KFBW  
Quarterly Issues/Programs List

KFBW provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

1. What are the impacts of the COVID-19 pandemic and how can listeners protect themselves?
2. What protections does the State of Oregon have against surprise medical billing, and what should listeners know?
3. Will Congress approve legislation to decriminalize marijuana and why is that important?
4. How would a bill in the Oregon legislature protect mothers who are in labor, but due to the pandemic are moved to a hospital that's out of their insurance network?
5. How will the Portland Rose Festival be affected by the pandemic this year?
6. Where does ODOT stand with plans to toll I-205?
7. The legislature considers a bill to fund purchase of motels to become affordable housing. How does the program work?
8. How are local programs that help refugees preparing to help Ukrainian refugees?

**Section I
