Good afternoon,

What size banner ads do I need to provide to get Jackie Izzo up and running?

Again, we're targeting Republican voters in Rome through 6/25.

POLITICAL BROADCAST ADVERTISEMENT FORMS PB-16

USING THE FORMS

IMPORTANT NOTE:

For the PB-16 Issues Form Only - If an Issue Advertiser certifies that the programming does not communicate "a message relating to any political matter of national importance," stations must nonetheless independently verify that no such messages are communicated in the programming. Stations are required to ensure compliance in order to properly disclose rates and times aired in the public file.

Acrobat Reader 5.0

You must have version 5.0 or higher of Adobe's Acrobat Reader to use these forms. If you do not have Adobe Reader 5.0 or higher, you can download a free copy at:
<http://www.adobe.com/products/acrobat/readmain.html>.

Acrobat Toolbar Functions

When you install the Acrobat Reader and view a fill-in form, you will see a toolbar at the top of the document like this:

You need to use only a few of these buttons to complete a fill-in form. The buttons you need to use are explained below:

Hand Tool

The **Hand Tool** will most likely be pre-selected the first time you use Acrobat Reader. This tool allows you to fill in the forms on your desktop. This tool is selected when the cursor appears in the shape of a hand like the one pictured on the button.

With a fill-in form on the screen, move the hand tool over a portion of the form to be filled in. You will notice that the hand icon changes to a text icon, which looks like a capital I. This means that this is an area of the form that you are able to fill in using your keyboard. After you fill in that box, move your mouse to another field to fill it in. Note: You may also use the TAB button on your keyboard to

advance to the next field. To mark a check box, move your Hand Tool over a box and click your left mouse button. To unmark the box, move the cursor over the box and click again.

The **Zoom Tools** allow you to change the current view of the form displayed. Depending on your monitor size, you may need to use the + Zoom Tool to get a better view of the form.

Page Tools

The first button moves you directly to the first page of the current form. The second button moves you back one page on the current form. The third button moves you one page forward on the current form. The fourth button moves you directly to the last page of the current form.

Printing the Forms

To print a completed form, click on the “File” menu and select the “Print” option.

Saving the Forms

Acrobat Reader does not allow forms to be saved. Complete the entire form, review and print prior to closing the file. Closing the file will erase all information filled in.
