The PBS NewsHour's anchor and managing editor Judy Woodruff talks to correspondents Lisa Desjardins, Amna Nawaz and Yamiche Alcindor about what they saw at the Capitol, at the White House and what they'll always remember from that day.
Science Technology Health/Health Care	NOVA "Forgotten Genius"	01/27/21 @ 9pm	120 min	The life story of Percy Julian -- not only one of the great African-American scientists of the 20th

Minorities/Civil Rights				century, but an industrialist, self-made millionaire, humanitarian and civil-rights pioneer. The grandson of Alabama slaves, Julian won worldwide acclaim for his research in chemistry and broke the color barrier in American science more than a decade before Jackie Robinson did so in baseball. He discovered a way to turn soybeans into synthetic steroids on an industrial scale, enabling drugs like cortisone to be widely available to millions. In a special two-hour presentation, NOVA traces the vivid and moving saga of Julian's dazzling scientific achievements and sometimes stormy personal life. His largely unknown story is brought to life with vivid period re-enactments based on newly accessible family archives and interviews with dozens of colleagues and relatives. Tony Award-winning actor Ruben Santiago-Hudson stars as Julian. Courtney B. Vance narrates.
Science/Technology	BEYOND THE ELEMENTS ON NOVA	02/3/2021 @9pm	60 min	Discover the chemical reactions that constantly transform our world. Like one that enables us to feed billions but when reversed, is explosive. And lock-and-key molecules that put the heat in hot peppers or make deadly venoms useful to medicine.
Seniors History	LEGACY LIST WITH MATT PAXTON (local)	01/04/21 @9pm	60 min	As baby boomers downsize living spaces and settle estates, THE LEGACY LIST helps aging homeowners catalog a lifetime of belongings, locating treasured heirlooms and unexpected valuables in the attic, closet, or even under the floorboards. Host Matt Paxton, a nine-season veteran of A&E's Hoarders, is joined by military memorabilia expert Avi Hopkins, fashion collectibles authority Jaime Ebanks, and Mike Kelleher, a walking encyclopedia of pop culture trinkets and antiques.
