REPEAT 8:00PM

- The LGBT community's continuous and deceptive efforts to demonize and to spread misinformation regarding Indiana's Religious Freedom Act, as well as their intolerance of those who will not support or affirm their views.
- Major corporations are jumping on the LGBT community's bandwagon, working to suppress religious freedom.
- Other States are also trying to protect religious freedom and to put a stop to the madness of the LGBT community's efforts.

CROSSTALK

4/14/2015 55 MIN Jim Schneider and Mike Gendron
M-F 2:00PM, REPEAT 8:00PM Mike Gendron - For over 30 years, Mike was a devout Roman Catholic and was taught to rely upon the authority of the church. He followed the priests, the sacraments and was depending upon his own good works for salvation. However in 1981 after attending an apologetics seminar called, "Evidence for the Christian Faith" the Bible became his sole authority in all matters of faith. As he searched the Scriptures he was amazed to see how often the Bible contradicts the teaching and tradition of the church he had been a part of for so long. Mike placed his trust in Jesus Christ as Savior and the Bible became his sole authority in all matters of faith. He founded a ministry, Proclaiming the Gospel that points people to Jesus Christ as the all-sufficient Savior. The topic is "Evangelicals and Catholics Together: 20 Years Later." Law enforcement corruption supposedly increasing is probably in part due to low wages.

M-F 12:30PM Sept. Dakdok continues his study on lies in the textbooks. He talks about lies regarding Islam, such as the meaning of the word "jihad." Also one book says that Muslims were "tolerant conquerors," which Dakdok says is an oxymoron, because they let Christians and Jews worship how they wished after conquering them. This is a lie because the Quran commands Muslims to engage in war with Christians and Jews. True Muslims follow the commands in the Quran.

Howse talks about what he calls the "fallout" of the Supreme Court's decision to legalize same-sex marriage nationwide. He plays recordings from Todd Starnes, showing the foolishness in his speeches about how we are to make the United States a Christian nation again by calling on God to "send the bees," something that God did for Israel in ancient times. Howse says that God doesn't do that today; that was done for a specific nation during a specific time in history. Howse also mentions that the White House was lit up with rainbow colors (to support LGBT) after the Supreme Court's same-sex marriage decision was made public. Howse says that one of the persons behind having the White House lit up in rainbow colors was Valerie Jarrett, a Senior Advisor to the President and who's family background includes communists. Howse says the purpose of this act is one of the many things done to "agitate conservatives to the point of conflict."

BACK TO THE BIBLE PROGRAM DESCRIPTIONS

Speaker: Warren Wiersbe
Series: Temptations, Trials, and Triumphs, Week 4
Release Dates: April 27-May 1, 2015

Program: 9796
Scripture: 2 Corinthians 4:1-16
Title: Don't Lose Heart!
Summary: Are you discouraged in your service to God and ready to quit? Warren Wiersbe encourages us to keep going through his study of 2 Corinthians. We'll learn some tips to stay strong in the Lord that will help us to lean on His strength and not our own.

Program: 9797
Scripture: 2 Corinthians 4:16-5:10
Title: Overcoming Discouragement
Summary: Warren Wiersbe challenges us with the question of living by faith—are we going to live by what we see in this world or are we going to open our eyes to what God has in store for us in heaven? As we study 2 Corinthians, we'll learn three of the major causes of discouragement in this life and discover how we can live joyfully despite our circumstances.

Program: 9798
Scripture: 2 Corinthians 11-12
Title: Weakness and Strength; Glory and Grace
Summary: Is it wrong to boast? Warren Wiersbe points to the example of the apostle Paul to show that it isn't—if we're boasting in the right things! We'll learn that we should boast of our weaknesses and how the Lord has helped us in our suffering. And we'll be encouraged that when we have heaven in our future, we can withstand anything today.

Program: 9799
Scripture: 2 Corinthians 12
Title: Grace in Suffering
Summary: Everybody suffers in one way or another, and Warren Wiersbe shares a message from a man who had his share of difficulties—the apostle Paul. Through his example, we'll see different ways we can respond to suffering and learn which one will best glorify God. And we'll discover that whether God removes our suffering or not, our trials can be transformed into triumphs.

Program: 9800
Scripture: various

Promo for Script 1565. The Christian Working Woman. To be aired week ending April 4, 2015.

The Women at the Cross

I'm Mary Wheelchel of The Christian Working Woman, and as we look forward to celebrating the most important day in history—the resurrection of our Lord Jesus Christ—I want to take a look at the women who were at the Cross. I believe we will get a new understanding of what Jesus did for us as we see precisely what women were there and why they chose to be at such a dreadful place. Join me this week for The Christian Working Woman.

Promo for Script 1566. The Christian Working Woman. To be aired week ending April 11, 2015.

What Do You Have Tied Up?

I'm Mary Wheelchel of The Christian Working Woman, and perhaps you recall that story when Jesus needed a colt to ride in his triumphant entry into Jerusalem, so he sent his disciples to get a certain colt that was tied up. Well, it made me think—What do I have tied up that Jesus wants to use? I'm going to ask you that question this week—What do you have tied up? Please plan to join me here for The Christian Working Woman.

Promo for Script 1567. The Christian Working Woman. To be aired week ending April 18, 2015.

Fran & Jesus on the Job - Convictions - I

Have you ever suffered a setback in your job because of your Christian lifestyle? I'm Mary Wheelchel of The Christian Working Woman, and on this week's story of Fran and Jesus on the job, this is exactly what happens. It's one of those painful times in life when you have to decide if your Christian convictions and principles are more important to you than success on the job. Join me here for The Christian Working Woman.

Promo for Script 1568. The Christian Working Woman. To be aired week ending April 25, 2015.

Fran & Jesus on the Job - Convictions - II

I'm Mary Wheelchel of The Christian Working Woman, and this week I conclude the latest episode of Fran and Jesus on the job. Fran and her friend, Louise, are having to make some decisions—on the job and in a social setting—as to whether they should and will take a stand for biblical principles, or just go along with everyone else. Find out what happens when they decide to follow Jesus—no turning back. Join me here for The Christian Working Woman.

A few things you will want to know:

1. Each program is preceded by a 30 second promo for that week's message, followed by a slate giving the program numbers and air dates.

If you think of your heart as a garden to be carefully tended, it will help you bloom into the person God created you to be. I hope you'll join me here for The Christian Working Woman.
