## MARRIAGE & FAMILY ISSUES

### A sampling of programs from the 2nd Quarter 2022

Air Date	Program	Subject
April 4, 2022	Family Life Blended (1 min. program – airs @ approx. 9:35 pm M-F)	Host Ron Deal says in today’s culture sex before marriage and living together is the norm. But what if God’s precepts against doing so were meant to protect you from the pain of a breakup? The best research shows that cohabitation disrupts the formation of a long-term commitment. And cohabiting parents break up at a higher rate and inadvertently expose their children to dangerous home situations.
April 14, 2022	“	Host Ron Deal says It’s a sad day when the rich realize that money doesn’t buy happiness. Who are the rich? Well, by the world’s standards you and I are rich but are we content? Proverbs 15 speaks to this: it’s better to have a little and trust the Lord than have a lot and live in turmoil. It’s better to have a simple meal in a loving home than a feast with hatred served on the side.

May 10, 2022	“	Host Ron Deal said one stepmom was pleasantly surprised when her two oldest stepdaughters gave her a card on Mother’s Day. It read, “Everyone needs a back-up mom. You’re mine!” What a huge compliment. She was beaming from ear to ear. So, why does she need a hug? Because this stepmom’s other two stepchildren didn’t acknowledge her at all on Mother’s Day. Not a word.
May 27, 2022	“	Host Ron said A biological parent wants their spouse—the stepparent—to be successful. But a parent inadvertently undermines the stepparent when they repeatedly defend their child, try to control how close they become, or mediate problems between their spouse and the children. The parent wants to reduce conflict and increase closeness; but it can have the opposite effect.
June 24, 2022	“	Host Ron Deal said A woman said, “My ex-husband had an affair, divorced me, and married the woman. So, I’ve asked my children not to have a relationship with him, but they still do—and he is the lying cheater!” First let me say, I’m sorry. Your anger is understandable but it does not excuse manipulation. Nothing justifies your ex-husband’s sin but neither should you sin.

## OVERCOMING OBSTACLES

### A sampling of programs from the 2nd Quarter of 2022

May 9, 2022	“	Healing doesn’t always come in ways we expect – sometimes it even comes in the form of a wheelchair offering greater mobility! Through Joni and Friends, God is saving those who are crushed in spirit. We not only bring wheelchairs to those who need them, but we also bring the hope of the Gospel.

May 27, 2022	“	Host Joni Eareackson Tada asks do you find yourself thinking of heaven as a place you get back everything you’ve lost. While it will be a place of joy and no more sorrow, it will be so much more! It will be the day of Christ, when he will be crowned the undisputed King of the universe – so get excited!
June 3, 2022	“	Host Joni Eareckson Tada said you are promised trouble in this world, but with God’s grace you can be confident that you will make it to the other side. Christ has overcome the world! He always seems bigger when you need him most, so call on him in your trouble today.
