Issue: Children's Issues

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/05/2024	8 am	0:28	Students at Primrose of West Plano made a heartwarming contribution to Children's Hospital in Plano by donating hundreds of toys to pediatric patients.
NBC 5 News	02/09/2024	11 am	2:31	Children's Health and UT Southwestern Medical Center have chosen to start fresh, announcing plans to build a new \$5 billion hospital less than 2 miles from the current pediatric facility. Demand for care is increasing. Dallas-Fort Worth has ballooned in recent years and is projected to hit 8.5 million people by 2028.
NBC 5 News	02/14/2024	10 pm	2:42	Multiple children have been attacked by a wild coyote in North Texas, prompting the City of Arlington to take swift action. In response to the alarming incidents, a public park has been temporarily closed, and authorities are enlisting the expertise of the USDA Wildlife Agency to address the threat posed by one or more aggressive coyotes.
NBC 5 News	02/16/2024	10 pm	2:11	An organization in Duncanville consisting of retired women is dedicated to giving back. The CASA Quilters group creates blankets for neglected and abused children.
NBC 5 News	02/22/2024	6 pm	2:05	A young boy from Fort Worth has been selected to aid the American Heart Association in raising awareness about heart disease and promoting healthy lifestyles. He has been appointed as the local Heart Ambassador for the cause.
NBC 5 News	02/22/2022	6 pm	2:11	Project Safe Childhood, a Department of Justice initiative launched in 2006 to combat online child sexual exploitation, took center stage in Dallas on Thursday. Senator John Cornyn of Texas led a conversation

NBCUniversal Local

				highlighting the program's significance in terms of modernization and expansion.
NBC 5 News	03/10/2024	6 am	0:41	Over Spring Break, the Fort Worth Public Library is offering a series of free family events showcasing beloved children's book characters.
NBC 5 News	03/27/2024	4 pm	2:22	The Consumer Product Safety Commission (CPSC) has issued a warning regarding two brands of water beads, a popular children's toy, due to safety concerns. Elevated levels of acrylamide, a known carcinogen, were found in these products. The announcement underscores the importance of consumer awareness and safety measures when purchasing and using toys, particularly those intended for children. Parents and caregivers are urged to take heed of the CPSC's warning and exercise caution to ensure the well-being of young ones.

Issue: Foreign Affairs (Conflicts, Terrorism)

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/03/2024	7 am	2:51	The Department of Justice has issued a stern warning of potential legal repercussions should Texas proceed with the enforcement of SB4, a comprehensive border security legislation.
	01/22/2024	6 pm	0:47	The Supreme Court granted the Biden administration authorization to dismantle razor wire barriers at the U.S.-Mexico border, previously installed by Texas authorities.
NBC 5 News	01/25/2024	6 pm	1:55	A congressman from North Texas aims to grant greater authority to the Lone Star State concerning its southern border. Representative Roger Williams is unveiling a fresh legislative proposal titled the State of Texas Operational Protections Act, also known as 'The Stop Act.'
NBC 5 News	02/04/2024	5 pm	2:46	Republican governors return to the Texas border to maintain pressure on the Biden administration regarding migrant crossings.

NBCUniversal Local

NBC 5 News	02/07/2024	6 am	1:57	Senate Democrats to vote on immigration bill after congressional Republicans effectively killed it.
NBC 5 News	02/13/2024	6 pm	2:16	Twenty-one Republican lawmakers, including sixteen seeking re-election, opposed Governor Abbott's key initiative in the legislature, preventing its passage. As a result, the Governor and his campaign team have shifted focus towards immigration, directing efforts to unseat nine of these lawmakers.
NBC 5 News	02/20/2024	6 am	1:13	American Heart Month, led by the Dallas-based American Heart Association (AHA), aims to raise awareness about cardiovascular health, highlighting heart disease as the top cause of death in the U.S. Internationally, the AHA's team travels to underdeveloped regions, teaching CPR skills.
NBC 5 News	03/08/2024	10 pm	2:09	The ongoing clash between Texas Governor Abbott and President Biden over border issues has intensified following last night's State of the Union Address. President Biden pointed fingers at Republicans for the lack of resolution regarding border challenges, but Governor Abbott swiftly responded in an interview with NBC News, placing the blame squarely on the president for what he perceives as a failure to address the situation effectively.
NBC 5 News	03/24/2024	10 pm	2:10	Over 200 demonstrators took to the streets of downtown Dallas on Sunday to protest against SB4, the controversial Texas immigration law. The legislation, if enacted, would grant police, sheriff's deputies, and state troopers the authority to arrest individuals suspected of crossing into the U.S. The march underscored widespread opposition to SB4 and calls for its repeal, emphasizing the importance of immigrant rights and justice in the community.

Issue: Education

Program	Date	Time	Duration	Episode/Segment Description
---------	------	------	----------	-----------------------------

NBCUniversal Local

NBC 5 News	1/10/2024	4 pm	2:40	Teachers in Dallas ISD look for hands-on ways to help get kids excited about environmental science.
NBC 5 News	1/19/2024	4 pm	2:52	A North Texas high school students are putting their knowledge to the test, seeking ways to contribute to cancer research and assist the medical community.
NBC 5 News	1/31/2024	4 pm	3:06	An all-girls school within Dallas ISD has received special recognition for its outstanding performance. Recognized as one of the top high schools in Texas, this science and leadership-focused institution has garnered such success that the district is closely observing its achievements.
NBC 5 News	2/2/2024	4 pm	3:00	As schools have been exploring new methods to support children's development, Uplift Elevate Secondary School has introduced yoga sessions to help students with stress and to concentrate better in class.
NBC 5 News	02/12/2024	4 pm	2:52	North Texas area schools are currently seeking candidates to fill positions across various roles. From teachers to police officers, schools are actively hiring and in need of assistance to fill these positions.
NBC 5 News	03/06/2024	6 pm	2:00	In Wilmer-Hutchins High School's E-Tech classroom in Dallas, where students are mastering electrical trade skills, A female student stands out as the lone female participant in the program. Despite the traditionally male-dominated nature of the field, her presence reflects a changing trend as more young women consider careers in trades. With women comprising only 2 percent of electricians according to Bureau of Labor Statistics data, her involvement signals a shift in perceptions.
NBC 5 News	03/08/2024	4 pm	2:48	Saturday marks a significant day for college-bound students throughout North Texas as they gear up to take the SAT, the standardized test that has historically played a pivotal role in college admissions. Following a hiatus during the pandemic, the SAT, along with the ACT, is making a resurgence as a requirement for admission to some colleges and universities. This marks

NBCUniversal Local

				the first time since the pandemic that standardized tests are being mandated by certain institutions in their admissions process.
NBC 5 News	03/08/2024	4 pm	2:43	Grapevine High School introduces a new class allowing graduating seniors to become licensed pharmacy technicians, offering practical skills before college. Utilizing Grapevine Pharmacy as a classroom, students in the Career & Technical Education program delve into pharmacy operations across the district, gaining valuable insights into the profession.
NBC 5 News	03/15/2024	4 pm	3:14	Forney Independent School District (ISD) has unveiled a groundbreaking multi-purpose center, aimed at addressing workforce training needs and enhancing learning spaces. Amidst financial constraints faced by schools nationwide, Forney ISD's innovative approach to construction savings has paved the way for a transformative educational model, benefiting both students and the broader community.
NBC 5 News	03/29/2024	4 pm	2:53	Dallas ISD's P-Tech program goes beyond traditional education by fostering partnerships with local businesses, providing students with hands-on learning experiences that prepare them for future careers. This innovative approach emphasizes collaboration between schools and the community to cultivate and educate young minds. As more schools adopt similar models, the trend highlights a growing emphasis on practical, real-world skills and industry connections in education.

Issue: Crime

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/2/2024	6 pm	2:18	Despite an 8% decrease in overall violent crime in Dallas for the year 2023, a notable spike in murders has prompted calls for increased police assistance in certain neighborhoods. The city experienced a 15% rise in murders, with 32 more killings reported compared to the previous year.

NBCUniversal Local

NBC 5 News	01/04/2024	5 pm	1:57	Dallas witnessed a notable decrease of over 10% in violent crime in 2023, as reported by the Dallas Police Department on Thursday. While incidents of aggravated assaults and robberies have declined citywide, the number of murder cases and property crimes increased compared to 2022.
NBC 5 News	01/25/2024	5 pm	1:51	The FBI director visited Dallas to showcase progress in combating local crime. However, he cautioned that juvenile offenses in the city have seen an increase. Emphasizing the need for continued efforts, particularly in addressing violent crimes involving teenagers.
NBC 5 News	02/06/2024	6 pm	2:32	An Arlington man is currently under investigation for allegedly orchestrating fake AI-generated robocalls impersonating Joe Biden. The incident occurred during the New Hampshire Primary in January. This situation raises complex questions about the future landscape of politics. According to the New Hampshire attorney general, such actions violate the law.
NBC 5 News	02/09/2024	6 pm	2:28	Significant developments have emerged in the year-long investigation into crimes at the Dallas Zoo. A man implicated in multiple incidents will not stand trial for certain cases, marking a notable turn in the legal proceedings.
NBC 5 News	03/11/2024	10 pm	2:53	A Tarrant County assisted living company, "Love and Caring for People LLC," is under investigation for alleged caregiver abuse, neglect, theft, and fraud. Arlington Police arrested owner Regla "Su" Becquer and are searching for more unlicensed community living homes linked to her. The investigation stems from multiple allegations of misconduct against clients in Tarrant County, emphasizing the need for stronger oversight in the assisted living industry to protect vulnerable adults.
NBC 5 News	03/31/2024	5 pm	1:52	Dallas Police arrested over 60 men for soliciting prostitution in March, with more than two dozen apprehended in a focused enforcement effort targeting Northwest

NBCUniversal Local

				Dallas. This ongoing initiative by the DPD aims to combat the demand for paid sex in the area. By targeting individuals seeking to engage in illegal activities, law enforcement endeavors to disrupt criminal networks and bolster community safety.
--	--	--	--	---

Issue: Government/Politics

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/08/2024	11 am	3:23	More North Texans were convicted of federal crimes in 2023 for taking part in the historic and violent siege of the U.S. Capitol on January 6, 2021.
NBC 5 News	01/10/2024	9 am	8:37	A new law called Senate Bill 4 is now active in the state. It increases the punishment for human smuggling and running stash houses. Governor Greg Abbott says it's needed to protect the state from drug cartels, but some people don't think it will help.
NBC 5 News	02/15/2024	10 pm	2:29	With early voting already underway for the Republican primary in certain parts of the country, Nikki Haley made a campaign stop in Dallas Thursday night to rally support. She emphasized Texas' alignment with South Carolina, where she touted her accomplishments as governor. Allie Spillyards covered the rally at Gilley's.
NBC 5 News	02/21/2024	10 pm	2:48	City Manager TC Broadnax has stepped down after serving seven years in the role. This decision followed a majority of council members expressing to Broadnax that it was time for him and the city to part ways.
NBC 5 News	03/05/2024	10 pm	1:40	Primary Election Results for Tarrant County reveal Ted Cruz's anticipated advancement to the November elections, while NBC News projects Rep. Colin Allred as the Democratic nominee winner, surpassing Uvalde State Rep. Roland Gutierrez.
NBC 5 News	03/06/2024	6 pm	2:27	Fort Worth officials are initiating a mediation program aimed at fostering direct communication between residents with police complaints and officers, with the goal of rebuilding trust between the community and the police department. While the

NBCUniversal Local

				program is voluntary and may not address every case, its objective is to offer a platform for constructive dialogue.
NBC 5 News	03/20/2024	5 pm	2:19	Senate Bill 4 (SB4) is a contentious anti-illegal immigration law in Texas that has sparked heated debates and legal challenges. The law, which has currently been blocked, proposes to grant state and local police the authority to arrest individuals they suspect of entering Texas unlawfully. Despite being framed as a measure to bolster border security, SB4's implications extend beyond just border regions, prompting widespread questions and concerns about its potential impact statewide. The law's controversial provisions have ignited fierce discussions about immigration enforcement policies and their ramifications for Texans across various communities.

Issue: Health/Drugs

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/19/2024	6 pm	2:40	In a unique series of events at Texas Health Harris Methodist Hospital, three kidney donors made a significant decision to give the gift of life during the holiday season. What makes this story particularly remarkable is that all three donors share a common profession: they are educators.
NBC 5 News	02/14/2024	10 pm	5:22	A global shortage of weight loss medications has prompted consumers to search for low-cost and generic alternatives. Online, consumers are finding promises of cheaper or "generic" versions to fulfill their needs.
NBC 5 News	02/16/2024	6 pm	2:16	A North Texas woman is raising awareness about a condition called aortic dissection, stemming from a genetic heart defect that has affected generations of her family.
5 Talk Street	02/18/2024	10 am	5:25	The Center for BrainHealth at UT Dallas is reshaping the way individuals perceive and tackle brain health and performance. Erin Venza, Head of Clinical Operations at The Center for BrainHealth, sheds light on

NBCUniversal Local

				opportunities for engagement in their upcoming BrainHealth Week activities.
NBC 5 News	02/20/2024	6 pm	1:53	In DFW, barbers are expanding their role beyond haircuts to promote good health. At the Mark Cuban Heroes Basketball Center, barbers underwent training with Dallas Fire-Rescue's 'He's My Hero' program, learning to monitor blood pressure. This initiative reflects a growing trend among barbers in the region to positively impact community health.
NBC 5 News	02/20/2024	11 am	5:04	DeSoto first responders honored for saving a woman's life on Christmas Eve and the American Heart Association travels the world to raise awareness of cardiovascular health during Heart Month.
NBC 5 News	03/02/2024	5 pm	0:57	The American Heart Association celebrated its 20th annual Go Red for Women luncheon, drawing over 1,000 attendees adorned in vibrant red attire to the Dallas Omni Hotel on Friday. Amidst a sea of crimson, men and women alike united to champion the Go Red for Women Movement in Dallas, aimed at raising awareness of cardiovascular disease and addressing care disparities among women. Contrary to previous assumptions that predominantly affected men, recent research has unveiled the sobering reality that cardiovascular diseases claim the lives of 1 in 3 women, surpassing the combined toll of all forms of cancer.
NBC 5 News	03/18/2024	6 am	2:42	The United States has recorded at least 60 confirmed measles cases in 17 states this year, surpassing the total of 58 cases reported nationwide in all of 2023. This surge coincides with numerous major measles outbreaks worldwide, posing a significant challenge for health authorities. With spring break travel, officials are intensifying calls for Americans to ensure they are up to date on measles vaccines, emphasizing their crucial role in preventing the spread of this highly contagious virus.

NBCUniversal Local

NBC 5 News	03/27/2024	6 pm	2:10	Fort Worth introduces a groundbreaking mental health program tailored specifically for first responders, marking a pioneering initiative not only within the city but also across the nation. This innovative program aims to provide crucial mental and emotional support to Fort Worth's first responders, recognizing the unique challenges they face in their line of duty. By prioritizing mental well-being, the city sets a precedent for proactive care within the first responder community, setting an example for others to follow nationwide.
------------	------------	------	------	---

Issue: Immigration

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/03/2024	11 am	2:30	Border security has come into sharp focus as thousands of immigrants have fled into the US in record numbers through the Texas border. As the situation unfolds, it remains a pressing issue with far-reaching implications for both border communities and the broader immigration debate in the country.
NBC 5 News	01/04/2024	6 am	2:37	The Justice Department has formally filed a lawsuit against Texas over its immigration bill SB4. The lawsuit represents a significant development in the ongoing legal battle over SB4 and highlights the broader implications of state immigration policies on federal jurisdiction and enforcement priorities.
NBC 5 News	01/07/2024	6 am	11:36	Negotiations on border policies are underway, accompanied by proposals for policy changes and the deployment of additional officers. Congress is engaged in discussions regarding a potential deal on border security and immigration. The Biden Administration's pledge of billions in additional resources raises questions about whether this will be sufficient to garner support from Republicans pushing for legislative changes.

NBCUniversal Local

NBC 5 News	02/02/2024	6 am	2:21	The 'Take Our Border Back' convoy is nearing Austin on its journey to Eagle Pass. Comprising local advocates against illegal immigration, the caravan is headed towards what they characterize as an "open border."
NBC 5 News	02/07/2024	6 pm	2:29	A Tarrant County resident is recuperating from a stabbing assault in Austin. Following the incident, Austin police apprehended a suspect in what investigators are categorizing as a hate crime. The victim and his family have decided to come forward to share their account for the first time.
NBC 5 News	02/8/2024	6 pm	2:46	Young immigrants in the U.S. who arrived as children with their parents are facing a fee increase for DACA renewal. As they seek ways to legalize their status, renewing their DACA permit remains their primary option to stay in the country. However, the rising cost of permits adds to their financial burden.
NBC 5 News	02/15/2024	6 am	2:48	A federal court hearing will determine whether a controversial immigration law can take effect in March. Senate Bill 4 would empower law enforcement to arrest and remove migrants suspected of entering the state illegally, among other provisions. Two lawsuits, including one filed by the U.S. government, seek to halt the bill from officially becoming law in three weeks.
NBC 5 News	03/24/2024	5 pm	1:33	A Mega March against Texas' controversial immigration law, SB4, is currently underway in downtown Dallas. Protesters have flooded the streets, demanding an end to the divisive legislation. The event underscores the widespread opposition to SB4 and the impassioned efforts to advocate for immigrant rights and justice in North Texas. As demonstrators unite in solidarity, their collective voices echo a call for change and a rejection of policies perceived as unjust and discriminatory.
NBC 5 News	03/25/2024	11 am	3:13	Dallas Police Chief Eddie Garcia finds himself navigating the complexities of enforcing Senate Bill 4 (SB4) amidst growing concerns. With tensions escalating, Garcia is tasked with delicately balancing law enforcement

NBCUniversal Local

				responsibilities while maintaining community trust and safety. This challenge underscores the intricacies of enforcing controversial immigration laws and the profound impact they have on both law enforcement agencies and the communities they serve.
--	--	--	--	--

Issue: Race/Gender Relations

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/12/2024	11 am	2:45	A Plano car dealership has reached a settlement in a racial discrimination lawsuit with the Equal Employment Opportunity Commission. As part of the settlement, the dealership will be required to pay a former employee more than \$20,000 over “racist trophy.”
NBC 5 News	01/31/2024	11 am	5:04	The Texas Supreme Court listened to arguments from both sides of the youth transgender debate. Attorneys and parents presented their perspectives on youth transgender therapies, while a former Erath County employee filed a discrimination lawsuit.
NBC 5 News	02/7/2024	6 am	1:43	The recent rise in employment in January is shedding light on the concerning trend of increasing unemployment among Black men, highlighting disparities within the job market.
NBC 5 News	02/8/2024	10 pm	2:11	A door-to-door salesman was shot at by a homeowner Thursday. Thanks to a tablet that stopped the bullet, the salesman is okay. An arrest warrant has been issued for the homeowner who reportedly shouted racial slurs at the salesman before the shooting.
NBC 5 News	02/22/2024	6 am	3:22	The rising demand for more Black doctors is crucial for ensuring the health needs of patients of color are understood and addressed effectively.
NBC 5 News	02/21/2024	10 pm	2:23	After dedicating over 40 years to caring for others, Dr. James Griffin has achieved a milestone that he has diligently pursued. Remarkably, he was born in the same hospital where he now works, a facility that once had segregated wings.

NBCUniversal Local

NBC 5 News	03/29/2024	5 pm	1:01	As Women's History Month draws to a close, we shine a spotlight on a remarkable North Texas woman, Mildred Kitchens, who at 103 years young has left an indelible mark through her impactful career. As a social worker, Mildred has witnessed decades of history unfold, dedicating her life to serving others and shaping communities. Her resilience and dedication serve as a testament to the countless Texas women who have paved the way and left lasting legacies. Mildred's story is a reminder of the extraordinary contributions women have made throughout history, inspiring generations to come.
------------	------------	------	------	--

Issue: Transportation

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/10/2024	11 am	2:37	Dallas-Fort Worth plans to install additional electric vehicle charging stations using federal grant funds.
NBC 5 News	01/17/2024	11 am	2:34	DFW Airport celebrates its 50-year anniversary and looks toward how the next 50 years could shape its future. With a new terminal on the way and ongoing improvements to existing terminals, DFW Airport anticipates continued growth and enhanced service for travelers.
NBC 5 News	02/09/2024	6 pm	2:08	The primary emphasis of a Tarrant Transportation Summit meeting was on addressing the growth in North Texas and ensuring that the region's transportation needs are adequately met.
NBC 5 News	02/21/2024	10 pm	3:54	Dallas City Council held a committee briefing on the "Vision Zero" road safety plan. The plan has made little progress in reducing traffic deaths and injuries.
NBC 5 News	02/21/2024	10 pm	6:26	Cars traveling so fast on a Dallas street that they are threatening people inside their own homes along Northwest Highway. Some who live along Northwest Hwy say the city and TxDOT won't help them slow the traffic.
NBC 5 News	03/08/2024	6 pm	1:45	TxDOT has launched the 'Drive Sober. No Regrets.' campaign alongside increased

NBCUniversal Local

				<p>police enforcement during spring break, urging Texans to steer clear of driving under the influence. Illuminated signs displaying the message aim to educate drivers, especially college students, on the lasting impacts of impaired driving. With 810 DUI-alcohol-related traffic crashes reported during last year's spring break, TxDOT underscores the importance of responsible road behavior for a safer travel experience.</p>
NBC 5 News	03/27/2024	10 pm	4:34	<p>DART is contemplating relocating bus stops to enhance pedestrian safety in response to findings from an NBC 5 investigation. The transit agency's CEO highlighted ongoing efforts to reassess bus stop locations, particularly in areas posing safety risks to pedestrians. This proactive approach underscores DART's commitment to addressing concerns and prioritizing the well-being of commuters accessing public transportation facilities.</p>

Issue: Economic Development

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/05/2024	11 am	2:53	<p>Several North Texas companies, including mortgage loan giant Mr. Cooper, fell victim to a cybersecurity attack in 2023. Consumers are concerned that their information may have been compromised.</p>
NBC 5 News	01/10/2024	6 pm	3:26	<p>Federal student aid applications have recently become available, marking a delay of approximately three months from their usual opening date. This delay is attributed to revisions made to the FAFSA form aimed at simplifying the process. However, some individuals encountered difficulties accessing the system upon its initial launch. The Department of Education has assured NBC 5 Responds that the FAFSA is now accessible around the clock, addressing any previous issues with availability.</p>

NBCUniversal Local

NBC 5 News	02/13/2024	10 pm	3:50	A recent social media post from a North Texas real estate agent has caught attention. A new homebuyer closed on a house just before the new year with a three percent interest rate. This is notably lower than the current average 30-year fixed rates, which are closer to seven percent.
NBC 5 News	02/17/2024	6 pm	2:24	Workers at Miller Lite's Fort Worth facility are currently on strike, demanding higher wages. This labor action has the potential to result in a shortage of Molson Coors brands. The strike commenced last Saturday, prompting the company to issue a response to address the situation.
NBC 5 News	02/21/2024	5 pm	1:45	Congress is considering changes to the tax law that would include expanding child tax credits. That would mean a bigger refund for some families, potentially starting with the 2023 tax year.
NBC 5 News	03/08/2024	6 pm	2:11	With just one month left until the total solar eclipse on April 8, the City of Grapevine and local businesses are gearing up to accommodate the anticipated influx of visitors. As parts of North Texas are set to experience the path of totality, preparations are underway to ensure a welcoming environment for stargazers and enthusiasts alike.
Nbc 5 News	03/18/2024	12 pm	2:07	Small towns and cities across Texas are gearing up to bask in the global spotlight as the total solar eclipse draws near, less than a month away. Among the top destinations is the scenic Texas Hill Country, where anticipation is high and some counties have even issued disaster declarations in preparation for the anticipated record-breaking crowds.
NBC 5 News	03/28/2024	6 pm	2:19	The Arlington Entertainment District has seen a remarkable \$3.9 billion investment in recent years, transforming the Rangers game day experience. With the addition of landmarks like the Cowboys stadium, Texas Live!, and multiple hotels, along with the new Rangers ballpark, the district has become a vibrant hub. City leaders assert

NBCUniversal Local

				that this growth trend is set to continue, offering fans even more dynamic experiences in the future.
--	--	--	--	---

Issue: Environment

Program	Date	Time	Duration	Episode/Segment Description
NBC 5 News	01/08/2024	6 am	0:46	Carrollton is inviting local artists to participate in a contest to paint inlets in Downtown. The initiative aims to raise awareness about stormwater pollution prevention and its importance in maintaining clean and safe waterways.
NBC 5 News	01/15/2024	5 pm	2:22	It is essential to be prepared to file an insurance claim due to damage from the arctic blast. Experts recommend to use your smartphone to create or update a home inventory by recording videos of each room, including drawers and closets, to document the home's condition and contents in case of a claim.
NBC 5 News	01/17/2024	6 pm	1:50	Plumbers are tackling frozen pipes and leaks in homes following the winter blast. Today's slight warm-up is causing thawing in some areas, revealing previously frozen pipes and exposing leaks in homes.
NBC 5 News	01/20/2024	10 pm	2:35	North Texas is bracing for another cold and windy Sunday, with freezing rain on the horizon. This back-to-back winter blast poses challenges for residents, with some likely to stay home while others work tirelessly to ensure the safety of those who must venture out.
NBC 5 News	02/07/2024	9 am	1:27	Warm winters, like the recent unseasonable temperatures in North Texas, impact people, plants, and ecosystems. Daytime highs reaching the 70s from late January through February reflect this trend. Long-term

NBCUniversal Local

				forecasts predict continued warmth in the region. With winter being the fastest warming season, data shows U.S. winters have warmed by 3.8°F on average. This alters cold weather patterns, affecting agriculture, ecosystems, and environmental balance.
NBC 5 News	03/09/2024	6 pm	1:59	Photographers in North Texas are gearing up to document April's total solar eclipse as the highly anticipated event approaches. Over the weekend, a renowned photographer enlightened members of the Heard Nature Photography Club with his specialized knowledge. Focusing on the intricacies of capturing the precise moment of alignment between the sun, Earth, and moon expected next month.
NBC 5 News	03/25/2024	5 pm	2:16	Dallas' Samuell Farm Park is getting ready to welcome over 2,000 visitors from Europe, Canada, and different parts of the U.S. for an extraordinary event: a total solar eclipse. Happening on April 8, this rare phenomenon will turn much of North Texas dark during the day. To make the most of this historic event, the city's Parks and Recreation Department is offering a family-friendly environment at the park.
