IN TONIGHT'S MEDICAL WATCH -- EXERCISE CAUSES AGING... IT'S CONTRARY TO EVERYTHING WE'VE BEEN TOLD, BUT ONE DOCTOR SAYS IT HAPPENS!

[TAKE SOT  
AT: 8:54]

the gurus used to talk about exercising the beautiful muscles, the chest the arms, the back, the bi's the tri's, and they completely neglected the foundation of the body, the foot and ankle.

(TRACK)

EVERYONE KNOWS EXERCISE IS GOOD RIGHT...ONLY IF YOU DO IT RIGHT.

[TAKE SOT  
AT: 2:40]

james stoxen/pres. team doctors: if we have a problem with the foundation of our body, every step we take will cause an accelerated wear and tear on the body

[TAKE SOT  
AT: 1:44]

James Stoxen: that wear and tear leads to inflammation, and that inflammation can cause pain.

(TRACK)

IT ALSO AGES THE BODY. REDUCING THE INFLAMMATION CAN BRING THE RISKS DOWN..

NATS OF EXERCISE ...

(TRACK)

WALKING, EXERCISING, WEARING SHOES ALL STRAIN THE FEET AND SUBSEQUENTLY THE BODY. RESTORING A HEALTHY MOVING PATTERN WHICH INCLUDES ALLOWING THE FEET TO STRETCH can change that.

[TAKE SOT  
AT: 7:11]

these are the supportive muscles that actually hold the arch up

[TAKE SOT  
AT: 7:59]

we're going to re-develop these muscles in here, and then that way, this foot will become elevated and have more spring to it.

[TAKE SOT  
AT: 5:42]

kind of wiggle the arch, and try to, you know, kind of break loose the spring, get the spring back in your feet.

(TRACK)  
cindy pender FIRST GAINED WEIGHT THEN STARTED WALKING TO SHED POUNDS... BUT HER FEET HURT.

[TAKE SOT  
AT: 13:56]

cindy pender: He told me that my feet had collapsed and that my arches were stiff and frozen, and that he would tell me the right things to eat to loose weight, and how to properly exercise.

(TRACK)  
AND THAT INCLUDES EXERCISE WITHOUT HER GYM SHOES.

[TAKE SOT  
AT: 14:57]

from someone who was barely walking, I'm now jogging barefoot in the grass.

(TRACK)  
WORKING THE BODY'S FOUNDATION IS THE CORE OF WORKING OUT CORRECTLY. belma johnson figured that out when his body started shutting down.

[TAKE SOT  
AT: 23:13]

I came to see Dr. Stoxen because I could not lift my arm past here.

(TRACK)  
NOW JOHNSON HAS HIS FINGER ON THE PROPER TECHNIQUE AND IT'S MADE ALL THE DIFFERENCE FOR THE WORKOUT AND THE RESULTS.

[TAKE SOT  
AT: 26:37]

belma michael johnson: you know that old saying, it's

better, it's better to look good than feel good, the new way, Dr. Stoxen's way is it's better to look good and feel good. And that's what I'm doing now.

(TAG)

WHILE GOING BAREFOOT IS NOT ACCEPTABLE IN THE GYM...  
ACTIVITIES LIKE JUI JITSU, KARATE, YOGA, PALATES ARE ALL  
BAREFOOT SPORTS THAT CAN AND DO STRENGTHEN THE FEET. OR  
WEATHER PERMITTING YOU CAN ALWAYS RUN ON THE LAWN. ON THE

G13 9 MW BRAIN METS- SCRIPT

Duration: 1:38

(ANCHOR)

In tonight's medical watch -- a diagnosis no one wants to hear... cancer and it's spread. now some advice on protecting the mind when breast cancer makes a run for the brain.

[TAKE PKG]

01:53 KATHY SOUTHWICK/BREAST CANCER PATIENT: my then breast surgeon called to say it's in your liver. we don't do mastectomies if its in your liver do you understand?

(TRACK)

WHAT KATHY SOUTHWICK DIDN'T UNDERSTAND IS WHY HER THEN-PHYSICIAN DIDN'T OFFER MORE TREATMENT OPTIONS FOR HER STAGE 4 CANCER.

02:59 so I fired my breast surgeon and my assigned oncologist and sought other help.

(TRACK)

FIRST, A CUTTING-EDGE RADIATION THERAPY TO TREAT THE TUMORS IN HER LIVER FOLLOWED BY A MASTECTOMY AND CHEMOTHERAPY. THEN KATHY FOUND A CLINICAL TRIAL ... A BRAIN SCREENING STUDY AT THE CHICAGO INSTITUTE OF NEUROSURGERY AND NEURORESEARCH.

04:00 I had the mri and it did show a small lesion in the right frontal lobe of my brain

(TRACK)

A METASTASIS ... WHEN CANCER CELLS TRAVEL FROM THE PRIMARY SITE IN THE BREAST THRU THE BLOOD STREAM AND LODGE IN OTHER ORGANS -- OFTEN THE BRAIN ... WHERE TUMORS EVENTUALLY EFFECT MOTOR SKILLS AND CAUSE HEADACHES AND SEIZURES.

06:05 I was asymptomatic so I was surprised.

(TRACK)

THE FINDING ON KATHY'S MRI WASN'T A SURPRISE TO NEUROSURGEON DR GAIL ROSSEAU ... AN ADVOCATE FOR ROUTINE BRAIN SCREENING IN BREAST CANCER PATIENTS. DR ROSSEAU OFFERED KATHY A TREATMENT OPTION ... RADIOSURGERY WITH THE GAMMA KNIFE ... A TARGETED HIGH-DOSE OF RADIATION TO A PRECISE TARGET IN THE BRAIN.

23:28 what we know is if you take all brain mets from all types of primary cancers, this outpatient treatment controls against future tumor growth in more than 90% of cases.

(TRACK)

SO FAR THE TREATMENT HAS CONTROLLED KATHY'S TUMOR ... ALLOWING HER TO REMAIN AS ACTIVE AS SHE WAS BEFORE HER CANCER DIAGNOSIS.

04:50 that week I rode 220 miles and Dr Rosseau was pleased.

05:52 I encourage people not to fear the mountains in the distance and keep moving forward.

ON THE MEDICAL WATCH -- IS IT SAFE TO EXERCISE WITH A HEART  
CONDITION?

THE RUNNER WHO DIED IN THE CHICAGO MARATHON WAS A 35-YEAR  
OLD ATHLETE who had A COMMON AND NON-LIFE THREATENING HEART  
PROBLEM.

wgn medical reporter dina bair spoke with A TOP CHICAGO  
CARDIOLOGIST to learn more about the condition, and to put  
any fears you might have, to rest.

[Notes:OUTCUE:...underlying condition you have.]

[TAKE SOT  
AT: 13:29]

this year they found another lesion in my right lung area.

(TRACK)

ROBERT LINDSTRAND FIRST FOUND CANCER UNDER HIS ARM A LYMPH NODE WITH MELANOMA FROM A SKIN LESION ON HIS CHEST. THE CANCER THEN SPREAD TO HIS LUNGS.

[TAKE SOT  
AT: 13:11]

robert lindstrand/melanoma patient: they had to go and cut it out, surgeon cut it out and they said they had all of the melanoma out of the lung.

(TRACK)

BUT SOME CANCER CELLS REMAINED AND THE CANCER CAME BACK IN FULL FORCE. THIS TIME ROBERT'S DOCTOR OFFERED HIM A NEW OPTION... A TRIAL FOR A DRUG DESIGNED TO MAKE HIS OWN IMMUNE SYSTEM ATTACK HIS CANCER.

[TAKE SOT  
AT: 7:33]

DR. thomas gajewski/u. of c./medical oncologist: some of those patients when they receive this drug have really incredible tumor shrinkage.

(TRACK)

THAT'S A FAR CRY FROM TREATMENTS DOCTORS OFFERED IN FRUSTRATION IN THE PAST.

[TAKE SOT  
AT: 3:23]

the existing therapies that we have that are FDA approved cause tumor shrinkage only in about 15-percent of cases.

(TRACK)

THIS DRUG CALLED C-T-L-A-4 WORKS DIFFERENTLY. IT TARGETS AN OFF SWITCH IN THE BODY. THE SWITCH THAT TELLS THE IMMUNE SYSTEM NOT TO WORK AGAINST A GROWING CANCEROUS TUMOR.

[TAKE SOT  
AT: 6:52]

take away that off switch. let the immune cells get excited again and then those immune cells through other mechanisms

they turn around they are awakened they are reawakend they see the tumor and they'll recognize it and kill it.

(TRACK)

THE IMMUNE STIMULATING DRUG HAS FEWER SIDE EFFECTS THAN CHEMOTHERAPY.

NATS OF PATIENTS ANSWERING QUESTIONS: NO NAUSEA, ETC.

It took a long time to get a diagnosis cause it's an unusual type.

A NEW STUDY REVEALS SEXUALLY TRANSMITTED DISEASES ARE ON THE RISE... EVEN THE S-T-D'S THOUGHT TO BE UNDER CONTROL. WHAT SHOULD TEENS KNOW AND HOW CAN PARENTS HELP TEACH THEM.

TONIGHT WE GO TO THE SOURCE TO FIND OUT!

(TRACK#1) (MONTAGE WITH MUSIC OF SEXY IMAGES.. mtv, MAGAZINES PERHAPS)

IT'S ALL AROUND... SEX! IT SELLS. AND IT'S STARTING TO BECOME A HABIT AMONG TEENS.

{TAKE SOT  
AT: 18:20}

Jake: you fool around with someone, sexually and stuff.  
Sarah: It's like casual, not boyfriend girlfriend, not really a commitment.

(TRACK#2) (HAND HOLDING, DARKS ROOM)  
IT'S CALLED "HOOKING UP" TEENAGERS KISSING, TOUCHING, HAVING ORAL SEX AND INTERCOURSE... NO STRINGS ATTACHED.

[TAKE SOT  
AT: 28:37]

Jake: nobody loves!  
Sarah: they call it having sex not actually making love.

(TRACK#3)  
SARAH AND JAKE ARE HIGH SCHOOL FRIENDS WHO ADMIT, EVEN IN FRONT OF SARAH'S DAD LARRY, PROMISCUITY WITHOUT PROMISES IS OK FOR BOTH BOYS AND GIRLS.

[TAKE SOT  
AT: 22:35]

Sarah: it's not a big deal sort of... people aren't looked upon differently based on it.

[TAKE SOT  
AT: 21:06]

Jake: a lot of the girls are like, "yea we want to fool around too."

[TAKE SOT

AT: 21:10]

Sarah: it's like "the playerettes," and they get like a sense of, not power, but more control, because usually the girl is more vulnerable, but if it's like the girl who has a bunch of guys wanting her, she's not as vulnerable.

(TRACK#4)

BUT THEY ARE VULNERABLE TO THE RISKS OF UNPROTECTED SEX AND MULTIPLE SEXUAL PARTNERS. SO ARE TEENS DOING ANYTHING ABOUT IT? . SARAH SAYS THEY'VE BEEN TAUGHT SINCE 6TH GRADE... BUT IN THE HEAT OF THE MOMENT....

[TAKE SOT

AT: 27:12]

Larry Rosen/Sarah's father: do you know kids that are having sexual intercourse without protection?

jake: yeah.

[TAKE SOT

AT: 27:32]

Sarah: mostly it's like.. it's not gonna happen to me sort of thing.

(TRACK#5)

IT IS GOING TO COME UP IN CONVERSATION... AMONG FRIENDS AND SOME TALK WITH THEIR PARENTS AS LONG AS THE PARENTS RECEIVE THE INFORMATION WITH A LITTLE COOL AND A LOT OF TRUST.

[TAKE SOT

AT: 31:49]

Sarah: it's more parents actions rather than their words so if they make it seem like they trust you and make it seem like they know you are going to make the right decisions then you'll feel obligated to make the right decisions.

(TRACK#6) (GFX)

STILL NEARLY HALF OF ALL HIGH SCHOOL STUDENTS SAY THEY HAVE HAD INTERCOURSE... MORE ADMIT THEY ENGAGE IN ORAL SEX. AND 19 MILLION ARE DIAGNOSED WITH A SEXUALLY TRANSMITTED DISEASE EVERY YEAR.

[TAKE SOT

AT: 2:56]

Cheryl Perlis/Gynecologist: what I end up doing is really emphasizing the sexually transmitted diseases, gonorrhea,

chlamydia, herpes, a lot of them don't know about a lot of these things, and the new one is the human papilloma virus, or H.P.V.

(TRACK#7)

DR. CHERYL PERLIS MAKES IT HER MISSION TO EDUCATE THE GIRLS IN HER PRACTICE ABOUT THE DANGERS OF HAVING MULTIPLE SEXUAL PARTNERS... INCLUDING THE SPREAD OF HPV, THE VIRUS THAT CAUSES CERVICAL CANCER.

[TAKE SOT  
AT: 7:32]

dr. perlis: it's from sexual activity, and the more partners they have, the more incidences their going to see.

(TRACK#8)

AS FOR ORAL SEX WHICH TEENS DON'T CONSIDER SEX... IT CAN STILL SPREAD DISEASES LIKE HERPES.

[TAKE SOT  
AT: 26:37]

Jake: I guess you could use a condom for it but I don't think a lot of people really think to do that.

(TRACK#9)

TEENS TAKE RISKS AND ENGAGE IN ADULT BEHAVIORS WITHOUT THE MATURE FEAR OF CONSEQUENCES... BUT THEY SAY DON'T WRITE THEM OFF. THEY THINK AND THEY WILL COMMUNICATE IF ADULTS REACH OUT... THEY WILL REACH THEM.

[TAKE SOT  
AT: 2:09:14]

sarah: once you feel like your parents trust you, you like trust them with telling them things

jake: and also you listen to them more.

(TAG)

WANT TO TALK TO TEENS ABOUT SEX... START BEFORE THEY ARE TEENS AND BEFORE THEY ARE HAVING SEX.

BOTH JAKE AND SARAH SAY THEIR PARENTS BEGAN TALKING WITH THEM AT AGE 11, BEFORE THEIR FRIENDS DID AND THAT OPENED A LINE OF COMMUNICATION THAT IS STILL IN PLACE TODAY... HELPING THEM MAKE DECISIONS FOR THEMSELVES NOT JUST BECAUSE "EVERYONE ELSE IS."

STEVE AND ALLISON ... IT STARTED BACK IN FEBRUARY WITH A

BIDEN CALLED OBAMA ... "ARTICULATE, BRIGHT, AND CLEAN."

BIDEN'S WORDS WERE A CATALYST FOR DISCUSSIONS ABOUT BLACK  
STEREOTYPES.

BUT IT ALSO OPENED A SORE SUBJECT FOR MANY BLACK AMERICANS.

NAMELY ... WHAT DOES IT MEAN TO BE BLACK ENOUGH?

[Notes:SUPER: Springfield/February 10, 2007]

YET WHEN ILLINOIS SENATOR BARACK OBAMA ANNOUNCED HIS BID FOR PRESIDENT... IT SET OFF A NATIONAL DEBATE THAT ESCAPED HIS PREDECESSORS... A DEBATE ABOUT BEING BLACK ENOUGH.

ANTWAN STANDUP: "For many African Americans... questions about being "Black enough" extend beyond political perceptions. It speaks to a subject that is still very sensitive within the black community."

DR. KEN WARREN/U OF CHICAGO "Part of the history of this phrase has to do with what audience expectations are."

DR. KEN WARREN IS A SCHOLAR OF AFRICAN-AMERICAN STUDIES AT THE UNIVERSITY OF CHICAGO. HE FEELS THE DEBATE SURROUNDING SENATOR OBAMA'S BLACKNESS IS BASED IN HISTORY... DATING BACK TO THE 1800'S AND FREDERICK DOUGLAS- A MIXED RACE, WELL EDUCATED, ABOLITIONIST.

DR. KEN WARREN/UNIVERSITY OF CHICAGO

"The audience that they were trying to persuade to the evils of slavery...might not be as persuaded because he wasn't conventionally black enough."

ANTWAN STANDUP "For many African Americans, questions about being black enough extend beyond political perceptions. It speaks to a subject that is still very sensitive within the black community."

MICHAEL WHITE (no super mos)

"Some people just think if you act a certain way you're not

black enough."

NABEEL EBEIT (no super mos)

"I think people have certain expectations of what a black man or woman should look like, sound like, act like these are often based on stereotypes...."

LUCILLE CONWAY: (no super mos) "What is is that's expected other than who we are?"

[Notes:(Photos from the book Children of the Depression edited by Kathleen Thompson & Hilary Mac Austin)]

IT GOES BACK TO THE DAYS OF SLAVERY...WHEN PLANTATION OWNERS PLACED DARK-SKINNED SLAVES IN THE FIELDS... WHILE THOSE WITH LIGHT SKIN WORKED IN THE HOUSE. THIS LED TO PREJUDICE WITHIN THE BLACK RACE AND A PERCEPTION THAT LIGHT SKINNED SLAVES WERE SUPERIOR.

Lucille Conway... "My grandfather was a sharecropper..."

RETIRED CHICAGO BANKER LUCILLE CONWAY GREW UP IN BIRMINGHAM, ALABAMA. THOUGH SHE'S NEVER EXPERIENCED INNER RACIAL PREJUDICE HERSELF... SHE KNOWS IT EXISTS.

[Notes:SUPER: Lucille Conway/Retired Banker]

"Sometimes you can see that another person of lighter skin will look at you with the brown skin... thinking that they are better."

CLIFF KELLEY/FORMER ALDERMAN-RADIO HOST

"Sometimes I was too black and other times, not black enough."

FORMER CHICAGO ALDERMAN TURNED RADIO BROADCASTER CLIFF KELLEY IS LIGHT SKINNED AND KNOWS THE SKIN COLOR TENSION QUITE WELL. LIKE THE DARKER LUCILLE CONWAY, HE WISHES IT WOULD GO AWAY.

"We need now, more than ever... (edit) ...to bring about some sort of cohesiveness because of the fact time's passing. (edit) "You're either going forward or backward... we are regressing."

CASE IN POINT, THIS RECENT STORY OUT OF DETROIT.... A BLACK NIGHTCLUB DJ OFFERING FREE CLUB ADMISSION ONLY TO LIGHT

SKINNED BLACK WOMEN. THE NATIONWIDE UPROAR CAUSED THE EVENT TO BE CANCELLED.

"African Americans today ...younger people...who, for whatever reason, don't know the history."

[Notes: SUPER: 1965/Selma, Alabama]

nats-Selma March: "This march will not continue..."

THE HISTORY THAT THE CIVIL RIGHTS MOVEMENT WAS BASED ON EQUALITY... NOT THE HUE OF ONE'S SKIN.

THE HISTORY THAT AS LONG AS THERE IS RACISM, RE-OPENING OLD WOUNDS... WILL NOT BRING ABOUT HEALING... FOR BLACKS OR ANY OTHER RACE... PARTICULARLY IN A COUNTRY WHERE THE ONLY THING THAT MATTERS IN IT'S LEADER...IS WHO'S AMERICAN ENOUGH.

CLIFF KELLEY "I think that we will get it together."

LUCILLE CONWAY: "It does sadden me to think about in 2007 that we are concerned about black and white rather than being concerned about mankind."

KEN WARREN "The problem here is this discussion about whether or not (edit) Obama being black enough ... is largely a distraction." ))

FOR TEENS.. TEXTING IS ALL THE RAGE.

Jordan Dyson/15 years old  
"G-2-G is gotta go. B-B-L is be back later."

AN EASIER WAY TO COMMUNICATE WITHOUT SAYING A WORD.

Ringtone-Soulja Boy Crank dat  
JUAN CARLOS: "WHO'S THAT?"  
Girl-"My friend."  
JUAN CARLOS: "IS SHE ON THE PHONE OR TEXTING? She's  
texting."

AND THEY ARE TEXTING EVERYWHERE INCLUDING... BEHIND THE  
WHEEL.

17 YEAR OLD ANTHONY, A SENIOR AT LANE TECH HIGH SCHOOL IN  
CHICAGO, IS ONE OF COUNTLESS YOUNG DRIVERS WHO ARE HOLDING  
ONE HAND ON THE WHEEL, THE OTHER ON THEIR PHONE. HE ADMITS  
HE IS "IN-TEXT-TICATED."

Anthony/Lane Tech Senior: "Pretty much looking at it most  
of the time."

WE ASKED HIM TO DEMONSTRATE DRIVING WHILE TEXTING. WE CHOSE  
THE WIDE OPEN WGN PARKING LOT... FOR OUR SAFETY AND HIS.  
ANTHONY SAYS IF HE'S GOING AROUND A TURN OR IN HEAVY TRAFFIC  
HE DOESN'T DO IT.

Anthony: "But if I'm going straight, no one's around me,  
then I'll keep my eyes... Pay attention to the phone. JC-

MORE THAN THE ROAD? Anthony: More than the road."

JUST COUNT THE TIMES HE LOOKS DOWN AT HIS CELL... ELEVEN TIMES IN LESS THAN 20 SECONDS.

JUAN CARLOS: "DO YOU THINK THIS IS DANGEROUS?  
Anthony: "semi-dangerous."

TROOPER CLARE PFOTENHAUER/ILLINOIS STATE POLICE  
"You're putting everyone else in danger."

ILLINOIS STATE POLICE TROOPER CLARE PFOTENHAUER SAYS THE TEXTING PHENOMENON IS SO NEW THERE ARE NO FIRM STATS TYING TEXTING TO CRASHES.

(March 6, 2007/I-290 near Damen)

BUT, SHE POINTS TO THIS FIERY, FATAL WRECK ON THE EISENHOWER IN MARCH. A WOMAN WAS KILLED BY A DRUNK DRIVER... WHO ACCORDING TO THE POLICE REPORT WAS ALSO TEXTING. PFOTENHAUER SAYS IF YOU THOUGHT \*TALKING ON THE CELL AND DRIVING WAS RISKY...

TROOPER PFOTENHAUER: "I think texting is more dangerous. If I'm on a cellphone at least I can still look ahead and halfway observe what's going on. If I'm texting, I'm looking down at my keypad."

RAY LA MANTIA/ALLSTATE INSURANCE: "It's a nightmare when kids are behind the wheel."

RAY LA MANTIA WORKS FOR ALLSTATE INSURANCE... AND POINTS TO THIS SOBERING STATISTIC. SIX THOUSAND TEENS A YEAR ARE KILLED IN CAR CRASHES.

RAY LA MANTIA: A lot of people think alcohol is the number one problem with kids and driving. It's actually not. It's kids getting distracted behind the wheel."

HE SAYS TEENS NEED AT LEAST THREE YEARS BEHIND THE WHEEL BEFORE THEY ACQUIRE SOLID DRIVING SKILLS. YET TIME AND TIME AGAIN, THEY PILE INTO THE CAR WITH FRIENDS... THEY'VE GOT THE MUSIC ON LOUD... THE'YRE TALKING ON THEIR CELLS... AND ACCORDING TO AN ALLSTATE POLL... THIRTEEN PERCENT OF

THEM ARE ALSO TEXTING.

ANDY BERENDT/ALLSTATE TEEN TRAINER

"It's ok to say something."

TO PREVENT TEEN ACCIDENTS... ALLSTATE HAS STARTED A SERIES OF SEMINARS WITH YOUNG DRIVERS CALLED "KEEP THE DRIVE". THE POINT: IT'S COOL TO TELL YOUR FRIENDS TO KNOCK OFF DRIVING DISTRACTIONS.

ANDY BERENDT: "We're really changing the environment from parents telling their kids, "don't text while driving," to their peers saying, "it's not ok. Let's focus on the road."

TROOPER PFOTENAUER SAYS \*PARENTS NEED TO LAY DOWN THE LAW!  
□

"I'm going to take the cell phone away, or your privilege to drive. Driving is a privilege and the parents have the right to take it away."

AS FOR ANTHONY, HE SAYS HE WON'T STOP UNTIL TEXTING AND DRIVING BECOMES ILLEGAL.

JC: BUT UNTIL THEN, YOU WANT TO TAKE ADVANTAGE OF THE LAW?

Anthony: "yeah, pretty much. I like to bend the rules a lot and get away with it."

[Anchor:JUAN CARLOS] {\*\*\*JUAN CARLOS\*\*\*}

[TAKE: ON CAMERA]

ILLINOIS' NEW, TOUGHER TEEN DRIVING LAW TAKES EFFECT IN JANUARY... AND BANS CELLPHONES FOR DRIVERS 18 AND UNDER EXCEPT IN TRUE EMERGENCIES.

[TAKE: 3-SHOT] {\*\*\*JUAN CARLOS/3-SHOT\*\*\*}

BUT LET'S FACE IT... IT'S EASIER TO HIDE TEXT MESSAGING BECAUSE THE PHONE IS DOWN AND OUT OF VIEW.

{\*\*\*STEVE OR ALLISON\*\*\*\*}

WHAT ELSE CAN PARENTS DO?

{\*\*\*JUAN CARLOS\*\*\*}

SET GOOD EXAMPLES.

DON'T USE YOUR OWN CELLPHONE OR BLACKBERRY WHILE DRIVING- DON'T EVEN READ IT!

AND WHEN YOUR TEEN RECEIVES A CALL OR TEXT MESSAGE WHILE LEARNING TO DRIVE... USE THAT AS A TEACHING OPPORTUNITY... DON'T ALLOW THEM TO ANSWER IT UNTIL THEY'RE PARKED.

IT'S AN UNLIKELY WAR MEMORIAL. THERE'S NO GRANITE TOMB,  
BRONZE STATUE... NOT EVEN A FLAG. BUT IT EVOKES PLENTY OF  
EMOTION.

THESE ARE THE FACES OF A FRACTION OF THOSE WHO HAVE DIED IN  
THE IRAQ WAR... TAPED TO WINDOWS OF A BUILDING ON CHICAGO'S  
NORTHWEST SIDE.

CALLED, "THE FACADE PROJECT" ... IT'S HAS BEEN AROUND NOW  
MORE THAN THREE YEARS... AND IT'S BEGINNING TO SHOW IT'S  
AGE.

BUT SINCE WAR MEMORIALS ARE MADE TO REMEMBER THE DEAD... WE  
RE-VISIT "THE FACADE PROJECT" THIS VETERAN'S DAY.

AIRS 9PM NEWS 11/12/07 VETERAN'S DAY 2007

((train announcer "Western is next. Doors open on the  
right at Western."

THE FACES ARE MOST VISIBLE FROM THE WESTERN AVENUE PLATFORM  
ON THE CTA'S BROWN LINE. BUT FOR MANY WHO TRAVEL THIS  
ROUTE EVERY DAY... "THE FACADE PROJECT" HAS BECOME JUST A  
PART OF THE SCENERY.

Commuter: "I thought it was a photo studio."

Commuter: "I wondered who the people were and where the  
faces came from."

"THE FACADE PROJECT" WAS CREATED ABOUT A YEAR AFTER THE WAR  
STARTED... IN THE SUMMER OF 2004.... BY CHICAGO ARTIST

CARRIE IVERSON. SHE FELT THE IRAQ WAR WAS TOO ABSTRACT...  
TOO DISTANT.

"I wanted it to be about them...."

Mikey's music... "Gone"

SHE WANTED TO PUT A FACE ON THE WAR... THAT TURNED INTO 648  
FACES.

[Notes: SUPER: Carrie Iverson/Artist, "Facade Project"]

"I tested it out to figure out how to fit the faces in the  
space, 8 x 10's three 8x10's fit almost perfectly."

AN ALMOST PERFECT FIT ON EVERY WINDOW OF EACH OF THE UPPER  
THREE FLOORS OF THE CHICAGO PRINT MAKERS COLLABORATIVE  
BUILDING ON NORTH WESTERN AVENUE. SHE FOUND THE FACES ON  
THE INTERNET... AND PRINTED THEM... ONE BY ONE... USING HER  
HOME COMPUTER.

STEVE QUESTION "So you're still emotional about this aren't  
you? Ya." (edit) Steve: As you began to fill this glass up  
with these black and white photos you must have seen that  
eerie light coming in. (edit) Carrie "I didn't expect it  
to be (edit) as translucent on the inside."

[Notes: SUPER: Photos by Lia Conklin]

THE DAY'S FIRST LIGHT CASTS SHADOWS ON THE FLOOR THAT REMIND  
CARRIE OF COFFINS.

Music fades-transition to train nats

IN THE BEGINNING, THERE WAS CONCERN THE FACADE PROJECT MIGHT  
BE SEEN AS AN ANTI-WAR PROTEST.

CARRIE: "Some wanted it to be a protest."

DEBORAH MARIS LADER "It's easy to be written off as a bunch  
of wacky liberal artists."

DEBORAH MARIS LADER RUNS THE PRINT SHOP DOWNSTAIRS.

"The beauty of this project is in it's quietness..."

[Notes: SUPER: Deborah Maris Leder/Chicago Printmaker's Cooperative]

"There are not just 648 faces who are on this building, there are 648 families who are devastated."

...reintroduce Mikey music for the Chaney story...

AMONG THEM... 30 YEAR OLD CHRIS CHANEY... THE ONLY SON OF WILLIAM D. CHANEY WHO DIED IN THE WAR... MAY 18, 2004.

CHRIS CHANEY/LOST HIS DAD IN IRAQ

"I saw it and I just kind of looked and saw there was a picture of my dad up there."

HIS DAD WAS A 59 YEAR OLD NATIONAL GUARD HELICOPTER PILOT WHO DIED OF A NON-COMBAT ILLNESS.

...street level nats... ..

CHRIS AND HIS WIFE MARY FIRST SPOTTED THE ART EXHIBIT FROM STREET LEVEL ... THEN STARTED LOOKING FOR HIS DAD'S PHOTO ON THEIR DAILY COMMUTES.

Train nats...

MARY "It took me a few rides to figure out where he was on the wall."

train nats

MARY CHANEY: "I'm on the train by like 5:15 and even though it's kinda dark still you can see inside the windows and sometimes I just say hello in my head." (starts to cry)

re-introduce music

nats-stormy day-sheets of rain....

AFTER THREE YEARS, THE PHOTOS ARE AGING...

DEBORAH "They fade in the sun and they get a little wrinkly (edit) but (edit) that's sort of how memory works, memory fades."

nats-"nice to meet you..." (Carrie and Chris shake hands)

CHRIS CHANEY NEVER MET CARRIE IVERSON UNTIL RECENTLY. BUT TWO YEARS AGO... HE DROPPED OFF A FEW KEEPSAKES OF HIS FATHER... CARRIE HAS KEPT THEM ON DISPLAY NEAR HIS PHOTOGRAPH. THERE'S THE DEATH CERTIFICATE SIGNED BY PRESIDENT BUSH... AND A POCKET SIZED PHOTO ALBUM THAT CHRIS AND MARY MADE FOR BILL THAT WAS RETURNED WITH HIS BODY.

Nats- Chris reading... "please take a look at this little album and remember his life..."

THAT'S ALL THEY ASK...

music...

DEBORAH MARIS LADER ..."Our job is to make sure people don't forget."

CARRIE. "You have to look these people in the eye... at someone whose died... you respect them... commemorate them."

WHEN IT COMES TO THE CUBS, FANS HAVE ONE THING IN COMMON ---  
THEY PUT THEIR HEARTS AND SOULS INTO THE GAME ...

NATS of cheering

03:45 hearts racing ...

04:38 my stomach gets upset, I can't watch the tv, my nerves  
are racing, you can't eat, you can't sleep ...

08:37 screaming, yelling, cussing!

01:35 my inside was turning around

06:20 especially when it gets down to this time it's very  
stressful ...

(TRACK)

BUT WHAT CAN ALL THAT STRESS DO THE THE HEARTS OF CUBS FANS?  
□

13:08 if you're a 21 year old with a healthy heart sports is  
a great diversion to kind of let it all out to avoid the  
stressors in life and at work and at school it's a great  
thing,

13:20 it's actually probably heart healthy as long as the  
cubs win

(TRACK)

AND IF THEY DON'T?

10:26 I was screaming at the tv!

09:01 when the bases are loaded and they have two outs and  
they screw up ... it makes me mad. it gets me really mad!

17:57 if you already have an underlying heart disease, the  
stress can elevate your blood pressure, and it can give you  
legitimate chest pain.

(TRACK)

THAT'S WHEN DOCTORS SAY IT'S BEST TO STEP AWAY FROM THE GAME AND GO TO AN EMERGENCY ROOM. BUT CHICAGO FANS ARE LOYAL, EVEN WHEN THEY ARE IN PAIN.

15:35 there's a drop in our volume during major sporting events

(TRACK)

AND WHAT ABOUT THIS CHICAGO FAN -- DOES HE GET WORKED UP DURING A BIG GAME?

11:36 MAYOR DALEY: of yeah ... sure you do!

11:58 DALEY: you get excited, of course you cheer and like anything else you clap you get excited.

24:55 people get a little bit nuts

27:32 insanity ...

25:25 I've never seen anybody have a heart attack or anything like that

<mos>9 GREEN HIGH RISE PKG</mos>

((JACKIE ON CAM INTRO)): PLANNING BEGAN IN 2002 ..  
CONSTRUCTION TOOK 3.5 YEARS .. NOW THE HIGH-RISE IS READY  
AND NEARLY SOLD OUT.

((PACKAGE:))

On the outside.. 340 On The Park looks like just another  
new shiny hi-rise in Chicago. And what a view from the  
inside... but there's a little bit more to this building.

{SOT: KERRY DICKSON/SENIOR V.P./RELATED MIDWEST tape 1  
10:25 It's definitely ahead of the curve."}  
[Duration:0:03]

...ahead of the conservation curve. This 62-story stacker is  
the city's first certified green residential tower. That  
means it passes federal guidelines for being eco-friendly.  
It's called LEED certified... short for Leadership in Energy  
and Environmental Design.

{NAT SOUND: architect Tape 2 2:12:50 "We have the city  
skyline to the west, we get the lake to the east.."}  
[Duration:0:04]

Architect Martin Wolf takes us on a tour of one of the 343  
condominiums and its green characteristics. The most obvious  
is right at your feet.

{SOT: Martin Wolf/architect Tape 2 2:14:12 "Bamboo is a  
green product readily replenishable.. Use in all in the  
buildings ."}  
[Duration:0:11]

Every room has some type of sustainable design... The energy  
efficient lights with motion detectors, floor to ceiling hi-  
tech insulated windows.. Even the countertops are eco-  
friendly. They're made of recycled materials. Developers say  
you can save about 10 percent in energy costs. All of this  
was a deal-maker for new condo owner Elaine Cottey.

{SOT: Elaine Cottey/condo owner Tape 2 2:25:30 "we have  
espoused conservation views for years so when we heard about

this building we realized the building would give us the opportunity to practice what we preach."}

[Duration:0:10]

{FILE}

City leaders applaud this eco-hi-rise. Afterall, Chicago has been moving to green for about a decade. That garden atop City Hall was completed in 2001. At least 2 million square feet of garden rooftops have been created or are in the planning stages..

{nat sound: Tape 2 2:07:50 "This is one of the terraces on the building." }

[Duration:0:03]

Back at 340, the two terraces and the rooftop are designed to collect rainwater. It's stored in an 11-thousand gallon tank in the basement to be used FOR WATERING PLANTS during dry spells. And not too far away is another green idea: a hybrid. I-Go is a car sharing program available to RESIDENTS WHO DON'T WANT TO OWN A CAR OR WOULD RATHER NOT HAVE TWO CARS.

(SOT: KERRY DICKSON/SENIOR V.P./RELATED MIDWEST Tape 1 23:36 "nobody told us we needed to do this.. we did this by choice cuz we felt it was the right thing to do.")

[Duration:0:10]

((JACKIE ON CAM TAG)): AS FOR THE PRICE? IT'S ABOUT 500-THOUSAND DOLLARS FOR A ONE BEDROOM, ONE-AND-A-HALF BATH, WHICH IS COMPARABLE TO OTHER ONE BEDROOMS IN THE AREA.. BACK TO YOU..

[Anchor:STEVE] {\*\*\*STEVE\*\*\*}

[TAKE: ONCAM]

THAT WAS JACKIE BANGE REPORTING.

ONE OF THE OTHER ECO-FRIENDLY ASPECTS OF "340 ON THE PARK" IS THAT DURING CONSTRUCTION, ABOUT 80 PERCENT OF THE CONSTRUCTION WASTE -- 28-HUNDRED TONS -- WAS SENT TO RECYCLING PROGRAMS, INSTEAD OF LANDFILLS.

SOT FROM DVD 00:30 Jeremy age 22 Foster Care  
Imagine yourself in a situation where you're told that you can't talk to your brothers and sisters anymore and you're pulled away from your entire family.

TRACK: The foster and adopted kids you see in this video are speaking out about the importance of staying connected to their birth families. Twenty-two year old Jeremy has no contact with his biological family.

SOT cont. FROM DVD 00:49 Jeremy age 22 Foster Care  
And you're forced to grow up that way, but you remember your biological family and you remember that there are people that you care about.

TRACK: Although some believe open adoptions are risky - - kids involved in the system share what it feels like to be told they can't see their mom, dad or a family member ever again.  
Eighteen year old Shantaye hasn't seen her sister in 13 years. She explains what it's like for some kids - to constantly miss their family.

SOT DVD 01:12 Shantaye age 18 Foster Care  
I mean no amount of therapy helps. Medication, nothing is gonna help them because you've taken away their one staple piece of their life.

SOT cont. (can cover w vid b-roll) DVD 03:13 Shantaye / age 18 Foster Care  
And they wonder why kids have behavioral problems in school. And they wonder why, ya know, there's a stigmatism on us foster children that we all need, ya know, psychiatric drugs and we all have ADD.

TRACK: To help address these issues -and to gain valuable medical history - the Family Connections Project and Adoptions Unlimited, Inc. created this video (along with a program) through a grant by the Children's Bureau of the U.S. Department of Human Services.

MARILYN PANICHI (PA-Nick-ee), Executive Director of Adoptions Unlimited, Inc.

SOT 04 10 MARILYN PANICHI / Executive Director of Adoptions Unlimited, Inc.

And so adoptive families who have done this have really found that it's more helpful. The child gets to see for themselves that their family is okay.

TRACK: Sixteen year old Jamelle was adopted by the Smalling family but also has a relationship with his birth mom. The Smallings have eight (grown) biological kids, four adopted children, a foster child and many grandkids. They say it helps both sides to stay connected in a healthy relationship -then kids can focus on school and prepare for adulthood.

SOT 24 20 Keswick Smalling/ I put myself in their situation- I wouldn't want my kids to be separated.

SOT 28 57 Leonie Smalling/ These are their parents and I just want them to be in their lives.

A 2005 SURVEY FOUND PUERTO RICANS TO BE THE HAPPIEST PEOPLE IN THE WORLD. SO IT COMES AS NO SURPRISE THAT A SPECIFIC STRIP IN HUMBOLDT PARK WHICH IS THE HEART OF THE PUERTO RICAN COMMUNITY, IS RAPIDLY BECOMING A FUN, HIP PLACE TO VISIT IN CHICAGO.

THIS IS THE PASEO BORICUA OR "LOOSELY" TRANSLATED THE BORICUA PROMENADE.

IT'S ON DIVISION STREET, FROM WESTERN TO CALIFORNIA, AND WE COULD SAY THIS IS THE MOST PUERTO RICAN STREET IN CHICAGO.

:12 El paseo Boricua is a microcosm of the Puerto Rican community. :17

:18 It's really a place you can come and see all aspects of us as a people, culturally, historically, socially, civically engaged as a community in Chicago. :30

FLANKING THIS VERY FLAVOURFUL STRIP ON BOTH SIDES ARE THESE FIFTY FOUR FEET TALL, PUERTO RICAN FLAGS MADE OF STEEL.

1:16 We have the world's largest monument to any flag in the world with 2 gateways that are the bookends of Paseo Boricua  
1:26

DRIVING DOWN THIS STRIP IS LIKE TAKING A TRIP TO THE CARIBBEAN "ISLAND OF THE SUN" WITHOUT PAYING FOR A PLANE TICKET.

MANY BUSINESSES ARE NAMED AFTER PUERTO RICAN TOWNS. THE façade OF SOME BUILDINGS LOOK LIKE THEY BELONG IN OLD SAN JUAN WITH IT'S SPANISH COLONIAL ARCHITECTURE.

THIS STREET IS ALL ABOUT PRIDE INCLUDING A WALK OF FAME WITH THE NAMES OF MANY OUTSTANDING PUERTO RICANS.

3:16 In every single aspect of development that we do we try to incorporate as much of the history and culture as possible. Partly because for a long time our history and culture was something we were told we should put away, that we need be more like this in order to succeed. And increasingly as the younger generation is starting to feel

proud and realize who they are, they are really putting it out in the forefront. 3:45

AS GENTRIFICATION THREATENED THIS PUERTO RICAN ENCLAVE OF 40 YEARS, ORGANIZATIONS LIKE THE DIVISION STREET BUSINESS DEVELOPMENT ASSOCIATION DECIDED TO JOIN THE MAINSTREAM CHANGE WITHOUT NEGLECTING IT'S ETHNIC ROOTS.

1:48 There's a thriving nightlife that's happening here. If you guys like Latin Jazz, salsa, traditional afro puertorican music. It's all present throughout the street. 1:56

8:09 In an era where records are disappearing, Lili's records is still thriving. And part of it, it is that she has a nitch. If you know any latin music form any genre and you can't find it anywhere else, I guarantee you, you can find it at Lili's. 8:24

ALSO, YOU CAN LEARN HOW TO SALSA LIKE A PRO AT THE DANCE ACADEMY OF SALSA.

AND EAT LIKE A BASEBALL STAR AT LA BRUQUENA---ONE OF WHITE SOX MANAGER OZZIE GUILLEN'S FAVORITE RESTAURANTS IN TOWN.

BUT THE CULINARY EXPERIENCE DOESN'T STOP THERE.

1:31 Any type of category of food, so if you're vegetarian we have food for you, if you want eclectic, nuvo we have food for you, if you want the neighborhood place, we have food for you 1:40

FOR US EARLY RISERS, NOTHING LIKE COCONUT OATMEAL FROM NELLY'S FIRST THING IN THE MORNING OR A SWEET GUAVA PASTRY STRONG P.R. COFFEE FROM café COLAO BAKERY.

5:01 Everyone looks for something trendy, something new, something eclectic. Well Chicago has all these neighborhoods and we are one of them. 5:11

THE LATEST LASER TECHNOLOGY GOES DEEP TO FIGHT THE SIGNS OF AGE.

[TAKE PKG]

\*THEY\* ARE THE TELL TALE SIGNS OF AGING ... FINE LINES, WRINKLES AND SUN SPOTS.

[TAKE SOT

People are interested in something that doesn't have a lot of downtime, we lead busy lives.

[TAKE SOT

AT: 23:21]

(NATS) HERE WE GO ...

(TRACK)

OLDER TREATMENTS LIKE DERMABRASION AND LASER RESURFACING REMOVED THE ENTIRE SURFACE OF THE SKIN. THAT MEANT A LONGER, MORE PAINFUL RECOVERY. THAT WAS THEN ... \*THIS\* IS NOW. THE PROFRACTIONAL LASER DRILLS DEEPER BUT WITH TINY HOLES IN A GRID PATTERN LEAVING SKIN IN TACT IN BETWEEN.

[TAKE SOT

AT: 7:20]

DR STEPHANIE MARSCHALL / DERMATOLOGIST: This allows the tissue that's in between the injury areas to heal relatively quickly, and also allows us to go deeper to get a better result.

(TRACK)

THE RESULT IS YOUNGER LOOKING SKIN WITH A DECREASED CHANCE OF INFECTION AND LESS DOWNTIME ... WITHIN 48 TO 72 HOURS REDNESS AND SWELLING GO DOWN.

[TAKE SOT  
AT: 8:33]

So this is not only better, but it's also safer.

(TRACK)

THE PROFRACTIONAL LASER CHANNELS THROUGH THE SKIN VAPORIZING DAMAGED COLLAGEN ALONG ITS WAY TO THE DEEPER LAYERS.

[TAKE SOT  
AT: 14:35]

you remove the fibrotic collagen or the scarring collagen, and then the body rebuilds and makes new loose collagen and it's healthier, it is not fibrotic so the wrinkles are softened, the acne scars are softened.

(TRACK)

FOR REGINA WHITE, THE DEEP LINES AROUND HER MOUTH disappeared after DERMATOLOGIST DR STEPHANIE MARSCHALL TREATED HER WITH THE PROFRACTIONAL LASER 10 days ago.

[TAKE SOT

REGINA WHITE / PROFRACTIONAL LASER PATIENT: There's a noticeable difference in the lines around the area of my mouth

[TAKE SOT

I'm very happy right now with just one treatment.

(TAG)

PATIENTS DO NOTICE A DIFFERENCE AFTER JUST ONE TREATMENT BUT TYPICALLY NEED TWO OR THREE TO SEE AN EVEN BETTER RESULT. TREATMENTS WITH THE PROFRACTIONAL LASER START AROUND \$300 AND CAN RUN INTO THE THOUSANDS FOR THE ENTIRE FACE.

AND EVEN GRACE STOCKDALE'S MOM HAD HER TEETH BLEACHED.

[TAKE SOT

PATTY STEWART/MOTHER: I had had mine done recently and was really pleased with the results.

(TRACK#3)

BUT SOME PARENTS MAY NOT BE PLEASED WITH THE POTENTIAL PROBLEMS OF ADOLESCENT USE. SO-CALLED BIG TEETH HAVE BIGGER NERVES IN KIDS. AS A CHILD GROWS THE NERVE SHRINKS ABOUT 50-PERCENT FROM AGES 12 TO 17. BUT UNTIL THAT TIME, IT MAY CREATE A LARGER PROBLEM FOR COSMETIC PRODUCTS.

[TAKE SOT  
AT: 4:59]

Dr Jeffrey A. Weller, general dentist: trauma caused by the bleaching solution or the heat of the light, may cause a lot of sensitivity on the nerve or possibly some damage.

(TRACK#4)

THE MORE THE PRODUCTS ARE USED THE GREATER THE CHANCE FOR DAMAGE.

[TAKE SOT  
AT: 7:46]

eventually the tooth structure is going to be traumatized enough where it can become somewhat brittle.

(TRACK#5)

AND THE RISK IS ENHANCED WITH OVER THE COUNTER PRODUCTS THAT DON'T JUST TOUCH THE TEETH... they could get into the gums.

[TAKE SOT

AT: 6:13]

so if someone is using lets say whitening trays and they have an excessive amount of soft tissue b/c they are 12, 13 or 14 years old, that soft tissue could be damaged or burned from the bleaching solution.

(TRACK#6)

A FEW QUESTIONS CAN HELP PARENTS HELP THEIR KIDS MAKE A DECISION ABOUT WHITENING. FIRST, IS THERE ANY TOOTH SENSITIVITY? HAS THE CHILD HAD RECENT ORTHODONTIC WORK? IF THE ANSWER IS YES. SAY NO TO BLEACHING. OTHERWISE HAVE THE PROCESS MONITORED BY A GOOD DENTIST... AND SMILE.

IT WAS A MISTAKE THAT COULD HAVE BEEN DEADLY.

NATS OF DOC AT NURSES STATION ...

DR EILEEN MORRISON IS WELL AWARE OF THE BENEFIT OF YEARLY  
MAMMOGRAMS. IT'S SOMETHING SHE PREACHES TO HER PATIENTS. BUT  
WHEN IT CAME TIME FOR HER OWN EXAM, THE OBGYN PUT IT OFF.

01:05 it just never was a convenient time

01:45 I finally realized how long it had been so I said I  
better get in and get it done.

(TRACK)

TWO YEARS AFTER HER LAST MAMMOGRAM DR MORRISON FINALLY HAD  
THE TEST. THEN A CALL FROM HER RADIOLOGIST WHO RECOMMENDED  
AN ULTRASOUND TO LOOK AT A SUSPICIOUS LESION IN HER BREAST.

03:07 found out the next day it was cancer.

12:25 NATS: in this case there is a mass here

AN INVASIVE DUCTAL CARCINOMA, THE MOST COMMON TYPE OF BREAST  
CANCER. AFTER A LYMPH NODE BIOPSY CAME BACK NEGATIVE SHE  
UNDERWENT A LUMPECTOMY FOLLOWED BY A FORM OF PARTIAL BREAST  
RADIATION CALLED MAMMOSITE.

03:38 it was just oh my God I have cancer. I have three  
kids, I'm 44!

08:08 there are a lot of risk factors out I didn't have any  
of them. I shouldn't have had breast cancer.

(TRACK)

THAT'S WHY SHE'S SPEAKING OUT, SHARING HER OWN STORY SO

OTHERS WON'T MAKE THE SAME ASSUMPTION. THE GOOD NEWS ... DR MORRISON'S CANCER COULD HAVE BEEN MORE ADVANCED GIVEN THE TIME LAPSE BETWEEN SCREENINGS.

18:18 we probably caught it the earliest we could catch it

SHOW TOPICS: The American Red Cross of Greater Chicago and Charrería.

SUMMARY: For more than a century they've been there to help. You've seen them over and over again, whether it's Hurricane Katrina or even after 9/11. The American Red Cross helps in more than you think. Here in the Chicago Area they are helping through a program called a "Saturday for Life" or "Un Sabado Por La Vida" it's a free event meant to help the city's Spanish speaking community. Charrería is a culture, tradition, sport and an art that is not only practiced in Mexico but in the United States. A Charreada is the equivalent to a Mexican rodeo and like the rodeo in the United States the Charreada involves a lot more than a man overpowering a beast.

Attorney by day comedian by night Elizardi Castro joined us in our studios and Vive La Hispanidad a celebration that brings Hispanic Heritage.

SUMMARY: THE East Village Youth Program has been around for close to two decades, its mission is to encourage and prepare underserved minority youth for a college education and that is exactly what they are accomplishing.... it is estimated that between seventy and seventy five percent of their participants graduate college. The American Academy of Orthopedic Surgeons is recognizing the changing demographics of the U.S. patient population. Ethnicity, culture and spiritual beliefs are issues which surgeons say they need to deal with to better help their patients. By day he is a criminal defense lawyer... by night he is a comedian. He is using his experience in the courtroom to make jokes for his audience. Funny guy Elizardi Castro joined us in the studio. SUMMARY: El Dia De Los Muertos, or The Day of The Dead, is a Mexican holiday that comes right on the heels of Halloween. This Mexican tradition celebrates the life of the relatives who are no longer with them. Breast cancer is the most diagnosed cancer among Latinas so we need to be informed. The silver lining foundation is making sure that mammograms become a routine and not just an afterthought. They can rumba, salsa and tango you name it they can dance to it.
