Dear Mr. Lubanski:

We have completed our review of your response submitted on behalf of Apple Valley Broadcasting, Inc., licensee of the above-reference station, to the February 12, 2014 random audit letter sent to it in accordance with the provisions of 47 C.F.R. Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules.

As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10) of the Commission's rules for commercial stations, or Section 73.3527(e)(11) for noncommercial stations, copies of this letter, our February 12 audit letter, and the audit response must be placed in the station's public inspection file to remain until grant, by final order, of the next renewal application of the license for the station.

Additionally, pursuant to Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3526(e)(11) for noncommercial stations, the licensee must upload copies of this letter, our audit letter, and its audit response in the station's online public inspection file. The materials must remain in the online public file until the next grant of the renewal application, by final order, of the license for the station.

Should you have any questions concerning this matter, you may contact Rodney Royse of the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

Lewis C. Pulley
