<p><b>AARP launches a solution for Latinos to permanently cancel their debts and pay their unexpected expenses</b></p> <p>-----</p> <p><b>Every child deserves a safe place to sleep at night, but sadly that’s not always the reality</b></p> <p>-----</p> <p><b>End Sale of Flavored Tobacco Products; Historic Move Will Advance Health Equity and Save Lives</b></p> <p>-----</p> <p><b>Covid and Flu Vaccines</b></p>	<p><b>Florida Exclusivo</b></p>	<p><b>This helps save time and reduces interest paid on outstanding bills. AARP Money Map™ is designed to consolidate all debts in one place, prioritize the payment of them so that it positively impacts the user's credit score and to create a monthly payment schedule. In addition, it also offers advice related to the most typical expenses that lead to debt, as well as the “real costs” and the advantages and disadvantages of using different funds (such as retirement plans and others) to make payments; thus, the user will be able to find the most effective strategies to pay their bills without suffering long-term impact.</b></p> <p><b>---There’s always a need for new foster families to step forward and serve in this capacity – especially those with diverse backgrounds</b></p> <p>-----</p> <p><b>Flavored products have also long been a favorite tobacco industry strategy for targeting kids, Black Americans, the LGBTQ community, and other communities. Half of all kids who ever try smoking start with menthol cigarettes. The evidence shows that menthol makes it easier for kids to start smoking and harder for smokers to quit. Because of the tobacco industry’s predatory marketing, 85% of Black smokers now smoke menthol cigarettes, compared to less than 10% in the 1950s.</b></p> <p>-----</p> <p><b>During the 2020-2021 flu season, flu cases were very low, due in large part to COVID-19 mitigation measures, such as wearing masks, closing schools and jobs, and physical distancing. But this year, the threat from the flu may be much greater if the implementation of many of those mitigation measures is relaxed.</b></p>	<p><b>David Parra, AARP spokesperson for Money Map</b></p> <p>-----</p> <p><b>Maggie Dante Spokesperson for Embrace Families</b></p> <p>-----</p> <p><b>Patricia Sosa Spokesperson Tobacco Free Kids</b></p> <p>-----</p> <p><b>Dr. Madelyn Butler Spokesperson for American Medical Association</b></p>	<p><b>10/16/2021-9am</b></p>	<p><b>1 hr.</b></p>

<p>Climate Change and Hispanics, Climate Change Threats in Florida ----- Healthy Eating Habits for Young Children ----- When does Open Enrollment for the Health Insurance Marketplace begin? What's new for 2022?</p>	<p>Florida Exclusivo</p>	<p>Unfortunately, Latinos are one of the demographic groups most vulnerable to the effects of climate change. Communities in the United States are already suffering the effects of climate change due to increased heat, with a direct impact on some of the industries that employ many Latinos: agriculture, construction, and hospitality. ----- Researchers recommend good nutrition and adequate nutrition for children between the ages of 2 and 8. You must introduce them to healthy options by letting them try and learn to eat new foods. Children often need to taste a food 15 times before they know whether they like it or not. ----- Health Insurance Marketplace Open Enrollment is the time to change your current health plan or find a new one. Starting November 1, you can visit HealthCare.gov to update your information or select a new plan that best meets your needs. Even if you are satisfied with your current health coverage, you may find something better that meets your needs during Open Enrollment at HealthCare.gov.</p>	<p>Thais Lopez Vogel, co-founder and administrator of the VoLo Foundation ----- Dr. Rafael Perez Escadilla Professor of Public Health at Yale University ----- Carolina Fortín-García is a bilingual spokesperson for the Centers for Medicare and Medicaid Services</p>	<p>10/30/2021-9am`</p>	<p>1 hr.</p>
<p>Pediatric Mental Health Crisis Reaches Critical Tipping Point ----- Immigration new deadline and news of deportation and covid 19 ----- After almost a year and a half, why do you think we continue to face so much misinformation about vaccinations in many Latino communities</p>		<p>Suicide is the second leading cause of death for youth ages 10-24 in the U.S., and the COVID-19 pandemic has only worsened the crisis. Between March and October 2020, the percentage of ER visits for children with mental health emergencies rose by 24 percent for children ages 5-11 and 31 percent for children ages 12-17 ----- A federal appeals court allowed the Biden administration's selective criteria on who should be deported to remain in effect, rejecting one of Texas' challenges to the president's immigration policies. In other subjects U.S. Citizenship and Immigration Services announced that, effective Oct. 1, 2021, applicants subject to the immigration medical examination must be fully vaccinated against COVID-19 before the civil surgeon can complete an immigration medical examination and sign any forms. ----- Continuing misinformation about vaccinations in pregnant/breastfeeding women and the just approved emergency authorization of vaccines in 5-11-year-olds.</p>	<p>Dr. Ilan Shapiro For American Academy of Pediatrics ----- Camila Pachon Immigration Attorney ----- Dr. Zulma Berrios Chief Medical Officer West Kendall Baptist Hospital Part of Baptist Health South Florida</p>	<p>11/6/2021-9am</p>	<p>1 hr.</p>

<p><b>Improve access to healthcare</b> ----- <b>Improve your immunology system</b> ----- <b>Pre-Diabetes awareness</b> ----- <b>Climate Change talks in Florida</b></p>	<p><b>Florida Exclusivo</b></p>	<p><b>Build trust in covid vaccines in healthcare personnel and communities disproportionately affected by the pandemic</b> ----- <b>As some foods raise your immune system, and as a good diet accompanied by exercise keeps you away from the doctors.</b> ----- <b>1 in 3 American adults has pre-diabetes, but more than 84% of them do not know it. Methods to control it in time</b> ----- <b>Congressional leaders have a critical opportunity this week to pass the Build Back Better bill that calls for turning the tide against climate change, economic inequality, and environmental injustice.</b></p>	<p><b>Eneida Roldan MD,MPH,MB A Executive Director of the Florida International University Health Care Network</b> ----- <b>Jimena Ximenez Nutritionist</b> ----- <b>Betsy Rodriguez RN,MSN,CD E for the CDC</b> ----- <b>Maria Revelles Director Of Chispa Florida</b></p>	<p><b>11/13/2021-9am</b></p>	<p><b>1hr.</b></p>
---	---------------------------------	--	---	------------------------------	--------------------

<p>With COVID-19 vaccines now licensed for children ages 5 to 11, the "De Ti Dependé" campaign offers answers to Questions from Parents ----- How to spot and avoid scams especially during holiday shopping ----- November is National Month of Adoption. To highlight the importance of adopting adolescents from foster homes ----- Tips To avoid making everyone at the table sick. Five tips for a food safe Thanksgiving ----- Flu shots, mosquitoes and more</p>	<p>Florida Exclusivo</p>	<p>After extensive clinical trials, the FDA recently licensed a COVID-19 vaccine for children ages 5 to 11. New research from the Ad Council found that 40% of parents of children in this age group intend to vaccinate their children, but about 40% of parents have not yet decided ----- New Survey: As Christmas Season Kicks Off, Scammers Increase Attacks Against Latino Consumers ----- Adolescents (ages 13-18) comprise 21% of children and youth waiting to be adopted into the foster care system, but represent only 10% of adoptees ----- Preparing the meal, it can be a stressful time. Not to mention, for many it is the largest meal they have cooked all year, leaving plenty of room for mistakes that could cause foodborne illness. ----- This is the time to consider the Flu shot, mosquitoes are always a problem in humid climate, tips to avoid any diseases with mosquito bites.</p>	<p>Dr. Ilan Shapiro For American Academy of Pediatrics ----- Andrés Castillo, AARP spokesperson ----- Erica Serrano, spokesperson for the Adopt USKids organization with Sandra and Jorge Mendez, Adoptive Parents ----- Janet Munoz Spokesperson for USDA ----- Mirna Chamorro Spokesperson for Florida Depts. of Health</p>	<p>11/20/2021 -9am</p>	<p>1hr.</p>
<p>Emotional Intelligence</p>	<p>Florida Exclusivo</p>	<p>Learn the skills necessary to thrive at work and home. Begin by exploring how your emotions affect you and the decisions you make. A better understanding of how anger or power influences your choices will help you be a better you.</p>	<p>Dr. Wanda Bonet</p>	<p>11/27/2021 -9am</p>	<p>1 hr.</p>
