DECLARATION OF IVY ELAM, AREA PRESIDENT

I, Ivy Elam, hereby declare as follows:

1. I am a Area President for Capstar TX LLC, the licensee of WKSP(FM), Aiken, SC (Facility ID# 46966), which is part of a station employment unit based in Augusta, Georgia and which also includes WLUB(FM) (Facility ID# 59250), WYNF(AM) (Facility ID# 59248), WBBQ-FM (Facility ID# 59249), all Augusta, GA as well as WPRW-FM, Martinez, GA, (Facility ID# 46967) (the "SEU" or "Unit").¹ The stations in this SEU are commonly owned through subsidiaries ultimately owned and controlled by iHeartMedia, Inc. (collectively, "iHeartMedia"). This Statement and relevant attachments are being submitted in response to the February 14, 2019 letter of Lewis C. Pulley, Assistant Chief of the Policy Division of the Commission's Media Bureau, concerning a random audit of the SEU's EEO compliance (the "EEO Audit Letter").

2. This SEU employs five or more full-time employees as the term is defined in the broadcast EEO rule of the Federal Communication Commission ("FCC" or the "Commission"), 47 C.F.R. § 73.2080(e)(1).

3. In response to Question 3(a) of the EEO Audit Letter, copies of the SEU's two most recent EEO Public File Reports, as described in 47 C.F.R. § 73.2080(c)(6), are appended at Attachment A.

The web addresses of the stations in this SEU are as follows: 963KissFM.com (WKSP(FM)), Bull1057.com (WLUB(FM)), FOXSportsAugusta.com (WYNF(AM)), WBBQ.com (WBBQ-FM), and Power107.net (WPRW-FM). A copy of the current EEO Public File Report is included on or linked to each of these websites.

The date of each full-time hire listed in the SEU's two most recent EEO Public File Reports, as required by 47 C.F.R. § 73.2080(c)(5)(vi), is included in the internal business records appended at Attachment B.

4. In response to Question 3(b) of the EEO Audit Letter, the licensee acknowledges that it is required to retain records to document its outreach to the recruitment sources used to fill its full-time positions, including the recruitment reflected in the above EEO Public File Reports. However, pursuant to the EEO Audit Letter, only one such job notice per position is included at Attachment B in addition to announcements sent to sources that have notified the SEU that they want to be alerted to job openings at the Unit, as described in § 73.2080(c)(1)(ii).

5. In response to Question 3(c) of the EEO Audit Letter, the internal business records appended at Attachment B also provide data concerning (a) the total number of interviewees for

Pursuant to the underlying trust agreement, WEKL(FM) continues to share employees with the SEU.

each vacancy and (b) the referral source for each interviewee for each full-time vacancy filled during the period covered by the above EEO Public File Reports.

6. In response to Question 3(d) of the EEO Audit Letter, documentation concerning the Unit's performance of four points worth of recruitment initiative activity as described in § 73.2080(c)(2) during this time period is appended at Attachment C with participating personnel noted therein. This SEU employs a total of 16 full-time employees and is located in a market with a population of more than 250,000. Accordingly, the SEU is required to perform at least four points worth of recruitment initiative activity during each two-year period measured from the date the stations in the SEU are required to file license renewal applications.

7. In response to Question 3(e) of the EEO Audit Letter, the licensee affirms that it is not aware of any complaints alleging unlawful discrimination in the employment practices of the stations in this SEU based on race, color, religion, national origin or sex filed before a body with jurisdiction under federal, state, territorial or local law during the current license term.

8. In response to Question 3(f) of the EEO Audit Letter, the licensee affirms that iHeartMedia deployed an EEO compliance plan, with the assistance of outside communications counsel, known as the Broadcast Diversity Recruitment Plan (the "Recruitment Plan" or "Plan") in conjunction with the effective date of the current EEO regulations. The Plan contains directives as to how iHeartMedia SEUs are to engage in broad recruitment for job vacancies and undertake recruitment initiatives, details the required recordkeeping requirements and provides a quarterly self-assessment program.

At the corporate level, iHeartMedia assists SEUs in understanding and following the Recruitment Plan, employing a team of corporate HR specialists that respond to SEU requests for FCC EEO compliance assistance and/or that call upon outside counsel for additional guidance when warranted. Furthermore, iHeartMedia has a team of internal public inspection file auditors that surveys FCC EEO performance of iHeartMedia SEUs as part of their routine review of overall public file compliance. Finally, in connection with the deployment of HR software throughout the company, iHeartMedia HR's department has conducted training sessions for its SEUs on its hiring policies and procedures, including compliance with the FCC's EEO broad outreach rules, and continues to provide access to training on FCC EEO matters to SEUs via its online HR portal.

At the local level, this SEU's Finance Specialist manages routine FCC EEO compliance efforts under my supervision, including maintaining our recruitment source list, conducting vacancy-specific outreach and retaining the associated records. She also regularly communicates with all SEU hiring managers to reinforce FCC EEO requirements. This SEU's compliance efforts include identifying iHeartMedia's efforts to afford equal employment opportunities to employees through statements disseminated in job applications and posted in conspicuous areas within the workplace.

9. In response to Question 3(g) of the EEO Audit Letter, the licensee affirms that the SEU understands that it must periodically analyze the effectiveness of its EEO recruitment program by reviewing the productivity of sources on its recruitment list and the outcome of its recruitment initiatives. The company's Recruitment Plan, through the quarterly self-assessment mechanism,

provides SEUs with a regular opportunity to consult the corporate headquarters about these issues. To boost the effectiveness of outreach efforts on an ongoing basis, the SEU includes language on its station websites encouraging qualified community organizations to contact the SEU to request its job notices.

10. In response to Question 3(h) of the EEO Audit Letter, this SEU strives to comply with all federal, state and/or local laws regarding pay, benefits, seniority practices, promotions, and selection techniques and tests to ensure that the unit provides equal opportunity and does not discriminate against employees or applicants. This SEU's employment practices are my ultimate responsibility, working in conjunction with in-house counsel at iHeartMedia corporate headquarters and, when applicable, outside employment and labor counsel.
