RE: Chief Operator Designation

As of 2/13/12, Bryan Switzer is designated as the Chief Operator at KUVN TV-23 and KSTR TV-49. In the event that he is not able or available to perform any or all of the duties required under Sec.73.1870 of the Federal Communication Commission's rules, Hector Hernandez is designated as Chief Operator until relieved of that duty.

In the event that Hector Hernandez is not able or available to perform any or all of the required duties as Chief Operator, Bryan Switzer will designate in writing, an alternate.
