WTVN
Quarterly Issues/Programs List

WTVN provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Senior care:** Representatives from the Central Ohio Area Agency on Aging talked about the rewards and challenges for citizens who expect to care for older loved ones during the COVID-19 pandemic.
- **Heart health:** Krista Barber of the American Heart Association talked about obstructive sleep apnea and how it more than doubles the risk of dying from heart disease if left untreated.
- **COVID-19 vaccination progress:** Representatives from the Ohio Department of Health talked about the progress with COVID-19 vaccinations in Ohio and information to get to citizens about availability and how to make an appointment.
- **Cancer care:** Michelle Miller of the American Cancer Society talked about how the best cancer care starts with the best cancer information. She offered information about types of cancer, side effects, coping, caregiving, clinical trials and more.
- **Small businesses challenges during COVID 19:** Representatives from the U.S. Small Business Administration talked about the microbusinesses that have a unique set of challenges during the COVID-19 pandemic.
- **Ohio Donor Registry:** Staff and volunteers with Lifeline of Ohio discussed the Ohio Donor Registry and how to sign up.

**Section I
LOCAL PROGRAMMING**

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
