

sent to the lab for study, to make sure the cancer was all inside the gland and had not begun to spread outside to other organs. And while the untrained eye might think this is a lot of blood, it is not. Remember the field is magnified. 22 sec. 2:57.

T-2-08:20

Miller:" We just don't worry about bleeding during these cases, cause we know we don't lose that much blood." 7 sec.

JORDAN:" Miller spends the remaining time carefully reconnecting Alex's urethra to the bladder with a catheter inside. He'll have that in for 5 or 6 days. Decades ago the catheter was left in for almost 2-weeks. And when Miller prepares to close the tiny holes - no sutures, just glue. That's right; the holes are so small that they are glued closed. 20 sec

T-2-01:88 - OR LAST STANDUP

JORDAN:" It's been a little over three hours and the patient is now in the recovery ward. It was relatively bloodless operation and the critical nerves were spared which means that the patient should be returning to a near normal lifestyle in a matter of weeks." 15 sec.

T-3-20:40

NAT SOUND - ALEX AND BOB - : " How you feeling? NOT BAD - ACTUALLY PRETTY GOOD." 5 sec.

JORDAN:" This is Alex the next morning - up, walking around and preparing to leave the hospital: A true miracle. 3:50

T-3-21:14

ALEX:" I'm a fast healer. If I had my way, I'd go back to work. NO, YOU'RE GONNA HAVE TO SLOW YOURSELF DOWN, THAT'S GOING TO BE THE MAIN THING BECAUSE YOU'RE GONNA WANT TO DO MORE. Yah, I know. FEEL SO GOOD. I know. AND THEY TELL YOU, TAKE YOUR TIME, TAKE YOUR TIME, LISTEN TO YOUR BODY." 16 SEC.

JORDAN:" A short time later, as Alex leaves Atlanta's Northside Hospital, the entire ordeal seemed like a blur. 5 sec

T-3-26:26

ALEX:" It's hard to believe that a mere, what, 23 - 24 hours ago? I KNOW - UNBELIEVABLE. 4:20

JORDAN:" Dr. Miller says that in Alex's case, just as in mine, he was able to get all of the cancer. And because we were tested often, we caught it early. 10 sec

T-3-15:38

Miller:" Early detection is the key to the treatment of prostate cancer if you're going to be successful. 6 sec.

JORDAN:" And Miller urges his patients to ask questions and do their research because it's your body and your life at stake.

T-3-19:13

MILLER:" I tell every patient, more important than the decision they make - they should feel comfortable with that decision. SO, ASK QUESTIONS? Ask questions." 12 sec.

<mos>9 LONG ROAD TO RECOVERY MONITOR 3</mos>

(SAD SONG UNDERNEATH)

TRACK: I WALKED WITH REVEREND JACKSON THROUGH ONE OF THE HARDEST HIT AREAS IN THE NINTH WARD. AFTER ALL THIS TIME, WHEN YOU SEE THE DAMAGE, IT'S STILL HARD NOT TO GET EMOTIONAL.

T1 20:09 (ALLISON AND JACKSON WALKING SHOT)

(ALLISON) when was the last time you were here to check out the devastation? (JACKSON) about a month ago. they're beginning to clean away some of the debris.

TRACK: SOME OF THE DEBRIS-- BUT CLEARLY THERE IS MUCH LEFT TO BE DONE. THE SOUNDTRACK OF NEW ORLEANS HAS GONE FROM JAZZ-- (NAT OF CONSTRUCTION WORK) TO CONSTRUCTION CREWS WORKING ON THE CLEAN UP.

(SOT: T1 31:55-32:07) JACKSON

they're still pulling bodies out of these houses and my suspicion is wherever you see flies there's a reasonable chance there's a body i that place.

TRACK: THE PEOPLE WHO ONCE LIVED HERE ARE JACKSON'S MAIN CONCERN. HE WANTS A PLAN TO BRING THEM BACK HOME. HE BELIEVES THEY CAN START OVER..

(SOT T2 40:24-31 JACKSON)

those who have been displaced could have a new life of hope if they in fact just had the jobs and contracts to rebuild where they have lived.

(SHOT OF TWO WALKING AND HOLDING HANDS)

TRACK: THE REVEREND'S WIFE JAQUELINE JOINED HER HUSBAND ON THIS VISIT.

IN ALL THIS DEBRIS-- SHE SPOTS A MAKESHIFT SHRINE.

(T3 49:39-45) MRS. JACKSON

some child was lost here and this is like heart wrenching.

TRACK: THERE IS A WATER STAINED BIBLE-- A CHILD'S TROPHY, CRAYONS, AND OTHER REMINDERS OF A YOUNG LIFE STOLEN BY THE STORM.

(NAT SOT T3 50:46) MRS. JACKSON

it's unimaginable. unimaginable.

TRACK: JACKSON TALKS WITH POLICE PATROLLING THE AREA. A VOLUNTEER WHO HAS COME TO HELP OUT HAS A QUESTION FOR HIM.

(SOT:T3 43:45-52)

VOLUNTEER: what is going on with the government's plan? I mean have they moved forward at all? JACKSON: Look right, look left, look straight ahead...right? Right?

TRACK: THE CURIOUS COME BY TO TAKE PICTURES WHILE JACKSON FINDS THIS COUPLE-- NOAH AND GLENDOLYN LEWIS. THEY USED TO CALL THIS CITY HOME-- NOT ANYMORE.

(SOT T3 18:00-10) GLENDOLYN LEWIS/NEW ORLEANS EVACUEE we have three grown children all of them college graduates and they're making their homes elsewhere cause there is no place else for them to be here.

TRACK: JACKSON SAYS HE HAS THREE MAIN CONCERNS. HE WANTS EVACUATED RESIDENTS TO GET A CHANCE TO VOTE IN THE CITY'S UPCOMING ELECTIONS. HE WANTS MORE JOBS AND CONSTRUCTION CONTRACTS FOR NEW ORLEANS RESIDENTS. AND HE WANTS THOSE NOW NOTORIOUS LEVEES REPAIRED.

(SOUNDBITE: 32:59-33:11)

these levees don't require an engineering wonder. They need deeper pylons as we have in the north sea areas around the world and there are engineers capable of doing that. And we have the money to do that.

TRACK: THE BUSH ADMINISTRATION SAYS IT COULD TAKE UP TO 25 YEARS TO REBUILD THE BIG EASY. THAT MEANS THE CHILDREN WHO ONCE PLAYED WITH THIS TOY MAY STILL HAVE REBUILDING TO DO WHEN THEY GROW UP. (MUSIC COMES UP HERE) THAT IS IF-- THEY'RE STILL HERE.
((SONG CHORUS COMES IN))

SOT T1 JACKSON 33:37-45

SHOW TOPICS: The latest in the Immigration issue, a Health Fair that hopes to make kids safer in the summer and depression ~~and~~ how it can easily lead to suicide.

SUMMARY: Hundreds of thousands took to the streets, legislation was passed, but what is next for the undocumented immigrants? We discussed what community leaders are doing next as the fight for immigrant rights continue. Also, summer means fun for children but it could also mean danger. McNeal Hospital is coordinating a Health Fair that hopes to make kids safer this season. Finally when a loved one commits suicide it is devastating and confusing for those left behind; all sorts of questions arise Rosa Luna had those same questions when she lost her soul mate to suicide and was in our studios to tell us how she got through this difficult time. SHOW TOPICS: Immigration Issues, educating Latinos about Cancer and four international stars come together for a worthy cause.

SUMMARY: Nearly four hundred thousand people took to the streets on May 1st, they marched for immigration rights, but how successful were their efforts? The president of the Illinois Coalition for Immigrant and Refugee Rights joined us to talk about what impact this marches are having on the law makers. Also, cancer can be attributed to twenty percent of all causes of death among Hispanics. In Hispanic adults cancer is the leading cause of death. The American Cancer Society continues its fight against cancer by putting together a seminar with information that can save lives. Finally four world known singers visited the windy city as part of a Mother's Day Concert, a benefit for Mujeres Latinas en Accion, which provides services to address the issues of domestic violence, sexual assault, parent support, homelessness, youth crisis and Latina leadership. Estela Melgoza of Mujeres Latinas en Accion joined us in a studio to talk about the services the organization provides and a representative of Verizon Wireless talked about why Verizon decided to sponsor this major event.

SHOW TOPICS: Illinois Department of Revenue gives some suggestions on how to save money when filing your income tax Also, March is Sexual Assault Awareness Month and experts talk about the startling statistics and what can be done to reverse them. And a missing chapter in Mexican History, we'll explore the African presence south of the border.

SUMMARY: As the April 17th deadline approaches the Illinois Department of Revenue has a list of places that offer free tax services. Also, according to the National Victim Center one in three girls and one in six boys are sexually abused before the age of 18. Organizations all over the Nation are joining forces to bring awareness of this horrible problem. Also, African Culture had a big influence in the Mexican Culture; it's an interesting part of history now part of a special exhibit.

A LITTLE TASTE OF HOME FOR THE MEN OF the second 224th AVIATION BATTALION delta company. THEY WORK IN THE SWELTERING HEAT OF THE IRAQI DESSERT. THEN ONE DAY AS SGT. ROBERT MARTIN WAS POPPING OPEN HIS DRINK, A BIG IDEA POPPED INTO HIS HEAD FOR THE TINY PIECE OF ALUMINUM.

[TAKE SOT

SGT. ROBERT MARTIN/U.S. ARMY 2/224 AVIATION BATTALION: we had all these pop tabs so I went onto google and googled pop tabs and that's when the ronald mcdonald charity came up.

(TRACK)

SGT. MARTIN HAD NEVER HAD A SICK CHILD OR KNEW ANYONE PERSONALLY WHO BENEFITED FROM THE CHARITY. BUT HE KNEW HE HAD TO HELP.
HE GATHERED HIS FELLOW SOLDIERS FOR A NEW MISSION. IN THEIR 12 HOUR DAYS SPENT REPAIRING UH-60 Black-hawk ARMY HELICOPTERS, THEY WOULD EACH TEAR OFF THE CAN TABS AND SAVE THEM. THE ACT MAY NOT SAVE LIVES, BUT IT DOES CHANGE THEM.

[TAKE SOT

DOUG PORTER/CEO/RONALD MCDONALD HOUSE CHARITIES: we've seen a lot of generosity, the generosity allows us to run and help so many families every night. but i don't think i've ever seen generosity like this from people who are in their own dire circumstances.

(TRACK)

THE ENVELOPE CAME FIRST CLASS... JUST LIKE THE MAN WHO SENT IT.

[TAKE SOT

DOUG PORTER: very inspirational. we had a lot of tears yesterday in the office couldn't believe that a soldier on the front lines it does turn out that he's in iraq would do this type of thing.

[TAKE SOT

SGT. MARTIN: what a lot of people need to understand, yes, we're in harms way but we need to care about people at home as well.

(TRACK)

HIS CARE PACKAGE SHOWED THAT. ALONG WITH THE TABS WHICH WILL BE TRADED FOR CASH FOR THE CHARITY, SGT. MARTIN INCLUDED SOME IRAQI MONEY AND A NOTE INSTRUCTING DOUG TO "GIVE THE COINS TO SOME OF THE CHILDREN IN THE HOSPITALS AND LET THEM KNOW WE'RE THINKING OF THEM."

USE NATS OF ME TALKING ABOUT GABY'S REACTION ON SERVER "DINA SARGENT MARTIN" AT 10:16:38 "he had the greatest smile on his face and said of you and your donation and the letter that he was so touched and couldn't believe that you all are over there doing so much for your country and that you had thought of him."

We went to Peru to Lima we went with an organization called
Global Volunteers.

(nat snd Global) music

SOT Jane Boal/WGN-News
Global Volunteers is a non profit organization based in
Saint Paul Minnesota. For the past twenty-two years they've
been sending volunteers to Third World Countries. The hope
is to create peace by learning and working with the local
people.

TRACK: The Doucette's live in St. Charles Illinois and have
two grown children. They both work in Chicago and are part
of a growing trend. They wanted a change from their typical
vacation.

SOT 01 17 44 Vic Doucette/Global Volunteer
Oh no it's not free. We had to pay, we pay to go, yea.

TRACK: Including airline tickets, lodging and food - they
spent (a tax deductible) fifty-five hundred dollars to
volunteer at least eight ours a day in Lima Peru. They say
most of the orphans come from homes that look like cardboard
boxes in empty fields or wooden walls cramped together in
desolate cities.

SOT 00 56 56 Mary Doucette/Global Volunteer

It really is quite unbelievable to just experience, ah the conditions that the children come from.

TRACK: Among their jobs, they taught supplemental English tutoring to middle and high school kids. They also took part in the Sweet Dreams program putting toddlers to bed.

SOT 48 39 Mary Doucette/Global Volunteer

I would just sing them a lullaby and um, I just would get a big smile.

SOT 01 12 13 Vic Doucette/Global Volunteer

Or read stories, and just to try to have a positive experience before they went to sleep.

(nat snd from Global DVD) kids in one room

TRACK: Global has volunteer opportunities within the the United States, Africa, Asia, Europe, and all around the world.

SOT 17 16 Vic Doucette/Global Volunteer

I think we're more enlightened about what's going on in another country how other people are living, like being more sensitive being more aware.

TRACK: The Doucette's are Chicago's Very Own for becoming servant-learners and providing some much needed tenderness to the little ones who need it the most.
