## Performance Tax Spots and Resources

Thank you for joining the National Association of Broadcasters' efforts to stop the foreign-owned record labels' attempts to impose new fees on local radio stations. Your engagement sends a loud message to Congress: radio stations stand united against a performance tax.

Please air these radio spots as often as possible from now until September 6 and urge your listeners to tell policymakers to protect local stations. Because this is an issue ad, the Federal Communications Commission requires your station to fill out a **PB-19 form** and place it in your station's political file within 24 hours or one business day. Please make this a priority.

### Important: PB-19 Form

Because this is an issue ad, the Federal Communications Commission requires your station to fill out a PB-19 form and place it in your station's political file within 24 hours or one business day. Please make this a priority.

**Please note:** Spots do not impact the Lowest Unit Charge/Rate nor do they trigger equal time since they are not candidate ads. Stations should consult with their legal counsel if they have any questions regarding the use of the PB-19 form and other compliance issues.

### Take Action

Take action today and urge your members of Congress to oppose the so-called American Music Fairness Act and cosponsor the Local Radio Freedom Act. Your voice matters!

### Extension of NAB Performance Tax Issue Spots

This info was just posted on the Political FB Group:

Good morning. The NAB has asked that we extend their Performance Tax spots through the end of September because despite hitting the milestone of a majority of support in the House of Representatives opposing new performance taxes, it's still possible that the Judiciary Committee could hold a markup on the American Music Fairness Act and the Senate could introduce a companion bill. So please **extend your current orders - which were set to expire on 9/6 - through 9/30. This applies to ALL CUMULUS STATIONS.** As a reminder, these are considered **political orders**, but do not impact LUR. You will need to **upload all relevant info as a revision onto your station FCC sites.** See original link below to a post from earlier in the year that has full instructions and details. As before, you can follow the external link in the earlier post to the NAB site for the NAB form and spot creative, and you can take a screen shot of that external NAB page for your audit records as a proxy for an insertion order. These spots are pre-emptible.
