

QUARTERLY ISSUES AND PROGRAMING LIST - KXAS-TV
2021 Q4 / October - December

Issue	Program	Date	Time	Duration	Episode/Segment Description
Alcohol and Drug Abuse	NBC 5 News	11/23/2021	11:00 a.m.	0:37	The FAA is continuing to crack down on unruly passengers. It has fined eight passengers a combined 160,000 dollars over incidents involving alcohol. One passenger is facing a 40,000-dollar penalty who brought alcohol on the plane, smoked marijuana in the lavatory and sexually assaulted a flight attendant. That passenger was arrested when the plane landed.
Alcohol and Drug Abuse	NBC 5 News	11/26/2021	11:00 a.m.	1:03	A local nonprofit is helping those in need during the holiday season. The nonprofit, the Kleinert Foundation based in North Texas, highlights social issues of sex trafficking, abuse, addiction and crime. During the holiday season, they celebrate Texas businesses that are doing their part to pay it forward and help those in need. They released their gift guide with companies operating with social responsibility in mind.
Alcohol and Drug Abuse	NBC 5 News	11/30/2021	6:00 a.m.	2:45	The Salvation Army Red Kettle campaign kicked off. The organization needs thousands of volunteer bell ringers now through the holidays. The Red Kettle campaign is the Salvation Army's largest fundraiser, and the money goes directly into programs that help North Texans overcome poverty, drug and alcohol addiction and homelessness.
Alcohol and Drug Abuse	NBC 5 News	12/1/2021	5:00 a.m.	2:05	The yearly overdose deaths in the United States are on the rise. The number surpassed 100,000 for the first time ever, according to the CDC. A local recovery shelter has given a warning regarding the impact the pandemic and the holidays will have on people's sobriety and addiction.
Alcohol and Drug Abuse	NBC 5 News	12/12/2021	5:00 p.m.	1:53	Dallas Police are stepping up enforcement to help decrease reckless and drunk-driving. The "Home for the Holidays" Program is a new initiative targeted towards intoxicated driving. The Dallas PD's DWI squad will be out in full force working throughout the city. The Texas Department of Highway Safety announced that they will have more officers and troopers on the road.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Children	NBC 5 News	10/7/2021	10:00 p.m.	2:33	Victoria Saylor from the nonprofit group, Common Sense Media, explains how the nonprofit provides real data about the effects of social media on children. The organization also offers solutions for parents needing help guiding their kids through digital life.
Economic Development	NBC 5 News	10/18/2021	4:00 p.m.	0:56	Schools in North Texas and across the country struggling to put lunches together for students. Staff and supply chain shortages are impacting the meals students get. Schools are being forced to change and get creative with their menus. Cafeterias are increasingly worried about kids going hungry and schools can't just go shopping at local grocery stores. The rising cost of providing hot meals could impact the price parents and schools pay.
Children	NBC 5 News	10/18/2021	10:00 p.m.	2:09	The price for mental healthcare for families across North Texas can be costly. The group, Communities in Schools, is raising 10 million dollars to help young students and their families. The mental health crisis has gone from bad to worse during the pandemic.

Children	NBC 5 News	10/27/2021	11:00 a.m.	1:45	Although children are less likely to suffer from severe Covid-19 symptoms, more than 8,400 children have been hospitalized over the course of the pandemic. Still, parents are split over getting their young children vaccinated against the virus.
Children	NBC 5 News	11/1/2021	5:00 p.m.	1:47	Doctors state there doesn't seem to be any concerning long-term symptoms in babies born with Covid-19. NBC 5 Health Reporter Bianca Castro visited a Garland family of the toddler, one year after becoming the first known Dallas County baby born with Covid-19.
Children	NBC 5 News	11/14/2021	6:00 a.m.	0:42	Vaccination efforts for younger children are continuing across North Texas. Tarrant County partnered with Arlington ISD for a mass vaccination clinic. Hundreds came out for the event, focused on the 5 to 11 years age group.
Children	NBC 5 News	11/14/2021	10:00 p.m.	0:21	NBC 5 teams up with the Salvation Army for the Angel Tree program. With the help of the community, children 14 and under and senior citizens can be helped this holiday season. People can adopt an Angel, drop off gifts at local malls and Salvation Army warehouses, and donate to the Salvation Army Angel Tree program.
Children	NBC 5 News	12/3/2021	10:00 p.m.	2:35	There is a race to find safe housing for hundreds of children in foster care in Texas. The state doesn't have enough beds for children who have often faced severe trauma and are harder to place. Gladney House has created a program that is designed to help teen girls find forever homes.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Consumer	NBC 5 News	11/11/2021	5:00 a.m.	2:51	The National Retail Federation says grocery stores are stocking up their stores now with Thanksgiving foods. Foods such as spices, cranberry sauce and stuffing are experiencing shortages. Grocery stores are trying to avoid the rush by stocking Thanksgiving type foods the week before Thanksgiving. Experts fear there's not enough product to go around. Their message to consumers is to stock up now.
Consumer	NBC 5 News	11/11/2021	6:00 p.m.	0:50	There is a possibility that more than a million Texans will have to pay more for their telephone and internet service, or they could lose their service altogether, if they don't comply. Governor Abbot recently struck down a bill to update the state's program called the Universal Service Fund. The program exists to make sure all Texans have access to the same level of communication services at a responsible price. Many of the companies have been operating on a shoestring for months. a
Consumer	NBC 5 News	11/21/2021	6:00 a.m.	1:57	DFW's Christmas markets make a comeback after last year's forced hiatus due to Covid-19. This year could be a record setting year for shoppers and consumers.

Consumer	NBC 5 News	11/23/2021	4:00 p.m.	1:42	Heating bills are rising in the winter, according to a recent energy administration report, and it doesn't matter if consumers heat with gas, electric or oil. NBC 5 Consumer Reports reveals some money-saving tips to help people cut the high heating bills.
Consumer	NBC 5 News	11/27/2021	6:00 p.m.	2:12	Small Business Saturday is a chance for holiday shoppers to spend money locally. Shop owners are hoping to end 2021 successfully.
Consumer	NBC 5 News	11/30/2021	4:00 p.m.	3:20	The supply chain is facing major issues and shortages. Companies are looking for new ways to ensure people get what they need, especially during the holidays. Walmart is one of the companies hoping to keep up with the holiday demand and get packages to consumers' doorsteps.
Consumer	NBC 5 News	12/2/2021	10:00 p.m.	3:11	The decline in the supply chain is effecting the auto industry and causing a shortage in auto parts. The shortage in parts is also creating a backlog for many repairs.
Consumer	NBC 5 News	12/7/2021	4:00 p.m.	0:47	More restaurants are wanting to focus on dine-in customers and may soon look away from meal delivery. A Dallas-based restaurant consultant stated restaurants want to focus on where the money is and their lack of staff. A recent consumer survey showed 15% of diners reported delivery wasn't available during peak times in recent months. The survey also found that some don't believe delivery is worth it because of the fees or wait time.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Crime and Law Enforcement	NBC 5 News	10/11/2021	5:00 a.m.	1:20	Through the end of September, overall crime in Dallas was down nearly 6% compared to 2020. In some categories it was down more. Robbery was down by 26% and sex offenses were down 34%.
Crime and Law Enforcement	NBC 5 News	10/22/2021	5:00 p.m.	0:15	National Prescription Drug Take Back Day allows people to drop off any prescription pills to any police station all day with no questions asked. The event is to curb drug overdose deaths and addiction.
Crime and Law Enforcement	NBC 5 News	10/24/2021	6:00 a.m.	1:01	Dallas County deputies and Dallas Police are teaming up with other law enforcement agencies to reduce domestic violence, and they want to provide people with life-saving information. They are distributing flyers about a Texas law that provides victims with a way to escape. They can apply for an order from the court to help them get out of apartment leases. One county constable recently helped a woman get away from her abuser, who was constantly showing up at her apartment and harassing her. County officials say domestic violence cases have risen more than 8% since 2018.

Crime and Law Enforcement	NBC 5 News	10/27/2021	11:00 a.m.	0:45	The City of Dallas is teaming up with law enforcement in a new approach to cut down on panhandling. Panhandlers will be offered food, counseling and housing. Those who decline will face consequences. The public will also be asked to donate to charities instead of giving money directly to panhandlers. The new plan comes after past panhandling programs failed to produce significant results. Some of the city's efforts are already underway, but a test of the new program for compassion with enforcement begins next month.
Crime and Law Enforcement	NBC 5 News	11/23/2021	4:00 p.m.	5:33	The number of catalytic converter thefts are skyrocketing during the pandemic. The National Insurance Crime Bureau says Texas was in the top 5 states hit hardest by the crime in 2020. State lawmakers passed a new law hoping to reduce thefts.
Crime and Law Enforcement	NBC 5 News	11/23/2021	10:00 p.m.	5:52	Paper tags are being sold illegally online. People are driving cars that don't pass state inspection. This also allows criminals to hide from the police. NBC 5 Investigates reveals how paper tags are more than just a safety threat. They are also costing taxpayers a fortune. The NTTA stated that illegal cars have racked up more than 14-million dollars in unpaid tolls so far this year.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Cultural	NBC 5 News	10/1/2021	4:00 p.m.	1:41	The historic Heritage Trails was once an entryway into a thriving Black business district. Historians say there were Black owned restaurants, a hotel, hospital and more. The storefronts are now gone, but a group of organizations made sure the area's history would never be forgotten. Community members and descendants of doctors and business owners celebrated the unveiling of two new historical markers. One for the Black Medical District and the other for the Black Business District. These areas allowed Black doctors and Black entrepreneurs, who couldn't work in other areas, to build practices and serve Black people who were often denied service. Both markers will be installed in downtown Fort Worth on the street leading to the convention center.
Cultural	NBC 5 News	10/7/2021	6:00 p.m.	1:40	The legacy of a poet from Chicago was featured. His art showcases Hispanic heritage and culture.
Cultural	NBC 5 News	10/27/2021	5:00 p.m.	0:46	The Latino Cultural Center in Dallas prepares for Día de los Muertos. The centuries-old tradition celebrates loved ones who have passed away. The event, hosted by the Latino Cultural Center, will be free and open to the public. The art at the altars will be on display through mid-November. Anyone who attends is welcomed to add a photocopy of a departed loved one.
Cultural	NBC 5 News	11/11/2021	11:00 a.m.	2:03	Veterans Day honors those who served the country. A celebration in Fort Worth at Panther Creek Pavilion honored the men and women, past and present, through the City's annual parade.
Cultural	NBC 5 News	11/11/2021	4:00 p.m.	3:37	NBC 5's Community Conversation focuses on Native American Heritage Month and the celebration of traditions that honor Native Americans.

Cultural	NBC 5 News	11/11/2021	6:00 p.m.	0:50	Choctaw Nation Chief, Gary Batton, explained ways people can get involved and learn more about Native American cultures. He stated the best way to do so is to reach out to local tribes. People can also visit the Choctaw Nation Cultural Museum in Durant, Oklahoma. Donations to tribes also help send Native American students to college and help with social services.
Cultural	NBC 5 News	11/19/2021	4:00 p.m.	1:17	A Native American restaurant in the stockyards is shedding light on culture and cuisine. The owner, Ruth Hooker, wants visitors to get a taste of western culture and Native American heritage.
Cultural	NBC 5 News	12/5/2021	6:00 a.m.	0:42	An update on the new National Juneteenth Museum in Fort Worth. The project will be led by Opal Lee, the grandmother of Juneteenth. The museum will be part of a mixed-use development that will help revitalize the city's historic Southside neighborhood. It will educate and host seminars and lectures on freedom. The new museum will replace the current Fort Worth Juneteenth Museum and is expected to open in 2024.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Economic Development	NBC 5 News	10/24/2021	5:00 a.m.	1:55	Texas showed promising job gains last month.
Economic Development	NBC 5 News	11/23/2021	11:00 a.m.	1:39	President Biden addresses the economy and the White House announces a plan to help gas price relief by easing sticker shock and slowing the rise in gas prices.
Economic Development	NBC 5 News	11/26/2021	4:00 p.m.	0:31	The supply chain is having a negative snowball effect on shopping trends for consumers. Supplies are low in 7 key areas: liquor, chicken, medical supplies, toys, video game consoles, sweatpants and gasoline. Production isn't ramping up at the same rate of demand, which means prices at the gas pump could remain high for months to come.
Economic Development	NBC 5 News	11/26/2021	4:00 p.m.	0:31	The supply chain is affecting beer, wine and liquor producers. They are not able to get enough glass to make bottles in their signature shapes.
Economic Development	NBC 5 News	11/26/2021	6:00 p.m.	0:19	Small Business Saturday is a way to support local businesses, especially at a time when the pandemic has challenged so many to stay afloat. Amazon also offers a small business gift guide that puts focus on black-owned, women-owned, family-owned and military-owned businesses.
Economic Development	NBC 5 News	12/2/2021	6:00 p.m.	0:42	The Dallas Regional Chamber and Mayor Eric Johnson held an end of the year conversation focusing on the effects of Covid-19 and the impact on the city and economic recovery. Mayor Johnson stated the City Council is focused on helping small businesses. The mayor also says he wants to invest in South Dallas with federal funding from the President's trillion-dollar plan to fix the nation's roads, bridges and ports.

Issue	Program	Date	Time	Duration	Episode/Segment Description
Education	NBC 5 News	10/1/2021	4:00 p.m.	1:49	Schools across North Texas are warning students and their parents about social media challenges. Schools state they will not tolerate the use of social media on campus. Children are challenging one another to be devious and record it for the world to see. NBC 5 Education Reporter, Wayne Carter, explains how schools are taking steps to fight back.
Education	Lone Star Politics	10/7/2021	4:00 p.m.	1:53	A recruitment fair was held in Arlington and most of the academic institutions represented were from historically Black colleges and universities. Students got a chance to ask questions and get a feel for their educational choices after high school.
Education	NBC 5 News	10/22/2021	4:00 p.m.	1:55	A teacher wellness program is helping teachers in Dallas ISD find ways to band together to fight stress and the academic challenges post pandemic. NBC 5's Education Reporter, Wayne Carter, went to the classroom to show viewers how they're helping one another cope.
Education	NBC 5 News	10/25/2021	4:00 p.m.	2:58	Teachers are expanding their curriculum and teaching kids new things in the classroom that are fun and innovative. NBC 5 Education Reporter, Wayne Carter, visits a school in Euless to show ways girls are getting into coding, through the CITC Coding Girls Club.
Education	NBC 5 News	11/3/2021	6:00 p.m.	2:42	A landslide school board election in Southlake can possibly mean the end of the district's controversial diversity plan.
Education	NBC 5 News	11/10/2021	6:00 p.m.	2:08	The City of Fort Worth and Texas A&M University is teaming up for a major project aimed at transforming Downtown. The University will build a top-tier research campus to partner with local businesses.
Education	NBC 5 News	11/11/2021	6:00 p.m.	1:00	Southlake librarians in Carroll ISD are doing keyword searches for particular phrases in books, with the instructions to add the book titles to a list to report back to the state. This comes after Fort Worth lawmaker, Matt Krause, looked into classroom libraries. Krause, wants the TEA to investigate hundreds of books that deal with race, gender identity and sexuality. Governor Abbott told the Texas Association of School Boards to figure out the extent to which inappropriate content exists in public schools and remove it.
Education	NBC 5 News	12/1/2021	5:00 p.m.	0:32	Texas A&M University's enrollment of Latino students is on the rise. The Hispanic Association of Colleges and Universities designated Texas A&M as a Hispanic-serving institution after 25% of undergraduates were Latino in the Fall of 2020 and 2021 semesters.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Environment	NBC 5 News	10/18/2021	10:00 p.m.	0:45	The Texas Public Utility Commission will take a better approach to protect the power grid. They published their recommendations for 2 phases of new rules. The first phase would take effect this winter. THE PUC staff says a second phase of more comprehensive year-round weather rules should be created later after a comprehensive weather study that's currently underway. The PUC will meet to talk about whether to adopt this new plan.

Environment	NBC 5 News	10/27/2021	10:00 p.m.	1:01	An undeveloped stretch of Lake Arlington is vacant and being filled with trash. A nonprofit organization believed it could be a key part in revitalizing East Fort Worth. The area is called the Living Waters Park and students at UT Arlington have created a master plan for the site. Living Waters is a nonprofit and leaders are raising money to build an amphitheater, marina and other event spaces to turn the area into an educational and entertainment attraction to draw more investments to this particular part of the town.
Environment	NBC 5 News	11/5/2021	10:00 p.m.	1:45	There is a race across North Texas to prevent another winter disaster. December 1st is the date every power generator must be fully prepared for frigid weather or face incredible fines. Companies are trying to find solutions to make sure the same thing doesn't happen like last winter's power disaster.
Environment	NBC 5 News	11/11/2021	4:00 p.m.	3:11	Johnson County warehouse created a new type of farming. It is growing in a direction that can lead to a major change. The entire operation could help solve food supply issues being caused by the changing climate.
Environment	NBC 5 News	11/23/2021	5:00 p.m.	0:19	President Biden is taking a rare step of releasing oil from the nation's strategic petroleum reserve. He is releasing 50-million barrels.
Environment	NBC 5 News	12/1/2021	6:00 p.m.	0:15	Irving-based Exxon Mobil is pushing a 15-billion-dollar plan to create emission-reducing technology. The company says it will increase investing in low carbon solutions for its business and its aiming to lower greenhouse gas emissions by 20% in the next decade.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Family	NBC 5 News	10/18/2021	10:00 p.m.	2:09	The price for mental healthcare for families across North Texas can be costly. The group, Communities in Schools, is raising 10 million dollars to help young students and their families. The mental health crisis has gone from bad to worse during the pandemic.
Family	NBC 5 News	11/10/2021	4:00 p.m.	2:57	Families are experiencing divides as one parent may feel strongly about vaccinating their child against Covid-19 and the other may completely disagree. Dallas based psychologist Leigh Holman explained tips on how to navigate through these difficult conversations among parents.
Family	NBC 5 News	11/25/2021	4:00 p.m.	2:17	A couple in Plano is fighting hunger and helping those need in North Texas. Their movement has accumulated thousands of dollars and provided millions of meals for families in need.
Family	NBC 5 News	11/26/2021	5:00 a.m.	1:47	The Salvation Army Angel Tree program is wrapping up and the deadline for people to donate gifts to families in need. The presents will be distributed to children, seniors and adults with special needs across North Texas to make their Christmas brighter. The Salvation Army says almost half of their angels are at risk of being forgotten this holiday season.

Family	NBC 5 News	11/30/2021	10:00 p.m.	1:41	Giving Tuesday is helping families and the community. The amount of families searching for help is rising and the supply chain shortage is impacting the number of donations.
Family	NBC 5 News	12/5/2021	6:00 a.m.	0:46	Hundreds of North Texas families in need picked up supplies in Dallas for the holiday season. Star Prayer Center and World Vision partnered to provide items like furniture, bedding, PPE, diapers and more. They also honored a woman who has worked tirelessly for the Fort Worth area. Organizers say it's a blessing when people, who know the struggle, are able to relate and give back.
Family	NBC 5 News	12/10/2021	6:00 p.m.	1:40	Families are relocating nearly four months after Afghanistan returned to Taliban control. The refugees are newly settled in North Texas. A former U.S. Military interpreter also reunited with his family in North Texas.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Government	Lone Star Politics	10/3/2021	6:00 a.m.	3:02	Thousands of women across the nation are joining in on the "Walk to Next Position," a street protest against laws that are restricting their reproductive freedom. At the forefront of the fight is Texas's new abortion law and Texans turned out to make their voices heard.
Government	NBC 5 News	10/7/2021	10:00 p.m.	1:12	The transgender bill is underway and supporters say it's all about fairness. During the hearing they could not provide examples in Texas where transgender individuals took someone's spot in a sport or caused them to lose an athletic scholarship. The bill did pass the committee and will now go to the House for a full vote.
Government	NBC 5 News	10/15/2021	10:00 p.m.	0:41	The Texas Senate is preparing to debate a bill that would ban certain Covid-19 vaccine mandates. Unlike Governor Greg Abbott's newest order, which bans anyone from mandating the shot, Senate Bill 51 only prevents government entities and schools from doing so and gives certain exemptions. These exemptions include religious beliefs and medical conditions.
Government	NBC 5 News	10/29/2021	5:30 a.m.	1:12	The NAACP is taking a stand against Texas' abortion and voting laws. The group is pleading with free agents to avoid signing with Texas Teams.
Government	NBC 5 News	11/10/2021	5:00 a.m.	2:57	A new bill is working its way through Congress to help millions of nursing mothers across the country. One local woman is on a mission to end disparities and lack of access for women across North Texas.
Government	NBC 5 News	11/23/2021	4:00 p.m.	0:28	Dallas County Judge, Clay Jenkins, celebrates a victory as the state appeals court ruled Governor Abbott's ban on mask mandated violates Jenkin's ability to lead the country's response to the Covid-19 pandemic. Jenkins has emphasized the importance of masking up throughout the pandemic and stated he will continue to stand for the public's safety against any threat.
Government	NBC 5 News	12/7/2021	6:00 a.m.	0:50	The Federal Government is suing Texas over the state's new congressional maps. Attorney General Merrick Garland says the state's re-districting plan violates the rights of Latino and Black voters. Associate Attorney General Vanita Gupta explained the Justice Department's reasoning.

Government	NBC 5 News	12/10/2021	11:00 a.m.	0:42	The Supreme Court made a major ruling on the Texas abortion law. A lawsuit filed by abortion providers challenging the law can move forward. However, the justices will allow the law to remain in place while the case is being argued. The court said the second lawsuit, which was filed by the Biden Administration, cannot move forward.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Health and Medical	NBC 5 News	10/1/2021	10:00 p.m.	2:22	Cities are turning pink and hosting walking events to honor those who survived breast cancer. Making Strides Against Breast Cancer is featured in a report from NBC 5's Allie Spillyards who spoke with a group of survivors about why awareness matters.
Health and Medical	NBC 5 News	10/3/2021	6:00 a.m.	0:38	The Hispanic Wellness Coalition hosted free health services during a wellness fair in Downtown Fort Worth. The event titled, Carnaval de Saluda, is a kickoff to the Bi-National Health Week Program, which is an international health fair for the Hispanic community.
Health and Medical	NBC 5 News	10/7/2021	4:00 p.m.	1:56	Every 40 seconds, someone in the United States suffers from a stroke. This impacts the person's ability to walk, move and speak. For most patients who survive, progress plateaus after 6 months of therapy, but now a new brain controlled breakthrough device is helping people regain the use of their hands years, and even decades after a stroke.
Health and Medical	NBC 5 News	10/27/2021	6:00 p.m.	1:55	The Pfizer's Covid-19 vaccine is one step closer to being approved for young children. Officials are looking into roles school could potentially play when it comes to vaccinating kids. Tarrant County school leaders discussed the matter.
Health and Medical	NBC 5 News	10/29/2021	5:00 p.m.	3:02	Taste buds are being affected by Covid-19. This is an unusual side effect of Covid-19 that is impacting millions of Americans. NBC 5 Health Reporter, Bianca Castro, explains the bizarre long-haul symptom and promising news for people who are suffering from it.
Health and Medical	NBC 5 News	11/21/2021	5:30 a.m.	4:23	The impact of the nursing shortage is causing major problems. Thousands of Texans rely on private duty nursing to help care for loved ones with special medical needs in the comfort of their own home. The pandemic highlighted major staffing shortages among nurses in hospitals and emergency care. There are also nurse shortages in home health care. NBC 5 Responds explains the struggles families are facing with "The Invisible Wait List" for care.
Health and Medical	NBC 5 News	11/23/2021	4:00 p.m.	2:02	The month of November is Alzheimer's Awareness Month, and more than 6-million Americans are living with the disease. Researchers are working hard to find out why some people get it, and some people don't. Researchers are trying to discover a way to stop it. There are three breakthroughs that could end up saving millions of lives.
Health and Medical	NBC 5 News	11/23/2021	10:00 p.m.	3:20	Hundreds of women are being told they will never be able to have children. The women have absolute uterine infertility, meaning many of them were born without a uterus. Now, there's a new medical option making the once impossible, a reality. The medical option is a uterus transplant.

Health and Medical	NBC 5 News	11/26/2021	11:00 a.m.	2:39	The World Health Organization is calling an emergency meeting to discuss a new Covid variant, B11-529 that arrived in South Africa. The numbers are small so far, but South African scientists have detected 30 mutations to the spike protein. This could have implications for how well vaccines work and how contagious it is. If the working group determines it is of concern, the WHO will assign it a Greek name.
Health and Medical	NBC 5 News	12/10/2021	4:00 p.m.	3:39	A new eye drop that can help people see without their glasses is now on the market. It's the first FDA approved eyedrop to treat age related blurry near vision, also known as Presbyopia. The eye drop temporarily corrects vision so people can see up close. It allows people not to use their readers for 6 to 10 hours.
Issue	Program	Date	Time	Duration	Episode/Segment Description
Housing	NBC 5 News	10/7/2021	5:00 p.m.	0:20	The City of Dallas is providing rental assistance to help community members pay their bills. They are helping individuals who are behind on their rent due to the impact of Covid-19. The Eastfield Campus of Dallas College hosted an emergency rental assistance event. Participants had to provide proof of lease, income and evidence of how much they owed.
Housing	NBC 5 News	10/12/2021	10:00 p.m.	0:28	The city council approved the first apartment complex in a South Fort Worth neighborhood in 50 years. A neighborhood group opposed the apartments, saying it would gentrify their largely Latino neighborhood, but the City Council unanimously approved rezoning, to allow the apartments to be built.
Housing	NBC 5 News	10/18/2021	4:00 p.m.	0:35	The final piece of funding is lining up for an ambitious Dallas Homeless Housing Plan. The plan is to house at least 2,700 homeless people within 2 years. Most of the 72-million-dollar cost comes from the City of Dallas, Dallas County and other local governments. The Metro Dallas Homeless Alliance announced the final 10-million dollars has been secured from private and corporate donations. The plan calls mostly for apartment vouchers, but also some new construction for housing homeless people.
Housing	NBC 5 News	10/27/2021	4:00 p.m.	2:02	New construction helps raise taxes that cities count on to provide crucial services like police and streets, but builders are complaining Dallas building inspection and permitting is a concern, A city briefing will be held to confirm just how bad the process is and the problems that are unfolding.
Housing	NBC 5 News	12/3/2021	11:00 a.m.	0:50	The Fort Worth housing market continues to set records, even as home sales slowdown. The median home price in Fort Worth is at \$310,000 dollars according to the Greater Fort Worth Association of Realtor's recent report. This is an increase of nearly 2% since September. A local realtor explained to NBC 5 the "hot" housing areas across Fort Worth and stated even though the speed of home prices have slowed down, there's still a "pent up" demand.
