KFBW
Quarterly Issues/Programs List

KFBW provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

1. Are more resources needed to improve suicide prevention efforts.
2. A veterans in rural parts of Oregon getting enough when they need to travel for medical care?
3. Update the Oregon Wildfire Risk Map which ran into major opposition when it was released earlier in the year. What's the next step for the project?
4. Where does the Oregon Health Authority stand in putting Measure 110 into effect that requires addiction treatment programs in every county.
5. Oregon prepares for disasters in October, but how should people with disabilities prepare?
6. Oregon Senator Ron Wyden has called on the U.S. to rethink its relationship with Saudia Arabia, especially because of an incident in Oregon. The U.S. taking the right approach?
7. What's being done in Oregon to prevent election misinformation ahead of the General Election.
8. How are services being improved to prevent domestic violence.
9. What new steps are being done to prevent homelessness in Oregon?
10. Health officials a reporting concerns about a triple-demic of COVID-19, Flu and RSV. What can Oregonians do to protect themselves?

**Section I
