WTVN
Quarterly Issues/Programs List

WTVN provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Health and safety:** A discussion of the importance of vaccinations with a reported new strain coming.
- **Community banks:** A discussion on how community banks provide a large number of small business loans.
- **Family health:** A talk with Prevent Blindness Ohio about eye health.
- **Car care:** Ohio Car Care Council members discuss auto care in hot summer weather.
- **Women's heart health:** A discussion on the success of the most recent American Heart Walk.
- **Men's health:** A talk about the importance of men getting screened early for prostate and colon cancer.

**Section I
LOCAL PROGRAMMING**

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
