Re: Methods of Determining Issues

Date: April 5, 2024

WEIU FM determined the issues/program list for the 1st quarter of 2024 by the following methods:

1. Analysis of local news reports from newspapers, television & radio.
2. Feedback from community members via various staff members participating in community service groups in the listening area.
3. Discussion of issues with local and regional officials on a continuing basis.

Please advise if you have any further questions or require further information.
