Tips from a Former Smoker – 08/26/15 - TFN

:60 spot Tiffany talks about losing her mother who was a smoker and died when Tiffany was 16 years old. Tiffany decided to quit smoking in 2012 when her own daughter turned 16. She started reading about how to quit smoking. She set a quit date. Threw out lighter, matches, and ashtrays. She began exercising more. I'd still get cravings, especially on long car rides. I put a picture of my mother in my car. It reminds me about my daughter 1-800-QUIT-NOW. www.cdc.gov/Tips

Make the Connection – Veterans Affairs 03/12/14 – TFN

:60 spot I joined the military because I wanted to contribute to something bigger than myself. After a while it takes a toll. I was counting the days until I came home to my family. At first it was good to be home. Then I realized things were different, I was different. I had trouble focusing and relating to things the way that I used to. A buddy noticed and told me that

there are resources out there for Veterans. I found resources that helped and connected with other Veterans with similar experiences. Once I made connections things started to turn around. Find resources and support at maketheconnection.net. U.S. Dept. of Veterans Affairs.

Kidney Disease – 03/21/16 - TFN

:60 spot There is a progressive and potentially fatal health condition that effects one in seven American adults, and causes more deaths annually than either breast cancer or prostate cancer. One third of Americans are at risk of developing this disease, and yet the symptoms are so difficult to detect that most people don't even know they have it until they become critically ill and require emergency medical intervention. Can you guess what it is? It's chronic kidney disease, a preventable and treatable condition that takes a terrible toll on overall health and quality of life for millions of Americans.

Our kidneys play a vital role in keeping us healthy and ensuring our bodies work properly. Their primary function is to filter wastes and extra water out of our blood to make urine. Our kidneys also help control blood pressure, maintain healthy bones and make red blood cells. When someone develops kidney disease, their kidneys stop functioning properly which can lead to serious health issues and even death.

Now, Optum created this public service campaign to join the National Kidney Foundation and health advocates around the country in raising awareness about the prevalence, prevention, and treatment of kidney disease. The PSA helps listeners understand what kidney disease is, who is at risk for developing it, and what they can do to avoid serious kidney health issues. It also shares simple steps everyone can take to help prevent or slow the progress of kidney disease, and how to spot the signs that someone may need to seek care for a kidney health issue.

Children's Eye Health 09/05/18 – TFN

:60 spot Eye health is important to overall health, especially for children. One in four children have vision problems that, if left untreated, may result in learning issues and hinder development and academic performance in school. All children, even those with no signs of trouble, should have their eyes checked during the first few years of life, before entering kindergarten, and throughout the school years. Signs of vision problems include squinting while reading or watching TV, frequently rubbing the eyes, one eye appearing crossed or looking outwards, or issues reading or writing. Watch for digital eye strain, which is caused by prolonged use of computers or smartphones and can cause dry eyes, blurred vision or headaches. Keep digital screens at least 30 inches away from your eyes and rest your eyes every 20 minutes. For adults and children, early detection and treatment of vision problems can save the gift of sight, while a comprehensive eye exam can help uncover health conditions not usually associated with the eyes, including juvenile rheumatoid arthritis. Something or someone's behavior doesn't seem quite right. These are the moments to take a pause. If something doesn't feel right it probably isn't. It's not about being afraid or paranoid. It's about standing up to protect our community one detail at a time. A lot of little details can become a pattern. We should trust our instincts just like you should. Caregiver Assistance - Are we there yet? 02/09/18 – 11/09/18

:60 spot Family support is critical to the care needed for older adults as they age, but often comes at substantial costs to those providing the care and to their families. According to the "Caregiving in the U.S." report, in 2009, there were roughly 40 million caregivers in the U.S., providing an estimated \$450 billion worth of unpaid care to aging relatives and friends. A popular misconception is that caregivers are paid medical professionals, when in reality, most caregivers are family members or friends who are also working and managing their own families at the same time. For many, the caregiving role starts with simple things like scheduling a doctor's visit, but gradually expands until it becomes a major commitment in their lives. In recognition of the essential role care givers play, the PSAs depict the circle of life and how roles change often without us even noticing.

World Vision's concern for their plight is so deep that we're now reaching one new person with clean water every 10 seconds. As the world's largest nongovernmental provider of clean water in the developing world, we are committed to reaching everyone everywhere we work by 2030.

Bridging the Gap – 28:00 Minutes – Saturday 1:00 p.m. & 7:30 p.m. – 11/03/18

Host: Sal Mendez, Guest: Gene of River of Life Church.

Sal began by mentioning upcoming events, Nov. 13 at 9am at LastChanceMinistry, 404 Brady Blvd is the next meeting of BTG.

Nov.17 is the Thanksgiving dinner at the church. All are invited and vendors and volunteers are needed. It will be noon to 4pm.

Dec. 15 is the ToyGiveaway. There will also be vendors and volunteers needed. More information to come. 210 227 4451 or Sal: 210 550 1966.

Sal introduced Gene and they began talking about the recent Crusade300. Gene is still excited about it. Many people from all over came. In the front row were the guests from Haven for Hope and about 167 of them came forward. There were a lot of broken people and there was a transformation and enthusiasm. There is a baptism yet to come. Even the sound team was amazed at the genuine presence of God.

We often forget that God prepares the way and he puts on no borders, we do. We just need to follow Him. They talked about the special needs children and angels who presented a fashion show.

Sal feels that Jimmy had a vision with his heart and God made it happen. There are new approaches to reaching people since many do not go to church anymore. We need to do it in Christian love. We need to “Step out” and God “Steps in”. We are to be extraordinary men and women and engage with people so they know we care. We need to see fruits.

God asks: "Do you see what I see? Do you hear what I hear? When you do, and we are moved to see Jesus in you. Do what you say you will do.

Gene's church is at 3302 E. Southcross Blvd at Pecan Valley. They are planning a Thanksgiving community dinner Nov. 17 at the old Walmart parking lot a block away. 12-4pm with music, food, kids events and all are invited. The Walmart is closed and they are hoping for an opportunity to someday use it to transform the community. "We want to see the people become whole". The church is the body of Christ and He is about unity.

Jesus transforms you and gives you hope and you need something to believe in. David Livingstone is in her ancestry and she has a strong Christian background.

Sal: "There is always something to learn and we need to apply what we learn."

She met Dr. Keith Morgan in Jamaica and shared his passion. He encouraged her in the start of the Christian university. On his death bed she promised to continue his legacy. She feels the Lord brought it to her. "We are ardent lovers of building churches to impact the world through the

Glory of God. He sows, it takes root and it moves on, beyond salvation." People need to know Jess first with more than head knowledge. Even when Moses was called he was trained in discipleship and building the whole man.

Sal: "We need to help other reach restoration and prepare them. God will equip them as they are in Jesus' love, not before they are ready."

Ministry Matters – 28:00 minutes – Saturday 1:00 p.m. & 8:30 p.m. – 11/10/18

Host: Randy Garcia, Guest: Mario Nova of Living Faith Church speaking at “Man up” conference.

He started talking about 90% of men say they love God but only 35% go to church. One in five women will be in church without a man every Sunday. In other religions men are prominent. He feels there is not enough risk in our churches today for men, churches need to exemplify men. Women want security and men want adventure. Most men enjoy conflict even as Paul and Peter in the Bible.

Jesus attracted men. He used men because he was a REAL man. To each man in this room, “Be the man of God.” He quoted Ezekiel 2:1.

His suggestions to men: 1: “Be the man that stands up.” Be models, service one another, use God’s word as a standard, fear God and walk with him as a man and be full of His Spirit. 2.”Be the man that listens up”, hear God’s voice as Jesus calls you. He knows you and you know his voice. He quoted a verse in 1Corinhtian, Do everything in love. Not just say “love”. Be like Christ and be a man! 3: “Be the man that rises up.” Ezekiel 22:30. Serve in church, be a provider, even if wife earns the money, stay out of debt and tithe generously.

He spoke of tag team wrestling he used to watch. Most of the times the good men won and each got the credit. Jesus is our Savior. He did it for you. You will do it for others because He did.

Ministry Matters – 28:00 minutes – Saturday 1:00 p.m. & 8:30 p.m. – 11/24/18

Host Pastor Randy Garcia, Guest: Rhoda Schultz, author of “Lost and found, the Prodigals journey home.”

The basic idea for the book was her journey with her son 7 years ago. She felt isolated and alone and lots of parents weren't talking about this shameful season in his life. He became involved in alcohol and drugs and they persued him. "He was a prodigal son but he was valuable to us and the Lord." He was confused and disoriented and they were Godly and compliant. She felt the promises of God were true but worried about her younger children during this time. Her web site is RhodaSchultz.com and the book can be bought and on Amazon.

While she saw beauty in other families, hers was in chaos. She learned it was her perception and she needed daily to regain authority over it. She felt the deep working of the Holy Spirit and prayer as God works together for good.

Brief information about Fortress Church.

Rhoda feels she had a “God assignment”. To do something with God, prayer, ministry, relational and the pouring out of the Holy Spirit. Her son ended up in jail for 11 months. She drove him from jail, to work, to college and home and fixing him meals along the way. Finally he came back to the Lord. The Lord gave her extra grace and helped her forgive and get over herself or she may have lost her son.

She came up with the book idea at her son's church when she felt the pastor speaking to her. She accepted God's assignment and brought Him glory. It made her family and younger children grow closer to God and they told her afterward that they felt it would all be okay and the Lord would deliver him. It was a unique season and they tried to show the son as worthy of love.

At the end of the book is a 21 day devotional that helped her through hard times. “Pray while acting.” said Rhoda.

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. & 10 p.m. - 11/04/18

Hosts are Mark and Veronica Lugo with Guest, Jonathon Carizales, who is owner of “Media Live”. He is usually not on a mike but busy with media.

As described by Mark, “He makes me look good and we want to honor him. He loves God, is a family man in a model family and has always helped his parents in media.

Mark asked how he got started and he told of a woman in church who prophesised about media in the church but he didn’t think much about it. Later God sent him mentors and he created “Media Live”. He started helping ministries to put out good media productions. He has since expanded to small business owners, magazines, weddings, radio and red carpet events. He works on websites, graphics, logos and podcasts of all kind. He does it all himself so he is affordable, even though he has been doing it a short time, God is in it with him and all God needs is a willing vessel. He is looking to TV next. He will do that if God leads him there. His media is a big help to small churches without technology available to them.

He offers tools to help them reach potentials and even go worldwide. He mentioned KDRY app. Most of his work depends on the needs of clients. He expands some to Facebook live.

Personally he is married to wife Lana, who helps him and they have 2 sons, Noah and Joel. He gave a shout out to them and his mentor, Silo Rodriguez and others that have helped him

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. & 10 p.m. – 11/11/18

Hosts: Veronica and Mark Lugo and Guest: Analy O’day of O’day bowtiques. She says that there is faith in the workplace as well as everywhere.

They met in September when she saw some juju beads for babies as well as bows and headbands. She also sells Mamacita earrings. All this is

available on Facebook/O'day bowtiques. After Veronica bought some earrings she wanted to know all about her business and why she started her ministry. She started in 2014 after the birth of her second child. She felt a light in her heart and a desire to reach women for Christ. She opened the bowtique and wants to give God the Glory. A portion of what she makes goes to help other ministries. She prays over each package as she sends them. She feels joyful Christians reach out. Psalm 37:4 says, "Take delight in the Lord and He will give you the desires of your heart." She has a outreach nationally and internationally. She is not ashamed to share the Gospel.

Even the packages are exciting and adorable. Each includes scripture, now written on postcards included with the jewelry. Analy says, "Ministry can be in the work place." She encourages people to send pictures of themselves in the earrings and this is a challenge to most people but helps increase their confidence.

She went through a divorce in 2014 and did not feel beautiful but beauty on different in everyone. Her advice to women: Take time to make decisions but get before God first. Do what He puts in your heart. It will not be work but fun. Seek God and follow your passion as you pray about making a difference. It will happen if you are meant to do it.

Veronica spoke of a generational blessing in their family from Deut. 28:8. "The Lord will bless you and the land He gave you." Analy prayed to end the program.

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. & 10 p.m. – 11/18/18

Hosts: Mark and Veronica Lugo, Guest: Micah of WAXPANEL music group.

Micah came from a musical family. He played in a band in middle school and in high school, guitar and bass. He studied music for a while and then quit college. He also worked as a radio broadcaster before coming to SA. He knew at 15 that he wanted to be a musician.

He started the group in 2008 and wanted it to be hard rock and grunge. He had worked at an auto shop and came up with the name, "WAXPANEL". He met with some musicians and started the band but is the remaining

original member. He is the vocalist. They started by playing in bars but now do a lot of churches and events. They showcase Christian music. Earlier in the bars they played some Christian music but did the same as others in the bar. (Drinking). Now they don't.

Mark feels God needs to call you to share the Gospel. Now where ever they play they start with prayer for the people, for a good time and that God flows through them.

Veronica: What do you see in 10 year journey? He shared about being at a youth Bible camp and sharing the gospel with them. At another concert they ministered to someone passed out in the group. They often share bracelets and then share the gospel.

He was facing a divorce and got through that, not doing it, and he now brings church to the people, not the people to the church.

Mark: How do you start a band? Micah: First be legitimate, proclaim Christ and be strong. Go through legal process, write, record, submit music and lyrics, get royalties by doing it right. Have an entertainment lawyer, Itemize banking, decide if for or non-profit.

They are releasing an album in February and have several worship songs on it. Info: Facebook/WAXPANEL, WAXPANEL.com and are on many Youtubes so there are several ways to hear them.

Impact Radio – 28:00 minutes – Sunday 2:30 p.m. & 10 p.m. – 11/25/18

Host: Mark and Veronica Lugo, Guests: Jarrell and Jeniel Flowers, who are hiphop artists.

Jarrell started in 2000 with a group just out of Bible School but it didn't work well. Later he did a concert with others and it opened up doors. He went to the Military, store fronts, bars and Christian places and ministered with the "Crazy Gospel".

Before they were married, they met in Bible School and he was selling Kirby speakers. They met and talked and married 2 years later. She loves music but is not a performer and loves their stories.

Mark: "How did you pick a recording studio?" He mentioned several and they ended with a local person at a local TV named Carl Wilson and feel they have a "kingdom connection."

His music writing is mostly how the Gospel is applied to my life. This season he plans to be transparent. The new album is called, "Rise" and he is involved in a movement called. "Rise". Go and live your Christian life. Artists need to be connected as a family with God as the "Master Artist."

He recently traveled to CO where he was stretched and challenged. It helped him expand his capacity. His goal is to be known, respected and to grow and be inspired so more will be required. Everyone has a different calling, God does the move. Follow God in a Faith Walk.

Info: freedommusicgroup.com and his wife can be found on Spotify and Amazon. Jarrell closed in prayer.
