Candidate Interview Instance

INSTRUCTIONS

"Use" is the appearance on a broadcast facility by a candidate. For FCC purposes, to be a "use," the appearance must contain the image or recognizable voice of the candidate. Also, the appearance must be a "positive" one, i.e. the appearance of a candidate in an attack ad by an opponent is not a "use."

Stations do not need to notify a candidate of a "use" by his opponent, however the station does need to note the use in its public file.

A candidate must make a request for equal opportunities within seven days of the appearance on the station by the first candidate.

"Bona fide news or news interview program" are "exempt programs" that do not qualify as a "use." This report does not determine if it is a "use" rather logs interviews that aired on WOWO-AM-FM.
