The Huntington Way Show (THW) with Lenie de Castro and Yvonne Strachan discuss local community issues with regards to K-12 education

Date	Time	Title	Description
1 Apr	10:00 – 10:30	EP 18 Mark Hyatt	<p>Mark served as a fighter pilot squadron commander in the Air Force, advisor to Secretary of Defense and the past two White House Administrations on school choice, safety, social climate and culture issues. He's also served as Vice Commandant at the USAF Academy, Director of their Center for Character and Leadership Development, President of the largest charter school in Colorado, The Classical Academy, and Executive Director of the Charter School Institute in Denver. He's testified at the Colorado Legislature to keep partial funding to public schools for home school students.</p> <p>Mark's journey through the education industry combined with his wife, Debbie's, experience advocating for youth brought them to the realization that children thrive when education is tailored to their needs and interests. Together, they founded Falcon AeroLab.</p>

Together, they founded Falcon AeroLab.</p>
1 Apr	13:30 – 14:00	EP 16 Marsha Brower	<p>Marsha Brower started playing instruments at age three and has never stopped. Though teaching music was not her career goal, her interest in and enjoyment of music guided her passion to teach music to others. She taught music classes in school and offered private lessons, growing in knowledge as she prepared for and taught each class. She began teaching music to students in homeschool co-ops and enrichment programs. As an assistant for two homeschool band programs her understanding of music instruction grew. When the instructors for these programs could no longer teach, she picked up the baton and carried on. Hence, Colorado Homeschool Music was born.</p>

Sara also grew passionate about the Falcon AeroLab program as her children began to attend. Therefore, she asked what she could do to help the Falcon AeroLab program grow and be around to serve future generations. She has been working hard to minister to families through Falcon AeroLab ever since!
24 Jun	10:00 – 10:30	EP 29 Deborah Wuehler	Deborah Wuehler is the Senior Editor of The Old Schoolhouse® Magazine, wife to Richard, and homeschool mom of eight for over 20 years. She also speaks at homeschool conventions and for homeschool groups nationwide. Deborah's passion is to encourage homeschool families to

			keep their focus on Christ and His Word, and to keep their children home . . . where they belong!
24 Jun	10:30 – 11:00	EP 26 Barb West	Barbara West started homeschooling the oldest of their 5 children in 1988. She has experience homeschooling in seven states and overseas. In addition to homeschooling, Barbara has been a speaker at homeschool conferences in the U.S. and abroad. She has written articles and devotions for several homeschool publications. Barbara also manages the Facebook page, “Homeschooling Colorado.” She currently serves on the board of the Global Home Education Exchange, promoting the parental right to homeschool around the globe. Familiar with serving through and creating homeschool support groups and co-ops, Barbara and her husband, Bruce, serve local homeschool families through the Colorado Springs Homeschool Sports League.
