WTVN
Quarterly Issues/Programs List

WTVN provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Senior care:** Staff members from the Hilliard Senior Center talked about how many seniors get the care that they need, thanks to alert friends and family recognizing certain warning signs.
- **Heart health:** Dr. Ali Patel of Ohio Health discussed how a good doctor-patient partnership can help keep high blood pressure under control. He suggested asking about your blood pressure at each checkup, then to follow up as directed.
- **Managing diabetes:** Representatives from the Central Ohio Diabetes Association talked about diabetes is a complex and often overwhelming disease. Hey offered additional information on monitoring, meal planning, exercising and stress management.
- **Home safety:** With the annual time change back to Eastern Standard Time, members from the Dublin Community Council offered information on how to use the time change to remember to check your fire alarm batteries, and do certain maintenance projects for your car.
- **Small businesses and COVID 19:** Representatives from the U.S. Small Business Administration discussed how many small businesses were able to survive the COVID-19 pandemic up to this point and how the upcoming holiday season can be of further help.
- **Residential fire protection:** Representatives from the Ohio Fire Protection Association discussed how to protect yourself from residential home fires by installing smoke alarms in every bedroom and on every level of your house, including the basement.

Section I
