WTVN
Quarterly Issues/Programs List

WTVN provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Heart health:** Krista Barber, Community Director for the American Heart Association, talked about atrial fibrillation - or A-Fib, which she said are sensations of having a fluttering or rapid heartbeat increasing the risk of clotting and stroke.
- **Seniors and the hot weather:** Officials from the U.S. Administration On Aging talked about how the extreme heat of this summer's weather can pose a threat for older adults, especially those with health problems.
- **Calcium and good health:** Representatives from the American Dairy Association discussed how calcium in the diet plays a major role in maintaining good health.
- **Buying a home amid the pandemic:** Members from the Ohio Board of Realtors talked about how the pandemic has impacted the process of buying a home.
- **Alzheimer's patients and their caregivers:** Edwina Blackwell-Clark, Communications Coordinator with the Ohio Division of the Alzheimer's Association, talked about services available designed to give care to the caregivers of Alzheimer's patients.
- **U.S. Census information:** Attorney Luis Davila Colon talked about the 2020 Census and Hispanic growth in the U.S.

**Section I
LOCAL PROGRAMMING**

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
