FEBRUARY 1, 2006 – JANUARY 19, 2007

Job Postings

When a position becomes available, it is the general practice of the Stations to post the job opportunity notice at appropriate locations throughout the Stations so that employees are aware of current openings and may apply for consideration for those positions. The notices list the titles and requirements for the position.

Through this practice 53 individuals were either hired or promoted during the past review period.

Recruitment File

WNYW & WWOR maintain a file of applications/resumes for review as job openings occur. These applications/resumes are kept “active” for six months from the date they are received.

Walk-in Hours

In order to maximize the Stations’ accessibility, the Human Resources department maintains regular hours for applicants to complete applications in person. In addition, applications are available in the main lobby for extended hours and on weekends.

WNYW/WWOR Job Line

Open positions, including job requirements are recorded on WNYW/WWOR Job Line. This job line is readily accessible for all telephone inquiries, walk-ins and employees. In addition to current job openings the internship and trainee programs are described and provide the Stations’ addresses and contact people.

WNYW/WWOR Websites

It is the general practice of the Stations to list open positions that are not filled internally on the WNYW/WWOR web sites.

WNYW FOX 5 WWOR MY 9 TRAINING PROGRAMS

WNYW maintains an on-going training program, which has been very successful in identifying qualified individuals. Minorities and women are encouraged to apply for positions in the program. Trainees work for a period of six months in a hands-on environment with professional staff. They are required to attend various seminars structured as an introduction to the various departments within the station. The object of the program is to develop individuals who have no or little experience in the broadcasting industry for entry-level positions.

Fox Stations Sales an in-house sales organization maintains a program to train new Account Executives. This program consists of both coursework and hands-on training. At the end of the program, individuals are assigned to Stations and sales offices throughout the United States.

WNYW FOX 5 & WWOR MY 9 RECRUITMENT INITIATIVES – ORGANIZATIONS

In addition to sending out job opportunity notices, the Human Resources department and other management staff participate in local and national conferences sponsored by minority and/or women's organizations. During the review period, such events included:

- The National Association for Hispanic Journalists – Annual Convention and Job Expo
- The National Association for Black Journalists – Annual Convention and Job Expo
- The National Association for Asian Journalists – Annual Convention and job Fair
- The South Asian Journalists Association – Annual Conference and Job Fair
- Emma Bowen Foundation for Minority Interest in Media – The Stations are involved in helping to fund a job and development program with the foundation. The Sr. V.P. of Human Resources for Fox Television Stations is on the Board of Directors. As a result of WNYW & WWOR's participation as a Media Partner in the program, many students have obtained training and staff jobs
- One Hundred Blackmen – The Stations are involved in an educational partnership with 21 high schools. As a result of WNYW & WWOR's participation in the program, students have developed hands-on training and skills for future employment opportunities
- International Radio & Television Society – IRTS – Manned job booths at their annual event and discussed job opportunities and training programs
- New York State Broadcasters Career Fair – The Company participated in the Career Fair
- American Advertising Federation Recruiting Expo

WNYW FOX 5 & WWOR MY 9 RECRUITMENT EDUCATIONAL INSTITUTIONS – STUDENT INTERNSHIPS MENTORING PROGRAMS

Recruitment: Colleges & Universities

WNYW and WWOR provided internships to 20 students for college credit during the semesters from Spring 2006 through Fall 2006. The students interned in News, Sports, Good Day New York, Sales and Traffic. The interns included students from Hofstra University, Hunter College, Brooklyn College, St. John's University, New York University, Howard University, Northwestern University, Kean University, Pace University, Clark Atlanta University, Rutgers University, City College, Marymount Manhattan College, Montclair State University, Marist College, Stonybrook, William Paterson University and Mercy.

News Corporation is a national sponsor of *Groundhog Job Shadow Day*.

WNYW & WWOR participated in the program by hosting students to shadow broadcasting professionals in major departments of the stations. News packages of the students were aired on FOX-5's Good Day New York program.

In addition to sending out job/intern opportunities, the Stations also participate regularly in career and job fairs at colleges and universities. Examples of such events during the period above include:

- CUNY Career Fair Graduate Center – The Stations manned a booth and interviewed students interested in job and intern opportunities from all NYC CUNY Schools
- Columbia University – The Stations participated in the annual job fair at the University and interviewed students regarding job and intern opportunities
- New York University – Fox Television Stations set up a fellowship program with NYU, providing scholarships and funding for programs to allow students to enhance opportunities with film and education
