WTVN  
Quarterly Issues/Programs List

---

WTVN provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Health and safety:** A discussion of the work the HHS has done with the COVID pandemic and what comes next after the conclusion of the public health emergency.
- **Mental health:** A neuropsychology professional talked about strategies to help parents communicate with children and young adults in the aftermath of a tragedy.
- **Martin Luther King, Jr. life and legacy:** Arndrea King, Martin Luther King III and his wife reflected on the life and legacy of Dr. Martin Luther King, Jr following the 55<sup>th</sup> anniversary of his assassination.
- **Alcohol and substance abuse:** Laurie Dhue, Chief Branding officer for RecoveryEducation.com discussed alcohol use disorder and her own personal battle.
- **Women's heart health:** A discussion on the success of the most recent Go Red For Women campaign.
- **Men's health:** A talk about the importance of men getting screened early for prostate and colon cancer.

---
