00 p.m. | 2:25 | Report on the airline industry struggling with major labor shortages, which is leading to flight cancellations and delays. The Dallas area airports are dealing with nearly 1,000 delays and nearly 40 cancellations. NBC 5's Lili Zheng shares what travelers can expect as travel gets back to some semblance of normal. |
| Transportation | NBC 5 News | 7/1/2021 | 6:00 p.m.. | 0:32 | Report on the fallout from the pandemic costing people their jobs in Dallas. Uber is downsizing their plan for a major hub in Deep Ellum. The initial plan was for Uber to hire as many as 3,000 people. The city and state gave Uber tax breaks to build its largest hub outside of its headquarters in San Francisco. Uber now says it will hire 500 workers and it will not take the tax breaks that were offered. The company says the decision came from the "dramatic impact" the Covid-19 pandemic had on its business. |
| Transportation | NBC 5 News | 7/5/2021 | 10:00 p.m. | 0:37 | Report on roads and airports being packed after a record-breaking holiday weekend. The TSA screened almost 2.2 million people. That is the highest number since the start of the pandemic. The same day, Gas Buddy reported the greatest single-day demand for gas since 2019. That's despite higher gas prices, averaging \$3.12 a gallon. Almost a dollar more than a year ago. Also, airlines are struggling with staffing. Many are now offering incentives, like double pay or hundred-dollar bonuses, to work in the busy summer weeks to come. |
| Transportation | NBC 5 News | 7/15/2021 | 10:00 p.m. | 0:25 | American Airlines is calling back 3,300 flight attendants to meet the surge in travel demand. The Fort Worth based carrier sent a note to staff, telling flight attendants on voluntary leave to come back by November or December. American Airlines said it also plans to hire 800 new flight attendants by next March. Across the board, American Airlines has been trying to staff-up as the industry rebounds from the pandemic. |
