SHOW SYNOPSIS

(segment 1)

January is Glaucoma Awareness Month and a leading glaucoma expert is here to encourage people at a higher risk to get a comprehensive dilated eye exam.

(segment 2)

The Deputy Director of the National Institute on Drug Abuse gives us details on National Drug and Alcohol Facts Week and discusses drug use and alcohol trends among teens in Tennessee and the U.S.

(segment 3)

The President of the American Petroleum Institute shares the findings of the 2017 State of American Energy report and what the new administration means to this issue and Tennessee.

(segment 4)

And, a Middle Tennessee author shares her involvement in the recent Women's March on Washington, DC.
