Dear Spectrum:

This is to provide notice, as required in the FCC's rules and Orders that Station WFNY-CD, Gloversville, New York 12078, in the Albany-Schenectady-Troy DMA, continues to elect must carry for the above mentioned systems for the period 2024-2026. In addition, WFNY-CD now serves a larger area OTA and is requesting must carry in the Amsterdam and Northville hubs which supply services to a large part of the Fulton County New York area which is the stations main service area. Any further information needed, please contact me at above.
