WTVN  
Quarterly Issues/Programs List

---

WTVN provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Public safety:** Central Ohio law enforcement officers discussed efforts to make the community safe, and also talked about safety initiatives.
- **Child health:** Discussions of vaccines for children and free COVID test kits.
- **School safety:** Law enforcement officials discussed increasing security for schools.
- **Crime:** Police officials talked about the increasing incidents of gun violence.
- **Women's History Month:** A discussion of better representation of women in marketing, media and entertainment.
- **Family health:** A talk with the American Cancer Society about breast cancer in women and prostate cancer in men.

---
