**ALPHA MEDIA LLC, ALASKA DISCLOSURE STATEMENT  
REGARDING POLITICAL SALES PRACTICES FOR RADIO  
STATIONS effective on and after January 1, 2024**

**KAYO-FM**

The following practices apply to purchases of advertising time for “use” by legally qualified candidates for public office. In order to qualify for this treatment, candidates or their representatives may be asked to demonstrate that they are legally-qualified. This Disclosure Statement is provided for general information as required by the rules and regulations of the Federal Communications Commission (“FCC”), and is not intended to be a part of any advertising sales contract, which is governed by applicable law and its own terms. Practices described herein are subject to change at the Station’s discretion, to the extent permitted by law.

Legally qualified federal candidates are entitled to purchase time on the Station during their election campaigns. The Station will consider all requests for such time and will make reasonable accommodations to meet such requests. Although a federal candidate has the right to “reasonable access” to the facilities of the Station for the airing of political advertisements, the Station retains the right to limit the amount of time sold to a candidate and has ultimate discretion with respect to the placement of political advertisements. The Station will grant access to specified state and local candidates based, in the station’s sole discretion, on the public interest in the election and inventory. For a determination as to whether the Station will make time available for sale for certain local or state races, see Station Contact below.

During the 45 days preceding a primary election and the 60 days before a general election, the Station charges candidates in the respective elections the “lowest unit charge” for an advertisement if the advertisement constitutes a “use” of the Station’s facilities, as defined by the FCC. During any time outside of the 45-day and 60-day periods, the charges for political advertisements constituting a “use” are set so as to be no higher than those charged other advertisers for comparable use of the Station’s facilities. Any political advertisement that is not a “use,” including any advertisement purchased by a non-candidate or any advertisement dealing with non-candidate ballot issues, is sold at prevailing commercial rates. If a political advertisement constitutes a

use, the Station will provide opposing candidates with “equal opportunities,” as established by federal law, to use the facilities of the Station. No federal candidate will be entitled to receive the station’s lowest unit charge unless the candidate provides the station with a certification that the candidate will not make any direct reference to

another candidate for the same office in any broadcast unless the broadcast complies with §315(b)(2)(D) of the Communications Act, as amended by the Bipartisan Campaign Reform Act of 2002.

The terms and conditions applicable to political advertising on the Station are as follows:

1. Rates. The Station sells 30 and 60-second spots from 6 AM to Midnight as reflected on the attached rate card. Most rates for both commercial and political advertising time sold on the Station are arrived at on an individually negotiated basis. Negotiated buys may, for example, include spots in a number of different rotations or dayparts and combinations of different classes of spots. Rates for most classes of time vary on a daily basis, based on supply and demand. The classes of advertising time offered to commercial advertisers are:

- a. Immediately Preemptible Spots Aired During Specific Rotations (50% clearance can be expected).
- b. Fixed-Position Spots
- c. ROS (Run-of-Schedule) Spots
- d. Package Plans

2. Identification. All ads must comply with the identification requirements of §317 of the Communications Act. The Station reserves the right to insert such identification into any advertisement that fails to include the requisite identification even if the insertion of the identification causes a portion of the advertisement to be deleted. For a federal candidate to receive the lowest unit charge for the class of time purchased, all ads that refer to opposing candidates must contain a statement that is read by the candidate which identifies the candidate and office the candidate is seeking, and states that the candidate approved the broadcast,

3. Credit. Cash at least three businesses days in advance is required unless the order is being placed by an agent or other entity with a proven credit history with the station. This agent or entity must accept full responsibility for all air time and production charges.

4. Political Agreement. A signed Agreement Form for Political Broadcasts (PB-19) must accompany any time order.

5. Proof of Candidacy. The Station, at its option, may require the candidate to produce proof that he/she is a legally-qualified candidate.

6. Notice and Weekend Access. Orders must be placed at least three business days in advance of start. Copy changes or cancellations require one business day's notice. Tapes and written instructions must be delivered to the station in advance of the scheduled air date. Deadlines for contract changes and commercial materials are: 2PM the business day prior to scheduled airtime

7. Production Facilities. The Station's production facilities reasonably will be available to produce commercials for political advertisers on the same terms as provided to commercial advertisers. On-air personalities may not voice political spots.

8. Schedules. Although the rates charged by the Station are based upon the use of 30 and 60-second spots, the Station will also try to accommodate requests for advertisements of non-standard lengths for federal candidates.

9. Make Good Policy. In the event of a missed spot, the Station will make good in the same daypart within 3 days. If time prohibits making the spot good (e.g., missed on last day before election) the Station will refund the cost of the missed spot to the purchasing entity within 10 working days.

10. Election Day Orders. Political advertising will be accepted for broadcast on election day, depending on available inventory.

11. Rebates. If a new lowest unit charge is established after a political advertiser's purchase has been made or run, the Station will rebate the overcharge to the political advertiser within 10 days or will credit the overcharge to the candidate's future time purchases, as the candidate directs.

12. FCC Online Public Information File. Since March 1st, 2018 the FCC requires broadcasters to maintain public files online at <https://publicfiles.fcc.gov/> This file must contain all requests for specific schedules of advertising time by candidates and certain issue advertisers, as well as the final dispositions or "deals" agreed to by the entity and the advertiser in response to any requests. It is not necessary to retain any of the materials relating to the negotiation between the parties to reach the disposition. Finally, the file must include the reconciliation of the deal such as a description of when advertising actually aired, advertising preempted, and the timing of any make-goods of preempted time, as well as credits or rebates provided the advertiser. The request and disposition must be placed in the file as soon as possible, which the Commission has determined is immediately absent extraordinary circumstances. The reconciliation information need not be placed in the file immediately but the entity must identify a person or persons capable of informing an advertiser of the details of any reconciliation information.

13. Local Public Inspection File. The local public inspection file for the Station is maintained at the Station's studios at:

5431 E Mayflower Lane, Unit 3, Wasilla, AK 99654

Any member of the public, including opposing candidates, are entitled to inspect the materials placed in these files during regular business hours. No telephone, facsimile or mail request for local public file information will be accepted. **The public is encouraged to access files on the FCC Online Public Information File at <https://publicfiles.fcc.gov/>.**

14. Station Contact. Any of the Station's personnel will take questions and messages from candidates and their representatives, but, in order to provide maximum service to candidates and their representatives, the Station seeks to provide sales services through one and only one sales person at the Station. At the Station, actual time buys and responses to questions will be handled by Market Manager Nikki Hilton who can be reached at 907-275-2286.

15. Newscasts/ News Adjacencies. The Station permits political advertising within, and adjacent to, all the Station News programming.
