

COMMERCIAL LIMIT CERTIFICATION

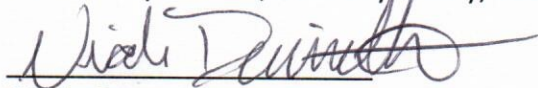

I, Nicole Demmith, in the capacity as Chief Engineer for Milwaukee Media, LLC, representing television station WIWN (TV) DTV Channel 68.1, 68.2, 68.3, 68.4, 68.5, 68.6, 68.7 and 68.8, Fond du Lac, WI, hereby certify that for the period of April 1, 2017 to June 30, 2017:

- 1) I am familiar with and the station is in compliance with the commercial limits imposed by section 73.670 of the FCC's rules (no more than 12 minutes per hour of commercial material may be broadcast during children's programming during the week, and no more than 10½ minutes per hour on weekends).
- 2) Attached as Exhibit 1 is a true and correct list of all children's programming aired during the period listed above.

The Children's Television Act and the FCC's rules require that Children's programming may not contain more than 10.5 minutes of commercial matter per clock hour on weekends and no more than 12.0 minutes of commercial matter per clock hour on weekdays. In addition, Children's programming may not direct viewers to an internet website unless the website offers substantial amount of bona fide program-related or other non-commercial content; the website is not designed "primarily" for commercial purposes (that is, e-commerce or advertising); the website's home page and other menu pages clearly distinguish between the website's commercial and non-commercial sections; and, the website page to which viewers are directed is not used for e-commerce, advertising, or other commercial purposes (that is, the page has no links labeled "store" or direct links to other pages with commercial material). Finally, neither children's programming nor commercials aired during children's programming may display Internet website addresses that direct viewers to Internet websites that utilize a program's characters to advertise, promote, or sell products or services.

After due review of internal station records and documentation provided to us by program suppliers, WIWN (TV) hereby certifies that it complied fully with the FCC's commercial limits with respect to all children's programs broadcast during this quarter that are subject to those requirements.

Certified by me this, 10th day of July, 2017

Nicole Demmith,

Coordinator, Broadcast and Traffic Control Operations

Ariel & Zoey & Eli, Too: 11:30am CST, Sunday. Aired 1 time during the 2nd quarter of 2017.

Ariel & Zoey & Eli, Too (AZE2), a musical variety show that is driven by three siblings, empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. Music on the show is produced by Emmy Award winner David Barrett. He and Brian Brill (another Emmy winner) ensure that the music is tailored for the young audience. All

songs offer a positive message about life. Every episode begins with the song "Sweet Company" which sends the positive message of friendship and ends with the singing of "End of Another Day" which encourages the viewer to stay optimistic about tomorrow. (Showplace TV Syndication) E/I, K13-16

Aqua Kids Adventures II: 12:00pm, CST, Sunday. Aired 1 time during the 2nd quarter of 2017. *Aqua Kids* provides a unique vehicle for young people to learn about the diversity of marine animals around the world, emphasizing the importance of preserving fragile aquatic habitats and encouraging children to take an active role in protecting the future of their community and the world. The program provides a window into the management and preservation of unique habitats and species through the eyes of kids and their hands-on collaboration with science researchers and educators. The messages delivered by Aqua Kids are given by a creative and resourceful host, Molly McKinney, whose scientific background is evident in the show. The other young hosts, whose ages range from pre-teen to late teens, are equally entertaining and informative. The young viewers identify with these young hosts and imagine themselves in the role of the scientist and as someone who could have a positive impact on the environment. The format of young student scientists presenting information on location in a variety of aquatic settings is both entertaining and informative. (Showplace TV Syndication) E/I, K13-16
