

Issues Programs List

Quarterly Issues Programs List

Station:

WPDH, WPDA, WCZX, WEOK, WKXP, WZAD, WRRV, WRRB

October 1st – December 31st, 2023

Section I. Issues

The stations have identified the following topics as significant issues facing our community in this quarter:

- **Community Awareness:** The Hudson Valley community is filled with individuals and organizations who set out to improve the quality of life of everyone each and every day. This quarter we spoke with organizations that are available to the community to offer support in various fields. Many of which were hosting bright and vibrant events for the holidays. Different groups discussed their purpose in the community, their upcoming events, and how they strive to better the lives of the community around them through their events and missions.
- **Health Awareness:** October was Bully Prevention Month. We discussed topics that centered around mental health and abuse. Also, many health organizations used the holidays as a great time to hold community events to help open the doors to new community members to spread awareness about their causes. Plus, with the new year around the corner, the topic of New Year's Resolutions came up a lot and how people could start healthy habits that will benefit them for months and years to come. The organizations we spoke with dove into how they are spreading awareness, breaking down stigmas, and making conversations easier.
- **Local Economy:** This quarter, we spoke to small businesses who are using their platforms to educate their community through philanthropic deeds. We also focused on the importance of tourism in the area as the weather turns cool for the winter and enjoy all the wonderful activities offered specifically for the holiday season and New Year's. We talked about programs that encouraged the public to get involved and become local leaders.
- **Arts & Education:** The Hudson Valley has a very strong cultural base that includes Arts and Entertainment. It factors into a lot of areas in the region including economic and community wellness. As mentioned in previous buckets, the holidays were at the core of our discussions this quarter. Various groups are using the arts to convey shared emotions within the community, along with educating and uniting people through the use of storytelling and presentation.
- **Legislation:** This quarter, we look to the future. We spoke with experts in their fields on how recent bills and legal cases will impact the lives of the Hudson Valley for years to come. Many things have been altered in a post-pandemic world, and we discuss the dark precedent that COVID has left on the fields of healthcare, insurance, law, nutrition, food service, and more.

Section II. Responsive Programs

“In Touch” is a locally produced public affairs program that runs on all eight Poughkeepsie stations.

The program airs every Sunday on WPDH, WPDA, WKXP and WEOK at 6am, WRRV and WRRB at 6:30am, and WCZX and WZAD at 11pm

Date(s) Aired	Description of Issue Discussed	Duration
10/1/2023	<p>Our locally-produced public affairs program discussed Community Awareness, Health Awareness, and Arts & Education</p> <p>Conor Walsh hosted the show which featured Chief Master Gerald Dunn from Karate 4 Excellence. October is Bully Prevention Month, and we talk about the difference between confrontation and bullying, how to build confidence and self-esteem, and how we can look out for others who are in distress. Besides the mental and emotion benefits that one gets from learning a martial art, we also discuss the physical discipline that goes into the training.</p> <p>Chief Master Gerald Dunn, Karate 4 Excellence</p>	28:19
10/8/2023	<p>Our locally-produced public affairs program discussed Community Awareness, and Health Awareness</p> <p>Conor Walsh hosted the show which featured members of The Center for the Prevention of Child Abuse (CPCA), including their friendly service dog Peace. 1 in 15 children are exposed to intimate partner violence each year, and 90% of these children are eyewitnesses to this violence. October is both Bully Prevention and Domestic Violence Month. Each year, the CPCA serves approximately 15,000 children, adults, and families through prevention programming, educational training, and support services—all focused on ending the cycle of child abuse. We discuss the CPCA’s programs to assist victims of abuse, their efforts to prevent abuse, and upcoming events such as their Battle of the Badges Run on Saturday, October 21st!</p> <p>CPCA</p>	27:16
