**2015 BRIGADOON FITNESS CHARITIES ANNOUNCED**

2015 WOWO Brigadoon Fitness Penny Pitch Announcem...  

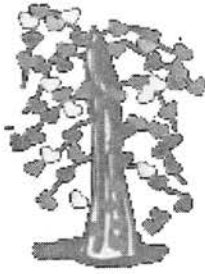

“The Burn Council of Northern Indiana is an organization that helps folks get their life’s back to normal after they’ve been impacted by a burn situation,” said board chairman Chris Weidler. The Burn Council is a separate nonprofit entity inside St. Joseph Hospital helping burn victims and their families needing assistance.

The Burn Council is a separate nonprofit entity and is not affiliated with St. Joseph Hospital or its Regional Burn Center. However, as the only nationally verified Burn Center in our area, the Burn Center staff will refer burn victims needing assistance to the Burn Council and most local survivors of burns will have been treated by the Burn Center.

Holli Seabury, the CEO of the McMillen Center for Health Education said that as school budgets decrease, so do much needed programs. “We teach a lot of bullying educating which is required in the schools, but often the teachers don’t really feel comfortable or understand how to teach that topic. We teach the topics that teachers don’t want to teach.”

Founded in 1981, the McMillen Center for Health Education is a 501(c)(3) non-profit organization and one of fewer than 30 such health education organizations nationwide. The Center is recognized as the number one resource for health education in the Northern Indiana region – reaching nearly 40,000 youth a year.

## Kate's Kart

Books from the Heart

Kate's Kart supplies brand new, free books to hospitalized children to keep for their enjoyment. "We give out about 2,200 books each and every month to children. A five dollar book can make all the difference to a family that's hurting... scared... worried... it's amazing what joy can be given with one single book," said director Krista Layman.

Kate's Kart is a not-for-profit organization that supplies brand new, free books to hospitalized children to keep for their enjoyment. Our goal is to promote literacy and encourage children, and their families, to read on an ongoing basis. We currently have over 100 volunteers collecting, counting, sorting, labeling, stocking and distributing more than 2,000 books per month to 16 area hospitals.

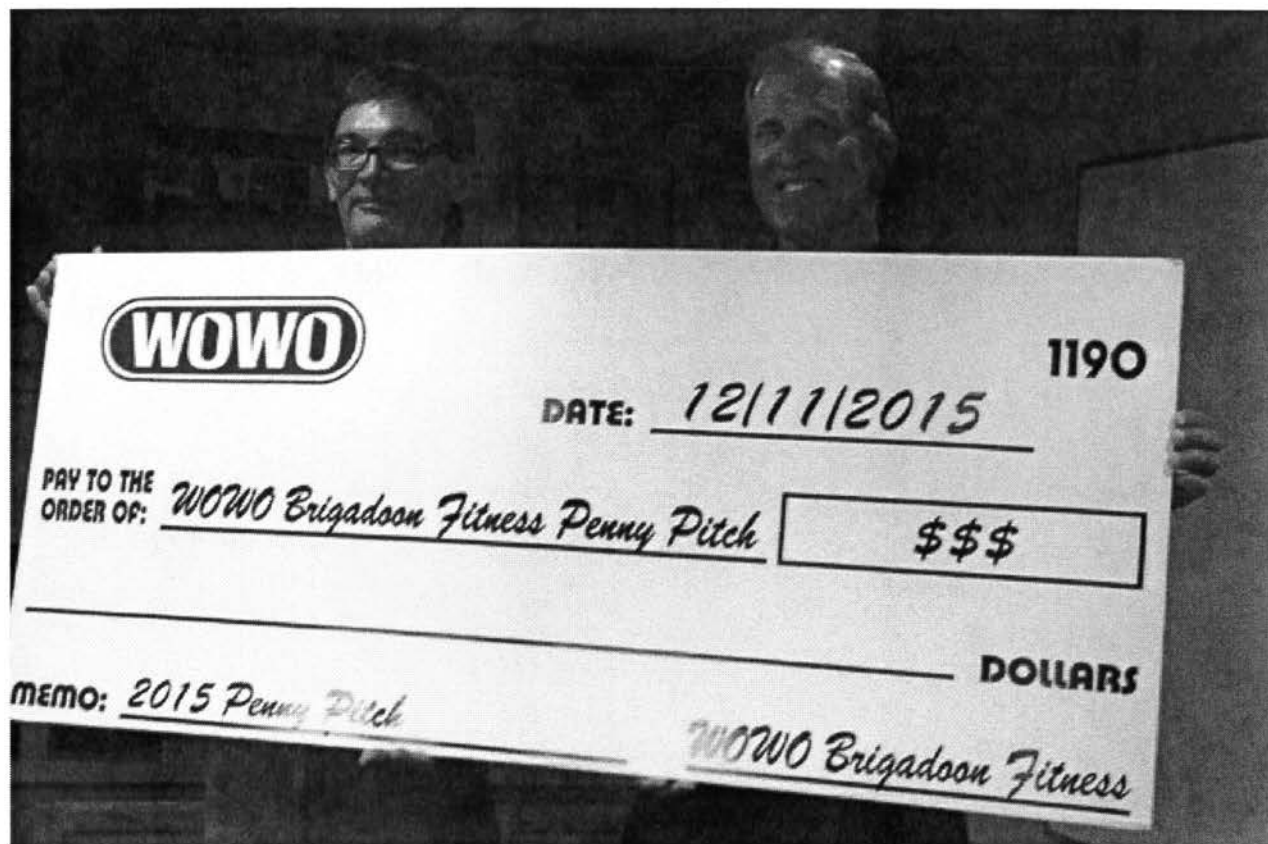

The Community Transportation Network provides dependable transportation to a variety of groups, giving priority to medical transportation for vulnerable seniors and persons with disabilities. Executive director Becky Weimerskirch said that, "You don't know what it feels like unless you're in that position that you need to beg for your next ride. That's not a good feeling."

CTN is an effective and dependable transportation alternative in Fort Wayne and Allen County. They're a nonprofit 501(c)(3) agency using a variety of resources to help you. Whether you are a senior needing alternatives, a preschool with transportation needs, a club or group going to an event, an organization needing help for clients to access programs, or someone with limited mobility needing extra passenger assistance – please call to see if they can help.

## INSTRUCTIONS

“Use” is the appearance on a broadcast facility by a candidate. For FCC purposes, to be a “use,” the appearance must contain the image or recognizable voice of the candidate. Also, the appearance must be a “positive” one, i.e. the appearance of a candidate in an attack ad by an opponent is not a “use.”

Stations do not need to notify a candidate of a “use” by his opponent, however the station does need to note the use in its public file.

A candidate must make a request for equal opportunities within seven days of the appearance on the station by the first candidate.

“Bona fide news or news interview program” are “exempt programs” that do not qualify as a “use.” This report does not determine if it is a “use” rather logs interviews that aired on WOWO-AM-FM.

## INSTRUCTIONS

"Use" is the appearance on a broadcast facility by a candidate. For FCC purposes, to be a "use," the appearance must contain the image or recognizable voice of the candidate. Also, the appearance must be a "positive" one, i.e. the appearance of a candidate in an attack ad by an opponent is not a "use."

Stations do not need to notify a candidate of a "use" by his opponent, however the station does need to note the use in its public file.

A candidate must make a request for equal opportunities within seven days of the appearance on the station by the first candidate.

"Bona fide news or news interview program" are "exempt programs" that do not qualify as a "use." This report does not determine if it is a "use" rather logs interviews that aired on WOWO-AM-FM.
