WXBT  
Quarterly Issues/Programs List

---

WXBT provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Alzheimer's Association** : Covered some of the big wins in 2019, and what some of the goals are for 2020 in research and understanding of this affliction that impacts over 90,000 South Carolinian's. The two also discuss the 10 warning signs, and share personal stories of the journey of declined in their own loved ones.
- **American Red Cross** : Did you know the American Red Cross does more than just blood services? This week on Carolina Cares learn about the 5 branches of the American Red Cross.
- **Community Options**: Community Options help people throughout the state who have disabilities. They work to get them set up in safe homes. Community Options also works to find jobs for people who have disabilities such as Autism, Down Syndrome and Spinal Cord injuries.
- **Corona Virus Special** : On this special edition issues surrounding the Corona virus will be addressed by a physician who will discuss the medical aspects, a former government official discussing the federal, state and local response and a financial expert discussing the economic impact of the outbreak.
- **Coronavirus Explained**: This program is a balance of necessary information and information that will help ease the panic. Guests are from the Child Mind Institute and topics covered include Parenting through COVID-19. Program is hosted by iHeartMedia's Ryan Gorman from WFLA Radio, Tampa, FL.
- **Homeworks USA** : A Palmetto State based organization that works with homeowners, primarily elderly, veterans, and disabled, on repairing dilapidated things in your homes, with the mission of allowing them to remain for as long as possible. The program, founded in 1996, serves all of South Carolina, eastern Georgia, and southern North Carolina. They rely heavily on volunteers, and bringing youth together with our "seasoned" citizens to build bonds and stronger communities, that reach well beyond a repaired porch.
- **Indian Waters Council of The Boy Scouts of America**: Discussed the history and future of Scouting, along with the inclusion of girls. Stone also explains the impact of the Chapter 11 filing on local

councils and BSA related groups, and also addresses many of the changes that the BSA has in place to ensure the safety of all Scouts.

- **Midlands American Heart Association:** Interviewed Heart Mom, Leslie Carter, and 11-year-old Riley Carter, a heart disease survivor. They discuss the mission the American Heart Association, and share stories of hope and overcoming what could have been a death sentence for a 6 month old. Kirkland also shares the details about the 2020 Heart Ball, planned for February 21, in Columbia.
- **PAALS:** Service animals are becoming a part of our society. Do you know what a service animal can do for people with disabilities? How do you get a service animal for someone who needs it? Jen Rodgers from PAALS joins us to talk about service animals this week.
- **SC State Museum:** This week we look at the treasures from South Carolina. The South Carolina State Museum is the treasure box of the state. Learn more about our state treasures this week on Carolina Cares.
- **The American Heart Association :** How healthy is your heart? Do you know how to take care of your heart? February is National Heart Month. This week we talk with Crystal Kirkland from The American Heart Association about taking care of your heart.
- **Widow (tm)s of Opportunity :** How do you deal with grief? What is secondary grieving? Kimberly Richardson from Widow's of Opportunity joins us to talk about dealing with grief. We will cover things like when to get to back in the dating pool after losing your spouse, what kind of therapy really helps...and more this week on Carolina Cares.
