

QUARTERLY ISSUES AND PROGRAMING LIST - KXAS-TV
2020 Q3 / July - September

Issue	Program	Date	Time	Duration	Episode/Segment Description
Alcohol and Drug Abuse	NBC 5 News	7/3/2020	4:00 p.m.	0:24	A report on the "No Refusal Weekend" across North Texas. It is part of the effort by police and DPS to cut down on drunk driving. If a driver is pulled over for suspicion of a DWI and refuses a breath test, officers can get a warrant to retrieve blood samples.
Alcohol and Drug Abuse	NBC 5 News	7/15/2020	4:00 p.m.	1:52	Sales of alcohol for home consumption has risen. Wine and beer delivery and carry out cocktails are now permitted in many areas and are factors that can lead even light to moderate drinkers to over-indulge. According to consumer reports, this has potential downsides. In the mist of the pandemic, many people are looking to alcohol to soothe their nerves.
Alcohol and Drug Abuse	NBC 5 News	7/28/2020	4:00 p.m.	1:58	Report on the climb of overdoses in the United States. Health experts are seeing an alarming increase in cases this year. They believe many of those cases are possibly tied to the pandemic.
Alcohol and Drug Abuse	NBC 5 News	7/26/2020	6:00 a.m.	1:05	Report on the increasing numbers of drinking during the Covid-19 pandemic. New research points to major health concerns and doctors are calling these concerns pandemic stress drinking. Takeout, home deliveries and curbside pickup of beer, wines, liquors and other alcoholic products have increased significantly from 40 to 50%.
Alcohol and Drug Abuse	NBC 5 News	9/5/2020	6:00 p.m.	1:44	Report on the ripple effect of the Covid-19 pandemic that has further complicated the opioid crisis and drug abuse.
Alcohol and Drug Abuse	NBC 5 News	9/7/2020	5:00 a.m.	1:42	The month of September is National Recovery Month. A local non-profit is hoping to raise awareness to the challenges local recovery centers are battling right now as people battle to get and stay sober during the pandemic.
Alcohol and Drug Abuse	NBC 5 News	9/15/2020	4:00 p.m.	0:35	An unused wing at the main campus of Homeward Bound will be renovated and used for a substance abuse and mental health treatment agency. This will become a first stop instead of jail for mental health or drug offenders who cause a disturbance but commit no other major crimes.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Children	NBC 5 News	7/1/2020	5:00 a.m.	0:50	Report on a charitable event organized by two twelve-year-old girls to the "Clothes Connection" in Birdville ISD. Kaycee and Lexie turned twelve and wanted all of their friends to help them celebrate, but not with gifts. Instead, the girls organized a parade and asked friends to drive by with donations for the charity.
Children	NBC 5 News	7/1/2020	4:00 p.m.	0:20	The coronavirus pandemic is taking a toll on some children. A local psychotherapist says a lack of routine and not seeing their friends can impact children's mental health.
Children	NBC 5 News	7/1/2020	5:00 p.m.	3:59	Report on a health alert from local doctors who say they're seeing an alarming spike in Covid-19 cases in children. NBC 5 News spoke to Dr. Nicolas Rister, an infectious disease doctor at Cook Children's, about the spike.
Children	NBC 5 News	7/5/2020	6:00 a.m.	2:05	NBC 5's Reading With You is creating new solutions for children who may be struggling to read on their grade level. Some parents may be unaware of their child's struggles and are unable to identify the issues their child is having with reading.
Children	NBC 5 News	7/8/2020	6:00 a.m.	0:45	A group of students at Centennial High School in Frisco have launched a campaign to share "Something Good" with Dallas ISD Elementary School students. "Project Kind Packs" gathers materials and creates "kind packs" with school supplies, storybooks, classroom essentials, hygiene supplies and letters of encouragement.
Children	NBC 5 News	7/13/2020	11:00 a.m.	1:42	The Covid-19 outbreak has resulted in a sharp rise of children staying home. While children are indoors, they're spending a lot of time on screens. This can lead to long-lasting damage, physically and mentally.
Children	NBC 5 News	7/13/2020	10:00 p.m.	0:20	A federal judge has ruled that children in ICE detention must be released on Friday to keep them from being exposed to Covid-19. A second judge is not ruling until next week on whether or not their parents should also be released. That means 335 children, who are currently in ICE custody with their parents, may be separated from them later this week.
Children	NBC 5 News	7/14/2020	4:00 p.m.	0:30	A photo project put together by several North Texas mothers showing children are born with love for each other. The mothers and a photographer gathered 7 children who never met before. Within minutes the children were playing, hugging and holding hands. This showed that hate and racism are learned behaviors.
Children	NBC 5 News	7/19/2020	10:00 p.m.	0:27	A report according to the Center for Disease Control and Prevention that states 1.5% of the confirmed cases of the coronavirus in the U.S. have been in children 4 years or younger.
Children	NBC 5 News	7/21/2020	11:00 a.m.	0:30	A report that nearly 60% of children in the U.S. do not have healthy cardiorespiratory fitness according to a new scientific statement from the American Heart Association. Studies show children with poor CRF are more likely to develop heart disease, diabetes and high blood pressure at younger ages.
Children	NBC 5 News	7/22/2020	4:00 p.m.	1:55	A report on the coronavirus pandemic continuing to take a toll on the well-being of children and young adults. They are experiencing major life changes and stressors impacting their mental health in result to the pandemic.
Children	NBC 5 News	8/3/2020	11:00 a.m.	1:10	A report on Project Transformation, a faith-based non-profit that helps students in underserved communities increase their literacy skills. During the pandemic, the organization's focus shifted from literacy to helping children and their families receive food. Project Transformation has distributed 1,500 weekly meals, hundreds of books, as well as fun and engaging virtual programming to more than 2,000 children in North Texas this summer.
Children	NBC 5 News	8/3/2020	11:00 a.m.	2:36	There is a growing concern of the possibility of children spreading the coronavirus as the new school year begins. Concerns continue to rise after alarming new reports from the CDC point to summer camp outbreaks.

Children	NBC 5 News	8/4/2020	6:00 a.m.	1:00	Non-profits relying on annual fundraising are coming up short due to the pandemic, such as Make a Wish North Texas. The organization had to cancel numerous events that help fund the wishes of terminally or critically ill children, but wish requests are still coming in. Make A Wish North Texas is doing all they can virtually and are now receiving help from Galleria Dallas. The mall is hosting the charity's annual silent auction featuring the artwork of Make A Wish children.
Children	NBC 5 News	8/5/2020	6:00 a.m.	2:08	Report on school districts reinventing how they serve lunch, as they continue to navigate through the pandemic. Nutrition Directors are creating different contingency plans to feed children so that workers are prepared for anything. School districts across North Texas are working to make sure kids are getting hot meals.
Children	NBC 5 News	8/6/2020	5:00 a.m.	1:00	Report on the growing concerns for children not getting enough movement pre-pandemic and now even less at home. Attending school from home, children are no longer receiving gym class or recess. National organizations like "Active Schools" encourage 60 minutes of exercise a day as a goal. They encourage parents to find innovative ways to cheer on their children to receive adequate movement.
Children	NBC 5 News	8/6/2020	6:00 a.m.	0:30	A report about the growing concern for students with diabetes returning back to school in-person during the pandemic. The American Diabetes Association says those with diabetes are not more pre-disposed to the coronavirus but can suffer from complications from the virus. The ADA is advising parents to talk to their children's schools to develop a plan.
Children	NBC 5 News	8/7/2020	4:00 p.m.	2:01	Report on children experiencing different affects from the coronavirus than adults. Doctors are seeing a trend in children who recover from Covid-19. The trend is incredible fatigue that can last months after a child has gotten better.
Children	NBC 5 News	8/8/2020	6:00 p.m.	0:23	Report on Atatiana Jefferson's 9-year-old nephew leading protests in Dallas and Fort Worth. Zion Carr was 8-years old when he witnessed Fort Worth Police kill his aunt inside of her home. Dozens of children marched alongside adults to encourage increased spending for STEM education and justice for Atatiana Jefferson.
Children	NBC 5 News	8/9/2020	6:00 p.m.	1:53	One and every five people in the U.S. are affected by a learning difference of some kind. NBC 5's Laura Harris is continuing NBC 5's Reading With You to help parents identify learning differences in their children. The initiative also provides information about North Texas organizations who are providing free resources to children and their families.
Children	NBC 5 News	8/10/2020	11:00 a.m.	0:17	Recent data shows more children are becoming infected with Covid-19. According to the American Academy of Pediatrics, more than 97,000 children tested positive for Covid-19 between July 16th and July 30th. Experts say that is a 40% increase in the number of pediatric cases since the pandemic began.
Children	NBC 5 News	8/10/2020	6:00 p.m.	0:33	Nearly 4,800 childcare centers have closed across Texas since the onset of the pandemic. More than a quarter of all operations in the state have not reopened. Some facilities are calling it an immediate crisis for families and day care providers. Operators are worried about low enrollment and the cost of safety precautions, including cleaning and sanitizing.
Children	NBC 5 News	8/10/2020	6:00 p.m.	1:52	Report on a helpful program being offered by local community centers in North Texas for children. Parents are juggling their own work along with their children's school work, and community centers are providing helpful alternatives.
Children	NBC 5 News	8/10/2020	10:00 p.m.	0:20	A report on the impact of uncertainty the upcoming school year is having on student's mental health. Doctors say anxiety is contagious and children worry more when they see their parents are worried. Experts say parents should ask their children about their concerns, remind them of other hard times they got through and shield younger children from grim details about the coronavirus.
Children	NBC 5 News	8/11/2020	11:00 a.m.	3:58	Children's Hospital provides advice to parents on how to have a conversation with their children about coronavirus testing and preparing children with the uncomfortable nasal swab.
Children	NBC 5 News	8/12/2020	6:00 a.m.	0:24	Dallas Parks and Recreation continues to make sure children are fed throughout the summer with "Grab and Go Meals." They are providing breakfast and lunch for free at several recreation centers. Meals are served Monday through Friday between 9:00 a.m. and noon, while supplies last. Dallas Parks partnered with "Kids Bring Life" to provide the free lunches to children.
Children	NBC 5 News	8/14/2020	5:00 a.m.	1:15	Report on making changes to children's eating and exercise routines. Small alterations can lead to positive changes for children and their families as a whole. Mikia Rangel, a Clinical Dietician at Children's Health shared healthy tips for parents and their children as they continue to spend more time at home due to the pandemic.
Children	NBC 5 News	8/14/2020	11:00 a.m.	0:23	Report on a new study according to the CDC's National Center for Health Statistics that found 1/3 of American children and teens eat fast food on any given day. Daily consumption of these foods were highest among Black and Hispanic youth, kids over 12 and teen girls.
Children	NBC 5 News	8/15/2020	5:30 a.m.	3:53	NBC 5 Investigates obtained new estimates of how many children are likely to have Covid-19 in local schools when they arrive for the first week of classes. University of Texas researchers developed a model to help schools and parents assess the risks.
Children	NBC 5 News	8/17/2020	11:00 a.m.	1:57	The pandemic has changed financial situations for millions of families nationwide. Experts say it may be the right time for parents to talk to their children about money. Parents can teach their children about the importance of budgeting and saving. Experts say it can be a key to children's future financial health.
Children	NBC 5 News	8/24/2020	6:00 a.m.	0:25	The World Health Organization released new mask guidelines for children under the age of 12-years old, who are headed back to school. Mask mandates for children 6 to 12 depends on a number of factors such as local infection rates, access to masks, adequate adult supervision and their exposure to older individuals with underlying health conditions.

Children	NBC 5 News	8/25/2020	4:00 p.m.	0:20	Report on the rare possibility for children to have Covid-19 and be asymptomatic. This is according to researchers who tested over 33,000 children who were treated in hospitals for reasons not related to the virus. Only .7% of those children ended up testing positive for Covid-19.
Children	NBC 5 News	8/26/2020	6:00 a.m.	0:40	NBC 5's Wake Up to Something Good reported on the help of a nine-year-old North Texas boy to his community. 4th grader, Paxton Robles, a voice actor, spent his summer teaching English as a second language to Chinese students. He donated \$1,000 dollars of his earnings to Backpack Buddies and also bought grocery gift cards for students who are food insecure.
Children	NBC 5 News	9/7/2020	6:00 p.m.	1:59	In the middle of a pandemic, Baylor Scott and White Health, a North Texas hospital is welcoming a record number of babies. 581 babies were delivered in the month of August, beating a prior record of 553 babies in one month.
Children	NBC 5 News	9/8/2020	6:00 a.m.	1:00	City Electric Supply partnered with the Dallas Advocacy Center for the annual Back to School Drive. The children the team helps are in abusive situations. CES says it is proud to make a small difference in the children's lives, especially in a year when the nonprofit, DCA, has already seen 8,000 child abuse cases so far. Through its social impact program, "CES Cares," the company has provided more than 6,500 backpacks and 200,000 dollars in charitable donations.
Children	NBC 5 News	9/11/2020	5:00 a.m.	1:00	Report on a national non-profit based in Dallas, called the "Xcellence Foundation." Their mission is to help children not only excel in a sport, but as a person as well. The founder of the organization, Chad Harper, wanted to help young people advance through STEM, athletics, business and mentoring. Harper helped to generate more than 1-billion dollars in revenue for Fortune 100 companies and is working to do the same for kids.
Children	NBC 5 News	9/14/2020	5:00 p.m.	0:30	A North Texas 5th grader named Orion, donated more than 600 toys to Children's Health in Dallas. His parents entered him into a national kindness speech contest, and he won the grand prize. He used all of the money for good. Others were inspired by his kindness and believed in the cause too and donated as well.
Children	NBC 5 News	9/21/2020	6:00 a.m.	1:04	A report on Childhood Cancer Awareness month and the families of children who are affected by the disease. Report on children battling their conditions with Cancer in the midst of the Covid-19 pandemic.
Issue	Program	Date	Time	Duration	Episode/Segment Description

Consumer	5 Talk Street	8/8/2020	11:30 a.m.	7:45	A segment that focused on NBC 5 and Telemundo 39's Clear the Shelters campaign. The segment also explained the difference in the animal adoption process in the midst of the Covid-19 pandemic.
Consumer	NBC 5 News	8/10/2020	6:00 a.m.	0:34	The UPS plans to impose hefty fees during the holiday season. The UPS will impose those fees on large shippers to help offset the cost of an expected surge of online orders in the midst of the global pandemic.
Consumer	NBC 5 News	8/14/2020	11:00 a.m.	0:26	Report on the possibility of consumers paying more to refinance their mortgages. The two companies, Fannie Mae and Freddie Mac announced they were raising fees for lenders on loans. The change was designed to shield the two entities from the additional risk brought on by the coronavirus pandemic.
Consumer	NBC 5 News	8/17/2020	11:00 a.m.	0:26	Report on the shortage of laptops as the new school year is underway, especially for cheaper Chromebooks. Some companies are not able to supply enough Chromebooks to support virtual classrooms. Research firm NPD Group says sales have been 20 to 40% higher each week.
Consumer	NBC 5 News	8/17/2020	6:00 p.m.	2:32	NBC 5 Responds report of complaints from viewers who state they have had trouble getting their money back from canceled vacation plans due to the pandemic. Many of the consumers used third party travel sites and apps to find the best deals to book their vacations prior to the pandemic.
Consumer	NBC 5 News	8/19/2020	4:00 p.m.	0:20	Facebook is offering 40-million dollars in grants to support black-owned businesses. The money is part of a 100-million-dollar grant Facebook announced back in June. Facebook says any majority black-owned business with up to 50 employees can apply for the grant.
Consumer	NBC 5 News	8/20/2020	6:00 p.m.	0:18	The Texas Workforce Commission approved the use of 19-million dollars in Cares Act money to address the higher cost of childcare in Texas since March. March is the month when multiple day cares and learning centers closed due to the pandemic. Many day cares have not reopened, and the Texas Workforce Commission expects higher costs to continue.
Consumer	NBC 5 News	8/21/2020	11:00 a.m.	0:15	Report on the deadline for families to apply for a pandemic EBT card. The card is available for families whose children received free or reduced-price school meals last year. Families can receive up to 285 dollars per child. They can apply online through Texas Health and Human Services.
Consumer	NBC 5 News	8/24/2020	11:00 a.m.	2:00	Report on a new scam called the Blessing Loom that has slowly taken over social media. Consumers who participate are promised to receive thousands of dollars with little effort and a small initial investment. The scheme relies on people recruiting new people to keep the scam afloat.
Consumer	NBC 5 News	8/30/2020	6:00 a.m.	0:45	In the wake of Hurricane Laura, dozens of animals were transported to Dallas from hard hit areas in Louisiana. For that reason, adoption fees at Dallas Animal Services were extended to the next day. Fort Worth shelters also extended their waived adoption fee period. North Texans cleared shelters in at least four cities. Those cities were Bowie, Cleburne, Hurst and Murphy. More than 5,500 pets were adopted during the Clear the Shelters campaign.
Consumer	NBC 5 News	9/2/2020	11:00 a.m.	2:49	Walmart, one of the nation's largest retailers is making a big push in the delivery space. "Walmart Plus" debuts in two weeks. For around 100 dollars a year, Walmart Plus will offer shoppers free, unlimited and in many cases "same day" delivery. There is a catch that could cost consumers, if they are not careful.
Consumer	NBC 5 News	9/7/2020	6:00 a.m.	0:21	Report on automakers, Hyundai and Kia, recalling more than 500,000 vehicles in order to fix a brake fluid leak that could cause engine fires.

Consumer	NBC 5 News	9/8/2020	4:00 p.m.	2:02	The Covid-19 pandemic has prompted many individuals to change the way they view their finances. A report on a new survey asks individuals if they are spenders or savers. Strategies are shared in order to help consumers boost their savings.
Consumer	NBC 5 News	9/14/2020	6:00 a.m.	2:08	Due to the Covid-19 pandemic, grocery stores have really experienced a year like no other. Stay at home orders by consumers put a lot of pressure on the supply chain and the pandemic has formed some new buying habits in shoppers, that might be around to stay.
Consumer	NBC 5 News	9/17/2020	11:00 a.m.	0:19	A new report from Creditcards.com found more than 70% of consumers plan to make most of their holiday purchases online. That number is up from 51% from last year. About a quarter of people say they've already started or plan to start their holiday shopping by the end of September.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Crime and Law Enforcement	NBC 5 News	7/1/2020	4:30 a.m.	0:25	Dallas Police will now release video footage within 72 hours of officer involved shootings or use of force cases that result in serious injury or death. Previously, video was released on a case-by-case basis.
Crime and Law Enforcement	NBC 5 News	7/1/2020	10:00 p.m.	0:28	Report on a warning from federal officials that advise people not to buy into phony cards that say, "face mask exempt". The card includes The Department of Justice Seal and claims wearing a mask "poses a mental and or physical risk."
Crime and Law Enforcement	NBC 5 News	7/4/2020	6:00 a.m.	0:25	Protesters in Dallas are suing the city over their arrests. They claim officers incorrectly filed riot charges and other offenses to jail them, violating their free-speech rights. The lawsuit also accuses officers of excessive force and poor training.
Crime and Law Enforcement	NBC 5 News	7/9/2020	5:00 a.m.	1:27	It has been more than a week since nearly 600 Dallas Police Officers and spouses were tested for Covid-19. The results and how they're affecting the size of the city's active force are being uncovered.
Crime and Law Enforcement	NBC 5 News	7/13/2020	10:00 p.m.	2:04	A report on voters in Fort Worth going to the polls to decide whether to extend the "Crime Tax" for another 10 years. It provides 80-million dollars a year to the Crime Control and Prevent District. Almost all of the money goes to fund the Fort Worth Police Department.
Crime and Law Enforcement	NBC 5 News	7/17/2020	10:00 p.m.	0:30	A report on the renewed call to action to end police brutality against Black women.
Crime and Law Enforcement	NBC 5 News	7/22/2020	10:00 p.m.	0:44	A report on the new restrictions on how Dallas police officers use tear gas and rubber bullets against peaceful protesters.
Crime and Law Enforcement	NBC 5 News	7/23/2020	4:00 p.m.	2:05	In Denton, Police Chief Dixon is fast tracking the creation of a mental health division. It's part of the Chief's plan to reform his police department.
Crime and Law Enforcement	NBC 5 News	7/27/2020	4:30 a.m.	0:56	A report on the crimes of sex trafficking and exploitation. The crimes add up to about 100 million dollars in illegal transactions in Dallas alone. This has encouraged the non-profit organization "New Friends New Life" to host a free virtual seminar presented by their men's advocacy group. The event aims to engage men in the fight against sex trafficking and exploitation.
Crime and Law Enforcement	NBC 5 News	7/31/2020	6:00 p.m.	1:55	A report of the Fort Worth Police Department meeting with an activist group named "United My Justice." They held a conversation about police reform centered on the topics including officer accountability and a better response to calls involving mental health crises.
Crime and Law Enforcement	NBC 5 News	8/4/2020	10:00 p.m.	0:28	A report on Fort Worth city leaders approving a new contract with Fort Worth police officers. The contract, known as "Meet and Confer," deals with everything from discipline to pay raises. Critics say it goes too far, allowing 48 hours to talk to investigators after a shooting and even see evidence such as videos. The Council heard detailed recommendations to improve the department. The recommendations included enhanced accountability for de-escalation and changes to investigating citizen complaints.

It's known as a home away from home for families who travel to the DFW area to get medical treatment for sick children. NBC 5 takes a closer look at how Covid-19 is impacting the families cared for by The Ronald McDonald House of Dallas.
Family	NBC 5 News	7/10/2020	11:00 a.m.	0:20	A report on families receiving boxes of fresh food in Fort Worth, Texas. Fort Worth ISD, "Fit Worth" and UNT Health Science Center worked together to hand out 1,500 boxes of food to families in need. Fit Worth plans to distribute more food each week through early September.
Family	NBC 5 News	7/11/2020	6:00 a.m.	0:13	1,500 boxes of fresh dairy and produce were delivered to families in need at Morningside Middle School in south Fort Worth. Distributions will be held weekly through September 4th, 2020 and locations will change each week.
Family	NBC 5 News	7/16/2020	5:00 a.m.	0:51	Families in Plano are doing something good by showing their support and appreciation to healthcare workers for all of their hard work as they continue to fight covid-19. The families got together and visited Baylor Scott & White Medical Center in Plano and thanked the caregivers with inspirational signs and snacks outside the front door of the hospital.
Family	NBC 5 News	7/21/2020	4:00 p.m.	0:18	The need for food continues to be a top priority for North Texas families struggling through the pandemic. The North Texas Food Bank holds multiple mobile food pantry distributions to help families in need.
Family	NBC 5 News	7/28/2020	4:00 p.m.	0:25	A report on an application deadline extension for pandemic food benefits for families affected by Covid-19 school closures. Families will receive more time to apply for the Pandemic Electronic Benefit Transfer Program, PEBT. It's a one-time benefit for 285 dollars per eligible child. It can be used the same way SNAP Food benefits pay for groceries.
Family	NBC 5 News	7/29/2020	5:00 p.m.	0:31	In Plano, Minnie's Food Pantry is working to provide healthy meals along with school supplies to families in need.
Family	NBC 5 News	7/30/2020	6:00 a.m.	2:20	A report on an organization titled, GRACE, helping set up a lunch giveaway to neighborhood kids in Grapevine. Families will also receive food to get them through the weekend. The jobs lost in the pandemic has brought greater urgency to the work of fighting hunger.
Family	NBC 5 News	7/31/2020	5:00 p.m.	0:16	After running out of backpacks at another event, Minnie's Food Pantry in Plano put out a call for help. They partnered with the city of Plano to hand out food and school supplies to families outside of Carpenter Middle School.
Family	NBC 5 News	8/3/2020	4:00 p.m.	0:22	A report on 400 families receiving free computers to help bridge the digital divide in time for virtual back-to-school. The City of Dallas partnered with TXU Energy and Comp-U-Dot for the computer giveaway. Families who registered were randomly selected for the distribution of laptops.
Family	NBC 5 News	8/5/2020	5:00 p.m.	1:20	Families across North Texas are pushing Governor Greg Abbott to modify visitation restrictions at long-term care facilities.
Family	NBC 5 News	8/6/2020	5:00 a.m.	1:59	A report on the extension for the Pandemic Electronic Benefit Transfer by the Texas Health and Human Services Commission. The P-EBT allows up to 3.6 million Texas families \$285 per child. The money is provided to families to buy food to replace the value of free or discounted school meals. These are meals children lost due to schools closing because of the Covid-19 outbreak.
Family	NBC 5 News	8/6/2020	5:00 p.m.	0:17	Report on the drive-thru food pantry hosted by Concord Church. Dozens of Dallas County families and seniors received assistance. Volunteers handed out boxes filled with 30 pounds of nutritious food. In addition to food, families were offered a variety of resources, including free counseling and legal help.
Family	NBC 5 News	8/7/2020	5:00 a.m.	0:47	The Texas Health and Human Services announced a change for families to return to visits at nursing homes and long-term care facilities after being denied access for five months to see their loved ones due to the pandemic.
Family	NBC 5 News	8/7/2020	11:00 a.m.	2:50	Report on Multigenerational families across North Texas taking extra steps to protect their family members from the coronavirus. Multigenerational homes have family members with a wide range in age and health conditions. This is a major concern because some of the youngest members in these particular homes are trying to navigate back to school.
Family	NBC 5 News	8/11/2020	4:00 p.m.	2:30	Report on the challenges many families are facing with remote learning. More than 500,000 Texas children with special needs or learning disorders are having to endure remote learning. Resources are provided to help families who may be experiencing these challenges.

Family	NBC 5 News	8/11/2020	10:00 p.m.	0:24	Fort Worth Mayor Betsy Price is championing a new parenting policy for Fort Worth city workers who became new parents and have not received paid time off. The policy guarantees 6 weeks of paid leave for all 7,000 city employees who give birth or adopt. It covers fathers as well as mothers.
Family	NBC 5 News	8/13/2020	6:00 p.m.	1:44	The Tarrant Area Food Bank continues to distribute food to families in need at mobile events throughout North Texas. Over the past four months, the Tarrant Area Food Bank has served 16 million meals.
Family	NBC 5 News	8/14/2020	5:00 a.m.	1:45	Dallas is launching an effort to directly help some of the most vulnerable communities hit hard by the pandemic. They are aiming to help immigrant and refugee families who are ineligible for federal Covid-19 relief.
Family	NBC 5 News	8/16/2020	6:00 a.m.	0:16	450 families pre-registered for a drive-thru event hosted by Molina Health Care of Texas and the Dallas MLK Community Center. The organizations helped distribute groceries, backpacks and school supplies to the families.
Family	NBC 5 News	8/21/2020	5:00 a.m.	0:15	Report on a free food giveaway at Fort Worth ISD's Herman Clark Stadium. Families received boxes of nonperishable food on a first-come, first-serve basis.
Family	NBC 5 News	8/21/2020	4:00 p.m.	2:17	The "Feeding Collin County Free Food Giveaway" hosted by Minnie's Food Pantry and One Community Church and sponsored by NBC 5 is part of the initiative to help fight hunger in North Texas. The event will distribute meals to 2,000 families.
Family	NBC 5 News	9/5/2020	6:00 p.m.	0:24	The Tarrant Area Food Bank served close to 1,500 families at Herman Clark Stadium in Fort Worth. Each family received approximately 100 pounds of groceries. The "Mega Mobile Markets" will continue through November at the same location. There's no cost to the people and families who are in need of a helping hand. Donations from those who are more fortunate are welcomed.
Family	NBC 5 News	9/8/2020	6:00 a.m.	1:02	Dallas ISD is trying to make it easier for families to get free meals while their children are learning virtually. Dallas ISD will start their curbside meals again. Families will be able to pick up 5-days' worth of food every Thursday from 4 to 6 p.m. Families can pre-order the meals on the district's website.
Family	NBC 5 News	9/11/2020	5:00 a.m.	2:13	Families throughout North Texas continue to be financially impacted by the Covid-19 pandemic, which also impacts their ability to buy food. Government numbers show in Collin County, more than 100,000 residents are "fighting hunger." That reality is bringing together two non-profits in a new effort called "Feeding Friends and Families."
Family	NBC 5 News	9/14/2020	6:00 p.m.	2:22	Garland ISD is working to connect families of kids who aren't yet enrolled in school. The district is launching a program for parents of babies and small children to introduce them to educational opportunities at home.
Family	NBC 5 News	9/20/2020	10:00 p.m.	1:58	Texas will resume in-person visits at some nursing homes and long-term care facilities. Families shared their insight about easing visitation restrictions during the pandemic.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Government	NBC 5 News	7/1/2020	5:00 a.m.	2:30	Just hours before the paycheck protection program was set to end, the Senate extended the deadline to August 8 th . The vote last night came as the program was poised to shut down with more than 130 billion dollars in unused money.
Government	NBC 5 News	7/1/2020	6:00 a.m.	0:20	Starting today, long term care facilities in Texas can start submitting applications to receive federal funding. Governor Greg Abbott and the Texas Health and Human Services Commission announced that nine-million dollars will be spent on infection control when it comes to Covid-19 and the residents and staff at these facilities.
Government	NBC 5 News	7/2/2020	10:00 p.m.	0:20	Governor Abbott's order gave local officials the power to restrict outdoor gatherings with more than 10 people. The Collin County Judge issued an order approving those gatherings.
Government	NBC 5 News	7/3/2020	4:30 a.m.	2:07	The latest executive order from Governor Abbott is individuals in Texas must mask up to stop Covid-19 from spreading. This is also to avoid a second shutdown.
Government	NBC 5 News	7/7/2020	6:00 a.m.	0:30	The Government has announced that International students will not be allowed to stay in the country if the institution they're enrolled in is holding "online only" courses this fall. Those that don't comply with the rules will risk deportation.
Government	NBC 5 News	7/7/2020	5:00 p.m.	0:22	The United States officially notified the United Nations of its withdrawal from the World Health Organization in the middle of a pandemic.
Government	NBC 5 News	7/10/2020	11:00 a.m.	0:20	A report on the last day for early voting. Polls will be open from 7 a.m. to 7 p.m. Ballots have been casted at a historic rate for the July 14th runoff elections. State data shows nearly 800,000 Texans had voted early, whether in person or by mail. Counties are taking coronavirus precautions to ensure voters are safe while they cast their votes.
Government	NBC 5 News	7/10/2020	4:00 p.m.	1:45	Dallas County Commissioners are demanding a fix for publicly funded Coronavirus testing that provides two or three-day results in some places, but extremely slow eight to ten day results in other areas. The Commissioners are demanding changes to make results from Southern Dallas as fast as what people from Northern Dallas receive.
Government	NBC 5 News	7/21/2020	6:30 a.m.	2:16	A report on the effort of dozens of North Texas mayors working to strategize and devise a counterstrike to eradicate Covid-19 outbreaks.
Government	NBC 5 News	7/21/2020	6:00 p.m.	0:24	A report on mayors across Texas asking the Texas Congressional Delegation to deliver a fifth coronavirus relief bill by the end of the month. The mayors state more federal assistance is needed to address economic challenges posed by Covid-19.

Government	NBC 5 News	7/23/2020	4:00 p.m.	0:20	The U.S. Census Bureau wants to remind everyone to fill out their forms and be counted. Employees from the Dallas Regional Office decorated their cars and paraded through South Dallas before holding a drive-thru event alongside the North Texas Food Bank to raise the self-response rate in North Texas's hardest to count populations.
Government	NBC 5 News	7/26/2020	10:00 p.m.	0:28	A report on a voting virtual town hall discussion hosted by 97.9 The Beat. The town hall discussion panelists included well-known leaders in the community whose message to listeners was to get out and vote.
Government	NBC 5 News	8/5/2020	6:00 p.m.	0:20	A report on Dallas City Council members requesting providers to place small 5-G towers in neighborhoods that lack reliable service. Dallas City Council members are also asking for proposals to install city-wide Wi-Fi. The lack of internet access remains a huge problem for students in the midst of this pandemic.
Government	NBC 5 News	8/6/2020	4:00 p.m.	1:45	Report on Dallas Mayor Eric Johnson pushing pay cuts for top city executives as part of his plan for a new city budget. The Mayor says public safety is the top priority in a memo to the City Manager.
Government	NBC 5 News	8/7/2020	4:00 p.m.	0:43	Report on a new Dallas budget from T.C. Broadnax, the Dallas City Manager who plans to balance public safety and the demand for social programs.
Government	NBC 5 News	8/9/2020	10:00 p.m.	0:21	Report on Dallas Mayor Eric Johnson becoming the newest member of the "National Commission on Covid-19 and Criminal Justice" team. It is a bipartisan team led by former U.S. attorney generals, Loretta Lynch and Alberto Gonzalez. The team is developing strategies to better balance public health and public safety, which is essential for the future well-being of the city of Dallas and the nation.
Government	NBC 5 News	8/10/2020	6:00 p.m.	0:26	The Texas Democratic Party is increasing its efforts to reach potential mail-in voters. More than 815,000 vote-by-mail applications will be sent out. This option only applies to Texans who are 65 or older, have a disability, serve in the military or will be away from the country during the election period. Governor Greg Abbott has ordered early in-person voting to be extended this year due to the pandemic.
Government	NBC 5 News	8/11/2020	11:00 a.m.	2:00	Texas Criminal Defense Attorney, Leon Reed is walking from Fort Worth to Austin in hopes of calling attention to the urgent need for racial justice. He plans to meet with the governor to discuss a police reform.
Government	NBC 5 News	8/14/2020	6:00 p.m.	0:28	The US Postal Services is warning Texas that it may be too late to vote by mail. The USPS says it's unlikely there will be enough time to request, complete and return ballots for the November 3rd Presidential Election. Democrats want to expand mail-in voting so fewer people risk catching covid-19 at polling places. President Trump is against mail-in voting in most cases. Governor Abbott has extended early, in-person voting so polling locations are less likely to be crowded on election day.
Government	NBC 5 News	8/17/2020	6:00 p.m.	2:00	Dallas Police actions against protestors this year will be under question during a special city council meeting. Dallas Mayor Eric Johnson says he's concerned about false information in the protest police report, which was delivered to City Hall.
Government	NBC 5 News	8/18/2020	5:00 p.m.	2:07	Report on the proposal over police funding from Texas Governor Greg Abbott. Abbott rolled out the proposal to discourage the defunding of law enforcement in Texas. Any city that chooses to defund the police would have its property tax revenue frozen.
Government	NBC 5 News	8/21/2020	11:00 a.m.	0:20	The Tarrant County Elections Office is urging people planning to vote by mail to request their ballot early. This option allows the county to mail out voters' ballots on the first day, September 25th and give voters more than a month to receive the ballot, fill it out and send it back. Due to the pandemic, county officials say they expect high interest in mail voting this year.
Government	NBC 5 News	8/22/2020	6:00 a.m.	0:17	The US Postal Service created a new website to provide information in regards to mail-in voting. The website offers guidance to voters about the mail-in voting process. USPS says the website serves voting customers seeking information on how to use mailing to vote and election officials seeking resources.
Government	NBC 5 News	8/25/2020	4:00 p.m.	3:21	The City of Grand Prairie is launching six inclusion initiatives to further develop unity. Grand Prairie hopes they'll be a model for other cities across the country. NBC 5's Kristi Nelson spoke with the city's Mayor during one of NBC 5's Community Conversations: Call for Change. She also spoke with a former police officer who is now serving in the new community inclusion position.
Government	NBC 5 News	8/31/2020	4:00 p.m.	1:35	Report on the Dallas city budget and Mayor Eric Johnson calling for a pay cut for the highest paid city officials to raise \$6.5 million dollars. The Mayor's top choice for that money is for more public safety. After the Deep Ellum shootings and other chaos in the Downtown area recently, the two council members who represent that particular area, held a meeting with community leaders.
Government	NBC 5 News	8/31/2020	10:00 p.m.	4:51	Report on NBC 5 Investigates putting the Post Office to the test ahead of the November election. Mounting concerns about the recent slowdown in mail service motivated NBC 5 Investigative unit to team up with other NBC and Telemundo stations across the country. They sent dozens of letters across cities and across the country to see if they would arrive as fast as the Post Office promises.
Government	NBC 5 News	9/1/2020	6:00 p.m.	0:20	Dallas County plans to spend \$5 million dollars on a new budget for new directions in public safety. This is a result from meeting held by the County Administrator with activists and City Managers on alternatives to traditional law enforcement. The money will promote mental health, substance abuse and eviction prevention programs to help keep people out of jail.
Government	NBC 5 News	9/3/2020	10:00 p.m.	1:55	Report on a nationwide ban on some residential evictions. President Trump signed an executive order, giving the CDC the authority to stop evictions for the rest of the year. This is an effort to keep people in their homes during the pandemic.

Government	NBC 5 News	9/6/2020	10:00 p.m.	2:08	Report on a proposed law named after Botham Jean, the African American man killed inside of his own home in Dallas by a police officer. The proposed law would prevent officers from turning off body cameras during an investigation and amend Texas' "Stand your Ground Laws."
Government	NBC 5 News	9/10/2020	5:00 a.m.	0:23	Governor Greg Abbott is asking Texans, especially candidates, to sign a pledge to oppose defunding police departments across the state of Texas. Calls to defund departments have gained momentum since George Floyd's death.
Government	NBC 5 News	9/10/2020	4:00 p.m.	2:04	The City of Dallas is planning to trim police overtime spending, over strong objections from Mayor Eric Johnson. The trim is nowhere near the cut Austin police received. The leader of the largest Dallas Police Union is going along with the change, as long as the Dallas City Council keeps their promise.
Government	NBC 5 News	9/11/2020	4:00 p.m.	0:25	The United Way of the Metropolitan of Dallas announced a campaign to improve racial equity and quality of life for North Texans. The campaign is called "Aspire United 2030." The goal is to focus on three pillars to strengthen education, income and health in just 10 years. The announcement was made by the United Way CEO, Jennifer Sampson, Dallas Mayor Eric Johnson and AT&T Business CEO, Anne Chow.
Government	NBC 5 News	9/13/2020	10:00 p.m.	0:37	Report on the deadline for Texans to register to vote. With less than one month left to vote for Texans, the state is launching a campaign to remind the public to make sure all of their voting information is up to date.
Government	NBC 5 News	9/15/2020	4:00 p.m.	3:20	Report on a nonpartisan student effort titled "Empowerment Week 2020", aimed to get young people (18 to 24 years old) registered and motivated to vote by using social media platforms. The initiative is the brainchild of "Vote-Voice of the Empowered," a student-led group in Tarrant County that helps young voters navigate the voting process.
Government	NBC 5 News	9/28/2020	10:00 p.m.	2:00	Report on groups working to register voters stating it has been harder to reach people in the pandemic. It is not safe to go door-to-door or register people to vote at big events due to the Covid-19 pandemic.
Government	NBC 5 News	9/29/2020	10:00 p.m.	5:12	Report on the investigates by NBC 5's Investigates team about the results from monitoring mail service ahead of the November election when millions will be voting by mail.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Health and Medical	NBC 5 News	7/1/2020	4:30 a.m.	1:40	About 80% of people who test positive for Covid-19 have mild or moderate symptoms. This means they will be able to recover from home. There are some resources online to help recovery easier.
Health and Medical	NBC 5 News	7/1/2020	4:00 p.m.	1:35	Parkland Hospital says its lab has a new machine that gives them the capacity to run about 3,000 tests a day.
Health and Medical	NBC 5 News	7/1/2020	4:00 p.m.	0:45	Governor Greg Abbott has suspended elective surgeries for eight counties in the state. Dallas county is on the list. The Governor says it's to help keep hospital beds open for Covid-19 patients.
Health and Medical	NBC 5 News	7/1/2020	5:00 p.m.	1:40	Pfizer and Bio-N-Tech say they're getting positive early data from phase one trials for a Covid-19 vaccine.
Health and Medical	NBC 5 News	7/1/2020	10:00 p.m.	0:30	"Surge Testing" could be the government's latest strategy to stop the spread of Covid-19. It would focus on finding young people who have no symptoms but could be spreading the virus.
Health and Medical	NBC 5 News	7/1/2020	10:00 p.m.	0:17	Doctors and scientist at UT Southwestern Medical Center in Dallas have identified a drug that could stop Covid-19. They say Atovaquone, which is used to treat lung disease in HIV patients, is showing promise in cell cultures.
Health and Medical	NBC 5 News	7/2/2020	5:00 p.m.	1:55	With overcrowded Covid-19 testing sites comes an increase in demand for at home testing options. Just yesterday, Kroger announced it will start offering its own version of Covid at home test kits to consumers.
Health and Medical	NBC 5 News	7/4/2020	6:00 a.m.	0:43	The Texas Medical Association came up with a chart that ranks individuals risk factor of being exposed to covid-19 on a scale of one to ten. The list is based on the findings of everyday activities that most individuals encounter.
Health and Medical	NBC 5 News	7/6/2020	6:00 a.m.	0:30	Governor Abbott announced that 40 hospitals across North Texas will soon get shipments of the anti-viral drug, Remdesivir. According to the Texas Department of State Health Services, Remdesivir has shown promise in early trials in shortening the recovery time of hospitalized Covid-19 patients.
Health and Medical	NBC 5 News	7/9/2020	6:00 a.m.	0:18	Full-service health clinics will soon be arriving in neighborhood Walgreens. The Pharmacy announced a partnership with Village MD to staff and run doctor's offices. Walgreens hopes to open 700 of the facilities in the next 5 years. The new clinics will include therapists and social workers as well as doctors and nurses.

Health and Medical	NBC 5 News	7/11/2020	6:00 p.m.	1:54	A report on 44,000 people in Dallas and Tarrant county to be tested for Covid-19 as part of a massive research project. It's aimed to find out how the virus is spreading, who it's affecting the most and answering other questions that could help better fight the pandemic.
Health and Medical	NBC 5 News	7/13/2020	6:00 a.m.	0:26	A report on the new guidance by the CDC that estimates 40% of people infected with Covid-19 are asymptomatic, meaning they have no symptoms. The chance of transmission from people with no symptoms is 75%. Many pediatricians have stated a lot of children do not show symptoms when they catch the virus, but they can pose risks to vulnerable populations.
Health and Medical	NBC 5 News	7/14/2020	11:00 a.m.	0:30	A report on leaders in North Texas taking initiative and turning down federal support for testing. Dallas County Judge Clay Jenkins says the city and county will soon take over lab testing responsibility to speed up turnaround time. Judge Jenkins says the labs the federal government uses takes up to 10 days to produce results, which slows down contact tracing. Judge Jenkins says Parkland Hospital is equipped to handle 1,500 more tests than it is doing currently. UT Southwestern can do nearly the same amount.
Health and Medical	NBC 5 News	7/14/2020	4:00 p.m.	0:20	The North Texas Mayors Council is hosting a regional blood drive. Blood supply levels are at a critical low because of the Coronavirus pandemic and a decrease in donations. There are several safety procedures in place to keep donors and staff safe.
Health and Medical	NBC 5 News	7/16/2020	5:00 a.m.	2:20	A report on 100,000 free masks distributed in Arlington. It is one of the largest one-day distributions in Tarrant county and the latest in what has become a robust county-wide push to have people "mask up" to bring covid-19 numbers down.
Health and Medical	NBC 5 News	7/16/2020	4:00 p.m.	1:28	A report on a medical research firm launching covid-19 vaccine trials in North Texas. They are looking for participants. Benchmark Research announced that Fort Worth has been selected to test a vaccine aimed at preventing the spread of the virus.
Health and Medical	NBC 5 News	7/19/2020	10:00 p.m.	1:40	A report on a McKinney-based company, CourMed, that makes healthcare deliveries such as prescriptions, vitamins or PPEs. The founders launched this company to connect independent pharmacies with patients to offer deliveries. As covid-19 encourages people to stay home, the company is continuing to expand. There are more than 300 drivers in North Texas, and each are trained in medical privacy laws.
Health and Medical	NBC 5 News	7/22/2020	4:30 a.m.	0:24	A report from the CDC that states the true number of people infected with Covid-19 are likely 10 times higher than reported in some regions. The new findings suggest those who are asymptomatic or didn't seek medical attention were likely spreading the virus in their own communities.
Health and Medical	NBC 5 News	7/22/2020	10:00 p.m.	2:00	A report on the desperate need for convalescent plasma donors to help covid-19 patients fighting for their lives. Carter Blood Care says they need help solving the shortage.
Health and Medical	NBC 5 News	7/24/2020	11:00 a.m.	0:38	A report on the West Nile virus reemerging as a new health threat in North Texas. Tarrant County's Public Health Department is urging individuals to take extra care as cases increase across the country.
Health and Medical	NBC 5 News	7/25/2020	6:00 a.m.	0:15	Music 4 Masks has created 9,000 masks and they expect to expand to 20,000 in the coming months. The group says they can make between four to six masks from each T-shirt.
Health and Medical	NBC 5 News	7/26/2020	6:00 a.m.	0:11	A report on the free covid-19 testing blitz continuing at Paul Quinn College in Oak Cliff. Individuals do not have to be residents of Dallas County in order to be tested.
Health and Medical	NBC 5 News	7/26/2020	6:00 a.m.	0:17	A report on a saliva testing program in Tarrant County expanding. It is available to anyone who believes they have been exposed to Covid-19.
Health and Medical	Texas Today	7/28/2020	11:30 a.m.	3:28	The Chris Howell Foundation educates and raises awareness to decrease the number of new cases of HIV/AIDS. A report on the estimated number of individuals living with HIV in Dallas County in 2014. The number was estimated at a total of 16,146 people.
Health and Medical	NBC 5 News	7/29/2020	11:00 a.m.	2:37	According to a federal complaint filed in North Texas, hospitals could begin rationing resources and denying care to Texans with certain medical conditions. The complaint alleges the triage guidelines in place for an event exactly like the pandemic violate federal law and could be a death sentence for people with disabilities.
Health and Medical	NBC 5 News	7/30/2020	5:00 p.m.	0:28	Members from the Potter's House Church delivered more than 500 meals to the Texas Health Arlington Memorial Hospital. The Potter's House delivered more than 6,000 meals to health care workers, police officers and other first responders back in the spring.
Health and Medical	NBC 5 News	8/2/2020	10:00 p.m.	0:42	A report on free resources for people seeking help for mental health statewide and in North Texas. Current events such as the pandemic and passionate protests are taking a toll on people. The Executive Director of Alliance Child and Family Solutions says she's seen an increase in people seeking support for economic struggles and trauma.
Health and Medical	NBC 5 News	8/3/2020	11:00 a.m.	0:26	A report on researchers from Ohio state surveying 2,000 people in the U.S. 20% of those individuals stated they have taken breaks from social media due to the stress of covid-19, racial tensions and political issues. 29% say their social media intake increased because of current events. Mental health professionals say stepping away from devices is vital to individuals' mental health.
Health and Medical	NBC 5 News	8/3/2020	11:00 a.m.	2:23	A report on individuals experiencing "Cyber Sickness". With a multitude of people working from home still and students taking classes online, the amount of time people are spending in front of the screen can hurt them if they are not careful. Doctors say Cyber Sickness is becoming more common during the pandemic. The symptoms include nausea, dizziness, headaches and feeling wobbly.
Health and Medical	NBC 5 News	8/4/2020	5:00 p.m.	1:52	Health officials are reporting promising signs as they continue to track Covid-19. Some numbers are dropping or leveling off. In Tarrant County, the spread level in the community is still considered "substantial", but key indicators are showing a downward trend.

Health and Medical	NBC 5 News	8/5/2020	6:00 p.m.	0:22	The McKinney Fire Department partnered with Integrative Emergency Services to provide telemedicine to the city's residents and workers. Users can connect to service from physicians online 24/7. It's a pilot program as of now and visits are free during a 7-day trial period. After that, there is a possibility that users may be charged depending on their insurance.
Health and Medical	5 Talk Street	8/8/2020	11:30 a.m.	7:45	A segment that focused on Hill's Pet Nutrition. Hill's Pet Nutrition's mission is to help enrich and lengthen the special relationships between people and their pets and make nutrition a cornerstone of veterinary medicine. Hill's Pet Nutrition is also a national sponsor and partner to Clear the Shelters.
Health and Medical	NBC 5 News	8/10/2020	4:30 a.m.	4:19	A report in light of animal adoptions through NBC 5 and Telemundo 39's Clear the Shelters that shows the science behind the benefits of becoming a pet owner and how it can boost individuals' mental health.
Health and Medical	NBC 5 News	8/10/2020	11:00 a.m.	2:09	Report of new findings that reveal how "Super Spreaders" can fuel the transmission of the coronavirus.
Health and Medical	NBC 5 News	8/11/2020	4:00 p.m.	2:50	The pandemic, social unrest and protest are having an impact on individuals' mental health. The National Alliance on Mental Illness North Texas says crisis calls have increased by 300% and it's taking a toll on the Black community. According to the Department of Health and Human Services, only 30% of the Black community receives mental health support.
Health and Medical	NBC 5 News	8/12/2020	6:00 p.m.	1:53	A report on the rising concern doctors are having with the "triple threat" of viruses. Doctors are explaining what they are doing to prepare for Covid-19, West Nile and the Flu season. Doctors explain the signs of illness people should look for.
Health and Medical	NBC 5 News	8/13/2020	5:00 a.m.	0:12	Report on Carter Blood Care's Community Blood Drive at the American Airlines Center.
Health and Medical	NBC 5 News	8/15/2020	5:30 a.m.	0:20	The CDC stated people who recover from the Coronavirus are protected for 3 months. It is part of a new guidance on quarantine measures. The CDC says survivors who are in the 90-day window will not have to isolate if they come into close contact with someone else who is sick. It's still not known exactly how long immunity from Covid-19 lasts.
Health and Medical	NBC 5 News	8/15/2020	6:00 a.m.	0:16	BAPS Charities in Irving contributed a donation to the Susan G. Komen Foundation. BAPS granted Susan G. Komen 25,000 dollars to help fight covid-19. BAPS Charities is also sponsoring the "More than Pink Walk" on October 3rd in Fort Worth.
Health and Medical	NBC 5 News	8/21/2020	5:00 p.m.	1:48	Report on Medical City Healthcare's new "Beyond the Mask Program." The pandemic has created a different environment during visit between patients and their healthcare team. The Beyond the Mask Program provides nurses and doctors with special badges designed to give patients a better look at who is caring for them. The idea started as a way to humanize the doctors and nurses who are in PPE from head to toe while treating Covid-19 patients. Now, 13,000 Medical City Healthcare employees from cafeteria workers to top executives wear personalized badges with photos of themselves, their families and even their pets.
Health and Medical	NBC 5 News	8/23/2020	5:00 p.m.	0:18	Report on the FDA issuing an emergency authorization for Convalescent Plasma as a treatment for Covid-19 patients who are hospitalized.
Health and Medical	NBC 5 News	8/24/2020	5:00 p.m.	1:40	Report on scientist creating cough drops that can prevent the spread of Covid. The team of scientist are hoping to make the product available to the public by the end of the year. They received a \$200,000 National Science Foundation Rapid Response Research Award to make everything possible.
Health and Medical	NBC 5 News	8/26/2020	11:00 a.m.	1:45	As students head back to classrooms, recent reports show the number of Covid-19 cases in children and teens is continuing to climb. While it is believed most kids will have mild symptoms of Covid-19, some will face serious health problems.
Health and Medical	NBC 5 News	8/30/2020	6:00 a.m.	0:21	Report of a 3rd person in Denton County being diagnosed with the West Nile virus. This was the second human case reported in Denton county in the past two days. The city of Denton raises its mosquito surveillance and response plan to the highest, "Risk Level 5." County leaders recommend people going outside to wear bugspray with "DEET" or lemon eucalyptus oil.
Health and Medical	NBC 5 News	8/30/2020	5:00 p.m.	2:19	A report on lung cancer being the number one cancer killer in the U.S. This particular cancer is often found too late and difficult to treat. But, now new technology in North Texas is giving patients the upper hand on the disease. In some cases, it has been reported to cure patients in less than a day.
Health and Medical	NBC 5 News	8/30/2020	10:00 p.m.	2:07	Report on a new free emotional wellness program created to support female entrepreneurs in North Texas. The number of women juggling being business owners and busy moms during the pandemic is increasing. The program is targeted to help the emotional wellness of women at home and at work.
Health and Medical	NBC 5 News	8/31/2020	5:00 a.m.	0:44	Actor Chad Boseman's death has shined a light on colon cancer. Many people are questioning if he was too young for the disease. According to medical research, more people are being diagnosed with colon cancer at a younger age. The American Cancer Society recommends screenings at 45 years old.
Health and Medical	NBC 5 News	9/1/2020	6:00 a.m.	1:40	Doctors want people to get ready for the flu season. Most of the attention has been focused on Covid-19 and the pandemic is showing no signs of ending soon. Doctors say this might be the most important season for people to ever get their flu shots. NBC 5's Alaana Quillen spoke with representatives at the Dallas County Department of Health about the medical updates involving Covid-19 and the flu.
Health and Medical	NBC 5 News	9/2/2020	11:00 a.m.	2:35	Health officials are calling for strict adherence to mask wearing and social distancing over the Labor Day weekend in an effort to prevent a resurgence in Coronavirus cases. A group working on a vaccine, are taking the next steps toward success.
Health and Medical	NBC 5 News	9/3/2020	11:00 a.m.	1:52	Report on new research that shows a treatment funded in part by the ASL "Ice Bucket Challenge", helps slow the progression of the disease.

Health and Medical	NBC 5 News	9/3/2020	4:00 p.m.	0:25	State health officials are partnering with a North Texas based company to distribute a Covid-19 vaccine to the public, even though there is not a vaccine that has been approved.
Health and Medical	NBC 5 News	9/8/2020	11:00 a.m.	2:17	A report on a major development in the race to produce a vaccine for Covid-19. Some of the world's most well-known drug makers are saying they will not rush out a vaccine without proper testing.
Health and Medical	NBC 5 News	9/9/2020	6:00 a.m.	1:00	Report on a high school student from Carrollton- Farmers Branch ISD helping to boost the supply for blood donations. Sarah Shepherd, a student from R.L. Turner High School, worked with the American Red Cross to host a blood drive. As a host, she picked the venue, promoted the blood drive, signed up donors and worked the event. The American Red Cross provided the workers to draw blood and manage the check points with donors. Sarah had surpassed her goal of 100 pints of blood collected.
Health and Medical	NBC 5 News	9/9/2020	10:00 p.m.	0:25	Report on an additional benefit of wearing mask. A new study shows wearing a mask could reduce the severity of the Covid-19 virus. According to researchers, mask can block a significant number of Coronavirus droplets, lowering the dose of virus a person inhales and reducing the chances the person will experience serious illness.
Health and Medical	NBC 5 News	9/10/2020	4:00 p.m.	2:38	Report on a health connection regarding the amount of misinformation on the internet about the Coronavirus. The amount of misinformation about the virus has caught the attention of researchers. The team at UNT's Department of Communications set out to see how prevalent misinformation is and how quickly it spreads.
Health and Medical	NBC 5 News	9/10/2020	10:00 p.m.	2:19	Report on World Suicide Prevention Day. For young people, suicide is the second leading cause of death and an issue experts worry could only grow as individuals find their way through a global pandemic.
Health and Medical	NBC 5 News	9/11/2020	4:00 p.m.	3:28	Dallas Cowboy, Dak Prescott, decision to talk openly about his personal struggles, is opening up the conversation about the stigma surrounding mental health and professional sports. 33% of all college students experience significant symptoms of depression, anxiety or other mental health condition. Among that group, 30% seek help. Out of college athletes with mental health conditions, only 10% seek help.
Health and Medical	5 Talk Street	9/12/2020	5:00 p.m.	7:45	A segment that focused on the American Cancer Society and its goal to help raise funds to support their mission. The interview also focused on Breast Cancer Awareness Month and events, such as Making Strides Against Breast Cancer, Rethink Your Pink, 5K Walk Your Way and more. The Executive Vice President of the American Cancer Society, Jeff Fehlis, explained the importance of preventing breast cancer and early detection. He also shared a personal story about losing a loved one to the disease.
Health and Medical	NBC 5 News	9/12/2020	6:00 p.m.	2:08	Report on cancer screenings decreasing in result to the Covid-19 pandemic. At least 35% of Americans have skipped out on an appointment since March. Experts fear it could lead to thousands of deaths over the next decade.
Health and Medical	NBC 5 News	9/16/2020	5:00 a.m.	0:25	The Covid-19 pandemic is amplifying health care inequities across the nation as racial and ethnic minority groups continue to be disproportionately impacted by the virus. One piece of fixing to the complex puzzle is increasing diversity in health care. The process begins in medical school and even earlier.
Health and Medical	NBC 5 News	9/17/2020	4:00 p.m.	1:52	Report on a consultant study that recommends adding 30 peak time ambulances staffed by civilian paramedics to quickly boost service in Dallas, instead of certified firefighter paramedics. The Dallas Firefighters Union says it's a bad plan.
Health and Medical	NBC 5 News	9/18/2020	11:00 a.m.	0:23	The new CDC report finds methods being used to prevent the spread of Covid-19 may also help reduce flu activity in the Fall. Scientists say flu cases in the U.S. dropped sharply within two weeks of the Covid-19 Emergency Declaration earlier this spring. That was also the same time frame as the widespread community mitigation measures, such as school closures, social distancing and mask wearing.
Health and Medical	NBC 5 News	9/18/2020	11:00 a.m.	0:20	A new report from the American Cancer Society estimates there will be more than 89,000 cases of Cancer and more than 9,000 deaths in young people this year. Researchers say Leukemia is the leading cause of cancer deaths in 15 to 29-year olds. People in their 30's are most likely to die from breast and Colorectal Cancer.

Health and Medical	NBC 5 News	9/26/2020	6:00 p.m.	0:17	Report on more research pointing to a racial gap when it comes to Covid-19 infections. A new study of nearly 6,000 Coronavirus patients shows Blacks and Hispanics were more likely to test positive for the virus than their white peers.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Housing	NBC 5 News	7/8/2020	11:00 a.m.	2:00	Black Americans are dying at an alarming rate from Covid-19 -- nearly three times more than Whites and Asians. Housing is also an issue driving Covid-19 infection. In some minority communities, there are several generations or multiple families living in one home, making it easier for the virus to spread.
Housing	NBC 5 News	7/9/2020	5:30 a.m.	0:16	The Arlington Housing Authority will begin accepting applications for its Housing Choice Voucher Program. Through a grant from Housing and Urban Development, the city can help people stay in housing they can afford.
Housing	NBC 5 News	7/14/2020	10:00 p.m.	0:20	A report on the rising number of North Texans not being able to pay their mortgage. A new report from CoreLogic shows that 6.6% of the DFW area residents missed at least one mortgage payment in April. That's almost twice as high as last year's number and even higher than the nationwide rate. Analysts found the problem is the worst in states hit hard by the pandemic.
Housing	NBC 5 News	7/16/2020	5:00 p.m.	0:23	A report that the uncertain economy doesn't appear to be deterring Texans from shopping for their next home. Clay Enger, with Coldwell Banker Realty, tells NBC 5 that despite the Covid-19 pandemic, houses are being sold just as fast as they are put on the market.
Housing	NBC 5 News	7/24/2020	4:00 p.m.	1:30	A report of legal advocates warning a potential tidal wave of evictions as renters find themselves unable to make ends meet amid Covid-19.
Housing	NBC 5 News	7/24/2020	10:00 p.m.	0:45	A report of 24 million people in the country who fear they won't be able to cover next month's rent. Missing even one rent payment can be grounds for eviction. According to the U.S. Census Bureau Survey, many of those individuals in danger come from Black and Hispanic households. Those communities have been hit especially hard by Covid-19.
Housing	NBC 5 News	7/25/2020	6:00 a.m.	0:24	A report on more resources available for Dallas County residents who are struggling with housing. The Health and Human Services Department reopened its Emergency Housing Assistance Program. The program offers short-term, rental, mortgage and utility help to people who live outside the City of Dallas but within Dallas County.
Housing	NBC 5 News	7/31/2020	6:00 p.m.	2:11	A report on President Trump rescinding an Obama-era Fair Housing Rule. President Trump claimed on Twitter the suburban home prices will now go up and crime will go down.
Housing	NBC 5 News	8/6/2020	6:00 p.m.	0:18	Fort Worth city officials plan to use more than \$18-million dollars in Cares Act funding to buy and convert existing hotels and apartment complexes. They'll provide 200 new units of permanent supportive housing. The units will be for high-risk Covid-19 vulnerable and disabled people experiencing chronic homelessness.
Housing	NBC 5 News	8/6/2020	6:00 p.m.	0:22	A report on the decrease of evictions. Eviction numbers halved, compared to last year. Landlords are allowed to file for evictions, but because of moratoriums during the pandemic, there has been no enforcement. An August 5th moratorium on new filings ended in Dallas County. Eviction hearings are on hold until the 24th.
Housing	NBC 5 News	8/10/2020	6:00 p.m.	0:20	Report on home sales surging in North Texas, even in the midst of a pandemic. The surge is the result of record low mortgage rates. Median home prices are up 9%, an increase of 294,000 dollars in North Texas. It is the largest annual increase in more than a year.
Housing	NBC 5 News	8/11/2020	4:00 p.m.	0:30	Report on Fort Worth city leaders considering a proposal for permanent housing specifically aimed for people who are experiencing chronic homelessness. The plan would convert unused hotel space into 100 units. The plan would also help with job placement. Funding for the plan would come from the Federal Cares Act.
Housing	NBC 5 News	8/11/2020	6:00 p.m.	2:09	A non-profit, Habitat for Humanity, has experienced a decrease in their volunteer ranks due to the pandemic, but their mission has not changed. Home renovations are still in effect, but the non-profit is in need of more volunteers.
Housing	NBC 5 News	8/18/2020	4:00 p.m.	0:13	More people are building new homes, despite the pandemic. Construction of new homes jumped more than 22% last month. Builders broke ground on nearly 1.5 million new homes across the country.
Housing	NBC 5 News	8/19/2020	4:00 p.m.	0:30	Report on electric bills rising as the summer continues. The pandemic has more people out of work and searching for ways to pay their bills. Counties in North Texas have programs set up to help families in need. Both Dallas and Tarrant counties offer assistance. Families can apply for assistance and must meet certain qualifications income wise. Families can also check with their power providers for potential help.
Housing	NBC 5 News	8/20/2020	6:00 a.m.	1:49	Report on the country facing a possible foreclosure surge over the coming months that could create more than double the number of households threatened with eviction.
Housing	NBC 5 News	8/21/2020	11:00 a.m.	0:20	100,000 to 200,000 homeowners could face eviction in North Texas within the next year. A Dallas real estate attorney explains, if homeowners are at risk of losing their homes, they can call their lenders or mortgage company.
Housing	NBC 5 News	8/24/2020	4:00 p.m.	0:22	Report on sellers expanding their advantage in the housing market. Zillow's latest real estate market report shows buyers outnumber sellers. It's a divide between the for-sale and rental markets widening, as growth continues to slow down. The for-sale market has continued to increase, despite job losses across the country and home values are steadily climbing as well.
Housing	NBC 5 News	8/24/2020	5:00 p.m.	0:29	Dallas City Hall is pursuing a challenge made by 4 city council members to get 1,000 new units of affordable housing under construction this year.
Housing	NBC 5 News	8/27/2020	5:00 p.m.	0:12	The Red Cross is asking for donations and volunteers to continue helping people who need shelter in North Texas.

Housing	NBC 5 News	8/28/2020	11:00 a.m.	1:41	Report on a growing number of Americans having second thoughts about where they live as remote work is becoming more common. Some individuals are finding cheap, gold houses on social media platforms, such as Instagram. They are paying as little as \$10,000 dollars for historic fixer-uppers in far-off places.
Housing	NBC 5 News	8/31/2020	6:00 p.m.	1:54	Report on the last day to apply for the state's Covid-19 Electricity Relief Program. The program is designed to help keep the power on for individuals who cannot pay their bill. Individuals who recently filed for unemployment may qualify.
Housing	NBC 5 News	9/1/2020	6:00 a.m.	1:30	The White House is giving the CDC the authority to protect renters from eviction with a nationwide order. The order would impact millions of renters through the end of the year.
Housing	NBC 5 News	9/2/2020	6:00 p.m.	2:09	A Dallas non-profit that supports women experiencing domestic violence is getting a new home. The Genesis Women's Shelter and Support says this move will allow them to help thousands of more women and children.
Housing	NBC 5 News	9/3/2020	10:00 p.m.	1:55	Report on a nationwide ban on some residential evictions. President Trump signed an executive order, giving the CDC the authority to stop evictions for the rest of the year. This is an effort to keep people in their homes during the pandemic.
Housing	NBC 5 News	9/16/2020	10:00 p.m.	0:22	Report on a new hurdle in the housing market. The price of lumber is up more than 170% due to the Covid-19 pandemic and the wildfires in the West. This adds more than 16,000 dollars to the cost of a new single-family home and may also cause delays in construction.
Housing	Texas Today	9/17/2020	11:30 a.m.	3:01	Dwell with Dignity is a nonprofit agency dedicated to creating soothing, inspiring homes for families struggling with homelessness and poverty.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Poverty	Texas Today	7/7/2020	11:30 a.m.	4:09	Minnie's Food Pantry is a 501(C)3 non-profit organization that provides over one million meals to more than 60,000 individuals annually.
Poverty	NBC 5 News	7/8/2020	4:00 p.m.	0:40	The Tarrant Area Food Bank provided help for North Texans suffering from the financial crisis caused by the pandemic. At the Globe Life Field in Arlington, thousands of drivers lined up to pick up free food. Thanks to the Tarrant Area Food Bank, each vehicle received a 25-pound box of fresh and frozen foods.
Poverty	NBC 5 News	7/10/20, 7/17/20, 7/24/20, 7/31/20, 8/7/20, 8/14/20, 8/21/20, 8/28/20, 9/4/20, 9/11/20, 9/18/20, 9/25/20	4:30 a.m., 5:00 a.m., 6:00 a.m.	Approximately 2:15 each	A report on the Kickoff of a new NBC 5 campaign titled, <i>Fighting Hunger</i> . Every Friday this quarter, NBC 5 reported on solutions aimed to help decrease food insecurity in North Texas.
Poverty	NBC 5 News	7/11/2020	10:00 p.m.	0:21	In Richardson, Texas, more than 100 drivers participated in the Cruise-In Food Drive organized by the Heights Baptist Church to fight hunger caused by the Covid-19 pandemic. Drivers pulled up and dropped off groceries. They collected more than 2,000 pounds of food. Donations will benefit local ministries.
Poverty	NBC 5 News	7/13/2020	4:30 a.m.	0:25	The City of Dallas started the process of shutting down the Kay Bailey Hutchinson Convention Center as an overflow homeless shelter. They'll transition to the Wyndham Hotel in Farmers Branch. They'll stay for 2 weeks if tested negative for Covid-19. If positive, they will stay for 21 days before being taken to a shelter or housing program. The Center has been used as an overflow site since the pandemic began. It's expected to be closed by August 31st.
Poverty	NBC 5 News	7/15/2020	4:00 p.m.	2:17	Two brothers started their own business during unsettling times with the pandemic to build and sell raised garden beds. Their company takes them all over the metroplex, but they are focused on helping the underserved and often food desert communities of the southern Dallas County.
Poverty	5 Talk Street	7/15/2020	5:00 p.m.	7:45	A segment that focused on a local organization called, "Journey to Dream." Journey to Dream is committed to equipping, empowering and embracing homeless teenagers so they can overcome adversity and live purposeful lives. The CEO of Journey to Dream, Nesa Grider, explains the statics of homeless children and teens. She also explains what Journey to Dream provides that is different from other shelters.
Poverty	NBC 5 News	7/16/2020	11:00 a.m.	1:50	A report on a food distribution event held by the North Texas Food Bank at Lone Star Park in Grand Prairie. Anyone in need of help is welcome. Nonperishable foods, such as canned goods are being distributed along with fresh produce.
Poverty	NBC 5 News	7/17/2020	4:30 a.m.	1:49	NBC 5 Fighting Hunger report: Northside Inter-Community Agency helps families and seniors receive their basic needs. The agency has an innovative program led by teenagers to help fight hunger. They help their neighbors get food on their tables.
Poverty	NBC 5 News	7/17/2020	11:00 a.m.	2:06	Economic experts have stated that the hospitality and travel industry is among the worst affected by the pandemic as travel demand has plummeted and thousands across Texas have been out of work. The Hotel Association of Tarrant County is distributing complimentary meals to those hospitality heroes impacted by Covid-19.

Poverty	NBC 5 News	7/20/2020	5:00 a.m.	1:38	A report on the economic fallout of the pandemic resulting with many people going hungry. Millions of Americans are still out of work, making the financial strain harder than any time since the Great Depression. In Grand Prairie, at the Lone Star Park, multiple free food giveaway events are being held by various nonprofits to help fight hunger.
Poverty	NBC 5 News	7/23/2020	5:00 p.m.	0:19	In Collin County, an organization titled "Everyone Eat" will offer help to North Texans struggling during the Covid-19 crisis. The organization will host a drive-thru event in McKinney and distribute free food, protective gear and Covid-19 testing.
Poverty	NBC 5 News	7/24/2020	5:00 p.m.	0:13	A report on a massive food giveaway in Pleasant Grove hosted by the P-3 Abundant Grace Church. Church volunteers distributed 10-pound boxes of chicken and 25 pound boxes of fruit and vegetable boxes to families in need due to the pandemic.
Poverty	NBC 5 News	7/27/2020	10:00 p.m.	1:48	A report on the pandemic's impact on food security. Numerous individuals are seeking help from Minnie's Food Pantry. A majority of the individuals seeking help from the pantry are first time visitors. They fear without intervention from Congress the lack of food security will grow worse.
Poverty	NBC 5 News	7/30/2020	6:00 a.m.	1:50	A report on the pandemic putting extreme pressures on food banks and Americans across the country. According to census data, more than 10% say they're food scarce right now and communities are scrambling to meet that need.
Poverty	NBC 5 News	7/30/2020	5:00 p.m.	0:28	A report on families receiving free boxes of food and milk in Southern Dallas at the Courthouse on South Beckley Avenue to help fight hunger. It also provided a chance for people to learn about the census and make sure they are counted.
Poverty	NBC 5 News	8/3/2020	11:00 a.m.	1:10	A report on Project Transformation, a faith based non-profit that helps students in underserved communities increase their literacy skills. During the pandemic, the organization shifted their focus from literacy increase, to helping families who are in dire need of food due to the effects of the pandemic. Project Transformation has distributed 1,500 weekly meals, hundreds of books, as well as fun and engaging virtual programming to more than 2,000 children in North Texas this summer.
Poverty	NBC 5 News	8/5/2020	6:00 p.m.	0:18	A report on the upcoming free food distribution event hosted by The North Texas Food Bank at Fair Park. The event will allow walk-ups as well as keeping the drive-thru as an option. Food will be distributed starting at 8:00 a.m. until 11:00 a.m., or until all supplies last.
Poverty	NBC 5 News	8/7/2020	5:00 p.m.	0:21	UNT's Health Science Center's Fit program partnered with "Go Fresh" to pass out 1,500 boxes of food to families in need in Fort Worth.
Poverty	NBC 5 News	8/9/2020	10:00 p.m.	0:18	A non-profit group, named HDNP International, helped feed, clothe and give hope to the homeless. The leaders of HDNP International want to inspire others to make a difference in their communities and help the less fortunate anyway they can.
Poverty	NBC 5 News	8/10/2020	4:30 a.m.	0:20	Cedar Hill ISD is meeting the needs of their community with the initiative of "Longhorn Lunches to Go." Food deliveries are made on Mondays and Wednesdays from 10:00 a.m. to 1:00 p.m. at varying locations. The meals are available to any child under the age of 18 within the Cedar Hill limits. The meals include enough food to cover a week of breakfast and lunch.
Poverty	NBC 5 News	8/11/2020	6:00 p.m.	1:54	Report on an estimated 600 people living in Fort Worth living in chronic homelessness. This means these individuals have been without a home for a year or more and with disabilities. Fort Worth city leaders are set to consider a multi-million-dollar proposal to address the issue.
Poverty	NBC 5 News	8/15/2020	10:00 p.m.	0:18	The Empowerment Church of Oak Cliff hosted a weekend food giveaway to help North Texans put food on their tables.

The Dallas Hope Charities needs help to support their mission and are looking for volunteers or food donations from the community.
Poverty	NBC 5 News	8/20/2020	6:00 a.m.	0:15	The North Texas Food Bank partnered with Desoto ISD to host a drive-thru event at the Desoto Eagle Stadium to distribute box meals to families in need.
Poverty	NBC 5 News	8/21/2020	6:00 a.m.	1:30	The organization Our Calling has street teams out every day to connect with people in homeless encampments. Members of the team aim to get homeless individuals connected to help. Our Calling's CEO says the organization is seeing an alarming rise in the number of homeless encampments.
Poverty	NBC 5 News	8/27/2020	6:00 p.m.	0:20	The Tarrant County Food Bank will hold another mega food giveaway. Their goal is to help people who are having trouble making ends meet during the Covid-19 pandemic. The "Mega Mobile Market" will take place every Friday through November. More than 900 families were served last week.
Poverty	NBC 5 News	8/30/2020	10:00 p.m.	1:44	Wells Fargo and The North Texas Food Bank are teaming up to serve over 87,000 meals. Volunteers are preparing to help families in need who have been affected by Covid-19 financially.
Poverty	NBC 5 News	9/4/2020	5:00 a.m.	2:05	The month of September is considered "Hunger Action Month", an initiative that asks all to take a stand against hunger. The effects of the Covid-19 pandemic continues to ripple across North Texas. Organizations on the front lines of "fighting hunger" could also use help.
Poverty	NBC 5 News	9/11/2020	6:00 p.m.	2:24	Report on 61 areas of Dallas that lack city water or sewer. Most people who live in cities can expect city utility service. Portions of the former city of Kleberg are among those 61 areas without utility service. Kleberg was annexed by Dallas in 1978. A new plan for unserved areas is underway, but still asks for parts of Kleberg to wait.
Poverty	5 Talk Street	9/12/2020	5:00 p.m.	7:45	A segment about B-A-P-S Charities. It is a non-profit organization dedicated to serving the needs of individuals, families and local communities. The organization helps through community activities, educational services, health and wellness, environmental initiatives and humanitarian relief activities.

Poverty	Texas Today	9/17/2020	11:30 a.m.	3:01	Dwell with Dignity is a nonprofit agency dedicated to creating soothing, inspiring homes for families struggling with homelessness and poverty.
Poverty	NBC 5 News	9/17/2020	4:00 p.m.	0:22	Report on a non-profit titled, "Hunger Busters" spending North Texas Giving Day distributing fresh food to families in need. Families received chicken, break, vegetables and milk. Hunger Busters relies on donations to drive its mission. Hunger Busters provides third meals to food insecure Dallas ISD students.
Poverty	NBC 5 News	9/18/2020	6:00 p.m.	1:54	Report on a community fridge in Oak Cliff located outside of the Pan-African Collection. It is a donated refrigerator stocked with perishable items, alongside a table of canned goods, available to anyone in need.
Poverty	NBC 5 News	9/21/2020	4:00 p.m.	2:17	School districts in North Texas have worked tirelessly to keep children fed through the pandemic. A new partnership in Cedar Hill ISD is aiming to fight hunger in neighborhoods within the district where help is needed most.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Race Relations	NBC 5 News	1/20 - 9/30/20	4:00 p.m.	Approximately 5:00 each	NBC 5 News aired a daily news series called, <i>Conversations: Call for Change</i> with local Black leaders every Monday - Friday in the 4pm newscasts. The conversations address the outcry for change following the death of George Floyd and other Black Americans and local actions that took place.
Race Relations	NBC 5 News	7/2/2020	6:00 a.m.	0:30	Report on a Black Lives Matter Community Conversation Series hosted by the City of Dallas. The conversation focused on justice.
Race Relations	NBC 5 News	7/6/2020	6:00 p.m.	0:21	Texas Congresswoman Shelia Jackson Lee is reintroducing her Reparations Bill. The bill calls for an examination of slavery in the U.S. and to recommend remedies on behalf of African Americans.
Race Relations	NBC 5 News	7/7/2020	4:00 p.m.	2:35	A spotlight on Black owned businesses today in light of National Blackout Day. It is a way for people to send a message with their wallets to support black business owners.
Race Relations	NBC 5 News	7/8/2020	6:00 a.m.	0:50	Civil Rights organizers aren't convinced Facebook is taking enough action against hate speech and disinformation. The social media company met with civil rights groups Tuesday after hundreds of businesses joined an ad boycott. Organizers boycotted Facebook stating, "it was a disappointment." The coalition of Civil Rights organizations started a "Stop Hate for Profit" campaign. One of the leaders said it's clear Facebook is not ready to address the serious issue.
Race Relations	NBC 5 News	7/8/2020	6:00 a.m.	0:18	The City of Mesquite says they're taking a stand against racism with a solution passed unanimously by the City Council. The resolution says the city and its leaders will work towards creating a community of inclusion and equality. It also reaffirms their commitment to fighting for racial justice, human and civil rights.
Race Relations	NBC 5 News	7/10/2020	4:00 p.m.	0:32	A group of North Texas athletes, influencers and sports media members are taking action in the fight against racism with a campaign titled, "EAR". EAR stands for education, action and reform. The campaign is quickly growing on social media and raising money for local charities and organizations.
Race Relations	NBC 5 News	7/13/2010	4:30 a.m.	0:50	A report on reducing racial disparities in the fight against cancer. The American Cancer Society has been working towards this goal for decades and Darren Woodson is joining their fight. The ongoing challenges for minorities and how the American Cancer Society is trying to help are explained.
Race Relations	NBC 5 News	7/15/2020	6:00 a.m.	0:13	A report on new data that shows the impact of the pandemic on minority communities. Latinos make up 19% of the population but account for 33% of all cases. Many doctors say the government is not sending enough resources to minority communities.
Race Relations	5 Talk Street	7/15/2020	5:00 p.m.	7:45	A segment that focused on an organization called, "Dallas Truth, Racial Healing and Transformation". The Executive Director, Jerry Hawkins, explains the organization's mission to create a radically inclusive city that addresses race and racism through narrative change, relationship building and equitable policies and practices. The organizations approach examines how the hierarchy of human value became embedded in our society's culture and structures. Then the organization works with communities to design and implement effective actions that will permanently uproot.
Race Relations	NBC 5 News	7/17/2020	5:00 a.m.	0:42	Several Carroll ISD graduates have teamed up in hopes of ending systemic racism across the country. They're pushing for accountability when it comes to racism and unfair treatment in their own community.
Race Relations	NBC 5 News	7/20/2020	6:00 a.m.	0:33	A report on a coalition of unions and groups seeking justice. They are calling for a walkout in more than 25 cities. The movement is called "Strike for Black Lives" and aimed to protest systemic racism. The plan is for tens of thousands of workers across the economy to walk off the job for a full day strike. Those who cannot strike for a full day will walk out for 8 minutes in honor of George Floyd and others recently killed by the police. Organizers say they are demanding action from corporations and the government to ensure the well-being of every worker.
Race Relations	Nbc 5 News	8/3/2020	6:00 a.m.	0:16	A report on National Black Business Month. The month of August celebrates and recognizes Black Owned Businesses across the country. It is reported that Black business owners make up about 10% of U.S. businesses and about 30% of all minority-owned businesses.

Race Relations	NBC 5 News	8/5/2020	4:00 p.m.	4:05	A report on 40 black women physicians taking over the social media accounts of 40 of their non-black colleagues to bring attention to black doctors and race related issues in healthcare. Several of those doctors are based in North Texas.
Race Relations	NBC 5 News	8/8/2020	6:00 p.m.	0:25	Dallas faith leaders turned their anger into action and hosted a counter caravan through Oak Cliff in response to the "Back the Blue" rally. The rally packed the parking lot of Friendship West Baptist Church under false pretenses. Senior Pastor Fredrick Haynes called the rally an act of white supremacy. He is demanding the defunding of local police and the re-imagining of city structures that he believes are to blame for racial inequality.
Race Relations	NBC 5 News	8/9/2020	10:00 p.m.	0:35	Several churches in Park Cities took part in the "Dallas Day of Unity and Justice." Dr. Jeff Warren reported around 300 churches in North Texas were invited to preach a unified message about racial justice and equality. The sermon was shared online and focused on understanding racial issues and calling on white evangelicals to do more to combat racism.
Race Relations	NBC 5 News	8/11/2020	4:00 p.m.	2:50	The pandemic, social unrest and protest are having an impact on individuals' mental health. The National Alliance on Mental Illness North Texas says crisis calls have increased by 300% and it's taking a toll on the Black community. According to the Department of Health and Human Services, only 30% of the Black community receives mental health support.
Race Relations	NBC 5 News	8/18/2020	4:00 p.m.	3:34	The State of Opportunity in America Study surveyed 260 residents from fragile communities in North Texas. The residents were asked about the biggest barriers to opportunity. Researchers explained the ways minority communities are impacted, even when it comes to the mindset of self-improvement.
Race Relations	NBC 5 News	8/24/2020	4:00 p.m.	4:29	Report on Richardson ISD starting the school year with new initiatives to dismantle systemic racism, which was acknowledged by the school board.
Race Relations	NBC 5 News	8/28/2020	6:00 a.m.	2:18	Report on the remarkable day, 57 years ago, when Dr. Martin Luther King, Jr. stood in front of thousands of people at the nation's capital to give one of the most iconic speeches in American history. The March on Washington was a push to end segregation once and for all and show the world that no matter the color of your skin, everyone is the same. Nearly 6 decades later, there is still a fight to end systemic racism in the country. Thousands of people will go back to that exact spot where Dr. Martin Luther King Jr. marched to march again for the same fight.
Race Relations	NBC 5 News	8/28/2020	10:00 p.m.	2:18	A report on the calls for change in the country and the reasons behind it. People of all ages, races and backgrounds are coming together to demand justice, police reform and the end to systemic racism.
Race Relations	NBC 5 News	8/31/2020	4:00 p.m.	4:58	Report on "Unconscious Bias," a term used a lot lately to talk more about the racial inequality in the country. NBC 5's Brian Curtis spoke with Dr. Jandel Crutchfield of UTA about the unconscious bias and how people can avoid falling into that trap.
Race Relations	NBC 5 News	9/2/2020	4:00 p.m.	4:30	Report on the major differences between school districts learning styles during the Covid-19 pandemic, especially in communities of color. This month, education experts from across the country are tackling this issue in a virtual conference and are trying to help bring solutions to the education inequality in America's schools.
Race Relations	NBC 5 News	9/5/2020	10:00 p.m.	1:38	Report of the marking of 100 days since the death of George Floyd, while in custody of Minneapolis police officers. George Floyd's death sparked a call for change around the world that shows no signs of stopping. The message of those who gathered in Dallas is to simply keep fighting for change.
Race Relations	NBC 5 News	9/8/2020	4:00 p.m.	4:07	A Dallas based non-profit called "Project Unity" was created to heal racial divides in the city. It is now expanding to a national initiative called "Together We Can."
Race Relations	NBC 5 News	9/10/2020	10:00 p.m.	0:26	Report on a new memorial in Klyde Warren Park that brings awareness to racial justice. The "Say Their Names" memorial was created for the community to honor Black people who've lost their lives as a result to racism or police brutality. The creators hope the memorial will spark dialogue and spread a message of love and compassion.
Race Relations	NBC 5 News	9/11/2020	10:00 p.m.	2:19	The residual impact of the Covid-19 pandemic will be felt for a very long time. That includes the mental and emotional burden of the pandemic, particularly among the Hispanic community, which has been disproportionately impacted.
Race Relations	5 Talk Street	9/12/2020	5:00 p.m.	7:45	A segment that focuses on the Fort Worth Metropolitan Black Chamber of Commerce and the creation of "Economic Equity" on the community. The President of the Fort Worth Metropolitan Black Chamber of Commerce, Devoyd Jennings, explains how he's been fighting for equality in the workplace for many years. Jennings also talks about equity, especially economic equity and the importance it has on the community.
Race Relations	NBC 5 News	9/16/2020	5:00 a.m.	0:25	The Covid-19 pandemic is amplifying health care inequities across the nation as racial and ethnic minority groups continue to be disproportionately impacted by the virus. One piece of fixing to the complex puzzle is increasing diversity in health care. The process begins in medical school and even earlier.

Race Relations	NBC 5 News	9/17/2020	11:00 a.m.	0:36	Ne'Andre Broussard, a North Texas man, has been on the mission to change the narrative when it comes to racial stereotypes of Black men. He is the founder of "Black Menswear." The organization has gathered well-dressed men of color in sharp, tailored suits in an organized effort to do something good and change the perception. Broussard has planned another "Flash Mob" photo shoot this year in at least a dozen cities, including Dallas, where it all started.
Race Relations	Texas Today	9/17/2020	11:30 a.m.	3:00	Brown Girls Do Ballet is a division of Brown Girls Do, Inc. It is a registered 501(C)3. The purpose of the organization is to promote diversity in the arts by providing annual scholarships, a mentor network and community programs to empower young girls.
Race Relations	NBC 5 News	9/21/2020	4:00 p.m.	3:17	Report on women of color facing barriers other employees don't have to when it comes to rising into the leadership ranks of organizations.
Race Relations	NBC 5 News	9/23/2020	4:00 p.m.	2:05	Report on Breonna Taylor's wrongful murder by Louisville Police has become a rallying cry for police reform nationwide.
Race Relations	NBC 5 News	9/24/2020	4:00 p.m.	4:06	Fort Worth ISD has a Racial Equity Committee that works to ensure all students have a chance at academic success.
Race Relations	NBC 5 News	9/26/2020	6:00 p.m.	0:17	Report on more research pointing to a racial gap when it comes to Covid-19 infections. A new study of nearly 6,000 Coronavirus patients shows Blacks and Hispanics were more likely to test positive for the virus than their white peers.
Race Relations	NBC 5 News	9/26/2020	10:00 p.m.	0:22	Report on peaceful protest throughout Dallas, continuing the call for justice. This particular protest in Dallas began 4 days after learning the officers responsible for the shooting that killed Breonna Taylor will not be charged for her death. The protestors remained peaceful as they walked through Downtown Dallas and Deep Ellum.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Religion	NBC 5 News	7/8/2020	11:00 a.m.	0:20	The Supreme Court ruled religious groups can opt out of the Affordable Care Act's Birth Control Mandate. This means employers who cite religious or moral objection do not have to provide free birth control to women.
Religion	NBC 5 News	8/6/2020	6:00 p.m.	0:31	Dallas faith leaders held a virtual meeting today to speak out against a "Blue Lives Matter" rally they say was held at Friendship-West Baptist Church under false pretenses.
Religion	NBC 5 News	8/9/2020	10:00 p.m.	0:35	Several churches in Park Cities took part in the "Dallas Day of Unity and Justice." Dr. Jeff Warren reported around 300 churches in North Texas were invited to preach a unified message about racial justice and equality. The sermon was shared online and focused on understanding racial issues and calling on White evangelicals to do more to combat racism.
Religion	NBC 5 News	8/19/2020	5:00 p.m.	0:16	The Episcopal Diocese of Dallas hosted a day of prayer and fasting over Facebook live. Dallas Mayor Eric Johnson issued the proclamation calling on people to pray for the eradication of the coronavirus. The goal was to bring healing to the sick and offer hope and unity to the city.
Religion	NBC 5 News	9/11/2020	6:00 p.m.	2:04	The Holy Family of Nazareth Catholic Church has filled boxes to deliver food to people in need and restock shelves as quickly as they empty. There is a hunger gap in North Texas that has been increasing since the Covid-19 pandemic. The Holy Family of Nazareth Catholic Church is one of the small local food pantries in need of donations.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Safety	NBC 5 News	7/1/2020	6:00 a.m.	0:25	Places in North Texas now have mask mandates. Dallas, Tarrant and Kaufman counties and cities of Denton and now McKinney all require people to wear masks inside businesses.
Safety	NBC 5 News	7/1/2020	4:00 p.m.	0:15	All Denton County Transportation Authority passengers are required to wear a face covering on buses and trains until further notice. The DCTA says proper coverings must cover both the nose and the mouth.
Safety	NBC 5 News	7/9/2020	6:00 a.m.	0:27	The TSA has improved coronavirus protection for airport screeners after a TSA official accused the agency of endangering travelers. The changes include requiring screeners to change or sanitize gloves after every pat down of a passenger and to wear face shields around travelers, if there aren't plastic barriers between them and the public. A top TSA official complained last month to a Federal Whistleblower that TSA didn't train staff for the virus pandemic.

Safety	NBC 5 News	7/11/2020	10:00 p.m.	0:16	A report from Denton County about where crews are spraying for West Nile. Mosquitos in an unincorporated area, southwest of Justin, tested positive for the virus. Crews will spray the same area again.
Safety	NBC 5 News	7/13/2020	4:30 a.m.	0:13	A report for people who need a place to get out of the heat. The Salvation Army has set up a dozen cooling centers across DFW. Each location has air conditioning, cold bottled water and portable fans.
Safety	NBC 5 News	7/14/2020	6:00 a.m.	0:15	Governor Greg Abbott says he will not issue a statewide shutdown. Instead, he is urging local leaders to enforce his mask order for counties with 20 or more Covid-19 cases. Governor Abbott says everyone should limit social gatherings in order to slow the spread of the coronavirus.
Safety	NBC 5 News	7/15/2020	6:00 p.m.	0:17	Tarrant County Public Health says West Nile virus cases are on the rise. The county is urging residents to take extra care and precautions to stop mosquitoes.
Safety	NBC 5 News	7/18/2020	6:00 a.m.	0:27	The American Hotel and Lodging Association released its guest checklist for travelers. It includes face coverings, social distancing, contactless reservations, check-ins and payments. It also includes limiting daily room cleaning. The checklist provides a uniform standard, so customers know what to expect.
Safety	NBC 5 News	7/22/2020	6:00 p.m.	0:25	A report on dozens of Dallas code compliance officers going door to door to visit with residents and business owners to educate them about the dangers of Covid-19. Officers have focused on zip codes with the highest infection rates in the city.
Safety	NBC 5 News	7/27/2020	4:00 p.m.	2:33	A report of hand sanitizer being restocked in stores again, but the market has been flooded with products contaminated by the toxic chemical, Methanol.
Safety	NBC 5 News	7/28/2020	6:00 a.m.	1:39	A report of new emerging technology such as contactless temperature scanners. The devices are being placed in workplaces and public buildings across Texas.
Safety	NBC 5 News	8/3/2020	4:00 p.m.	1:45	A report from cyber security experts warning parents and students preparing to go back to school to be cautious of cyber thieves. Districts in North Texas are relying heavily on online learning. Experts say cyber thieves are ready to take advantage of hacking.
Safety	NBC 5 News	8/3/2020	6:00 p.m.	2:01	A report on Dallas County's plan towards another step to contain the virus. Dallas County lined up the Best Western Plus Hotel for members of the general public to quarantine. In the past, Dallas quarantine locations have only been for first responders or the homeless. Now, at the Best Western Plus in Dallas, it's a quarantine location for anyone who tests positive for the coronavirus.
Safety	NBC 5 News	8/4/2020	5:00 a.m.	2:20	North Texas teachers are being trained to spot abuse and neglect when their students log on for online classes and when the students finally return back to the classroom. North Texas school districts are taking the necessary steps to ensure the students are safe.
Safety	NBC 5 News	8/4/2020	4:00 p.m.	0:15	Trucks delivered PPE supplies to Dallas ISD. The district purchased truckloads of masks, gloves and clear dividers. Each student will receive three cloth masks.
Safety	NBC 5 News	8/6/2020	10:00 p.m.	0:25	Safety experts advise drivers not to place their face masks on their rear-view mirrors. Experts say the masks can block drivers' vision and create an extra blind spot or a distraction, especially if it's a larger cloth or bandana. Experts state an alternative location for drivers' mask should be their glovebox, center console or the seat next to them.
Safety	NBC 5 News	8/7/2020	11:00 a.m.	1:54	A report on new "touchless" technology emerging from the coronavirus pandemic to help minimize crowds, shared surfaces and person-to-person contact to help protect the safety of individuals.
Safety	NBC 5 News	8/10/2020	4:30 a.m.	0:43	Report on Michon Montgomery, a Grand Prairie woman who works for LIXIL American standard and created 3,000 face shield masks with the help of her co-workers and their company's 3D printers. Michon Montgomery delivered the face shields to several senior and assisted living facilities across the DFW metroplex. Her daughter is a nurse at Medical City Dallas, which inspired Michon to give back to her community.
Safety	NBC 5 News	8/10/2020	4:00 p.m.	1:53	Students returning back to college must pack "Covid To-Go Emergency Bags" to help combat the coronavirus and protect their safety.
Safety	NBC 5 News	8/19/2020	10:00 p.m.	0:34	Report on crews spraying for West Nile in Arlington, after a mosquito pool tested positive. Tarrant County also provided an update on their possible plan to start aerial spraying for West Nile. County leaders say they would target areas seeing high levels of mosquito pools testing positive. The spray would consist of a chemical commonly used in agriculture.
Safety	NBC 5 News	8/21/2020	10:00 p.m.	2:23	Report on Trinity Metro, a North Texas agency, becoming one of the first places in the country to use a new robotic technology aimed to end face-to face conflicts such as angry customers confronting employees who are enforcing mandatory mask policies.
Safety	NBC 5 News	8/24/2020	11:00 a.m.	2:00	Texas Baptist men volunteered to prepare for possible deployment. The group of North Texas based volunteers were on stand-by in case they were needed for hurricane relief.
Safety	NBC 5 News	8/24/2020	4:00 p.m.	2:27	Report on experts' concerns and safety tips for air travel during the Covid-19 pandemic.
Safety	NBC 5 News	8/24/2020	6:00 p.m.	0:21	The EPA has given American Airlines the permission to use an antimicrobial spray on its planes and in their facilities in Texas. A Plano based company called, "Allied Bioscience," makes the product which is called "Surface-Wise 2." The EPA says it can kill coronavirus on surfaces for up to seven days, but the agency says using the product is still not a substitute for regular cleaning and disinfection.
Safety	NBC 5 News	8/25/2020	4:00 p.m.	0:28	North Texas first responders are deploying to help the storm response along the Texas Gulf Coast. A team from Plano and Frisco drove Frisco's "AM-Bus" to Beaumont. The ambulance can carry up to 18 patients. The team is one of several from the North Texas area. The North Texas departments are managing a dual crisis -- a natural disaster and a pandemic.

Safety	NBC 5 News	8/25/2020	6:00 p.m.	2:05	In order to keep staff and patients safe in dentist and doctor's offices, knowing whether someone has Covid-19 or has been exposed to the virus is essential. A North Texas teenager designed an app to help with that, called "Sign In Online." The 18-year-old North Texan created the app to help her mother at her dental practice in the Colony. Now, there are dental and medical offices across the U.S. and outside the U.S. utilizing the app.
Safety	NBC 5 News	8/26/2020	6:00 a.m.	1:41	Report on North Texas becoming a prime destination for tens of thousands of Texans escaping the path of Hurricane Laura. Multiple shelters in North Texas are already set up and running.
Safety	NBC 5 News	8/28/2020	6:00 p.m.	2:51	Report on ways individuals can disinfect their homes and help keep the virus from spreading when someone in their home is sick and infected with Covid-19.
Safety	NBC 5 News	9/1/2020	6:00 a.m.	0:24	A safety warning for parents addressing a new challenge on the app Tik Tok that may harm their children. It's called the Benadryl Challenge. Teens are encouraging each other to take as much allergy medicine as needed to hallucinate. Some teens report taking a dozen or more pills. Side effects caused by overuse of the medication include heart attack, seizure, and stroke, leading to permanent brain damage. It can even be fatal.
Safety	NBC 5 News	9/4/2020	11:00 a.m.	1:50	Report on dangerous social media trends that are linked to a growing number of injuries and even deaths.
Safety	NBC 5 News	9/5/2020	6:00 p.m.	1:47	Dallas launches a new effort to bring peace to neighborhoods plagued by violent crime. The plan is to send "Violence Interrupters" into troubled neighborhoods. The people doing the work will be paid by donations. The money so far has come from AT&T and the Mark Cuban Foundation. More donations are needed.
Safety	NBC 5 News	9/7/2020	4:00 p.m.	2:42	Report on temperature checks at various locations and the most effective ways to screen in order to keep individuals safe.
Safety	NBC 5 News	9/10/2020	5:00 p.m.	1:46	Report on the state's Teacher's Union launching a crowd sourced Covid-19 tracker. The website allows teachers and others to report new cases at their individual schools.
Safety	NBC 5 News	9/14/2020	6:00 a.m.	1:30	Dallas Police Chief Reneé Hall and other top leaders set to address the city's crime rate and their efforts to keep citizens safe.
Safety	NBC 5 News	9/16/2020	6:00 p.m.	1:50	A small non-profit titled, "Como Lions Heart", are picking up PPE supplies from the United Way of Tarrant County. They're preparing to distribute half a million pieces to non-profits and churches throughout the county. This includes masks, hand sanitizer and wipes provided for free.
Safety	NBC 5 News	9/22/2020	4:00 p.m.	0:45	Report on the CDC's issued guidelines on how families and children can celebrate Halloween and Thanksgiving safely.
Safety	NBC 5 News	9/22/2020	6:00 p.m.	0:23	Although airport traffic is low, the TSA is seeing an increase in prohibited items at security. Officers have seized numerous items at checkpoints across the US. They are seeing lots of knives, guns, fireworks, butane tanks, throwing stars and more. Bringing these prohibited items can lead to a fine or jail time.
Safety	NBC 5 News	9/23/2020	4:00 p.m.	0:22	Report on the FBI's warning against what it calls "Bad Actors" spreading bad information to voters using mail-in ballots. The Cyber Security and Infrastructure Security Agency says the "Bad Actors" could attempt to alter existing websites, create fake websites and share false information across social media. The agencies are urging Americans to critically evaluate their sources of information before casting their vote.
Safety	NBC 5 News	9/24/2020	5:00 p.m.	0:14	The Denton County Transportation Authority are taking steps to keep riders and staffers safe during the pandemic. The agency plans to install no-touch hand sanitizer stations on all of its buses and inside its facilities by the end of the month.
Safety	NBC 5 News	9/28/2020	10:00 p.m.	2:00	Report on groups working to register voters stating it has been harder to reach people in the pandemic. It is not safe to go door-to-door or register people to vote at big events due to the Covid-19 pandemic.
Safety	Texas Today	9/29/2020	11:30 a.m.	4:02	The Worthy Co. is a social enterprise of The Net FW, a non-profit based in Fort Worth, Texas, that serves survivors of trafficking.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Transportation	NBC 5 News	7/1/2020	11:00 a.m.	2:14	American Airlines has begun filling flights to full capacity. There's no longer an empty seat between passengers. The announcement reverses the airline's decision in April to limit flights to 85% capacity.
Transportation	NBC 5 News	7/1/2020	4:00 p.m.	0:15	Starting tomorrow, DFW airport will require customers and employees to wear face coverings. Many airlines already required passengers to wear masks, but this is a new mandate for travelers within the airport itself.

Transportation	NBC 5 News	7/1/2020	4:00 p.m.	0:15	All Denton County Transportation Authority passengers are required to wear a face covering on buses and trains until further notice. The DCTA says proper coverings must cover both the nose and the mouth.
Transportation	NBC 5 News	7/1/2020	6:00 p.m.	0:20	DFW Airport will serve as American Airline's major trans-pacific hub as it adjusts its flight network to cope with the massive drop in demand due to the coronavirus.
Transportation	NBC 5 News	7/2/2020	11:00 a.m.	0:22	Travel is slowly starting to resume, but it's far from being "back to normal." A new survey commissioned by the American Hotel and Lodging Association found only 44% of Americans are planning overnight vacations or leisure travel in 2020.
Transportation	NBC 5 News	7/11/2020	6:00 p.m.	1:45	A report on nearly 700,000 Texans possibly driving around with licenses that expired during the pandemic shutdown. There is now a new strategy to help alleviate the backlog.
Transportation	5 Talk Street	7/15/2020	5:00 P.M.	7:45	A segment that focused on a local organization called, "VisitDallas." VisitDallas markets Dallas as the ideal visitor and convention destination in Texas. The Coronavirus has caused distress to many sectors of the economy, including travel and tourism industries, but VisitDallas is fighting back. The President and CEO of VisitDallas, Craig Davis, explains what the recovery of the tourism industry will look like and how the organization is helping to do so.
Transportation	NBC 5 News	7/17/2017	6:00 p.m.	0:16	A report on the \$2 billion-dollar, 26-mile Silver Line project. Crews are beginning to lay down the tracks between Marsh Lane and Midway. It will link Plano to the DFW airport.
Transportation	NBC 5 News	7/20/2020	6:00 a.m.	0:20	A report on the ride-sharing company, Lyft, distributing tens of thousands of vehicle partition shields to its most active drivers as a protection against the coronavirus. The company will give 60,000 partitions and sell the custom protective barriers to other drivers later this summer. Lyft began requiring both passengers and drivers to wear face masks in May.
Transportation	NBC 5 News	7/20/2020	5:00 p.m.	1:56	A report on a 30-day pilot program titled, "Dallas Slow Streets" designed to reduce traffic and increase outdoor pedestrian access to provide space to gather at a social distance outside, in the street. The program is in 10 different neighborhoods in Dallas. The Block Captain said the pandemic, while a problem, presented an opportunity to slow traffic.
Transportation	NBC 5 News	7/31/2020	6:00 a.m.	0:13	A report on countries allowing American tourists to travel, but requiring proof of a negative Covid-19 test before travel. There is a recommendation for travelers to check the stipulations before they plan their trips.
Transportation	NBC 5 News	8/6/2020	10:00 p.m.	0:25	The State Department is lifting the travel advisory for Americans that was put in place five months ago because of the Covid-19 pandemic. The agency states conditions no longer warrant a "blanket worldwide alert." However, travel warnings are still in effect with more than 50 countries. Many foreign nations are still not allowing Americans to cross their borders due to the ongoing coronavirus outbreak in the United States.
Transportation	NBC 5 News	8/12/2020	6:00 p.m.	0:14	Dart is installing masks and sanitizer dispensers on all of its buses, light rail vehicles and street cars. They are planned to be in place by the end of August or early September. If riders find a vehicle unsanitary, they can report the issue on Dart's app.
Transportation	NBC 5 News	8/19/2020	6:00 p.m.	0:16	Southwest Airlines is reporting modest improvements in their passenger demand for the month of August. Vacationers are booking last minute trips despite the pandemic. The Dallas-based airline says planes flew 40 to 45% full this month, which is better than they expected. Southwest Airlines explains bookings still remain inconsistent. The airlines also turned down a \$2.8-billion-dollar government loan, saying they could get financing elsewhere.
Transportation	NBC 5 News	8/20/2020	4:00 p.m.	0:30	Delta plans to continue to limit the number of passengers on their flights through early January. The carrier made the announcement in efforts to win over potential customers who are worried about flying during the pandemic.
Transportation	NBC 5 News	8/20/2020	5:00 p.m.	0:19	American Airlines is cutting service to 15 U.S. cities, 9 of which are only served by the Fort Worth based carrier. The cuts take effect starting October 7th. The cities were chosen because of low demand at the airports due to the pandemic.
Transportation	NBC 5 News	8/21/2020	6:00 a.m.	0:20	Report on Delta airlines announcing their continued efforts to block middle seats through the end of the year. Beginning in October, the airline will increase capacity from 60% to 75%. Solo travelers and parties of two will not be able to book a middle seat, but families of 3 or more can.
Transportation	NBC 5 News	8/24/2020	11:00 a.m.	0:20	Report on the updated CDC recommendations for travelers. The agency stated people who are traveling overseas or out-of-state no longer have to self-quarantine for 14 days. The CDC stated people who were exposed to the coronavirus, can still infect others for 14 days and should still continue to social distance and wear mask when they return from their trips.
Transportation	NBC 5 News	8/24/2020	11:00 a.m.	0:20	Report on customs and border protection increasing their security and cracking down on non-essential travel to help limit the spread of Covid-19. CBP officers are referring non-essential travelers to a secondary inspection and educating them on travel restrictions. Travelers looking to cross the border can expect to wait up to five hours.
Transportation	NBC 5 News	8/24/2020	6:00 p.m.	0:19	Southwest Airlines is cutting 35,000 flights in October. The month of October is when federal stimulus money from the Cares Act runs out. The cuts from Southwest Airlines include more than a 1/3 of the flights at Love Field. U.S. airlines will also be allowed to lay off employees when the federal help runs out on October 1st.
Transportation	NBC 5 News	8/28/2020	5:00 a.m.	0:20	The National Highway Traffic Safety Administration is laying out a new way to alert owners about vehicle recalls. The app is called "Safe Car." Owners can type or scan their vehicle identification number in the app. From there, they will receive notifications about recalls affecting their vehicle.
Transportation	NBC 5 News	8/31/2020	5:00 p.m.	0:25	Report on Amazon receiving federal approval to operate its fleet of "Prime Air" delivery drones. This means Amazon can carry packages on small drones beyond the visual line of site of the person flying the drone. Amazon says deliveries would happen in small cities and packages would weigh five pounds or less. The company hopes "Prime Air" will get packages to people's doorsteps in 30 minutes or less.

Transportation	NBC 5 News	9/2/2020	11:00 a.m.	0:24	Riders may have to provide proof they are wearing a face covering before their next ride with Uber. A new policy stipulates if a driver reports a rider wasn't wearing a mask, that person will have to send a selfie with a mask the next time they hail a ride. The verification rule expands on a requirement Uber imposed on its drivers back in May to reassure passengers. The new policy will roll out in the U.S. in late September.
Transportation	NBC 5 News	9/3/2020	4:00 p.m.	1:57	Air travel is very different during the pandemic with travel restrictions and mandatory masks. Traffic is still low, and the entire Aviation industry is trying to adjust to much lower demand.
Transportation	NBC 5 News	9/4/2020	11:00 a.m.	3:16	Report on an expected increase in travelers during Labor Day Weekend. The TSA has redesigned its checkpoints to protect passengers and officers.
Transportation	NBC 5 News	9/8/2020	10:00 p.m.	0:21	According to the TSA, people still aren't traveling as much due to the pandemic. Air travel over Labor Day Weekend was down nearly 60% compared to last year. Roughly, 3.3 million passengers passed through TSA checkpoints between Friday and Monday. That is still a major improvement from April, when passenger volume was off by more than 95%.
Transportation	NBC 5 News	9/14/2020	11:00 a.m.	2:06	Report on the Coronavirus hitting the auto industry hard. Factories shut down and new car inventories dried up. This is leading more buyers to the used-car market.
Transportation	NBC 5 News	9/17/2020	6:00 a.m.	0:24	Report on the ride share service, "Lyft" offering discounts on rides to any polling place or drop box on election day. Voters can get 50% off one ride, up to 10 dollars, when they use the cod "2020VOTE." Lyft's bikes and scooters are also eligible for the offer.
Transportation	NBC 5 News	9/22/2020	6:00 a.m.	0:25	Developers of the planned Bullet Train between Dallas and Houston say they've received important green lights from the federal government. The Federal Railroad Administration has signed off on safety regulations and an environmental review. Texas Central says it could break ground early next year.
Transportation	NBC 5 News	9/24/2020	5:00 p.m.	0:14	The Denton County Transportation Authority is taking steps to keep riders and staffers safe during the pandemic. The agency plans to install no-touch hand sanitizer stations on all of its buses and inside its facilities by the end of the month.
