READY OR NOT ... THE END OF OLD FASHIONED, OVER-THE-AIR TELEVISION IS GETTING NEARER.

IN LESS THAN TWO YEARS, YOUR TELEVISION COULD STOP RECEIVING ANY CHANNELS.

[TAKE SOT]  
WE HAVE CABLE

[TAKE SOT]  
SATELLITE

[TAKE SOT]  
WE WATCH CABLE

[TAKE SOT]  
SATELLITE

(TRACK)  
IT'S SEEMS AS THOUGH EVERYONE SUBSCRIBES TO CABLE, HAS A SATELLITE DISH OR OWNS A DIGITAL TELEVISION SET. BUT NOT TRUE. IN FACT 17 PERCENT OF HOUSEHOLDS IN ILLINOIS WATCH TV THE OLD FASHIONED WAY LIKE JAY GIALLOMBARDO.

[TAKE SOT]  
JAY GIALLOMBARDO / ANALOG TV WATCHER: a lot of people my age when they were young their parents got cable right away and they grew up with cable and it is an actual way of life. i never had it i have never missed it.

(TRACK)  
NATIONWIDE SOME 20 MILLION HOUSEHOLDS STILL WATCH ANALOG TRANSMISSION.  
BUT WITHIN THE NEXT 2 YEARS THAT WILL CHANGE.

[TAKE SOT]  
Are all stations going to do this? There is no chance this is going to get reversed?

(TRACK)  
NO WAY, JAY. BY FEBRUARY 17 OF 2009, THE U-S GOVERNMENT IS SHUTTING DOWN ALL ANALOG TRANSMISSION. (NAT OF TV GOING TO BLACK)

[TAKE SOT]  
I don't know how they can pass that kind of legislation, it doesn't really seem fair.

[TAKE SOT]

technology is moving on so you have to do something better

[TAKE SOT]

it's the future I guess

(TRACK)

THE TRANSITION HAS BEEN IN THE WORKS NOW FOR OVER 10 YEARS.  
AT ABT ELECTRONICS YOU CAN SEE DOZENS OF LCD AND PLASMA TVS  
ALREADY EQUIPPED FOR THE DIGITAL AGE.

[TAKE SOT]

MARC COOK / GENERAL MANAGER / ABT ELECTRONICS: it's the  
people that receive their programming over the air with a  
roof antenna, with rabbit ears, with an attic antenna, those  
are the people when that analog signal disappears they will  
not be able to receive anything

(TRACK)

JOHN TAYLOR IS APART OF THE NATIONAL TELECOMMUNICATION AND  
INFORMATION ADMINISTRATION, A COALITION WORKING TO INFORM  
PEOPLE ABOUT THE TRANSITION TO DIGITAL.

[TAKE SOT]

JOHN TAYLOR / BOARD MEMBER / DTV TRANSITION COALITION:  
that's to free up this valuable spectrum for public safety  
uses and for other new technologies for new wireless  
services.

[TAKE SOT]

JOHN TAYLOR: you go from a picture that's prone to  
interference that's snow and ghosts to a crystal clear dvd  
quality picture. You go from just a handful of channels to a  
multitude of a channel choices.

(TRACK)

TO TURN YOUR TV TO DIGITAL YOU'LL NEED A CONVERTER BOX LIKE  
THIS ONE. IT COSTS ABOUT 60 DOLLARS.

[TAKE SOT]

JAY: so if you don't have a converter box your tv is  
obsolete?

(TRACK)

PRETTY MUCH JAY. BUT DON'T WORRY THE GOVERNMENT IS MAKING IT EASY FOR EVERY HOUSEHOLD TO BUY AT LEAST 2 CONVERTER BOXES AT DISCOUNT. BY JANUARY 2008 YOU CAN APPLY FOR COUPONS TO BUY THE BOXES FOR ONLY 20 DOLLARS A PIECE.

(DEMO)

[TAKE SOT]

JOHN TAYLOR: the antenna input is here that's where the signal comes in digitally and you have an output here ... goes into the analog input of the set.

(STAND UP)

BUT IF YOU DECIDE IT'S TIME TO DITCH YOUR ANALOG SET WITH THE PICTURE TUBE AND BUY A BRAND NEW DIGITAL TV SET ... WELL YOU WON'T EVEN NEED A CONVERTER BOX. ALL YOU NEED IS A SIMPE ANTENNA IN ORDER TO GET DIGITAL BROADCAST TELEVISION.

[TAKE SOT]

MARC COOK: this is a 32 inch tube tv it's a digital tv but it is still in the standard definition family so it is very very affordable.

[TAKE SOT]

JAY: I'm going to start exploring options very soon because I am not going to have a choice and I don't want to wait until the very last minute to get it done.

WHILE PARTYING MAY BE IN FASHION AMONG CELEBRITIES, THIS ACCESSORY IS NOT THE MOST DESIRABLE... STRAPPED ON LINDSEY LOHAN TO MEASURE ALCOHOL IN HER BODY.

[TAKE SOT

AT: 1:01:18]

Robert Murnock/Alcohol Monitoring Systems, Inc.: the bracelet rather than tracking a location tracks alcohol consumption via transdermal testing.

(TRACK)

IT SUCKS SWEAT FROM THE SKIN ANALYZING IT FOR ALCOHOL CONTENT.. IT DOESN'T WORK AS FAST AS A BREATH TEST... BUT IT WORKS FOR MUCH LONGER.

[TAKE SOT

AT: 1:02:25]

it's going to be anywhere from 1-2 hours after a drinking event will start that it will actually start to be emitted through the pores.

(TRACK)

THAT DELAY MAY ALLOW FOR MORE ALCOHOL CONSUMPTION.

[TAKE SOT

AT: 1:15:41]

MELISSA PERRIN, PsyD/CLINICAL PSYCHOLOGIST: so the individual can think it hasn't gone off therefore I haven't had too much so it can also create a false sense of safety.

(TRACK)

STILL WHEN THE TIME COMES THE MONITOR DOES GIVE AN ACCURATE MEASURE AND THE RESULTS ARE TRANSMITTED TO THIS MODEM WHEN THE WEARER GETS CLOSE. THEN INFORMATION IS SENT TO DIRECTLY TO AUTHORITIES SINCE THE ANKLE BRACELET IS COURT ORDERED. BUT AGAIN THERE IS A DELAY: THE DATA DOES NOT GET RELAYED FOR 24 HOURS.

[TAKE SOT

AT: 1:04:46]

dina: if someone is court ordered to wear this and they drink and they get behind the wheel of a car no one's going

to know about it until the next day. Robert/AMS: correct.  
and I would say there is no electronic monitoring device out  
there that is will prevent anyone from drinking.

[TAKE SOT  
AT: 1:16:20]

when people are not able to abstain they are not able to  
make the judgements that we would want them to make.

[Anchor:DINA] {\*\*\*DINA\*\*\*}

[TAKE: ON CAMERA]

PEOPLE HAVE TRIED TO FOOL THE MONITOR.. PUTTING SARAN WRAP  
OR SLICED MEAT IN BETWEEN THE DEVICE AND THE SKIN.. BUT IT  
ALSO MEASURES TEMPERATURE AND CAN SENSE THE FOREIGN  
SUBSTANCE WHILE STILL READING ALCOHOL IN THE SKIN.

G15 9 MW FACE FILLER-SCRIPT

Duration: 1:30

(DINA)

IN TONIGHT'S MEDICAL WATCH -- A PERMANENT FIX FOR YOU  
FACE.

A WRINKLE FILLER THAT DOESN'T FADE.

SOME PATIENTS SEARCHING FOR THE FOUNTAIN OF YOUTH ARE  
SAYING: FINALLY!

(TRACK)

YOU SMILE WHEN YOU'RE HAPPY... BUT THE LINES THE SMILES  
LEAVE BEHIND DON'T MAKE ANYONE GRIN.

[TAKE SOT  
AT: 21:12]

RICHARD WELCH/ARTEFILL PATIENT: I am going to have all my  
smile lines taken away.

(TRACK)

FOR GOOD. THIS PATIENT HAD ARTEFILL INJECTIONS AND LOOK AT  
THE DIFFERENCE... EVEN BETTER AFTER A YEAR.

[TAKE SOT  
AT: 13:54]

Dr. Jonith Breadon/Dermatologist: If they could do it once  
and not have to do it for many years or if at all, that's  
very attractive to them.

(TRACK)

NOT HAVING MONTHLY BILLS OR MONTHLY PAIN OF INJECTION IS  
APPEALING. BUT PATIENTS SAY LOOKING ATTRACTIVE IS THE REAL  
GOAL.

[TAKE SOT  
AT: 21:48]

Much of it is mental, the other part is the physicality and  
it is wonderful when you walk out.

(TRACK)

HERE'S HOW IT WORKS. PURIFIED BOVINE COLLAGEN CONTAINING  
MICROSPHERES IS PLACED UNDER THE SKIN... THE COLLAGEN IS  
ABSORBED BUT THE MICROSPHERES ARE NOT, THEY SUPPORT THE SKIN  
STRUCTURE.

[TAKE SOT  
AT: 12:15]

dr. breadon: a persons collagen grows in and around the microspheres.

(TRACK)

ELIMINATING CURRENT WRINKLES AND PREVENTING NEW ONES. BUT IF THE FIX IS PERMANENT... SO ARE MISTAKES. PATIENTS NEED TO CHOOSE A DOCTOR CAREFULLY.

[TAKE SOT  
AT: 16:58]

DR. BREADON: It can not be placed too high and the skin layers are too low because you won't either achieve the appropriate correction or you may have lumpiness. So the person who is doing the injection needs to be trained on the technique.

[TAKE SOT  
AT: 22:07]

it makes me feel like I am part of the youthful society again.

(TAG)

THERE IS A COST FOR LASTING BEAUTY... BUT THESE INJECTIONS AREN'T MUCH MORE THAN THE ONES THAT HAVE TO BE REPEATED EACH MONTH. ARTEFILL IS ABOUT 3-THOUSAND DOLLARS FOR A FULL TREATMENT. ON THE MW. DB. WGN NEWS.

A BURGER, FRIES AND A SHAKE ARE NOT GREAT FOR YOUR HEART BUT THE FATTY MEAL WILL HELP YOUR BODY ABSORB CERTAIN MEDICATIONS MORE EFFICIENTLY.

[TAKE SOT

AT: 5:29]

DR. MARK RATAIN/U. OF C. ONCOLOGIST: given with a high fat meal it was about 4 times as much as fasting.

(TRACK#2)

UNIVERSITY OF CHICAGO ONCOLOGISTS WRITE IN THE JOURNAL OF CLINICAL ONCOLOGY INTERACTION BETWEEN FOOD AND DRUGS COULD HELP MANY PATIENTS. THEY SITE STUDIES WHERE WOMEN TAKING THE BREAST CANCER DRUG TYKERB ALSO CALLED LAPATINIB WITH FOOD NOT ON AN EMPTY STOMACH AS THE LABEL ORDERS ABSORBED THE DRUG BETTER...167-PERCENT BETTER.

[TAKE SOT

AT: 1:31]

the best way to give the drug would probably be with food at a lower dose.

(TRACK#3)

LESS MEDICATION MEANS LESS MONEY MAKING THE VALUE MEAL A LOT MORE VALUABLE.

[TAKE SOT

AT: 3:04]

this is a pretty simple way to combat high costs of a particular drug. in this case taking a lower dose with food it's quite simple.

(TRACK#4)

NOT SO FAST SAYS THE DRUG'S MAKER... DIETS CHANGE, PEOPLE ARE DIFFERENT AND CANCER DRUGS NEED TO REMAIN CONSTANT.

(\*\*\*\*\*gfx\*\*\*\*\*)

GLAXOSMITHKLINE SAYS "Food effects are highly variable and hard to predict. Day to day variation in meals could result in increased toxicity or decreased efficacy. Therefore, GSK has recommended dosing without food per the lapatinib label to assure consistency in absorption."

they can do it in physical therapy and occupational therapy, but there is that extra motivation when they have a instrument in from of them because it is something exciting and fun and it gives them feedback.

(TRACK)

FOR AUTISTIC CHILDREN WHO CAN HAVE DIFFICULTY SHOWING THEIR EMOTIONS OR COMMUNICATING THEIR LEVEL OF UNDERSTANDING, SOMEHOW THEY ARE NOT LOST IN THE MUSIC.

[TAKE SOT  
AT: 21:39]

with children and especially children with disability we see that music is a bridge between the person or child and the people around them and the objects in the room and the places that they are so it starts to builds awareness. They work on communication skills like developing eye contact, working on imitation skills.

[TAKE SOT

Dr. James Bresch/Orthopedic Surgeon/Advocate Lutheran

technique where we are able to address the majority of a  
persons arthritic changes with limited bone resections and  
ligament preservation.

that means SURGEONS leave MORE BONE AND SAVE THE ACL AND PCL

during insertion. THAT TRANSLATES TO BETTER FEEL AND FUNCTION FOLLOWING SURGERY.

[TAKE SOT

so we are not cutting into this normal bone.

[TAKE SOT

NAT SOUND --:" We declare that this day you will bless us on this trip -- for your blessing upon, not just this trip -- but the outcome of this trip."

JORDAN:" The ministers are part of a leadership group which has set its sights on improving education in Illinois. And towards that end, they are demanding that legislative leaders in Springfield reach a compromise on a budget -- which is deadlocked -- as both sides have failed to reach a compromise.

01:06

REV. IRA ACREE// GREATER ST. JOHN BAPTIST CHURCH:" We are here to say to the governor and the state legislature that education matters. We know that there must be a compromise because we don't want our state to shut down like Pennsylvania did. But what we do want is to make sure that education is nonnegotiable."

NARRATION:" The stalemate is being caused as legislators try to please their respective constituents. This group called APLUS ILLINOIS HAS TAKEN OUT A FULL PAGE ADD IN LOCAL NEWSPAPERS CALLING ON THE GOVERNOR TO SUPPORT A MODEST INCOME TAX INCREASE. With 500 signatories APLUS SAYS THE TIME IS NOW.

The standoff in Springfield is on the verge of reaching a critical point if a resolution is reached soon. The logjam will reach its 55th day on Wednesday -- a modern-day record for the longest the state has gone without a budget. If there is no agreement by August, real financial hardships could be the result. Education reform could also be in jeopardy because school districts need to know how much money they can spend. That's why the ministers are adding their pressure to the political cooker.

14:00

nat sound -- singing --

NARRATION:" After singing and praying, the ministers say they will visit legislators and the governor letting them

know they want action, now, or they will take action during the next election.

We put all these other legislators in office. and we gave them access to the many people we serve. And he promised to deliver on education. everybody keeps saying -- and he led the march -- this is the year to fix education. Well fix it now."

ONE BY ONE, THEY ADDRESSED THE CONVENTION OF THE "AMERICAN ASSOCIATION FOR JUSTICE" -- A GATHERING OF PLAINTIFFS' ATTORNEYS FROM ACROSS THE COUNTRY. THE CANDIDATES APPEARED FOR TWENTY MINUTES EACH -- MAKING OPENING STATEMENTS, FOLLOWED BY QUESTIONS.

(NATS FROM TAPE #1 )

FIRST UP, NEW MEXICO GOVERNOR BILL RICHARDSON.

(SOT 16:19 - :31 )

Gov. Bill Richardson / New Mexico: You're looking at a governor that has cut taxes for working families, for small businesses, for renewable energy companies. My state is now the fifth fastest growing in America. I'm a pro-growth democrat.

(TRACK )

IN LIKE FASHION, EACH CANDIDATE TOUTED THEIR ACCOMPLISHMENTS.

(SOT 33:00 - :15 )

Senator Barack Obama / (D) Illinois: People told me I couldn't reform a death penalty system that had sent thirteen innocent people to death row. But, we did that. They told me that trying to pass new racial profiling laws would stir up too much controversy. But we did that too.

(SOT 56:26 - :35 )

John Edwards / Former Senator: Having done work after the last few years, which many of you know, in Africa. I have seen the need for sanitation, clean drinking water, simple things.

(SOT TAPE #2 1:28:32 - :45)

Moderator: What's your proudest legislative accomplishment?

Senator Joe Biden / (D) Delaware: The Violence Against Women Act. It's the single (applause), the single proudest thing I've done.

(SOT TAPE #2 1:41:37 - :49 )

Senator Hillary Clinton: (D) New York: I'm proud to have been a lawyer, to have been a trial lawyer and to have joined with you in fighting an unfair asbestos settlement.

(TRACK)

AND EACH DISCUSSED THEIR PLANS FOR THE WHITE HOUSE.

(SOT TAPE #1 21:38 - :47 )

Gov. Bill Richardson / New Mexico: Human rights and democracy with saying America's going to rejoin the alliances that we left, NATO, the United Nations -- international support for our goals.

(SOT TAPE #1 40:19 - :30 )

Senator Barack Obama / (D) Illinois: You've spent your lives making sure the american people have their day in court. Today, I want to tell you that when I'm president I will spend every day to make sure that they finally have their day in Washington, too.

(SOT TAPE #2 1:00:44 - :58 )

John Edwards / Former Senator: In our K through 12, the most important thing is to get a good teacher at the front of every single classroom. And that means we're going to have to raise teacher base pay. And we're going to have to provide incentive pay to teachers who are willing to go to the hard places -- to the inner city schools, to poor rural schools.

(SOT TAPE #2 1:24:22 - :32 )

Senator Joe Biden / (D) Delaware: You've got to cut foreign debt. How do you do that? A massive investment in research, development, technology and infrastructure here in the United States of America.

(SOT TAPE #2 1:50:50 - 51:01 )

Moderator: What would be your first legislative priority?

Senator Hillary Clinton: (D) New York: My first priority will be, if President Bush has not ended the war in Iraq, when I'm president I will. That is my first priority.

{STAND UP : The non-profit group Forever Young Treehouses based in Burlington Vermont created this treehouse. It's only one of 20 in the nation. The goal is to have a treehouse like this in every state by the year 2008}

{VO: CONSTRUCTION PHOTOS}

Back in 2004, NISRA workers discovered the treehouse on the internet while searching for ways to better serve their special needs clients. Barrington Park District supported the idea and within two years, construction began.

{SOT: {SOT: Christine Garry - Barrington Park District Board President 33:23 "It was a way of bringing the kids up into the trees and having them see the world from a whole different perspective and I think that is what this brought  
}  
[Duration:0:08]

The construction team used old fashioned carpentry techniques to build this 2-thousand square foot structure. The 33 white oak logs which hold up the treehouse were cut in Southern Illinois and bearked here. Not an Oak nor an Ash was cut down. Builders worked \*around\* the existing trees.

{SOT: Brian Shahinian/Executive Director NISRA 28:18 "I don't look at it as a facility. I look at it as a just a really unique and whimsical experience. "

Others agree.

{SOT: Nicolas Loustaunau (loo-sin-no) 22 12:52 "It's quite amazing here."  
[Duration:0:04]

Lunchtime brought some of the kids inside the rustic cabin....

{nat sound: 1:05:23 inside shelter}  
[Duration:0:02]

...While others preferred the open-air gazebo with tree branches poking through the roof. The Sekinger family has visited here a couple of times for Patrick who has cerebal palsey.

{SOT: Delaney Sekinger/ Patrick's sister 20:30 "I'm glad that the kids in wheelchairs can actually get in a treehouse because now they don't feel so left out."  
[Duration:0:06]

And that's the whole idea... \*everyone\* has a chance to experience what it's like among the trees.

{SOT: Sierra Reiser 17 15:23 "I never been to a treehouse in all my life. I never had a treehouse to go to."}

[Duration:0:06]

NATS OF BASEBALL, SWIMMING, FOOTBALL ...

00:48 most teenagers don't physically have the ability to compete in one sport year round

01:01 as we lose that ability to cross train one body part takes a much larger toll than it may have.

04:08 parents and coaches are in a catch 22.

(TRACK)

STRESS FRACTURES IN RUNNERS, SHOULDER PAIN IN SWIMMERS AND ELBOW DAMAGE IN PITCHERS ... WHEN IT COMES TO TRAINING TEEN ATHLETES WHAT'S THE CATCH?

07:57 all sports today are so competitive that you have to be doing five hours of swimming a day or playing football for hours in the sun every day and there's no way to get out of that.

08:16 it's just the way that things are now

(TRACK)

CAROLINE HENNESSEY KNOWS THE DRILL. SHE STARTED SWIMMING WHEN SHE WAS SIX-YEARS-OLD. BY AGE 10 SHE WAS TRAINING YEAR ROUND ON A CLUB TEAM. IN HIGH SCHOOL SHE SWAM BACK STROKE AND IN THE OFF SEASON PLAYED WATER POLO. THEN DURING HER JUNIOR YEAR ...

02:38 when I would get all the way back here it was shooting pain thru my shoulder

02:27 I finally realized that it was way too bad to swim and one day I just got out of the water and had to stop

(TRACK)

STRONG ANTI-INFLAMMATORIES, PHYSICAL THERAPY AND CORTISONE SHOTS ... NONE OF IT STOPPED THE PAIN.

07:11 she had two things going on ... her shoulder tissue was a little bit looser than the normal teen and as a result

her shoulder could slip and slide in a lot of different directions

07:28 on top of that she developed a small tear of the labrum which is a little bumper inside the shoulder

(TRACK)

CAROLINE WAS A TEXTBOOK CASE WHEN IT COMES TO OVER-USE INJURIES.

02:10 a lot of them naturally as a teen have looser tissue than they do as an adult ... which puts them at even higher risk of developing an injury

(TRACK)

DR GREGORY PORTLAND SURGICALLY REPAIRED CAROLINE'S SHOULDER BUT A LONG RECOVERY KEPT THE TEEN SIDELINED THROUGH HER SENIOR SEASON.

04:55 it was upsetting when I had to stop swimming b/c that's just when I felt like I was getting better and that's probably why I pushed it for so long without saying anything about my injury which I think is what a lot of people do

08:19 athletes when they are starting young should realize that maybe its not the end of the world if they take it slower.

[Anchor:JULIE] {\*\*\*JULIE\*\*\*}

[TAKE: ON CAMERA]

DOCTORS SAY \*CROSS TRAINING\* IS THE KEY TO INJURY PREVENTION, ESPECIALLY DURING THE TYPICAL HIGH SCHOOL DOUBLE SESSIONS. AND IF YOU ARE THE PARENT OF A YOUNG ATHLETE BE AWARE OF ANY PAIN THEY'RE MANAGING on their own. IT'S ALWAYS A GOOD IDEA TO CONSULT WITH A DOCTOR.

[TAKE SOT

MAKE SURE YOUR CHILD HAS THE RIGHT EQUIPMENT AND THAT IT

YOUR CHILD IS PLAYING.
