THE VOICE OF NASCAR

Dear Radio Partner;

Motor Racing Network is impartially accepting political advertising leading up to the election. We want to make sure that we properly notify you ahead of time with the details of the political commercials we are carrying, along with when they will run in our programming should you need the information for your public file.

MRN is providing you with this political advertising documentation for informational purposes only. As a radio network, MRN is not governed by the political rules as outlined for local stations by the FCC. The information is provided as a courtesy.

We have communicated directly with the FCC in relation to network political advertising and how it impacts your political file. The FCC has reviewed our documents and found MRN in compliance with the FCC Political Guidelines for a radio network. The FCC has also relayed to us that networks do not need to supply an order or the network rate to the local affiliate because those items do not apply on a local market basis.

If you have any questions, our FCC contact would be glad to answer them directly. His contact information is:
