Children	NBC 5 News	10/28/2022	4:00 PM	2:53	You've probably heard about high schools offering college classes early to help students get a jump, but what about high schools that move onto a college campus and let students experience college life a little early. Wayne Carter's in the classroom to show us how students are saving money, earning a degree and getting more one on one attention all before their 18th birthday.
Children	NBC 5 News	10/27/2022	4:00 PM	:42	More teens and young children than ever before are having to get glasses. That's what doctors at Parkland are warning parents about. Dr. Hina Robertson, a therapeutic optometrist, says generally, nearsightedness or myopia is a genetic condition, but smaller screens, closer to the face, have caused children's vision -- even in otherwise healthy visioned children -- to get even worse. The simplest thing parents can do? Cut down the screen time.
Children	NBC 5 News	11/1/2022	10:00 PM	:38	There are a lot of questions tonight after Prosper police say a preschool teacher exposed toddlers to THC, the active ingredient found in marijuana. It happened at Primrose School of Prosper on Halloween. Four children were taken to the hospital and are now recovering.
Children	NBC 5 News	11/17/2022	10:00 PM	:55	When the temperature drops, puffer jackets are the go-to winter coat for lots of people. They're big. They're bulky, and they keep you warm, but they can be really unsafe for children in car seats. the American Academy of Pediatrics recommends parents take those coats off their children before strapping them into their car seat. That's because experts say the puffiness of the coat will compress underneath the harness creating dangerous safety gaps. Experts say most coats are not acceptable in the car seat because most of them are going to compress. They say instead use a light jacket and or a light blanket in the car.
