WTVN
Quarterly Issues/Programs List

WTVN provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Heart health:** Dr. B.J. Hicks of the Executive Board of the American Heart Association discussed heart disease and stroke in women.
- **Childhood obesity:** Stephanie Miller of the Ohio Department of Education, discussed how one in five kids and teens is overweight or obese and as a result are at great risk for serious health issues.
- **Ohio small business:** Representatives from the Ohio Small Business Administration discussed the COVID-19 pandemic's effect on area small businesses and the service they provide to help them.
- **Military & Veterans:** Jeffrey Williams, communications coordinator for the Blinded Veterans Association, talked about how their efforts to fight for the medical and employment services that they and their fellow veterans have earned.
- **Diabetes management:** Representatives from the Central Ohio Diabetes Association talked about how diabetes is a complex and overwhelming disease. They discussed helpful solutions and information on diabetes management.
- **American Red Cross blood donations:** Cory Paul, Director of Blood Services with the American Red Cross, talked about the dire blood shortage emergency and how listeners can help by donating at an area blood drive.

Section I
